# HP EliteDisplay E273d 27-inch Docking Monitor

Streamlined connectivity for a clean desk

Simplify your desk and get plenty of room to work with the HP EliteDisplay E273d 27-inch Docking Monitor. Set up your devices and network at the display one time and connect your notebook through USB-C™[1] or USB-A.

Command your workspace from one connection

- Create a space for your entire notebook fleet to touch down immediately through USB-C™ or USB-A and access devices and a wired network. This docking display will even power your PC through USB-C™.[1]

Take meetings from your display.[2]

- Be a better global citizen with our first display manufactured with ocean-bound plastics[2] to help reduce waterway pollution. We go one step further with 100% fiber recyclable packaging.

Expand your view

- Add a second display[3] daisy-chained through your PC's USB-C™ connection. 3-sided micro-edge bezels ensure a virtually seamless view on one or dual displays.

The docking display you can feel good about

- Be a better global citizen with our first display manufactured with ocean-bound plastics[4] to help reduce waterway pollution. We go one step further with 100% fiber recyclable packaging.

Featuring

- Add a second display daisy-chained through your PC's USB-C™ connection. 3-sided micro-edge bezels ensure a virtually seamless view on one or dual displays.

- Clear your clutter by mounting your HP EliteDesk Mini Desktop PC directly behind the display and powering it through USB-C™. Or, lift the whole solution and mount it on a wall or arm.

- Work comfortably with adjustable tilt, height, and swivel settings. Use pivot rotation to conveniently customize portrait or landscape views on multiple displays.

- Filter blue light emission and shift colors to a warmer spectrum for more comfortable viewing with HP Low Blue Light mode.

- Manage your display and make it work for you. HP Display Assistant allows you to quickly resize screen partitions so you can work in separate regions of the screen and helps deter theft by dimming a display that's disconnected without approval.

- Rest assured that your IT investment is supported with our three-year standard limited warranty. To extend your protection, select an optional HP Care service.

HP EliteDisplay E273d 27-inch Docking Monitor
Accessories and services (not included)

HP B300 PC Mounting Bracket

Customize an altogether better solution with the HP B300 PC Mounting Bracket, which lets you attach your HP Workstation, HP Desktop Mini, HP Chromebox or select HP Thin Client directly behind select 2017 and 2018 HP EliteDisplays and HP Z Displays.[1]
Product number: 2DW53AA

HP Desktop Mini Security/Dual VESA Sleeve v2

Wrap your HP Desktop Mini PC in the HP Desktop Mini Security/Dual VESA Sleeve v2 to securely mount it—with or without an Expansion Module[1]—behind your display, position the solution on a wall, and lock it down with the integrated security bracket and optional HP Ultra-Slim Cable Lock.
Product number: 2JA32AA

HP S101 Speaker Bar

Add rich stereo audio to select HP displays[1] without crowding your desk with the HP S101 Speaker Bar, which fits neatly underneath the display head and connects through USB.
Product number: 5UU40AA

HP Quick Release Bracket 2

Use the HP Quick Release Bracket 2 to attach your HP Desktop Mini to an HP display[1] and a variety of stands, arms or wall mounts.[2] The failsafe "Sure-Lock" mechanism snaps the PC securely in place, and can be further secured with a theft-deterrent security screw.
Product number: 6KD15AA

HP Integrated Work Center for Desktop Mini and Thin Client

Make the most of small work spaces with an HP IWC Desktop Mini/Thin Client that lets you create a compact desktop solution by combining a display[1] with your choice of platform[1] and giving you convenient front access to all of its inputs.
Product number: G1V61AA

HP UC Wired Headset

Enable crystal-clear sound and noise cancelling for meeting on-the-fly through your Windows notebook or tablet with the durable and lightweight HP UC Wired Headset, designed for a comfortable work day.[1,2]
Product number: K7V17AA

HP 4 year Next business day Exchange Large Monitor Service

HP Care Pack

When you can't afford to wait for your device to be exchanged, let HP Hardware Next Business Day Advance Exchange get you back up and running as quickly as possible. You'll get remote technical assistance to help you resolve problems. Then, if needed, we'll ship you a replacement unit within the next business day – along with a prepaid waybill to ship back your defective unit.
Product number: U0J12E

HP EliteDisplay E273d 27-inch Docking Monitor

Messaging Footnotes

[1] Video over USB-C™ requires a PC with USB-C™ DisplayPort™ Alt mode or Thunderbolt™. Power delivery over USB-C™ up to 65 Watts. Refer to Power Output in product QuickSpecs for exact specifications, PC must be compatible with the display's power output.

[2] Internet access required and sold separately.

[3] Additional display sold separately. Source PC must have a USB-C™ or USB-A connector. PC connection to the display through USB-C™ is only supported up to 65 Watts power delivery. USB-A connection requires source PC to support DisplayLink. Not compatible over DisplayPort™, VGA or HDMI connections.

[4] Display contains 5% ocean bound plastics, the equivalent of more than three 16 oz. recycled plastic water bottles.

[4] Additional display sold separately. Source PC must have a USB-C™ or USB-A connector. PC connection to the display through USB-C™ is only supported up to 65 Watts power delivery. USB-A connection requires source PC to support DisplayLink. Not compatible over DisplayPort™, VGA or HDMI connections.

[5] HP EliteDesk Mini Desktop PC sold separately. Requires HP B300 PC Mounting Bracket for Monitors, sold separately

[6] Mounting hardware sold separately.

[7] Each accessory sold separately.

[8] HP Care Packs sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP Services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

Technical Specifications Footnotes

[1] All specifications represent the typical specifications provided by HP's component manufacturers, actual performance may vary either higher or lower.

[2] External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.

[3] Lock is sold separately.

HP EliteDisplay E223d 21.5-inch Docking Monitor

Activate an instant workspace

Clear your clutter with the easy, efficient connectivity of the HP EliteDisplay E223d 21.5-inch Docking Monitor. Set up your devices and network at the display one time, then connect your notebook through just one USB-C™ cable[1] and you're ready to work.

Single-cable simplicity

Streamline your space with the clean, convenient cabling of one USB-C™1 connection from your notebook to a display that's also a dock to access your devices, network, and video and power your PC.[1]

Flexible by design

Find your sweet spot with adjustable tilt, height, swivel, and pivot rotation. Add a second display[2] daisy-chained through your PC's USB-C™ connection. 3-sided micro-edge bezels ensure a virtually seamless dual-display view.

Take your PC off the desk

Maximize space in desktop PC environments by mounting your HP EliteDesk Mini Desktop PC directly behind the display[3] and powering it through USB-C™.[1] Or, lift the whole solution and mount[4] it on a wall or arm.

Featuring

Filter blue light emission and shift colors to a warmer spectrum for more comfortable viewing with HP Low Blue Light mode.

Customize a total solution with options like the HP S101 Speaker Bar, which attaches easily to the lower bezel to add stereo audio at the display.

Manage your display and make it work for you. HP Display Assistant allows you to quickly resize screen partitions so you can work in separate regions of the screen and helps deter theft by dimming a display that's disconnected without approval.

Rest assured that your IT investment is supported with our three-year standard limited warranty. To extend your protection, select an optional HP Care service.

HP EliteDisplay E243d 23.8-inch Docking Monitor

Make the most of your desk with streamlined USB-C™[1], network, and accessory connectivity, plus a pop-up HD webcam, with the HP EliteDisplay E243d 23.8-inch Docking Monitor, our most advanced 23.8" docking display.

Maximum efficiency in a modern, minimalist footprint

- Create a command center from a display and built-in docking station that's ready to drive your workspace as soon as you plug in. Power your notebook and send and receive video over driverless USB-C™.[1] Connect your wired network through the RJ-45.

Control your window to the world

- Videoconferencing[3] is fast and easy with our first docking display with a privacy webcam that retracts into the bezel to help deter remote visual hacks. Conveniently plug your headset into the display to join web calls.[3]
Expand your view

- Experience a virtually seamless dual-display setup with 3-sided micro-edge bezels when you daisy chain a second display from a single USB-C™ connection on your PC.[5]

Featuring

- Save time by leaving your USB devices connected to one of the 4 USB 3.0 ports, and access your network through the RJ-45. Maintain legacy compatibility with VGA, HDMI, and DisplayPort™ out ports.
- Work comfortably with adjustable tilt, height, and swivel settings. Use pivot rotation to conveniently customize portrait or landscape views.
- Do even more with an easy clean desk solution. Attach your HP EliteDesk Mini Desktop PC directly behind the display and power it through the USB-C™ connection.
- Design the screen for how you work with HP Display Assistant software, which enables screen partitioning and helps deter theft by dimming a display that's disconnected without approval.
- Rest assured that your IT investment is supported by a three-year standard limited warranty.

USB-C™ 65W PD Docking

Legacy Docking with DisplayLink

HP Recommended Accessories and services

HP B300 PC Mounting Bracket		Customize an altogether better solution with the HP B300 PC Mounting Bracket, which lets you attach your HP Workstation, HP Desktop Mini, HP Chromebox or select HP Thin Client directly behind select 2017 and 2018 HP EliteDisplays and HP Z Displays.[1] **Product number: 2DW53AA**
HP S100 Speaker Bar		Add rich stereo audio to select 2017 and 2018 HP ProDisplays, HP EliteDisplays, and HP Z Displays[1] without crowding your desk with the HP S100 Speaker Bar, which fits neatly underneath the display head and connects through USB. **Product number: 2LC49AA**
HP Single Monitor Arm		The HP Single Monitor Arm is the perfect desk accessory for your work life. Sleek and streamlined, the HP Single Monitor Arm is designed to complement the way you work. **Product number: BT861AA**
HP Quick Release Bracket		HP Quick Release is an easy to use, 100 mm VESA-compliant, LCD monitor mounting solution that allows you to quickly and securely attach a flat panel monitor to a variety of stands, brackets, arms or wall mounts. HP Quick Release can also be used for mounting any combination of devices that are compatible with the 100 mm VESA Flat Display Mounting Interface Standard. The failsafe "Sure-Lock" mechanism snaps the monitor (or mounted device) securely in place, and can be further secured with a theft-deterrent security screw. **Product number: EM870AA**
HP Integrated Work Center for Desktop Mini and Thin Client		Make the most of small work spaces with an HP IWC Desktop Mini/Thin Client that lets you create a compact desktop solution by combining a display[1] with your choice of platform[1] and giving you convenient front access to all of its inputs. **Product number: G1V61AA**
HP UC Wired Headset		Enable crystal-clear sound and noise cancelling for meeting on-the-fly through your Windows notebook or tablet with the durable and lightweight HP UC Wired Headset, designed for a comfortable work day.[12] **Product number: K7V17AA**
HP 4 year Next business day Exchange Large Monitor Service		When you can't afford to wait for your device to be exchanged, let HP Hardware Next Business Day Advance Exchange get you back up and running as quickly as possible. You'll get remote technical assistance to help you resolve problems. Then, if needed, we'll ship you a replacement unit within the next business day[1] – along with a prepaid waybill to ship back your defective unit. **Product number: U0J12E**

Messaging Footnotes

[1] Video over USB-C™ requires a PC with USB-C™ DisplayPort™ Alt mode or Thunderbolt™. Power delivery over USB-C™ up to 65 Watts. Refer to Power Output in product QuickSpecs for exact specifications, PC must be compatible with the display's power output.
[2] Additional displays sold separately.
[3] Internet access required and sold separately.
[5] Additional display sold separately. Source PC must have a USB-C™ or USB-A connector. PC connection to the display through USB-C™ is only supported up to 65 Watts power delivery. USB-A connection requires source PC to support DisplayLink. Not compatible over DisplayPort™, VGA or HDMI connections.
[6] HP EliteDesk Mini Desktop PC, sold separately. must have a USB-C™ port. Requires HP B300 PC Mounting Bracket for Monitors, sold separately.
[7] Power up to 65 Watts through USB-C™.

Technical Specifications Footnotes

[1] All specifications represent the typical specifications provided by HP's component manufacturers, actual performance may vary either higher or lower.
[2] External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.
[3] Lock is sold separately.
[4] 1 USB Type-C™ with HDCP support.
[5] Only one host PC should be connected to either USB Type-C™ port or DC OUT port for Power pass through. Connecting two Host PCs to the HP EliteDisplay E243d 23.8-inch Docking Monitor may result in system shutdown, loss of power, and the need to power-cycle the monitor's AC supply.

HP EliteDisplay E223d 21.5-inch Docking Monitor

Activate an instant workspace

Clear your clutter with the easy, efficient connectivity of the HP EliteDisplay E223d 21.5-inch Docking Monitor. Set up your devices and network at the display one time, then connect your notebook through just one USB-C™ cable[1] and you're ready to work.

Single-cable simplicity

Streamline your space with the clean, convenient cabling of one USB-C™[1] connection from your notebook to a display that's also a dock to access your devices, network, and video and power your PC.[1]

Flexible by design

Find your sweet spot with adjustable tilt, height, swivel, and pivot rotation. Add a second display[2] daisy-chained through your PC's USB-C™ connection. 3-sided micro-edge bezels ensure a virtually seamless dual-display view.

Take your PC off the desk

Maximize space in desktop PC environments by mounting your HP EliteDesk Mini Desktop PC directly behind the display[3] and powering it through USB-C™.[1] Or, lift the whole solution and mount[4] it on a wall or arm.

Featuring

Filter blue light emission and shift colors to a warmer spectrum for more comfortable viewing with HP Low Blue Light mode.

Customize a total solution with options like the HP S101 Speaker Bar, which attaches easily to the lower bezel to add stereo audio at the display.

Manage your display and make it work for you. HP Display Assistant allows you to quickly resize screen partitions so you can work in separate regions of the screen and helps deter theft by dimming a display that's disconnected without approval.

Rest assured that your IT investment is supported with our three-year standard limited warranty. To extend your protection, select an optional HP Care service.
