Reasons for Change:

The change is being implement to further enhance supply continuity and standardize package labeling across the product line.

Effect of Change on Fit, Form, Function, Quality, or Reliability:

This is a change to outside packaging labeling only. No changes to product form, fit, function, quality and reliability.

Effective Date of Change:

The label consolidation will be implemented as a running change. Product shipments start after May 30, 2023.

Please contact your Broadcom field sales engineer or Contact Center for any questions or support requirements. Please return any response as soon as possible, but not to exceed 30 days.
