

HP N270c 27-inch Curved Display

Immerse yourself in every project, design, and task with the HP N270c 27-inch Curved Monitor, HP's tightest curved display yet. Even better, it has an ultra-slim, 3-sided micro-edge design that enhances your view of the massive 27-inch diagonal screen.

Expansive viewing experience

- See everything in a panoramic view with a super-wide, 1800R extra-curved screen that puts you front and center.

Stunning all around

- Give your work maximum exposure with 178-degree viewing angles and a 3-sided micro-edge that offers uninterrupted screen real estate and virtually seamless tiling of multiple displays.

Modern connectivity

- Connecting to your devices is easier than ever with a sleek wedge design that enables easy access to the rear HDMI, DisplayPort™, and VGA connections.

An engaging view for every budget

- Get an extra-large 27-inch diagonal curved screen with FHD resolution for an unbelievably low price.

Featuring

- Comfortably view content day or night with this TÜV Rheinland-certified display's integrated low blue light function, which you can easily toggle on or off at your convenience to help filter blue light emissions for optimal viewing.
- Rest assured that your IT investment is supported by a three-year standard limited warranty. To extend your protection, select an optional HP Care service.¹

Accessories and services (not included)

HP Quick Release Bracket

HP Quick Release is an easy to use, 100 mm VESA-compliant, LCD monitor mounting solution that allows you to quickly and securely attach a flat panel monitor to a variety of stands, brackets, arms or wall mounts. HP Quick Release can also be used for mounting any combination of devices that are compatible with the 100 mm VESA Flat Display Mounting Interface Standard. The failsafe "Sure-Lock" mechanism snaps the monitor (or mounted device) securely in place, and can be further secured with a theft-deterrent security screw.

Product number: EM870AA

HP UC Wired Headset
