How to Build a Connection

This timetable contains selected schedule information. For service not displayed, connections can be constructed through one of the Northwest hubs.

▼ Choose a flight from your origin city to one of the following:

Domestic Hubs	International Gateways	Asian Hubs
Detroit	Boston	Tokyo
Memphis	New York's JFK	Osaka
Minneapolis/St. Paul	Chicago O'Hare	
	Seattle	
	San Francisco	
	Los Angeles	

- ▼ Note arrival time at hub or gateway.
- ▼ Allow enough time to make your connecting flight by adding the minimum connection times listed on the Explanation of References page.
- ▼ Find the most convenient flight to your final destination.
- ▼ You may want to check out an alternate hub or gateway for a faster trip. For example, you can get from Los Angeles to New York (LaGuardia) via Detroit, Memphis or Minneapolis/St. Paul.
