# Master Keyed Combination Laptop Lock

## Take the Dock off the Desktop

We just made it easier to protect laptops and the confidential data that's on them with the Master Keyed Combination Lock.

- Master Keyed access for IT to open the lock if the combination code is lost or forgotten
- Resettable 4-wheel number code with 10,000 possible combinations
- Superior strength steel lock head and T-Bar™ to resist tampering
- Push-button design for one-handed engagement to easily attach lock
- Cut-resistant cable made of carbon steel anchors to desk, table or any fixed structure
- Attaches to the Kensington Security Slot™ found on most laptops
