TABLETOP: NO ASSEMBLY

WorkFit-TX

Designed to offer advanced ergonomics out-of-the box, the WorkFit-TX Standing Desk Converter serves up a full 20" (50,8 cm) range of sit-stand motion to give you more flexibility and feel-goodness. The X-shaped lift folds down within inches of your desk for a sleek resting spot that's three inches below our competitors. It fits more users with an extremely low profile that keeps the right monitor to keyboard tray spacing. With a height-adjustable, back tilt keyboard that sits below the worksurface, this ultra-low sit-stand workstation offers the best of both worlds—leading ergonomics sitting and standing. Weight capacity: 40 lbs (18,2 kg)

Black 33-467-917 (North America, UK, AU, NZ)

TL:
LARGE
WORK
SURFACE

TABLETOP: NO ASSEMBLY

WorkFit-TL

Provides a larger option with a wider keyboard, bigger worksurface and higher weight capacity of 10–40 lbs (4,5–18,1 kg). This ultra simple standing desk solution quickly converts a tabletop into a healthy sit-stand workstation. Simply place on an open surface and you're ready to work! WorkFit-TL saves space because it moves straight up and down, always staying within the footprint of your desktop. The platform is extremely stable throughout its range of motion—one can freely lean on it while working without worry about tip or height-drop.

TABLETOP: NO ASSEMBLY SPACE FOR SMART DEVICES

WorkFit-Z Mini

The WorkFit-Z Mini is equipped with the features you need most – easy adjustment between sitting and standing, space for your smart devices and a grey finish that complements your office décor. Ideal for single monitors or notebooks, this compact standing desk converter allows you to turn your worksurface into a height-adjustable standing desk with one simple movement. It's that easy. Together with a cable-free worksurface and comfortable keyboard tray, the WorkFit-Z Mini is an office essential for incorporating movement into your work day. Weight capacity: ≤ 25 lbs (11,4 kg)

Dove grey 33-458-917 (EMEA, APAC)

TABLETOP: NO ASSEMBLY DESIGNED FOR CORNER DESKS

WorkFit Corner

Designed with the corner in mind, the WorkFit Corner Standing Desk Converter offers 15 inches (38 cm) of easy vertical adjustment so you can work sitting or standing without bumping into cube or office walls. The WorkFit Corner sits flush to any cube or office corner thanks to a large notched worksurface that fits single and dual monitors. Get more from your corner configuration by using up dusty corner space and taking advantage of more worksurface on both sides of your sit-stand workstation. Weight capacity: 35 lbs (15,9 kg)

Lifhack: standing burns calories

If you stand for three additional hours each day over the course of a year, you can burn up to 30,000 extra calories and eight pounds of fat. That's the equivalent of running about ten marathons.¹

$$\text{Person} + \text{Clock} + \text{Clock} + \text{Clock} \times \text{Calendar (365)} = \text{30,000 CALORIES} \ \& \ \text{8 POUNDS OF FAT}$$

¹ Calorie burner: How much better is standing up than sitting? BBC News 2013
