Hart, MI 49420

Dear Friends,

The Board of Directors of the Oceana County Agricultural Society is so excited to welcome exhibitors, vendors and visitors back to the Oceana County Fairgrounds for the 152nd annual Oceana County Fair.

In times past, the purpose of the county fair was to give Michigan farm families a way of coming together to exchange ideas for ways of improving crop yields, raising livestock and to show off the best of their best and for the women a chance to show off their best skills at sewing, baking and food preservation.

Today's county fairs offer modern displays and exhibits that remind us of our strong agricultural heritage and traditions. This connection between the past and the present is what strengthens our community, family and Michigan's agricultural industry.

Our exhibitors, both young and old, new and experienced, have a unique opportunity to showcase their projects, both in animals and still projects while helping to educate the public. When visiting our fair, you will see exhibits from quilting, canning, baking, floral, and creative arts to beef and dairy cattle, pigs, horses, rabbits, poultry, goats and sheep. This gives everyone the opportunity to compete and learn new things. Be sure to check out the animal barns, the still exhibits in both the Youth Building and the Adult Education Building as well as commercial exhibits in the Commercial Building. Don't forget to visit the many vendors on the grounds as well as that all important aspect of fair.... THE FOOD!!!

Don't miss the chance to play bingo, or the many events in the grandstands including three big days of harness racing. There is so much to do and see at this year's 2023 Oceana County Fair.

Welcome to the Fair!!!

INCLEMENT WEATHER STATEMENT

Exhibitors, vendors and visitors should be aware of changing weather possibilities at all times while on the grounds.

In the event of severe weather at the Oceana County Fairgrounds, law enforcement and staff will work closely to ensure the safety of all.

If you are on the Oceana County Fairgrounds when severe weather becomes imminent:

Fair Board staff will make an announcement via the PA system that everyone should secure tents as much as possible and move into a nearby building, exhibitors with animals on the grounds as well as the building superintendents should return to their respective barns. Fair Board staff will make an announcement when it is safe to move out onto the fairgrounds.

GENERAL GUIDELINES

FIRE REGULATIONS

Regulations issued by the fire marshal require that areas around the buildings be free of motor vehicles. Therefore, it is necessary to remove all vehicles from the areas of the buildings as soon as the unloading of animals, supplies and other exhibits is completed. Smoking is prohibited in all buildings including entryways.

ANIMAL EXHIBITION

All animal entries must meet the 2023 Michigan Department of Agriculture and Rural Development exhibition requirements including proper identification of animals. All animals must be free from any contagious, infectious, or communicable diseases. Please refer to the following website for detailed guidelines. Copies are also available at the Fair office. Animal checklist is on page 111 of this book.

<https://www.michigan.gov/documents/mdard/2023FairsandExhibitionsRequirements>

FAIR RESIDENCY POLICY

As our Fair becomes more and more crowded, the Oceana County Agricultural Society (Fair Board) wants to make sure that Oceana County residents will have more room to enter the Fair. Thus, the following residency policy has been initiated: *Due to space limitations in projects, the Oceana County Agricultural Society reserves the right to limit participation in the Oceana County Fair to youth who are in an Oceana County school district or who are enrolled in a school district that encompasses Oceana County lands. Home-schooled youth must reside in an Oceana County school district or district encompassing Oceana County lands. Open class and adult exhibitors shall be limited to Oceana County Residents unless space is available in the department they wish to enter.*

APPEALS AND COMPLAINT POLICY

An exhibitor compelled to bring a complaint regarding conflict of interest of any judge, disqualification of an exhibit, exhibitor, group leader or superintendent's behavior or the eligibility of an exhibit shall make a formal protest in writing to the Fair Board no later than 10 days following the end of the fair.

All protests shall be referred to the Executive Board, which shall review the protest with interested parties and give parties an opportunity to submit evidence. The party against whom the protest was filed shall have the right to read the statement of protest.

A report of findings shall be made to the Fair Board for final decision on the protest within 10 days of the original complaint. The Fair Board shall issue an opinion within two (2) weeks of receiving the recommendations from the Executive Board.

The Exhibitor may file an appeal to the Department of Agriculture within 45 days of filing the initial complaint if the exhibitor is not satisfied with the Fair Board's action. The Department of Agriculture shall have 60 days after receipt of any appropriately filed appeal to investigate the complaint and shall issue a finding of fact and notice of department action and any recommended actions for the Fair Board.

GENERAL INFORMATION

No intoxicating liquor shall be brought onto the grounds and any intoxicated person shall be removed or refused admittance. There shall be police presence on the grounds from Tuesday through Saturday to ensure the safety of property and exhibitors; to uphold the by-laws of the Society and execute any orders they may receive from the President or Secretary of the Fair Board.

The Oceana County Agricultural Society shall not be responsible for any articles left in vehicles or for any damage to vehicles.

Youth Exhibit Building and the Education Building shall be closed to the public Wednesday morning for Judging and shall re-open as soon as possible.

Grandstand admittance is free other than for Special Events for which the cost of admission shall be posted at the grandstand ticket booth.

If any youth or adult would like to donate their premium cash awards back to the Oceana County Agricultural Society, please indicate so on your premium statement.

ENTRY INFORMATION

Monday is "Entry Day". All entries, animal, or exhibit, must be on display by 5 p.m. Release day is on Sunday. All exhibitors shall not remove their entries before 8 a.m. on Sunday except for the Harness Racing entries. Entries for the racehorses close at 10 a.m. the day preceding the race. The Fair Board president will be available at the Fair office on the grounds.

The Fair Board reserves the right to direct superintendents to limit open class entries in their respective areas due to overcrowding.

All animals entered at the Oceana County fair are required to be properly tested prior to entry and must have documented paperwork of said testing.

OPEN CLASSES, YOUTH CLASSES

Any adult (over age 20), or youth (age 5 to 19 as of January 1 of the current fair year) may exhibit in any of the departments listed and participate in the premiums listed. It is the exhibitor's responsibility to ensure they meet any age requirements and/or other requirements for any chosen department. The Fair Board encourages interested exhibitors to participate in all animals, or still exhibits of interest. Open classes receive dollar premiums for first, second and third places only in all classes.

No exhibitor may enter the same class twice, even if the item to be displayed is slightly different. Those entering a class twice will have one of the entries disqualified.

JUDGES and PREMIUM AWARDS

All judges will report to the Youth Exhibit Building to pick up their judging packets. They then need to report to the Superintendent of the area that they will be judging. Upon completion of judging responsibilities, judges should report to the Fair Office to receive their agreed upon fee.

No person shall act as judge for awarding a premium for which he is in anyway a competitor. A violation of this rule will result in forfeiture of any premium awarded to him/her.

Judges shall not have a management or supervisory role at the fair. There shall not be an ongoing and direct relationship between the judge or exhibitor within the class(es) being judged.

Judges will report by number on the article exhibited.

Ribbons and rosettes will be awarded for all places as listed for each class, unless otherwise specified. (Open class exhibits are placed first through third only).

Judges shall have the right to award a second, third or no premium if they are of the opinion that the exhibit or animal is unworthy of a first-place award.

The Judges score sheets are strictly adhered to.

The Society reserves the right to withhold the premium in every case in which it shall appear to the Executive Committee that the regulations have not been complied with or that fraud or deception has been practiced or attempted.

Premiums shall be paid pro-rata at any time after the first meeting of the Board of Directors after the Fair and before the annual meeting in November.

A premium card or ribbon placed on an animal or article is no guarantee of an award.

COMPLETING A REGISTRATION FORM AND EXHIBIT TAG

Correct entry information is the sole responsibility of the exhibitor.

All exhibits require an exhibit tag. All youth exhibiting in the Youth Building will be required to complete an "Information Card" for each exhibit explaining why/how the exhibit was created. This will be provided to the judge to help them determine the proper placing of the exhibit. Exhibits that already require information cards or recipes do not need to complete an additional information card. These information cards will be available with the entry tags.

All youth must have entry tags and an exhibitor number obtained from the Youth Exhibit Building.

All adults must have entry tags and an exhibitor number obtained from the Education Building.

Both sections (top and bottom) of the exhibit tag must be filled out with the exact information on both sections. **Be sure you are using the correct section (adult or youth) of the book for the information needed.** Exhibit tags and registration forms MUST have an exhibitor number on them as well as the exhibitor's name, current address, city, state, zip, phone number and age (if applicable).

Class information on exhibit tags and registration forms must match and be printed clearly and correctly. No premiums will be paid unless the exhibit tag matches entries listed on the registration form.

Do not depend entirely upon the clerks in different departments in making your entries. Study the rules in the book and make your entries. All buildings will be open in order that all articles may be placed in position.

Be sure that your name and post office address is plainly written on the tag retained by the clerk. We want your post office address, not the township or school district in which you live.

If you have multiple animals or articles, you must have multiple exhibit tags. If you have questions as to what you need, consult with the department superintendent.

Keep your exhibit tags until you receive your premium award (s). If you think a mistake has been made in your premium, it is necessary to send in your exhibit tags to verify any mistakes. Any questions regarding this may be directed to Cheryl Rabe, Treasurer.

STILL EXHIBIT CLASSES – ADULT AND YOUTH

THERE WILL BE NO ADDITIONAL CLASSES ADDED TO THIS FAIRBOOK PRIOR TO THE FAIR. ONLY THOSE CLASSES PRINTED WITHIN THIS BOOK ARE CLASSES AN EXHIBITOR MAY ENTER. ANY CLASS FOUND TO BE ADDED AFTER THIS BOOK HAS BEEN PUBLISHED WILL BE DISQUALIFIED AND NO PREMIUMS WILL BE AWARDED.

SUPERINTENDENT RESPONSIBILITIES

The Department/Building Superintendents will take every precaution to ensure the safe keeping of all articles on exhibition after their arrival and arrangement, but the Association shall not be responsible for any loss or damage that may occur. Exhibitors are encouraged to give personal attention to their animals or articles and at the close of the Fair to attend to their removal. It shall be the duty of the Superintendents to execute the orders they receive from the President or Secretary and to preserve order and decorum throughout the buildings.

Superintendents are required to be on the grounds to receive all articles belonging to their department to see that they are arranged in their proper places for easy approach and examination. They must be at their proper departments during the Fair and see that due care and protection is used. They will have full charge of their respective departments and will be looked to for regulation and management. Superintendents have the right to reject any exhibit.

DRUG TESTING POLICY

The Oceana County Agricultural Society reserves the right to administer spot tests on any or all livestock entered in the Oceana County Fair if deemed necessary by the Fair management or a written complaint.

PROCEDURE TO REQUEST A DRUG TEST ON AN ANIMAL

1. Party requesting the test must turn in a written and signed request for testing to either the building superintendent of that species, an MSU Extension staff person or the Fair Board.
2. Written signed complaint must include name of the animal(s) owner, description of animal(s) and where the animal(s) is stalled and reason for asking that the test be administered.
3. The Fair Veterinarian will be contacted to take the sample in accordance with the MDARD (Michigan Department of Agriculture and Rural Development) procedures.
4. Request must be accompanied by a check in the amount of \$75.00 made payable to the Oceana County Agricultural Society. In addition, the person(s) being accused will provide a \$50.00 bond, also payable to the Oceana County Agricultural Society. If the test sample proves to be negative the \$75.00 will be returned. If the test proves positive for drugs, the owner of the animal(s) will be charged an additional fee of \$100.00 for the verification of the test plus the \$50.00 bond money the owner paid will be forfeited.
5. Any monies due the exhibitor from premiums will be held until the test results are complete. If it is deemed that the animal(s) were drugged, all monies will be forfeited and if it is a 4-H project involved, the Oceana County MSU Extension Office and the 4-H program reserves the right to take further action against the exhibitor.

REMOVAL OF EXHIBITS AND ANIMALS

(Check with superintendent of each area for exact time of release)

Sunday:

6 a.m. – 2 p.m. - All Animals and Exhibits

All EQUINE TRAILERS must enter Sunday morning through the Polk Road exit and load in the parking lot of the infield track area. Other vehicles may pick up tack and feed, but no one will be permitted to park along the road from the Horse barn to beyond the arena bleachers.

Youth Building, Commercial Building and Adult Education Building exhibitors should enter from State Street and travel the road that goes between the Commercial Building and the Fair office building and should return the same route. This will keep the road clear for the commercial haulers of the auction animals.

PAYMENT OF PREMIUM AWARDS

NOTICE-NEW SYSTEM:

Payment of premium awards will be issued in cash on the day projects are released. Envelopes will be available to be picked up in the respective buildings/barns on the following date:

Sunday, August 27, 2023 from 6 a.m. to 2 p.m.

Anyone unable to pick-up their premium awards on this date, must contact Stephanie Van Sickle to make other arrangements. All premium awards not claimed on Sunday, August 27, 2023 will be forfeited (unless other arrangements are made) and returned to the Oceana County Agricultural Society.

Open Youth and Adult Classes

**DEPARTMENT A – LIVESTOCK
DIVISION I – HORSES**

Superintendent of Draft Horses: Zach Hintz
Superintendent of Saddle Horses: Sarah Esquivel

RULES & REGULATIONS FOR HORSE DIVISION

All Youth Showing in the Horse Division at the Oceana County Fair Must Have Reached the Age of 7 by January 1, 2023.

All draft horse exhibitors must make reservations for stalls with Zach Hintz at (231) 301-3936 at least two (2) weeks prior to the fair to assure stabling.

All Open Class saddle horses must make reservations through the submission of the Open Class Stall Request Form with Sarah Esquivel, Saddle Horse Superintendent at 231-578-7640 by August 7, 2023

All exhibitors are responsible for the care and maintenance of their animal while at the Fair until being released on the last day of the Fair. All exhibitors who fail to keep their animal and stall in neat condition to the satisfaction of the Superintendents will be asked to remove their exhibit/project from the Fair and will forfeit all premiums. This includes the final stall cleanup in which the stall is left in the condition in which it was first assigned.

Each exhibitor at the Oceana County Fair in the horse division must furnish one family member per showman who is over the age of 14 to work during a designated period during the three days of showing. Please see the Horse Superintendent to sign up for a designated time.

Grand and Reserve Championships will not be awarded unless there are at least three (3) entries that are or would have been, eligible to compete for the Championship.

Current Coggins test as required by the State of Michigan is mandatory. Copy of such should be available for inspection before unloading.

Any horse suspected by the Light Horse Superintendent of having a contagious disease will be required to have a vet certificate before entering the fair.

All hay and feed for animals is the responsibility of the exhibitors.

Horses competing for premiums must be sound (except mares injured by accident which does not impair them from breeding).

Five place ribbons will be awarded for classes EXCEPT Grand and Reserve Champion.

Horses shown in Mare/Foal Halter classes may not show in any other halter class. Only one halter class per animal is permitted. An animal may only compete once in a Western and English pleasure class.

All horse exhibitors will receive a free gate pass to allow them to care for their animals. Parents/leaders/helpers may purchase a gate pass at the fair office on Tuesday only for \$6.00.

Age of all youth horse exhibitors shall be determined by January 1 of year of the show. Exhibitors must be seven (7) years of age to show a horse at the Oceana County Fair with the exception of the Parent and Me classes.

January 1 shall be the accepted birthdate of all horses.

Oceana County residents have first preference on stall requests.

All ponies shall be under 56" and must compete in their respective classes unless none is offered.

The Superintendent reserves the right to combine classes with less than three (3) entries.

Saddle horses not showing on the current day may use the large arena for exercise as posted in the horse barns. All horses not showing must be stalled by 5 p.m. All horses must be walked (not rode) to arena areas. Please mount and dismount your horse in the staging area of the arenas.

One Horse / One Rider rule has been revoked. If an adult and child wish to bring the same horse, they may.

YOUTH

Department

DEPARTMENT OF YOUTH

Youth Building Superintendents: Cathy Alvesteffer & Grace Gibbs BASIC ENTRY REQUIREMENTS FOR YOUTH

1. Boys and girls, ages 5 through 19, are eligible to exhibit in youth classes provided youth are 19 years of age and under as of January 1st of the fair year and have obtained the age of 5 prior to or on January 1st of the current fair year.
2. Exhibitors may enter only one exhibit in each class.
3. All exhibits must be made, grown, or raised by the exhibiting youth this past year. A project is an activity resulting in the creation of an item to be displayed that has taken several steps (hours, days, weeks, or months) to complete. This will be the original work of the exhibitor and of the highest quality.
4. Due to space limitation in projects, the Oceana County Fair will be limited to youth who are enrolled in an Oceana County school or who are enrolled in a school district that encompasses Oceana County lands. Home- schooled youth must reside in an Oceana County school district or district that encompasses Oceana County lands. Open class exhibitors shall be limited to Oceana County residents unless space is available in the department they wish to enter. *When space is limited, Superintendent has right to limit the number of an individual's entries.* Rules governing 4-H animal projects and vegetable project displays are available from the Oceana County MSU Extension Service office.
5. Exhibits must be entered by 5:00 p.m. on Tuesday, entry day, unless other arrangements are made with the superintendent. Exhibits may not be removed until 8:00 a.m. SUNDAY unless informed otherwise by the barn superintendent.
6. Best of Show will be given for each **division**, *not class, if deserving*. All youth are eligible for Best of Show in the Youth Exhibit Building. A separate exhibit entry tag is not needed.
7. Exhibits will be disqualified if specific guidelines are not met or if not entered in proper class.
8. All non-animal exhibits will be judged according to the Danish System. In the Danish System exhibitors are measured against standards, not ranked against other exhibitors (all youth will receive an A, B or C ribbon).
9. 4-H members may obtain premium statements, exhibit tags and information cards from the Oceana County MSU Extension office or at the fair on entry day.
10. Ownership or owner's permission is required for an exhibitor to show any animal.
11. The Junior Small Market Animal program is not a 4-H project. It is for youth 5-7 years of age by January 1st of the current fair year. To assure buyers of a quality product all the rules and regulations that apply to the 4- H Small Market Animals also apply to Junior Small Market Animals. (See 4- H Specific #4 page 62)
12. Any exhibitor may file a complaint for any of the following reasons:
 - a. Conflict of interest in judging
 - b. Disqualification of an exhibit or exhibitor
 - c. Exhibitor, group leader or superintendent's behavior
 - d. Eligibility of exhibitor

4-H Specific Rules:

1. Rules governing 4-H animal projects and vegetable project displays are available from the Oceana County MSU Extension Service office.
2. All 4-H animals must be under the 4-Her's care.
3. Ownership is required for an exhibitor for many market animals, with the exception, of those exhibitors registered in the 4-H Little Buddy Program. Those classes pertaining to the Market Livestock Program are under the direct supervision of the Oceana 4-H Market Livestock Committee, which is the sole authority on all matters pertaining to those classes. Those classes pertaining to the Small Market Program are under the direct supervision of the 4-H Small Market Animal Association, which is the sole authority on all matters pertaining to those classes.
4. Small Market Animal program rules and regulations that apply, include all the deadlines, number of educational meetings that must be attended, the proper medications and medication withdrawals, weights, owning the animal and anything else that may apply.

NOTICE:

5-7-YEAR-OLD RULES

5-7 Open Class Participants: It is the Oceana County Ag Society's requirement that youth between the ages of 5-7 exhibiting animals requiring a halter or lead must have a parent, adult volunteer or older youth volunteer holding the lead or halter of the animal during the showing. Youth registered as an Open Class participant between the ages of 5-7 years exhibiting non-haltered animals such as swine, rabbits or poultry must be directly assisted one-on-one by a parent, adult volunteer, or older youth while the child is in contact with animal. If you are showing Open as a Junior Market project, you must sign an agreement to follow the 4-H Cloverbud rules when registering your project.

5-7 4-H Cloverbud Participants (using their 4-H number): For youth exhibitors between the ages of 5-7 exhibiting animals requiring a halter or lead must have a parent, adult volunteer or older youth volunteer holding the lead or halter of the animal during the showing. Youth registered as a 4-H Cloverbud participant between the ages of 5-7 years exhibiting non-haltered animals such as swine, rabbits or poultry must be directly assisted one-on-one by a parent, adult volunteer, or older youth while the child is in contact with animal.

Premium Awards: Youth Open Class exhibitors meeting the age requirements of 5-19 will be entitled to exhibit any articles to *compete* for premiums. 4-H Youth (using their 4-H number) between the ages of 5-7 years old will only receive a participation ribbon for any classes they have entered. 4-H youth aged 8 by January 1 of current fair year up to age 19 shall be entitled to exhibit any articles to compete for premiums.

OCEANA COUNTY 4-H CONCERNS AND COMPLAINTS POLICY

All concerns and complaints will be handled in the following manner: *All meetings are to take place out of and away from the barns and public areas.*

GO TO THE MEETING ROOM IN THE FAIR OFFICE

At no time will anyone skip a step or go directly to the Fair Board or Michigan State University Extension Staff. 4-H members are guests at the fair and must settle issues without involving the Fair Board.

1. Leader
 - A. Meet with your club leader to share your concern/complaint.
 - B. If you are unable to resolve the concern by working with your club leader, proceed to step 2.
2. Superintendent
 - A. Your club leader will meet with the appropriate barn superintendent.
 - B. The superintendent of the barn has the final say for matters concerning animal, patrol, and exhibitor welfare. If you or your leader feels that the concern has not been satisfactorily resolved, proceed to step 3.
3. Executive Committee
 - A. A meeting of the appropriate Executive Committee shall be called.
 - B. You, the club leader, and the barn superintendent then meet with the appropriate Executive Committee:
 - a. Large Market Livestock Committee: Lance VanSickle, Kim Mischler and Sara Egeler.
 - b. Small Market Livestock Committee: Youth; Jenna Wallacker and Madison Brant; Adults: Nickole Willacker Jennifer Pomeroy and and Michelle Holladay.
 - c. HDC: Tammy Hammerle, Kim Adkins, Amanda Coker and Trish Cederquist.
 - C. If not satisfied you may take the final step 4.
4. The 4-H Youth Council
 - A. The Executive Committee may call a meeting with the Youth Council.
 - B. The Youth Council will make the **FINAL** decision.
