HP USB Business Speakers v2

Listen up

Quickly and easily add stereo sound to your workspace with HP USB Business Speakers v2, a set of stylish desktop speakers powered by your PC's USB port.

Simple setup
Connect the included cables to any USB port and headphone or lineout port on your PC, then position the speakers wherever you need them.

Intuitive features
Turn the speakers on and adjust the volume with a conveniently-located top knob on the right speaker. The blue LED confirms power.

Supported by HP
Rest easy with a one-year limited warranty.
