VIDEO COLLABORATION EXTENDED WARRANTY

The Logitech extended guarantee provides an additional year of coverage that helps protect your investment, maximise its value, and ensure optimal performance of your Logitech conference room system.

The Logitech Extended Warranty provides an additional year of coverage to the original two-year Logitech hardware guarantee. That's **a total of three years coverage** for all components of a Logitech conference room system, including Microsoft Teams and Zoom Room bundles as well as standalone Conference Cameras and Appliance solutions. During this time, Logitech will replace the video collaboration hardware should it stop working.

LOGITECH VIDEO COLLABORATION EXTENDED WARRANTY

Purchase a one year extended guarantee at the time you purchase Logitech video conference room systems, including Microsoft Teams and Zoom Room bundles as well as standalone Conference Cameras and Appliance solutions. This provides one additional year to the standard two-year Logitech hardware guarantee, giving you a total three-year guarantee coverage on your Logitech video collaboration equipment.
