

HARMONY® 665

Advanced Remote Control

BETTER CONTROL OF YOUR HOME ENTERTAINMENT.

Logitech Harmony® 665 Advanced Remote Control is simple to set up, easy to use and gives you better control of your home entertainment. Online setup makes it easy to program with no clumsy trial and error codes. Use Activity buttons to turn on all the right devices to the right settings with just one button press. Customise 23 programmable buttons to jump right to your favourite channels. And Harmony remotes work with 270,000+ devices, including Apple TV and Roku®, so you'll have the control you need – today and tomorrow. Harmony 665 makes juggling multiple remote controls a thing of the past.
