Message from the Chairman

On behalf of the Board of the Auckland Racing Club I would like to welcome you to our Land Pride Easter Handicap Day at Ellerslie.

The \$200,000 Land Pride Easter Handicap is the final Group I race in New Zealand for the 2010/11 racing season and has long been recognised as one of our most historic events on the racing calendar.

The Easter Handicap was first run in 1874 when won by Batter and includes amongst its honour roll a long list of New Zealand's very best racehorses with names such as Kindergarten who scored back-to-back victories in 1941 and 1942, the amazing Sleepy Fox who won the race four times (and in consecutive years) from 1944-47, Rochdale, Tudor Light, Grey Way, Sedecrem, Pasta Post, and most recently, Prince Kaapstad (who is in again today) and Time Keeper.

The field for today's Land Pride Easter Handicap is right up to this standard with "war horse" Sir Slick back once again, Prince Kaapstad attempting a race double, and the likes of the Group I performers Banchee, Mandela and The Party Stand all entered for the event.

It gives me great pleasure to welcome the team from Land Pride to Ellerslie today in the third year of their association with the Easter Handicap. Established in 1986, Land Pride has been a leader in the production of grounds maintenance machinery, and the excellence associated with the Land Pride name is a perfect fit for one of the Club's premier Group I events.

Another feature on today's card is the Listed \$45,000 Network Visuals Champagne Stakes for the two-year-olds, attracting a high class field of our budding stars and it looks sure to be a great contest with some very talented runners taking their place.

The Auckland Racing Club is also very proud of the association we have with the Victoria Racing Club, and it is indeed with great pleasure that I welcome Victoria Racing Club Director – Mr Paul Leeds and his wife Jane to Ellerslie today for the VRC Trophy. The Victorian Racing Club is undoubtedly the leader amongst the racing clubs of Australia and we look forward to hosting a race in their name at Ellerslie today.

Finally, I would like to thank you all for your support of the Auckland Racing Club throughout the year and wish you every success on what promises to be an excellent day of racing at Ellerslie.

May I also remind you that tickets to our Racing for Christchurch Gala Dinner in Cuvée on Sunday 1 May are still for sale at www.ellerslie.co.nz and with all proceeds going to our charitable fund, along with a 'star studded' charity auction, this should be a memorable event well-worth attending!

Russell Warwick,
Chairman of the Auckland Racing Club

So what's Percentage Betting

PERCENTAGE BETTING = PERCENTAGE RESULTS

It's simple – you pay a percentage of the price of a Trifecta or Treble in return for a percentage of the dividend. Tell the operator or mark the betting slip with the Total Amount you wish to spend. Remember the minimum percentage bet is \$5 and the minimum bet unit is 5 cents. So just name your price and you'll be in to win at a price that suits you.

TRACK TIPS

Want big race returns?

With a **Trifecta** you pick the runners to come 1st, 2nd and 3rd in the **CORRECT** order.

A popular way of taking a Trifecta is a **BOXED** Trifecta. This means you buy all the combinations for your runners to come 1st, 2nd and 3rd, see example. You can choose any number of runners to box.

You can keep the cost of a Trifecta bet down by playing with 50 CENT units and if you win the Trifecta you will win half the Trifecta dividend.

EASY GUIDE TO CALCULATE YOUR BOXED TRIFECTA BETS		
Number of runners	\$1.00 units	.50c units
3	\$6.00	\$3.00
4	\$24.00	\$12.00
5	\$60.00	\$30.00
6	\$120.00	\$60.00

Or, simply tell the operator the **total amount** you want to spend and ask for a **Percentage Trifecta** or **Boxed Trifecta** bet.

EXAMPLE OF A SIMPLE BOXED TRIFECTA

Box runners 1, 2 and 3 (you need to pick 3 or more runners for a Boxed Trifecta).

This gives you the following options to win: 1-2-3, 2-3-1, 3-1-2, 1-3-2, 2-1-3, 3-2-1 and costs \$6.

\$1 is the minimum bet value.

TRACK TIPS

Give it the old one-two!

With a Quinella you simply pick two runners to come 1st and 2nd in either order.

EASY GUIDE TO CALCULATE YOUR BOXED QUINELLA BETS	
3 runners will cost	\$3.00
4 runners will cost	\$6.00
5 runners will cost	\$10.00
6 runners will cost	\$15.00
7 runners will cost	\$21.00

The most popular way of taking a Quinella is a BOXED Quinella, which means you pick three or more runners and if ANY two of them finish 1st and 2nd, you will win the Quinella dividend.

EXAMPLE OF A SIMPLE BOXED QUINELLA	
Box runners 1, 2 and 3 (you need to pick 3 or more runners for a Boxed Quinella).	
This gives you the following options to win: 1-2 and 2-1, 1-3 and 3-1, 2-3 and 3-2 and costs \$3.	

The minimum bet value is \$1. Remember the more runners you pick, the more the Boxed Quinella will cost.

So what's Percentage Betting

PERCENTAGE BETTING = PERCENTAGE RESULTS

It's simple – you pay a percentage of the price of a Trifecta or Treble in return for a percentage of the dividend. Tell the operator or mark the betting slip with the Total Amount you wish to spend. Remember the minimum percentage bet is \$5 and the minimum bet unit is 5 cents. So just name your price and you'll be in to win at a price that suits you.
