Question Set #3

RFP 202-0407-001 Ambulance Billing Service

1. I see that we have sent a reply two other times, once in 2020 and again in 2021 (RFP No. 2021-0826-001). I realize the 2020 decision was postponed due to COVID but I'm wondering if in 2021 you chose a different service and are now interested in changing billing companies again? If so, can you tell me what issues you were having that you are trying to alleviate?

In 2021, the RFP was not pursued in its entirety.

2. Were there other circumstances/challenges that deterred you from making that decision in 2021 as well?

There were no circumstances / challenges that deterred us.
