Re: Petition Number 1437 - Burlington Solar One, LLC – Petition for a Declaratory Ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the Proposed Construction, Maintenance and Operation of a 3.5-Megawatt AC Solar Photovoltaic Generating Facility Located at Lot 33, Prospect Street, Burlington, Connecticut, and Associated Electrical Interconnection.

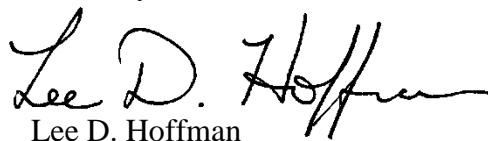

Dear Ms. Bachman:

I am writing to you on behalf of my client, Burlington Solar One, LLC, in connection with the above-referenced Petition. With this letter, I am including two PDF files. One of these files contains a list of all abutters who were notified concerning this Petition, as well as copies of the letters that were sent and the receipts that were received from these abutter notifications. The second file contains similar information for the governmental entities that were notified of this Petition.

As of this writing a “green card” receipts were received from the abutters. For the governmental agencies, most of the receipts have been received, however, the green cards for two elected officials and three state agencies are still outstanding. We expect that these receipts will be returned to us in due course.

If you have any questions concerning this submittal, please contact me at your convenience.

Sincerely,

Lee D. Hoffman

**Burlington Solar One, LLC Petition for Declaratory Ruling for a Solar Project to Be Located in
Burlington, Connecticut**

Dear Sir/Madam:

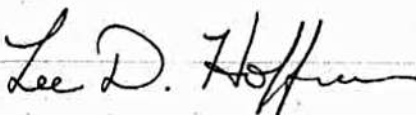

Pursuant to section 16-50j-40(a) of the regulations of the Connecticut Siting Council (the "Council"); we are notifying you that Burlington Solar One, LLC intends to file a petition for declaratory ruling with the Council on or shortly after October 28, 2020. This petition will request the Council's approval of the location and construction of a 3.5 megawatt alternating current ground-mounted solar photovoltaic system on an approximately 63 acre parcel of land in the Town of Burlington, Connecticut ("the Project"). The project will utilize roughly 25 acres of the parcel.

The Project is located in the south central to southeastern portion of Burlington, on a parcel located at Prospect Street, across the street from 81 Prospect Street. The parcel is vacant land and currently has no street address. The parcel is on the north side of Prospect Street, just northeast of Prospect Street's intersection with South Main Street.

The Project consists of solar modules, string inverters, driven post racking, DC string wiring, AC wire runs, transformers, switchgear, metering equipment, security fencing and access roads. The Project will be interconnected with Eversource's electric distribution system.

Once filed, a full copy of the Petition will be placed on file with the Town of Burlington. If you have any questions regarding the Project, please contact the undersigned or the Council.

Sincerely,

Lee D. Hoffman
Attorney for Burlington Solar One, LLC

Dear Sir/Madam:

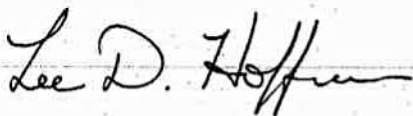

Pursuant to section 16-50j-40(a) of the regulations of the Connecticut Siting Council (the "Council"), we are notifying you that Burlington Solar One, LLC intends to file a petition for declaratory ruling with the Council on or shortly after October 28, 2020. This petition will request the Council's approval of the location and construction of a 3.5 megawatt alternating current ground-mounted solar photovoltaic system on an approximately 63 acre parcel of land in the Town of Burlington, Connecticut ("the Project"). The project will utilize roughly 25 acres of the parcel.

The Project is located in the south central to southeastern portion of Burlington, on a parcel located at Prospect Street, across the street from 81 Prospect Street. The parcel is vacant land and currently has no street address. The parcel is on the north side of Prospect Street, just northeast of Prospect Street's intersection with South Main Street.

The Project consists of solar modules, string inverters, driven post racking, DC string wiring, AC wire runs, transformers, switchgear, metering equipment, security fencing and access roads. The Project will be interconnected with Eversource's electric distribution system.

Once filed, a full copy of the Petition will be placed on file with the Town of Burlington. If you have any questions regarding the Project, please contact the undersigned or the Council.

Sincerely,

Lee D. Hoffman

**Burlington Solar One, LLC Petition for Declaratory Ruling for a Solar Project to Be
Located in Burlington, Connecticut**

Dear Sir/Madam:

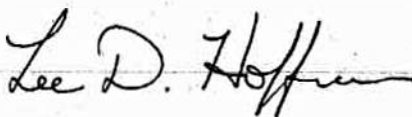

Pursuant to section 16-50j-40(a) of the regulations of the Connecticut Siting Council (the "Council"), we are notifying you that Burlington Solar One, LLC intends to file a petition for declaratory ruling with the Council on or shortly after October 28, 2020. This petition will request the Council's approval of the location and construction of a 3.5 megawatt alternating current ground-mounted solar photovoltaic system on an approximately 63 acre parcel of land in the Town of Burlington, Connecticut ("the Project"). The project will utilize roughly 25 acres of the parcel.

The Project is located in the south central to southeastern portion of Burlington, on a parcel located at Prospect Street, across the street from 81 Prospect Street. The parcel is vacant land and currently has no street address. The parcel is on the north side of Prospect Street, just northeast of Prospect Street's intersection with South Main Street.

The Project consists of solar modules, string inverters, driven post racking, DC string wiring, AC wire runs, transformers, switchgear, metering equipment, security fencing and access roads. The Project will be interconnected with Eversource's electric distribution system.

Once filed, a full copy of the Petition will be placed on file with the Town of Burlington. If you have any questions regarding the Project, please contact the undersigned or the Council.

Sincerely,

Lee D. Hoffman

**Burlington Solar One, LLC Petition for Declaratory Ruling for a Solar Project to Be
Located in Burlington, Connecticut**

Dear Sir/Madam:

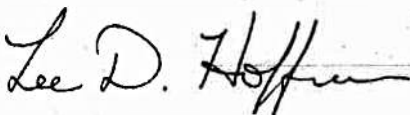

Pursuant to section 16-50j-40(a) of the regulations of the Connecticut Siting Council (the "Council"), we are notifying you that Burlington Solar One, LLC intends to file a petition for declaratory ruling with the Council on or shortly after October 28, 2020. This petition will request the Council's approval of the location and construction of a 3.5 megawatt alternating current ground-mounted solar photovoltaic system on an approximately 63 acre parcel of land in the Town of Burlington, Connecticut ("the Project"). The project will utilize roughly 25 acres of the parcel.

The Project is located in the south central to southeastern portion of Burlington, on a parcel located at Prospect Street, across the street from 81 Prospect Street. The parcel is vacant land and currently has no street address. The parcel is on the north side of Prospect Street, just northeast of Prospect Street's intersection with South Main Street.

The Project consists of solar modules, string inverters, driven post racking, DC string wiring, AC wire runs, transformers, switchgear, metering equipment, security fencing and access roads. The Project will be interconnected with Eversource's electric distribution system.

Once filed, a full copy of the Petition will be placed on file with the Town of Burlington. If you have any questions regarding the Project, please contact the undersigned or the Council.

Sincerely,

Lee D. Hoffman

**Burlington Solar One, LLC Petition for Declaratory Ruling for a Solar Project to Be
Located in Burlington, Connecticut**

Dear Sir/Madam:

Pursuant to section 16-50j-40(a) of the regulations of the Connecticut Siting Council (the "Council"), we are notifying you that Burlington Solar One, LLC intends to file a petition for declaratory ruling with the Council on or shortly after October 28, 2020. This petition will request the Council's approval of the location and construction of a 3.5 megawatt alternating current ground-mounted solar photovoltaic system on an approximately 63 acre parcel of land in the Town of Burlington, Connecticut ("the Project"). The project will utilize roughly 25 acres of the parcel.

The Project is located in the south central to southeastern portion of Burlington, on a parcel located at Prospect Street, across the street from 81 Prospect Street. The parcel is vacant land and currently has no street address. The parcel is on the north side of Prospect Street, just northeast of Prospect Street's intersection with South Main Street.

The Project consists of solar modules, string inverters, driven post racking, DC string wiring, AC wire runs, transformers, switchgear, metering equipment, security fencing and access roads. The Project will be interconnected with Eversource's electric distribution system.

Once filed, a full copy of the Petition will be placed on file with the Town of Burlington. If you have any questions regarding the Project, please contact the undersigned or the Council.

**Burlington Solar One, LLC Petition for Declaratory Ruling for a Solar Project to Be
Located in Burlington, Connecticut**

Dear Sir/Madam:

Pursuant to section 16-50j-40(a) of the regulations of the Connecticut Siting Council (the "Council"), we are notifying you that Burlington Solar One, LLC intends to file a petition for declaratory ruling with the Council on or shortly after October 28, 2020. This petition will request the Council's approval of the location and construction of a 3.5 megawatt alternating current ground-mounted solar photovoltaic system on an approximately 63 acre parcel of land in the Town of Burlington, Connecticut ("the Project"). The project will utilize roughly 25 acres of the parcel.

The Project is located in the south central to southeastern portion of Burlington, on a parcel located at Prospect Street, across the street from 81 Prospect Street. The parcel is vacant land and currently has no street address. The parcel is on the north side of Prospect Street, just northeast of Prospect Street's intersection with South Main Street.

The Project consists of solar modules, string inverters, driven post racking, DC string wiring, AC wire runs, transformers, switchgear, metering equipment, security fencing and access roads. The Project will be interconnected with Eversource's electric distribution system.

Once filed, a full copy of the Petition will be placed on file with the Town of Burlington. If you have any questions regarding the Project, please contact the undersigned or the Council.

Sincerely,

Lee D. Hoffman

Dear Sir/Madam:

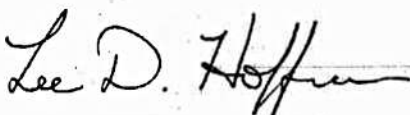

Pursuant to section 16-50j-40(a) of the regulations of the Connecticut Siting Council (the "Council"), we are notifying you that Burlington Solar One, LLC intends to file a petition for declaratory ruling with the Council on or shortly after October 28, 2020. This petition will request the Council's approval of the location and construction of a 3.5 megawatt alternating current ground-mounted solar photovoltaic system on an approximately 63 acre parcel of land in the Town of Burlington, Connecticut ("the Project"). The project will utilize roughly 25 acres of the parcel.

The Project is located in the south central to southeastern portion of Burlington, on a parcel located at Prospect Street, across the street from 81 Prospect Street. The parcel is vacant land and currently has no street address. The parcel is on the north side of Prospect Street, just northeast of Prospect Street's intersection with South Main Street.

The Project consists of solar modules, string inverters, driven post racking, DC string wiring, AC wire runs, transformers, switchgear, metering equipment, security fencing and access roads. The Project will be interconnected with Eversource's electric distribution system.

Once filed, a full copy of the Petition will be placed on file with the Town of Burlington. If you have any questions regarding the Project, please contact the undersigned or the Council.

**Burlington Solar One, LLC Petition for Declaratory Ruling for a Solar Project to Be
Located in Burlington, Connecticut**

Dear Sir/Madam:

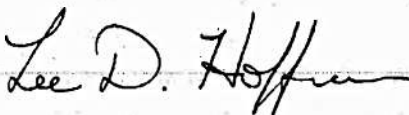

Pursuant to section 16-50j-40(a) of the regulations of the Connecticut Siting Council (the "Council"), we are notifying you that Burlington Solar One, LLC intends to file a petition for declaratory ruling with the Council on or shortly after October 28, 2020. This petition will request the Council's approval of the location and construction of a 3.5 megawatt alternating current ground-mounted solar photovoltaic system on an approximately 63 acre parcel of land in the Town of Burlington, Connecticut ("the Project"). The project will utilize roughly 25 acres of the parcel.

The Project is located in the south central to southeastern portion of Burlington, on a parcel located at Prospect Street, across the street from 81 Prospect Street. The parcel is vacant land and currently has no street address. The parcel is on the north side of Prospect Street, just northeast of Prospect Street's intersection with South Main Street.

The Project consists of solar modules, string inverters, driven post racking, DC string wiring, AC wire runs, transformers, switchgear, metering equipment, security fencing and access roads. The Project will be interconnected with Eversource's electric distribution system.

Once filed, a full copy of the Petition will be placed on file with the Town of Burlington. If you have any questions regarding the Project, please contact the undersigned or the Council.

Sincerely,
