HP Z Display Z34c 34-inch Ultra Wide Curved Display

Raise the bar with the HP Z Display Z34c Ultra Wide Curved Display—34 diagonal inches of an elegant, immersive, curved visual and audio experience with enhanced peripheral readability for your workstation, PC, and mobile device content.

Prepare for the panorama.
- Move beyond a traditional dual-display setup and enhance your visual perception with a single, thin, ultra-high resolution curved display that increases your field of vision with a 21:9 aspect ratio.

Deliver astounding presentation from every device.
- Mirror your smart phone or tablet content to the super-sized screen through an MHL connection that also keeps your devices charged and ready to go.[1] Picture-in-picture and picture-by-picture allow you to view device and PC feeds at the same time.

Captivate your audience.
- Maximize your media with wide viewing angles for a complete visual experience, and get lost in the audio with front-facing DTS surround sound. The included remote controls the display and navigates between your device feeds.

Featuring
- Discover stellar front of screen presentation from 8-bit color depth, 110 ppi and 98.8% sRGB color gamut. Low reflection and distortion help ensure consistent imagery across the screen.
- Get a more expansive view of your projects, documents, data, and media from the super-high 3440 x 1440 WQHD[2] resolution that puts more pixels on screen.
- Design the screen for how you work with HP Display Assistant software.
- Rest assured that your IT investment is supported by a one-year standard limited warranty. To extend your protection beyond the standard limited warranties, select optional HP Care Pack Services.[3]
