RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, ALPINE WATER SYSTEM

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, CROSBY SPRING AT GREER

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, PINECREST WATER CO INC

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, LIVCO WATER COMPANY

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

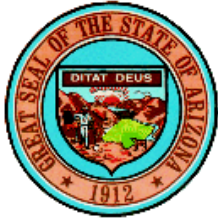

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, TUCSON ELECTRIC POWER

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, SHOW LOW CROSSROADS HOA

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, BENSON, CITY OF

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, BOWIE WID

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, CLEAR SPRINGS

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, NORTHERN SUNRISE WC - CORONADO

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, INDIADA WATER COMPANY

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

A handwritten signature in cursive script that reads "Tony Bode".

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, SOUTHLAND UTL-GOLDEN ACR

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, SUNIZONA WATER CO

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

PO BOX 85160
TUCSON, AZ 85754

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, MESCAL LAKES WATER SYSTEM

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, ASH CREEK ELEMENTARY SCHO

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, NTM AVIATION

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

Dear, KACHINA VILLAGE UTILITIES

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, WILLIAMS, CITY OF

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, CLEAR CR PINES UNIT 2

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, STURGEON CROMER ELEM SCH

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, VALLE AIRPORT GRAND CANYO

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, AZ WATER CO-WINKELMAN

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, ER WATER CO-STRAWBERRY

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, PHELPS DODGE MIAMI

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, PINE WATER ASSOCIATION

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, ROOSEVELT LAKE ESTATES

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

TONTO BASIN, AZ 85553

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, TONTO BASIN SCHOOL DISTRICT #33

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, SOLITUDE TRAILS DWID

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, HOLIDAY HILLS MHP

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

A handwritten signature in black ink that reads "Tony Bode".

PO BOX 68
MORENCI, AZ 85540

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, MORENCI WATER & ELEC CO - CLIFTON

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, CABALLEROS WATER CO

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, GLADDEN RV PARK

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, RIGBY WATER CO

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, VALLEY UTILITIES WC/GLEN

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, AMERICAN WTR CO-COOL WELL

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, RIO VERDE UTILITIES

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, EAGLE EYE VILLAGE

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, ADJC ADOBE MTN SCHOOL

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, CNC 143

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, SUN LAND BEEF COMPANY

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, BEARDSLEY WC #2

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, RIGBY WC-CHILDERS

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, SHANGRI LA RANCH

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, TRIPLE G DAIRY

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

07901 157TH PLACE WATER ASSOC
17401 S 157TH PLACE
GILBERT, AZ 85296

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, 157TH PLACE WATER ASSOC

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, JOSHUA VALLEY UTIL CO

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, KATHERINE RESORTS LANDING

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

PO BOX 788
LITTLEFIELD, AZ 86432

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, LITTLEFIELD WATER COMPANY

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, VALLEY PIONEERS WC, INC

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, LAKE MEAD CITY COMM COOP

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, SUNCREST APARTMENTS

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, AZ AMERICAN WATER-LAKE MOHAVE HIGHLAND

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, PETRO STOPPING CENTER

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

A handwritten signature in black ink that reads "Tony Bode".

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, RANCH WATER SERVICE INC

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, CENTENNIAL PARK DWID

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, BEAVER DAM SCHOOL SYSTEMS

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

A handwritten signature in black ink that reads "Tony Bode".

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, JOSHUA HILLS WATER CO

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, TIMBERLAND ACRES

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, CLAY SPRINGS DWID

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

A handwritten signature in black ink that reads "Tony Bode".

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, HOLBROOK, CITY OF

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, PINEVIEW LAND AND WATER C

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, PONDEROSA WATER CO

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, SHOW LOW, CITY OF

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, SILVER WELL SERVICE CORP

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, SUMMER PINES WATER CO

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

A handwritten signature in black ink that reads "Tony Bode".

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, WINSLOW, CITY OF

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

A handwritten signature in black ink that reads "Tony Bode".

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, HOLBROOK SDA INDIAN SCH

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, WONDERLAND ACRES DWID

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, LINDEN TRAILS

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

09317 ABITIBI CONSOLIDATED
PO BOX 128
SNOWFLAKE, AZ 85937

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, ABITIBI CONSOLIDATED

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, AVRA WATER COOP, INC

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

10041 VAIL WATER COMPANY
13955 E COLOSSAL CAVE RD
VAIL, AZ 85641

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, VAIL WATER COMPANY

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, HALCYON ACRES

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, LAKEWOOD ESTATES WATER CO

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, LAS QUINTAS SERENAS W C

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

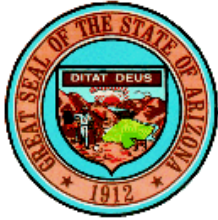

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, MARANA-PICTURE ROCKS

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

BOX 668
RILLITO, AZ 85654-9999

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, RILLITO WATER USERS ASSO

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

SAHUARITA, AZ 85629

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, SAHUARITA VILLAGE WATER

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, LOS CERROS WC, INC.

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, MARANA DWID-HUNTER/IM

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

A handwritten signature in black ink that reads "Tony Bode".

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, RANCHO DEL CONEJO WATER

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, MARANA MUNICIPAL-CORTARO

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, TUCSON WATER-VALLEY VIEW

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, TUCSON WATER-RANCHO DEL SOL LINDO

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

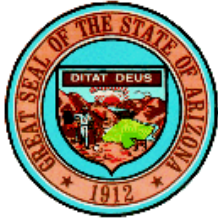

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

10188 DESERT WATER CO-OP
PO BOX 85160
TUCSON, AZ 85754

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, DESERT WATER CO-OP

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

TUCSON, AZ 85742

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, DECKER COMMUNITY WATER CO

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

10264 THIM WATER CORP #2
PO BOX 13145
TUCSON, AZ 85732

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, THIM WATER CORP #2

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

10278 RAINDANCE WATER CO-OP
11200 S SIERRITA MTN RD #261
TUCSON, AZ 85736-1434

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, RAINDANCE WATER CO-OP

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

10313 POLICE FIRE ACADEMY
4401 S TUCSON ESTATES PKWY, POB 27210
TUCSON, AZ 85726-7210

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, POLICE FIRE ACADEMY

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, THIM UTILITY

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, WILMOT WATER USERS GROUP

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, MAMMOTH, TOWN OF

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

A handwritten signature in cursive script that reads "Tony Bode".

11030 ELOY MUNICIPAL WATER DEP
628 N MAIN
ELOY, AZ 85231

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, ELOY MUNICIPAL WATER DEP

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, RED ROCK ELEM SCHOOL

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

37075 S TWINHAWK LANE
MARANA, AZ 85653-8345

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, DAVIS RANCH LAND OWNERS

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, HIDDEN VLY FARMETTES DWID

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, RANCHES AT MARICOPA

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, INDIAN HILLS MOBILE HOME

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

MESA, AZ 85207

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, WHISPERING WIND MHP

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, SAGUARO MOBILE HOME PARK

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, SONOITA VALLEY WATER CO

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

TUCSON, AZ 85716

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, SONOITA WATER UTILITY

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, KINO RANCH # 1

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, MOUNTAIN VIEW CAMPGROUND

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, ASH FORK WATER SERVICE

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, CAMP VERDE WTR SYSTEM

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, CORDES LAKE WATER COMPANY

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, LAKESIDE WATER CO

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, DELLS WATER COMPANY, INC

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

PRESCOTT, AZ 86303

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, GROOM CREEK WATER USERS

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, AZ WATER CO-RIMROCK

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, HUMBOLDT WATER SYSTEM

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

13062 BRADSHAW MT VIEW WATER
PO BOX 10593
SEDONA, AZ 86339

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, BRADSHAW MT VIEW WATER

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, WILHOIT WATER CO-YAVAPAI

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, BEAVER CREEK SCHOOL

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

A handwritten signature in cursive script that reads "Tony Bode".

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, SKULL VALLEY SCH DIST 15

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, CORDES LAKE-VERDE VI

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, SEDONA VENTURE WATER SYST

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, MINGUS UNION HIGH SCHOOL

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, OAK CREEK VALLEY

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, CHINO VALLEY TOWN OF

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, SQUAW VALLEY MOBILE HOME

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

PO BOX 9
BLACK CANYON CITY, AZ 85324

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, COLDWATER CANYON

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, HINES HORTICULTURE

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, YAVAPAI COMMUNITY COLLEGE AGRICULTURAL

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

PRESCOTT VALLEY, AZ 86314

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, VIEWPOINT SUBD

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, RAINBOW ACRES

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, WHITE HILLS TRAILER PARK

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, C-OASIS PARK

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, SHEPARD WATER CO INC

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, ANTELOPE UNION HS

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, TIERRA MESA ESTATES WTR

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, LEMON TREE TRAILER PARK

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, EL PRADO WATER COMPANY

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

PHOENIX, AZ 85014

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, HILLCREST WATER COMPANY

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, MORGAN CORPORATION

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

TUCSON, AZ 85715

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, TUCSON COUNTRY DAY SCHOOL

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, NORTH LA CHOLLA MHP

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

20109 TOWN & COUNTRY MOBILE EST
31200 NORTHWESTERN
FARMINGTON HILLS, MI 48334

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, TOWN & COUNTRY MOBILE EST

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, ST JOSEPHS HOSPITAL

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, GREENFIELDS SCHOOL

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, FAR HORIZONS EAST MHP

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, RIO VISTA MOBILE HOME PA

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, PALM VISTA ESTATES

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, DESERT PARADISE MHP, LLC

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit

RE: 2007 waivers initiated and issued by ADEQ through the Monitoring Assistance Program (MAP)

Dear, SUMMIT WATER COOP

This letter is a formal notice of a monitoring waiver in effect for 2007 initiated by the Arizona Department of Environmental Quality (ADEQ). A waiver may be issued for the following contaminants pursuant to Title 18, Chapter 4 of the Arizona Administrative Code:

- Cyanide; R18-4-207.L
- Volatile organic contaminants (VOCs); R18-4-212.K
- Synthetic organic contaminants (SOCs); R18-4-216.M

For all other contaminants sampled under MAP, either the contaminant is not eligible for a waiver or the contaminant has satisfied specific monitoring requirements and has qualified for reduced monitoring.

Please review the attached waiver list on the following page(s).

If you feel this list is in error please contact Mr. Scott Steinhagen toll free at 1-800-234-5677, and the seven digit extension (771-4445) or dial direct at 602-771-4445. Mr. Steinhagen may also be reached via email at: wss@azdeq.gov.

If you have any questions for me, please contact me at 602-771-4648. Thank you for your interest in the monitoring assistance program.

Sincerely,

Tony Bode, Supervisor
Drinking Water Programs Unit
