Date: 4th February, 2019

Submitted:

Sub: Approval for Renewal of SonicWALL NSA 4600 Firewall CGSS for next 3 years.

This is regarding the renewal of SonicWALL NSA4600 Firewall's Comprehensive Gateway Security Suite (CGSS) for next 3 years. The said Firewall was purchased & installed on 4th March, 2016 in Central Server Room, along with CGSS license for 3 years. Now the said CGSS License is **getting expired on 2nd March, 2019** & is required to be renewed for next 3 years, for continuing with uninterrupted benefits of same, which includes "Gateway Level Antivirus Protection (GAV), Antispyware (AS) & Intrusion Prevention (IP), App Control, Content Filtering Service Subscription along with 3 Years Hardware Warranty. As per the vendors we can continue with existing hardware by renewing CGSS only, as it is latest & has no end of life in near future.

Presently our Internet Leased Line Link of 100 Mbps from TTL is terminated on it & is distributed across MMCOE & IMERT Campus. Therefore for continuing with active Content Filtering Services along with many other added benefits of it as mentioned above, it is very essential to renew the CGSS for next 3 years.

We have received the quotation from our SonicWALL Vendor M/S ITCG Solutions Pvt Ltd, Pune (copy enclosed) & the details of same are as given below & also Comparative statement is made considering the quotes received from different vendors and is enclosed herewith for reference with prices received after negotiation.

Sr	Description	Qty	Total Amount
1	SonicWALL CGSS for NSA4600 Firewall for 3 yrs (Product Code:01-SSC-4407)	01	Rs 3,24,180/- (GST Inclusive)

This is requested for your kind consideration for further needful so that process can be initiated asap, considering the delivery period of min 10 days given by the vendor.

Subject:-About getting permission to start the process of renewal of SONICWALL NSA4600 Firewall's Comprehensive Gateway Security Suit (CGSS) for next 3 Years.

This is regarding the renewal of SONICWALL NSA4600 Firewall's Comprehensive Gateway Security Suite (CGSS) for next 3 years. The said Firewall was purchased & installed on 4th March, 2016 in Central Server Room, along with CGSS license for 3 years. We renewed SONIVWALL NSA4600 Firewall with hardware warranty in 6 March 2019,, Now the said CGSS License is getting expired on 9th March, 2022 & is required to be renewed for next 3 years, for continuing with uninterrupted benefits of same, which includes "Gateway Level Antivirus Protection (GAV), Antispyware (AS) & Intrusion Prevention (IP), App Control, Content Filtering Service Subscription along with 3 Years Hardware Warranty. As per the vendors we can continue with existing hardware by renewing CGSS only, as it is latest & has no end of life in near future.

presently our Internet Leased Line Link of 100 Mbps from GAZON is terminated on it & is distributed across MMCOE & IMERT Campus. Therefore for continuing with active Content Filtering Services along with many other added benefits of it as mentioned above, it is very essential to renew the CGSS for next 3 years. The vendor from which we renewed the said firewall in March 2019 has received a renewal quotation of Rs. 4,24,997 / - Plus .

It is requested you to give permission to start the process of renewal of SONICWALL NSA4600 Firewall's Comprehensive Gateway Security Suit (CGSS) for next 3 Years.

Subject: Annual maintenance contract for SLIM 21 Library software.

AMC for SLIM -21 Library Management Software has expired on 31 July 2018. At the time of purchase as per the clause of purchase order AMC cost was 12.5% of the total cost of software after one year of warranty. Software cost was Rs.1,26000/- and date of purchase was 1/7/2011 so as per the Purchase order our AMC cost was Rs. 17700/- till 31 July 2018 but after that AMC was not renewed.

Our SLIM version is 3.6.0 and current version is 3.8.0 so we need to upgrade the software into current version. In NAAC AQAR, point no. 4.2.1 is Integrated Library Management Systems and in that point we have to upload all the proofs regarding library software. So it is necessary to renew the AMC for library management software. New period of the AMC will start from 1st Feb 2022 to 31st Jan 2023. But after Jan 2023 AMC cost will be Rs 23250/- + GST per year.

If we would have gone for AMC from 1/8/2018 to 31/1/2023, total expenses would have been Rs 70800/-including taxes. As per discussion with M/s Algorithms they are ready to provide AMC till 31/1/2023 along with upgradation in Rs.53100/-(incl.Tax)

Charges of upgradation of software are as follows :

Sr no	Particulars	Amount
1	SLIM 21 Software upgrade with AMC cost	45000.00
2	GST(18%)	8100.00
	Total	53100.00

So it is requested to give permission for the same.

Step 11: Click on the update payment button in front of the student name

You will see a screen with details of student mentioning the Full Name, Mobile Number, Course, Year, Admission Year and Category. Verify all the details very carefully from the sheet provided to you. **In case of any mismatch in data with the sheet provided, contact ERP team ASAP.**

The screenshot shows a web browser window with the URL `mmcoerp.in/index.php/admin/registration_student_update_head/694`. The page title is "Update Student Payment". The form contains the following fields:

Student Name *	Mobile Number *	Course *	Year *	Admission Year *	
KHEDKAR KEDAR VIDYADHAR	7888176760	UG - Information Technr	Fourth Year	2019-20	
Category *	Payment Last Date *	Fees Category *			
OBC	31/07/2022	OBC,EBC,EWS			
Total Fees *	Student Payable Fees *	Gov. Payable Fees *	Payable Fees *		
0.00	Total Student Payable F	Total Gov. Payable Fees	0.00		

Buttons: Back, Proceed to Payment

Once all the details are verified, select the fees category as per the sheet provided to you. The payable fees must match the value written in the excel sheet / print given to you. This Step is of utmost importance as the fees data will be reflected in the account of the student. So verify the data correctly.

In case if a student does partial payment, then manually enter the fees paid amount in the Payable Fees Text box.

Once the data is verified, click on **Proceed to Payment**.

Step 12: Next click on the “**Offline Payment**” menu in the left section. You will see the fees amount as per selection in the previous step.

Click on OK button

Step 15: A new window will appear showing details of the student, which you can verify again and modify if required.

Scroll down to see the “for Office Use” Section in which you can verify the fee category and fee paid details. Also Write a note on a case to case basis.

The screenshot shows a web application interface for fee management. The browser address bar indicates the URL is `mmcoerp.in/index.php/admin/admission_convert_registration/694`. The page title is "Office Used".

The "Office Used" section contains the following fields:

Course of Admission *	Year *	Category *	Quota *
UG - Information Technology	Fourth Year	OBC,EBC,EWS	Regular

Available Seat	Previous Fees	Total Fees *	Concession
0	0	98000.00	0.00

Payable Fees	Paid Fees *	Note
98000.00	54289.00	Note

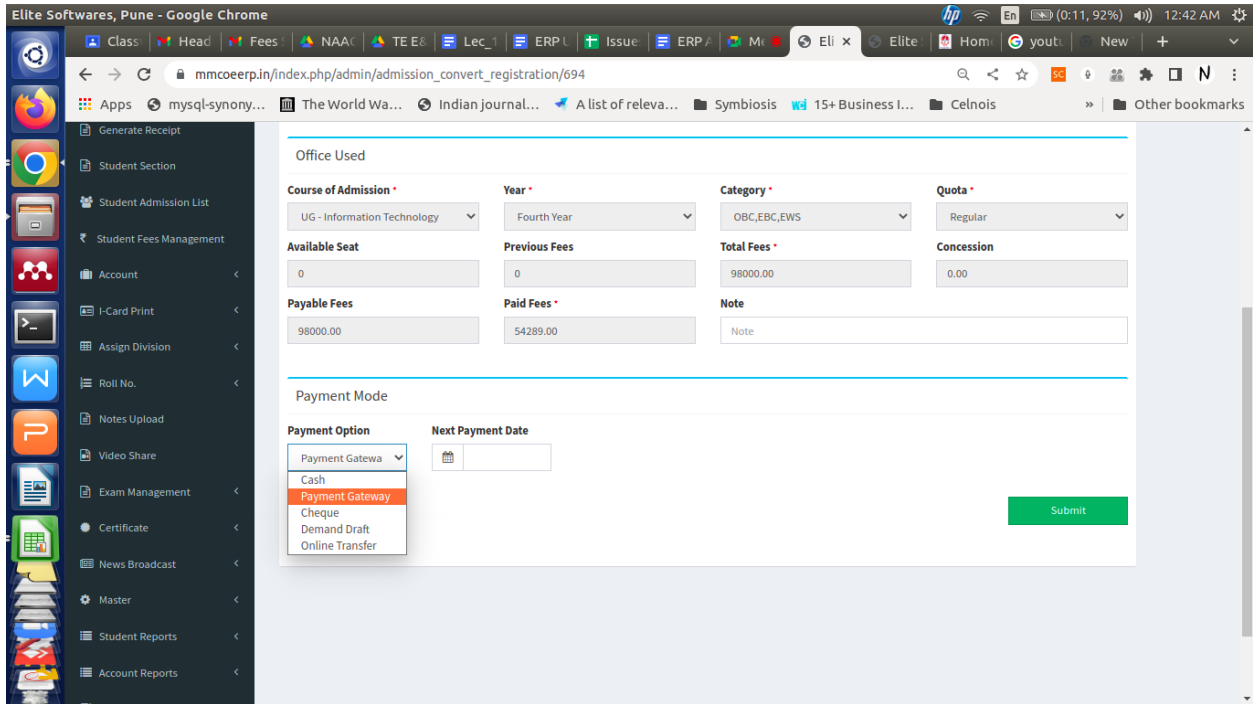

The "Payment Mode" section contains the following fields:

Payment Option	Next Payment Date
Cash	

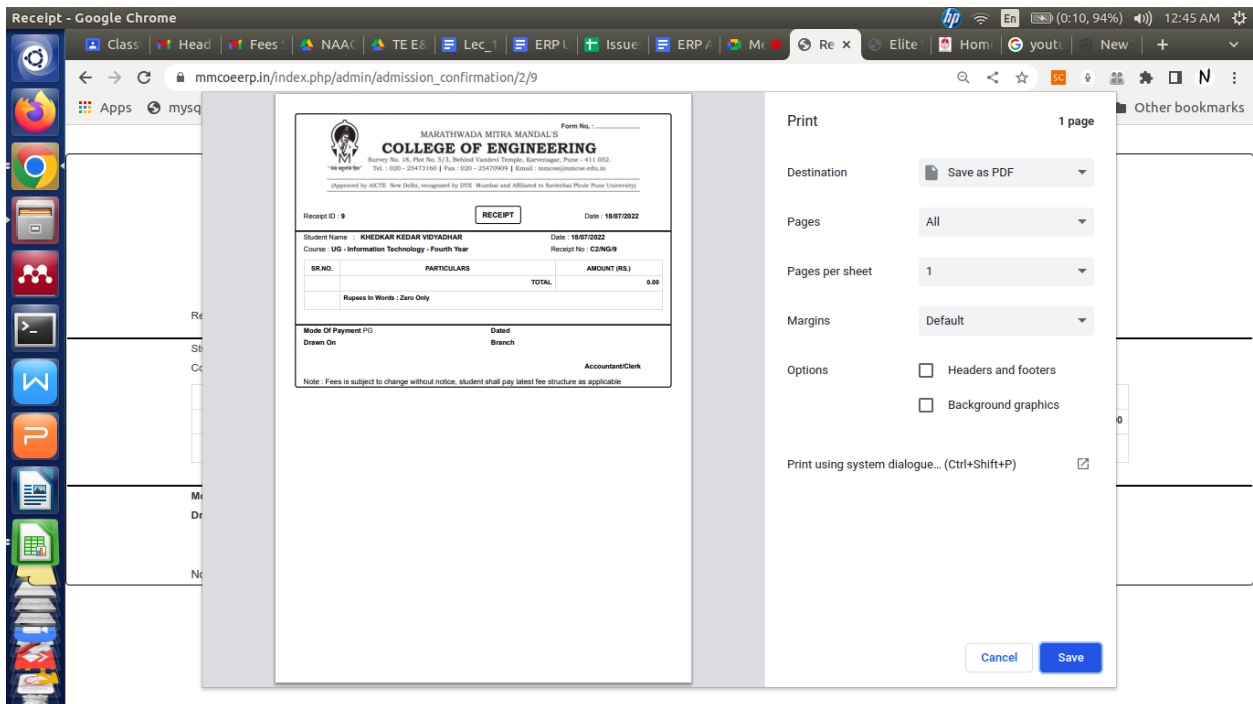

Buttons: "Back" and "Submit".

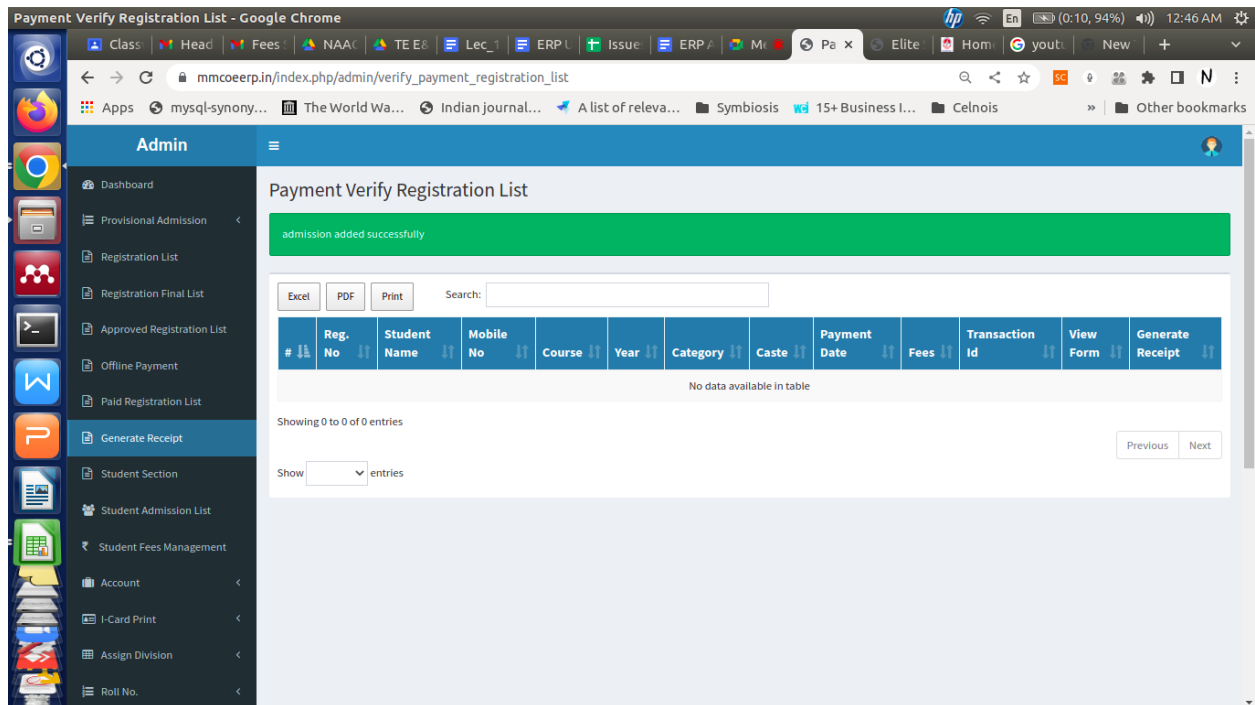

In the payment mode section, Select the Payment Option from Drop down.

1. For Online Payment through portal - Select “Payment Gateway”
2. For Offline payment through Cash/POS Machine - Select “Cash”
3. For Offline payment through DD - Select “DD” and enter Details
4. For NEFT/RTGS Payments - Select “Online Transfer”

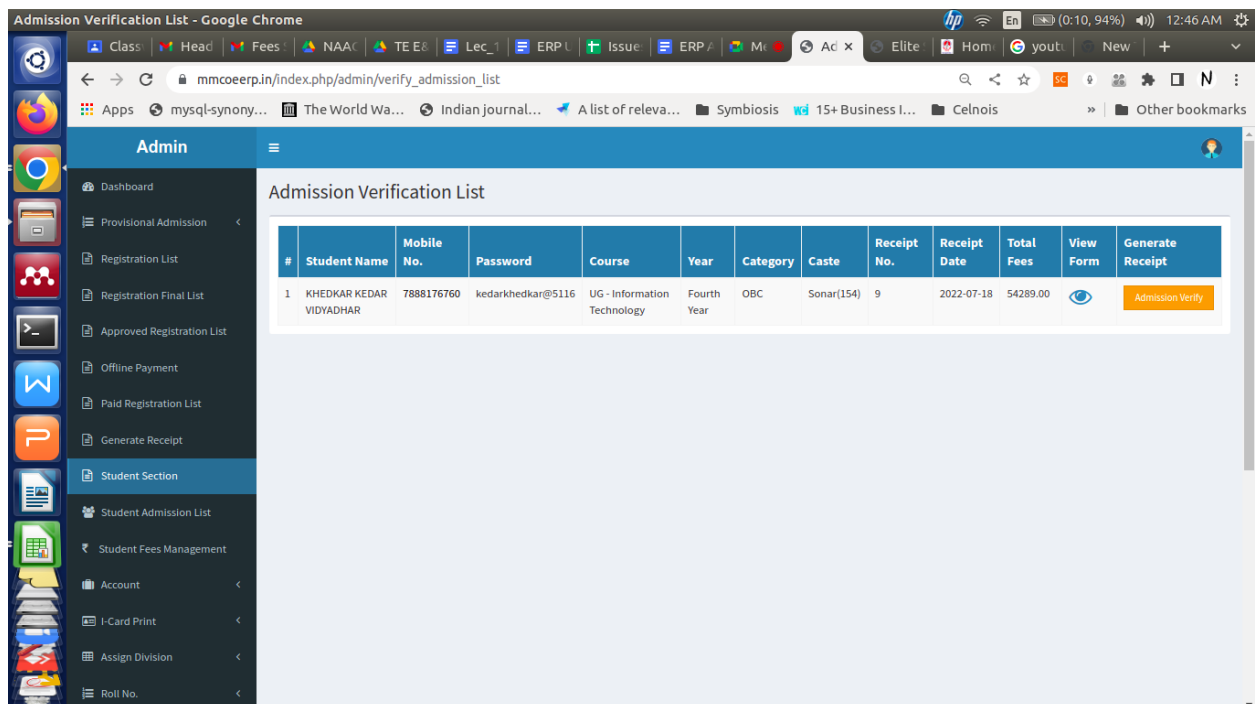

Click on the Submit button and then a Receipt will be generated (which is not required right now), just click on cancel button in the print menu. Also click on the **Back** button again at the top of window, which will navigate you to the original window as shown in the screenshot below.

Step 16: Click on the “Student Section” menu in left panel, a list of students will be displayed. From that list search for your student and click on “Admission Verify” button

A new form will show the details of the student as in screenshot below.
