

# HP mt40 Mobile Thin Client

The Thin Client Tailored for Business. Rely on high reliability, low ownership costs and extended product life with the HP mt40. Enjoy PC-like performance, proven processing power, and flexible battery options that keep up with your schedule. The bead-blast aluminum display enclosure and wear-resistant finish polish off the HP mt40 with a professional, lightweight design.

## Powered to perform.

Keep up with your demanding workload. Power through projects with proven Intel® Celeron® technology.

Enjoy PC-like performance when viewing digital graphics and media, thanks to more Flash and RAM on the HP mt40 than its predecessor.

Whether you're telecommuting or using bandwidth-hungry apps, the HP Velocity software improves the quality of your connection so there's no interruption in your work<sup>1</sup>.

## Battery life that keeps up with the way you work.

From lightweight to extended battery life, the HP mt40 offers several primary battery solutions. Your mobile thin client is customized to the way you work.

Easily connect to the HP 90W Docking Station<sup>2</sup> to use peripherals without needing to plug and unplug your accessories to your HP Thin Client every time.

## Lightweight, professional design.

From the bead-blast aluminum display enclosure to the wear-resistant tungsten-colored finish, this HP Mobile Thin Client polishes off your professional look.

Take it with you to every meeting. The HP mt40 offers a 35,6 cm (14") diagonal HD<sup>3</sup> anti-glare display and a starting weight of 2.17 kg (4.78 lb) so it's ready for business on the go.

A bottom-case drain helps protect your mobile thin client against accidental minor spills on the keyboard.

## We've got your back.

Easy setup, manageability and maintenance. Count on global service and support through a network of over 50,000 IT professionals in over 100 countries.

Worry less with a standard, three-year limited hardware warranty.

Choose from HP Care Pack Services<sup>4</sup> to extend service contracts beyond your standard warranties.

## Accessories and services (not included)

### HP 2012 90W Docking Station

HP offers a full line of docking stations designed exclusively for select HP Business Notebook platforms so you can maintain the connectivity and comfort of your laptop at a fixed station.

**Product number: A7E32AA**

### HP 65W Slim Adapter

AC power adapters from HP power your notebook and charge the internal battery simultaneously. These adapters provide you with the ability to power your notebook when away from the office or on the road. X3 Full compatibility depends on platform configuration. If 90W or higher is required note that the notebook will be powered when using basic applications and/or for charging. Performance delays may occur on specific platform configurations if lower than original power supply is used.

**Product number: AX727AA**

### HP 3005pr USB 3.0 Port Replicator

Everything you need every day, ready with one simple connection. The HP 3005pr USB 3.0 Port Replicator is our ultimate platform-independent hot desking solution. Get online, make up to six of your everyday USB devices immediately available, and expand your productivity with connection to two external displays—all through one USB 3.0 cable.

**Product number: H1L08AA**

### HP Comfort Grip Wireless Mouse

The HP Comfort Grip Wireless Mouse features a 30-month battery life and a bold, modern design that integrates seamlessly with HP Business Notebooks.

**Product number: H2L63AA**

### HP CC06XL Long Life Notebook Battery

The HP Long Life Battery helps you be productive with your notebook longer than with standard solutions. Its three-year warranty, an industry first, helps lower your cost of ownership significantly.

**Product number: QK642AA**

### 5-year next business day exchange

HP provides quick replacement of your failed hardware unit the day after it goes down, if the problem can't be resolved remotely, for 5 years

**Product number: UK744E**
