2022

Collectible of the Year

An American icon turns 90.

Zippo's 2022 Collectible of the Year proudly commemorates 90 years since a spark of genius set a new global standard.

Inspired by the cumbersome and awkward nature of a friend's lighter, founder George G. Blaisdell set to work creating an easy-to-use, windproof alternative. 90 years later, we proudly celebrate the ingenuity of the original Zippo lighter with an equally timeless keepsake.

For this year's collectible, we've pulled all the stops. The classic windproof lighter gets our Armor® heavy-wall construction, is decorated with a first-ever combination of 360 MultiCut, 3D Deep Carve, Lustre Etch and Laser Engrave processes and features the debut of an all-new red glitter epoxy inlay to commemorate this milestone. We chose to surround the case with a diamond pattern as a nod to a popular gift for 90th anniversaries as well as the sheer exclusivity of the piece.

The 2022 Collectible comes in High Polish Chrome, chosen specially for the European edition. Each lighter is consecutively numbered, features an exclusive anniversary bottom stamp and comes in a luxury gift box.

Production will be extremely limited, so don't miss the opportunity to offer this unique collectible offered only to your region.

65th Anniversary Zippo Slim Collectible

Zippo launched a major innovation in 1956. Known as a Zippo Slim lighter, it offered the same windproof performance as the classic lighter shape, but with a narrower silhouette. Zippo celebrates the 65th anniversary of the Slim lighter with a special collectible. Featuring laser engraving and laser fancy fill on a Black Ice finish, the angular pop-art design was inspired by the original packaging that Slim lighters came in.

Each lighter is consecutively numbered and has an exclusive bottom stamp which designates the lighter as a Zippo collectible piece.

European Collectible

Available exclusively in Zippo's European markets, the Zippo European Collectible features a handsome hexagonal MultiCut design with a red epoxy inlaid centerpiece. This luxurious heavy-walled Armor lighter case has been gold-plated and buffed to High Polish finish. Each lighter is consecutively numbered on the back via Laser Engraving, and production is limited to 1,000 pieces. Again, this collectible is only available in select European markets, so be sure to order yours without delay.

Vintage Lighters

There's Nothing Old About Zippo Vintage.

The success of Zippo's 50th anniversary commemorative lighter in 1982 was a strong indicator that Zippo customers and collectors were receptive to the addition of more vintage-style lighters to the product line. Zippo Vintage lighters were introduced in 1985, designed after a similar Zippo lighter created in 1937.

Distinctive features:

- Five-barrel hinge that joins the lid and the bottom; same as current Zippo lighter.
- Sides of the unit are flat, with rounded corners and edges replicating the 1935 square case.
- Flat bottom and top case with current bottom stamp.
