

HP Elite USB-C Hub (4WX89AA)

Work or play from anywhere

Take your tasks on the road or maximize your notebook's ports in the office with the modern, metallic, and portable HP Elite USB-C Hub. With just one USB-C™ cable, you get pass-through charging[1] and expanded data, video, and device connectivity.

Practical, efficient, and boldly designed

Behold a hub with an all-aluminum design that matches the aesthetic of your HP EliteBook on the desk or on the go. Its sleek, slim profile slides easily into your bag next to your device.

Sacrifice nothing

Maximize the ports you have with a hub that connects to one USB-C™ port on your device. Get connectivity and charging for up to two USB-A accessories[2] and the productivity boost of a second display[2] through the HDMI port.

Power through

Charge your notebook while you work without adjusting your device or hub connections with power-pass-through charging up to 90W.[1]
