Electrical Essentials available in over 285 branches

Our Specialist Guide has over 2,000 products, selected by our dedicated electrical team from brands you trust, materials and equipment you need, and all at some of the most competitive prices in the marketplace.

We have a growing network of Specialist Electrical Branches around the UK, manned by staff experienced in the electrical trade and with over 1,200 of these products on the shelf. Go to the City Plumbing

website and look out for this icon in the branch locator to find your nearest one. If you don't see what you need, our knowledgeable staff will not only help source what you want but advise on cost effective alternatives from stock.

In 285 branches we have a range of electrical essentials, all the products you need to complete installations.

WHY WE'RE FIRST CHOICE FOR THE PLUMBING, HEATING AND ELECTRICAL TRADES

Price

We constantly review our prices to keep our products and your jobs competitive.

Range

Our products cover everything you need to get the job done from brands you trust. For all your residential and commercial fit outs, repairs and maintenance.

Availability

More and more stock is going into our branches throughout the UK for same day collection AND with over 20,000 products across all trades online, what you need is only a click away.

Knowledge

Our staff know the products and can confidently talk to you about your jobs. Go into branch and discuss what you need and if you don't see what you want we'll do our best to source it.

Guarantees

Many of our products come with great guarantees and warranties for your peace of mind.

OUT OF THE BOX SOLUTIONS

Code: **OA1636AG**

Add an Outdoor Socket with Wireless Switching...

- You can place the RFWB/20G in a convenient place using wireless technology.
- Ideal for switching outdoor lighting
- Prevent unauthorized use of outdoor socket
- Will allow the 2 sockets to be isolated to prevent unwanted use.
- RFSAI-61B allows wireless control of your socket

Or an Outdoor Light with Wireless Switching

- Enables wireless control of the Inceptor EVO using both the smart switch and key fob
- Can utilise existing switch cables (retractive switch required)
- Add control where required

We are ready for the 18th Edition
... Are you ?

Surge Protection Devices
Type 2 & Combined Type 1, 2 & 3

RCBOs & RCCBs
Class AC & Class A

METAL CONSUMER UNITS RANGE

Fully compliant with the new 18th Edition Wiring Regulations, an attractively designed range of populated and unpopulated enclosures, allowing maximum design flexibility using modular components.

- Introducing a new range of Surge Protection devices in Type 2 and Combined Type 1, 2 & 3 for single and three phase applications.
- 6kA Single Module RCBOs (B & C Curve) – available in both Class AC & Class A
- 2 Pole RCCBs – available in both Class AC & Class A

Industrial Control selection guide

Contactor Selection Example

Select contactor according to required coil operating voltage. Select required contact rating.

220V - 260V	380V - 440V
AC1 - 25 Amps AC3 - 10 Amps 4kW	AC1 - 32 Amps AC3 - 18 Amps 7.5kW
P/N: 396699 (240V)	P/N: 396738 (240V)
P/N: 396686 (415V)	P/N: 396747 (415V)

Relay Selection

Select coil voltage.
Select number of pins.

PINS / POLES
8 Pin 2 Poles
11 Pins 3 Poles
14 Pin 4 Poles

Pushbutton, Contact & Mount Type Selection

Snap assembly together

Panel Mounting Example

Pushbutton
e.g. P/N: 396718

Double Contact & Collar
P/N's: 396685 / 396663 & 396682

Enclosure Mounting Example

Pushbutton
e.g. P/N: 396710

Contact Block
e.g. P/N: 396827

Enclosure
e.g. P/N: 396719

DOL Starter Selection

Select starter enclosure pack according to starter coil operating voltage.

220V - 260V	380V - 440V
P/N: 396772 (4kW)	P/N: 396767 (4kW)
P/N: 396771 (7.5kW)	P/N: 396769 (7.5kW)

SEE PAGE 73

Overload Selection

Select overload for DOL starter where range includes your motor's running current.

Full Load Current	Overload Current
0.6 → 0.9	P/N: 396723
0.8 → 1.2	P/N: 396815
1.2 → 1.8	P/N: 396654
1.8 → 2.7	P/N: 396749
2.7 → 4.0	P/N: 396816
4.0 → 6.0	P/N: 396744
6.0 → 9.0	P/N: 396766
8.0 → 11.0	P/N: 396753
10.0 → 14.0	P/N: 396814
13.0 → 18.0	P/N: 396759

SITE
110V

LIGHT IT UP

A new range of site lighting has been created in partnership with industry professionals, by lighting experts, Luceco.

The comprehensive range of robust, high performing and efficient 110V site lights have been developed based on feedback from those using similar products across a wide range of environments.

Available from April 2019, the range provides a variety of site lighting options. All the lights are certified to a minimum IP rating of IP44, however, the bulk of the fittings are tested to IP65, with the plug being IP44.

For more information on the range, visit www.luceco.com/uk

Terms and Conditions

About Us

City Plumbing Supplies Holdings Limited, a company registered in England & Wales under company number 02489546 with its registered office located at Lodge Way House, Lodge Way, Harlestone Road, Northampton, NN5 7UG. VAT Registration Number: 408556737.

General

Orders you place from The Trade Price Guide 2019 and any contract we make with you in response to your order are subject to our sale terms (including specific terms and conditions where you trade with us online).

Full company terms can be found at <https://www.cityplumbing.co.uk/TermsandConditionsOfSale>.

<https://www.cityplumbing.co.uk/TermsandConditionsOfSale>.

Pricing

Prices are for trade customer only. All prices shown in this catalogue are exclusive of VAT and live from 22nd May 2019; some pricing may be stated as Prices on Request where necessary. Please note that all our prices are subject to change without notice and are correct at the time of going to print.

Latest pricing can be found at www.cityplumbing.co.uk, and for certain products, in branch only.
