#### **Data sheet**

# HP Color LaserJet Pro MFP M476 series

Connect the office to a wired or wireless MFP with vibrant colour printing and scanning features.

This HP Color LaserJet Pro MFP connects the whole office to vibrant colour printing, even on the go<sup>1,3,4</sup>—and improves productivity with fast, versatile scanning that can send documents directly to email, network folders, and the cloud.

**HP Color LaserJet Pro MFP M476 series** 

#### Print on your terms

- Just go and print—easily send print jobs wirelessly without a network.<sup>1</sup>
- Enable touch-to-print convenience from mobile devices.<sup>2</sup>
- Easily print from smartphone, tablets and notebooks at work, home, or on-the-go;
   Mopria-certified.<sup>3</sup>
- Easily set up, print, and share with Ethernet and wireless connectivity.4

#### Scan fast, send securely

- Finish faster—with less standing around—using single-pass, dual-head scanning.
- Control access to walkup features and easily look up network email addresses, using LDAP connectivity.
- Scan, send, simple—capture and route digital files directly to the cloud, email, or network folders.<sup>6</sup>
- Use the cloud to easily collaborate on, search, and share your business content.<sup>5</sup>

#### Move jobs fast

- Save time and help reduce paper costs, using automatic two-sided printing.<sup>5</sup>
- Work smarter—access content and guickly launch tasks from the 3.5-inch colour touchscreen.<sup>6</sup>
- Finish projects fast—use the 50-page automatic document feeder to save time.
- Just walk up and print on this MFP from your USB drive, using the easy-access USB port.

<sup>1</sup> Wireless direct printing is standard on the HP Color Laser Jet Pro MFP M476nw and dw only. <sup>2</sup> Touch-to-print capability is standard on the HP Color Laser Jet Pro MFP M476 dw only. <sup>3</sup> Local printing requires mobile device and printer to be on the same wireless network or have a direct wireless connection. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See hp.com/go/businessmobileprinting for more details. Mopria-certified devices adhere to a common standard that enables easy mobile printing with little or no set up. <sup>4</sup> Wireless performance is dependent on physical environment and distance from access point, and may be limited during active VPN connections. <sup>5</sup> Automatic two-sided printing is not available on the HP Color Laser Jet Pro MFP M476nw. <sup>6</sup> Requires an Internet connection to the printer. Services may require registration. App availability varies by country, language, and agreements. For details, see hpconnected.com

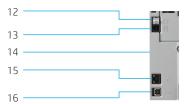

# **Product walkaround**

- 1 50-sheet automatic document feeder (ADF) with single-pass, dual-head scanning
- 2 Flatbed scanner
- 3 150-sheet output bin
- 4 One-door access to the preinstalled cartridges
- 5 50-sheet multipurpose tray 2
- 6 250-sheet input tray
- 7 3.5-inch (8.89 cm) colour touchscreen control panel with HP Business Apps
- 8 Built-in wireless direct and touch-to-print capabilities<sup>1,3</sup>
- 9 Easy-access USB port
- 10 Built-in automatic two-sided printing<sup>2</sup>
- 11 Convenient front on/off button
- 12 Telephone line out port
- 13 RJ-11 fax port
- 14 Built-in wireless networking<sup>3</sup>
- 15 Fast Ethernet network port
- 16 Hi-Speed USB 2.0 printing port

## **HP Services**

Downtime can have serious consequences, so HP provides support beyond the standard warranty. You benefit from reduced risk, maximized uptime, predictable service delivery and no unbudgeted repair costs. Choose from:

**Optimized Care (optimum performance and stability):** 4 hour Onsite Support, Maintenance Kit Replacement Service, Installation with Network Configuration Service

**Standard Care (high level of uptime):** Next Business Day Onsite Support, Maintenance Kit Replacement Service, Installation with Network Configuration Service

**Basic Care (minimum recommended support):** Next Business Day Onsite Support

**4 hour Onsite Support:** Onsite support within four hours after a service call received within the coverage window

**Next Business Day Onsite Support:** Onsite service the next business day after the service call is received

**Installation with Network Configuration Service:** Assembly, network configuration, and basic administrator familiarization

For more information about HP Care Pack, HP Contractual, or HP Managed Print Services, visit <u>hp.com/go/printservices</u>

# **Top Features**

Easily print how you want, where you want. Across the office or on the go, printing to this MFP is simple and direct—even without a network—using Ethernet, wireless options, or touch-to-print technology. 1,2,3

Capture scans in a single pass and send them quickly to their next destination—email, network folders, or the cloud.<sup>5</sup> Help boost productivity with fast, secure sign-on and advanced processing, routing, and retrieval tools.

Make copying and scanning more hands free, with a 50-page automatic document feeder and automatic two-sided printing.<sup>4</sup> Let your fingers fly through tasks at the touchscreen. The easy-access USB makes it simple to walk up and print.
