HP 260 G3 Desktop Mini PC

Small size, big performance, affordable price

Designed to fit the modern workspace with an updated and stylish appearance, the ultra-small HP 260 Desktop Mini PC delivers a space saving design with the essential tools you need for your growing business at an affordable price.

HP recommends Windows 10 Pro.

- Windows 10 Pro¹
- 7th gen Intel[®] Core[™] Processors²

Powered up processing

 Help optimize performance for growing business needs with a 7th gen Intel[®] Core™ processor², optional Intel[®] Optane™ memory³, up to 32GB of DDR4 memory⁴, and robust storage choices that include both SSDs and HDDs⁴.

Small design, big versatility

 The compact design of the desktop mini, flexible mounting options⁴, and optional accessories⁴ help support a versatile range of use cases from desktop to public computing to digital signage.

Work confidently without the cost

• Get the affordably priced business ready desktop mini with the accessories⁴ you need plus power saving processors that help consume less energy.

Legacy compatibility

• Help control costs and continue to use your existing compatible equipment with standard support of VGA and serial ports.

Featuring

- Help secure the future of your business. PCs from HP make the most of Windows 10 Pro to protect you from today's security threats and maximize management and productivity features for business.
- Take advantage of expandable and compatible HP mini accessories. Expand storage options, add legacy ports with expansion modules, help secure your device with security mounts, or take back your desk space with stands and work centers
- Help protect internal components and extend the life of PCs in the most demanding work environments by reducing airborne particulate intake with an optional dust filter.
- Do more on dual displays with HDMI Port and full HD VGA ports, plus use 6 USB ports to plug in all the peripherals you need.
- Help keep your investment safe and conveniently power up your desktop mini directly from the keyboard so you don't have to open enclosures or strain for the power button when it's out of reach.
- Combine a standard hard drive and a speedy and reliable solid state drive for a powerful dual storage PC.
- Easily secure your system in a safe place. The lightweight desktop mini is easy to carry and store.
- The embedded Trusted Platform Module (TPM) provides hardware-based encryption to help secure your data and deter attacks from viruses and malware.

HP 260 G3 Desktop Mini PC

Accessories and services (not included)

HP 4GB DDR4-2666 SODIMM

Boost the capabilities of your HP Business Desktop PC and improve system performance and application responsiveness with low-power, high-speed DDR4 memory from HP.

HP Desktop Mini DVD ODD Module

Add a DVD Writer to your HP Desktop Mini PC with HP Desktop Mini DVD Writer ODD Module. Product number: K9083AT

HP B300 PC Mounting Bracket

Customize an altogether better solution with the HP B300 PC Mounting Bracket, which lets you attach your HP Workstation, HP Desktop Mini, HP Chromebox or select HP Thin Client directly behind select 2017 and 2018 HP EliteDisplays and HP Z Displays.¹

Product number: 2DW53AT

HP Desktop Mini Security/Dual VESA Sleeve v2

Wrap your HP Desktop Mini PC in the HP Desktop Mini Security/Dual VESA Sleeve v2 to securely mount it—with or without an Expansion Module¹—behind your display, position the solution on a wall, and lock it down with the integrated security bracket and optional HP Ultra-Slim Cable I ork.

Product number: 2JA32AT

HP DM VESA Power Supply Holder Kit

Simplify cable management when mounting your HP Desktop Mini with the HP DM VESA Power Supply Holder Kit, which attaches to your HP Desktop Mini Security/Dual VESA Sleeve v2 (2JA32AA) to reduce cable clutter from the PC's power supply cable and brick.

Product number: 1RL87AT

HP 3 year Next Business Day Onsite Hardware Support for Desktops

When hardware issues come up, the sooner you can get running again, the better. Have expertise at the ready with HP Hardware Next Business Day Onsite Service, and vastly improve your product uptime. With high-quality remote assistance or convenient onsite support available the next business day, help is there when you need it—so you can get back to work.

Product number: U6578E, UF360E

HP 260 G3 Desktop Mini PC

Messaging Footnotes

- 1 Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. Windows 10 is
- automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com

 Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.
- 3 Intel® Optane™ memory system acceleration does not replace or increase the DRAM in your system and requires configuration with an optional Intel® Core™ i(5 or 7)+ processor. 4 Sold separately or as optional features.

Technical Specifications Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com/
- 2 Some devices for academic use will automatically be updated to Windows 10 Pro Education with the Windows 10 Anniversary Update. Features vary; see https://aka.ms/ProEducation for Windows 10 Pro Education feature information.

 3 NOTE: Your product does not support Windows 8 or Windows 7 in accordance with Microsoft's support policy, HP does not support the Windows 8 or Windows 7 operating system on products configured with Intel® and AMD 7th generation and forward processors or provide any Windows 8 or Windows 7 drivers on http://www.support.hp.com.
- 4 Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance
- For systems configured with more than 3 GB of memory and a 32-bit operating system, all memory may not be available due to system resource requirements. Addressing memory above 4 GB requires a 64-bit operating system. Memory modules support data transfer rates up to 2133 MT/s; actual data rate is determined by the system's configured processor. See processor specifications for supported memory data rate.
- 6 All memory slots are customer accessible / upgradeable.
 7 For hard drives and solid state drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 36 GB (for Windows 10) of system disk is reserved for the system recovery software.
- 8 Wireless access point and internet service required.
- ⁹ Availability may vary by country.
 ¹⁰ Sold separately or as an optional feature.
- 12 (1) external antenna connector: Must be configured at time of purchase
- 13 Based on US EPEAT® registration according to IEEE 1680.1-2018 EPEAT®. Status varies by country. Visit www.epeat.net for more information.
- ¹⁶ HP Support Assistant requires Windows and Internet access
- 17 McAfee LiveSafe³⁸¹: 1 year subscription. Availability may vary by country.
 18 (1) USB 2.0 port: Supporting wake from S4/S5 with keyboard/mouse connected and enabled in BIOS.
- ¹⁹ For Desktop Mini with M.2 Storage configuration, there will be no SATA drive bracket. If you require or will upgrade the storage with any 2.5" SATA drive, please select a DM 35W SATA Drive Bracket. ²⁰ External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.
- ²¹ Intel® integrated HD Graphics varies by processor.
- ²³ Chipset is integrated with processor.

 ²⁴ Intel® Turbo Boost technology requires a PC with a processor with Intel Turbo Boost capability. Intel Turbo Boost performance varies depending on hardware, software and overall system configuration. See www.intel.com/technology/turboboost for more information. ²⁵ The 2.5" SATA drive bay can be both HDD and SSD.
