

Step 1: Add HARDWARE using list below

Sentry EMS drives are EOL - Sentry ONE is the replacement encrypted flash drive, USB 3.1 GEN 1, FIPS 140-2 level 3

Size	EOL P/N	Sentry ONE	Sentry ONE-M EMS**Required**
4GB	SEMS04	SONE004	SONE004M
8GB	SEMS08	SONE008	SONE008M
16GB	SEMS16	SONE016	SONE016M
32GB	SEMS32	SONE032	SONE032M
64GB	SEMS64	SONE064	SONE064M
128GB	NA	SONE128	SONE128M

H300 encrypted hard drive, USB 3.1 GEN 1

Size	Enterprise P/N	Basic P/N
	EMS ** Required **	EMS NOT Required
500GB	MXKB1B500G5001-E	MXKB1B500G5001-B
1TB	MXKB1B001T5001-E	MXKB1B001T5001-B
2TB	MXKB1B002T5001-E	MXKB1B002T5001-B

H350 encrypted hard drive, USB 3.1 GEN 1, FIPS 140-2 level 3

Size	Enterprise P/N	Basic P/N
	EMS ** Required **	EMS NOT Required
500GB	MXKB1B500G5001FIPS-E	MXKB1B500G5001FIPS-B
1TB	MXKB1B001T5001FIPS-E	MXKB1B001T5001FIPS-B
2TB	MXKB1B002T5001FIPS-E	MXKB1B002T5001FIPS-B
500GB SSD	DL-H350-0500SSD-E	DL-H350-0500SSD-B
1TB SSD	DL-H350-1000SSD-E	DL-H350-1000SSD-B

Enterprise or Managed P/Ns are managed drives that ****REQUIRE**** EMS however Basic P/N can be managed optionally but you cannot roll them back to a Basic once it becomes managed.

Ironkey's Flash Drive hardware has been purchased by Kingston. Please note that Kingston is not using the same part numbers as IronKey. Please see list below for Kingston's Part Numbers.

Size	IronKey P/N (Old)	Kingston Enterprise P/N	Kingston Basic P/N
IronKey S1000		EMS ** Required **	EMS NOT Req.
4GB	IK-S1000-04GB-MGT	IKS1000E/4GB	IKS1000B/4GB
8GB	IK-S1000-08GB-MGT	IKS1000E/8GB	IKS1000B/8GB
16GB	IK-S1000-16GB-MGT	IKS1000E/16GB	IKS1000B/16GB
32GB	IK-S1000-32GB-MGT	IKS1000E/32GB	IKS1000B/32GB
64GB	IK-S1000-64GB-MGT	IKS1000E/64GB	IKS1000B/64GB
128GB	IK-S1000-128GB-MGT	IKS1000E/128GB	IKS1000B/128GB
IronKey D300		EMS ** Required **	EMS NOT Req.
4GB		IKD300M/4GB	IKD300/4GB
8GB		IKD300M/8GB	IKD300/8GB
16GB		IKD300M/16GB	IKD300/16GB
32GB		IKD300M/32GB	IKD300/32GB
64GB		IKD300M/64GB	IKD300/64GB
128GB		IKD300M/128GB	IKD300/128GB

Kingston Enterprise Parts are Managed Drives that **** REQUIRE **** an EMS license however Kingston Basic Part Numbers are unmanaged drives that **DO NOT** require EMS Licensing (Making them a standard Encrypted USB Drive.) The Kingston Basic P/N can become Kingston Enterprise P/N with a firmware update but you **CANNOT** roll them back to a Basic Encrypted Drive.

Step 2: Add EMS Cloud OR EMS On-Premise Management Software / Licenses

IronKey EMS Cloud
Cloud-Based EMS with Anti-Malware
1 Year P/N: EMSAM-1
3 Year P/N: EMSAM-3
OR
Cloud-Based EMS w/o Anti-Malware
1 Year P/N: EMS-1
3 Year P/N: EMS-3

IronKey EMS On-Premise
On-Premises EMS Software Kit
P/N: ES10406 (One Time Purchase)
PLUS
Per Device License with Anti-Malware Subscription
Base P/N: ESUAS (Comes with 1 Year Maintenance.)
1 Year Maintenance Extension (Total 2 Years) P/N: ESMAS-1
3 Year Maintenance Extension (Total 4 Years) P/N: ESMAS-3
OR
Per Device License w/o Anti-Malware Subscription
Base P/N: ESU (Comes with 1 Year Maintenance.)
1 Year Maintenance Extension (Total 2 Years) P/N: ESUM-1
3 Year Maintenance Extension (Total 4 Years) P/N: ESUM-3

All new accounts require a new account form completed by the end user. Form can be found here:

https://media.datalocker.com/sales%20resources/New_Account_Application_Fillable.pdf

For renewals, contact renewals@datalocker.com please provide IronKey EMS account number

Step 1: Add HARDWARE using list below

Sentry 3FIPS are EOL - **Sentry ONE** is the replacement encrypted flash drive, USB 3.1 GEN 1, FIPS 140-2 level 3

Size	EOL P/N	Sentry ONE	Sentry ONE-M <i>SafeConsole**Required**</i>
4GB	SENTRY04F	SONE004	SONE004M
8GB	SENTRY08F	SONE008	SONE008M
16GB	SENTRY16F	SONE016	SONE016M
32GB	SENTRY32F	SONE032	SONE032M
64GB	SENTRY64F	SONE064	SONE064M
128GB	N/A	SONE128	SONE128M

Kingston encrypted flash drives

Size	Kingston Managed P/N	Kingston Anti-Mal. P/N	Kingston Basic P/N
DataTraveler Vault Privacy 3.0	SafeConsole Optional	Anti-Malware ** Required **	Software NOT Req.
4GB	DTVP30DM/4GB	DTVP30AV/4GB	DTVP30/4GB
8GB	DTVP30DM/8GB	DTVP30AV/8GB	DTVP30/8GB
16GB	DTVP30DM/16GB	DTVP30AV/16GB	DTVP30/16GB
32GB	DTVP30DM/32GB	DTVP30AV/32GB	DTVP30/32GB
64GB	DTVP30DM/64GB	DTVP30AV/64GB	DTVP30/64GB
DataTraveler 4000G2		SafeConsole Optional	
4GB		DT4000G2DM/4GB	
8GB		DT4000G2DM/8GB	
16GB		DT4000G2DM/16GB	
32GB		DT4000G2DM/32GB	
64GB		DT4000G2DM/64GB	

DL3 encrypted hard drive

USB 3.1 GEN 1, SafeConsole optional (firmware version 2.1+)

Size	DataLocker P/N
500GB	DL500V3
1TB	DL1000V3
2TB	DL2000V3
512GB SSD	DL512V3SSD
960GB SSD	DL960V3SSD
2TB SSD	DL2000V3SSD
4TB SSD	DL4000V3SSD

DL3FE encrypted hard drive

USB 3.1 GEN 1, FIPS 140-2 inside, RFID two-factor authentication available, SafeConsole optional (firmware version 2.1+)

Size	DataLocker P/N	P/N w/RFID
500GB	FE0500	FE0500RFID
1TB	FE1000	FE1000RFID
2TB	FE2000	FE2000RFID

Size	DataLocker P/N	P/N w/RFID
512GB SSD	FE0512	FE0512RFID
960GB SSD	FE0960	FE0960RFID
2TB SSD	FE2000SSD	N/A
4TB SSD	FE4000SSD	FE4000SSDRFID

H300/H350 encrypted hard drives are now compatible with SafeConsole (with client version 6.0 or higher)
Basic can be managed optionally but you cannot roll them back to Basic once it becomes managed.
Enterprise REQUIRES a management console license – either **SafeConsole** or **IronKey EMS**

Step 2: Add SafeConsole Cloud OR SafeConsole On-Prem Management Software / Licenses

SafeConsole Cloud
One time Cloud Starter (base) + Device Licenses are REQUIRED
P/N: SCC-BASE (Requires new account form)
PLUS
Per Device License with Anti-Malware Subscription
1 Year P/N: SCCAM-1
3 Year P/N: SCCAM-3
OR
Per Device License w/o Anti-Malware Subscription
1 Year P/N: SCC-DEV-1
3 Year P/N: SCCS-DEV-3

SafeConsole On-Prem
One time On-Prem Starter (base) + Device Licenses are REQUIRED
P/N: SCOP-BASE (Requires new account form)
PLUS
Per Device License with Anti-Malware Subscription
1 Year P/N: SCOPAM-1
3 Year P/N: SCOPAM-3
OR
Per Device License w/o Anti-Malware Subscription
1 Year P/N: SCOP-DEV-1
3 Year P/N: SCOP-DEV-3

Optional Add-on: USB Port Lock

PortBlocker Managed by SafeConsole – a new or existing SafeConsole Account REQUIRED

A PortBlocker license per year per user workstation is REQUIRED

1 Year P/N: PBM-1 or 3 Year P/N: PBM-3

Optional Add-on: Encrypted Virtual Drive

SafeCrypt Managed by SafeConsole – a new or existing SafeConsole Account REQUIRED

A SafeCrypt license per year per virtual drive is REQUIRED

1 Year P/N: SCM-1 or 3 Year P/N: SCM-3

All new accounts require a new account form completed by the end user. Form can be found here:
[https://media.datalocker.com/sales%20resources/New Account Application Fillable.pdf](https://media.datalocker.com/sales%20resources/New_Account_Application_Fillable.pdf)

For renewals, contact renewals@datalocker.com please provide SafeConsole account number
