Combining with special pricing or other promotions

This offer MAY NOT be combined with (or "stacked" with) other promotional offers or trade-in programs, instant rebates or instant savings. In the case where there is a Big Deal/Contract pricing, the customer can take the higher of the two discounts. (Contact nicole.barrett@hp.com for any exceptions).

Government or Education involvement:

- Government customers are legally identified Federal, State, or Local government organizations within the US. Cash back¹ checks will be issued in the name of the government organization only, in the event a Government Customer is claiming on their own behalf.
- Education customers are higher education institutions and schools (K-12), both public and private, within the U.S. Cash back¹ checks will be issued in the name of the educational institution only, in the event an Education customer is claiming on their own behalf.

Customers purchasing Direct from HP who cannot receive mail-in cash back¹ allowances:

Customers who buy directly from HP, who are prohibited by law or contract from receiving a mail-in cash back¹ allowance, and are claiming on their own (or their organization's) behalf, need to complete the online claim form at hp.com/go/tradeandsave1. In addition the purchaser must also contact the trade in program manager, nicole.barrett@hp.com, and inform her that they are an HP Direct customer and provide direct account number and contact information. Once the trade in unit is received and validated by Market Velocity Inc., claims will be processed and the cash back¹ amount will be credited to the customer's purchase order. This process is specific to customers that have HP customer account numbers who purchase direct from HP only (SMB or Enterprise customers).

Reseller Claiming on Behalf of End-user customer

- Authorized HP resellers may submit claims on behalf of their end-user customer by following the same claim process outlined below.
- Resellers may not submit claims on behalf of themselves.
- The Reseller must pass the full cash back¹ amount to the customer first. It must be clearly indicated on the invoice that the credit has been given up front to the customer as part of the purchase price. MVI and HP will be auditing claims to ensure authenticity. Claims that do not show this may be rejected.
- HP will not compensate resellers for discounts that exceed the promotion trade-in values, except as otherwise noted in this document.
- Participation in the HP Trade-In and Save 2013 promotion indicates that end-user customer agrees that its reseller, and not HP, is solely responsible for any negotiated sums exceeding HP's authorized trade-in values.
- Reseller must submit to Market Velocity the Trade-in Product(s) that was provided by end-user customer. Reseller may not substitute other Trade-in Product(s) or submit Trade-in Product(s) not owned by end-user customer.

- To ensure you receive the cash back¹ amount above, it is very important to properly package your printer following these packing instructions:
 1. Package the item(s) in a sturdy cardboard box designed specifically for shipping.
 2. Shipping tape that is 2-3 inches wide should be used. We do not recommend using masking or cellophane tape. Tape all edges on the sides, top and bottom to make sure there are no rough edges that could be snagged by automated mail processing equipment.
 3. Attach the prepaid shipping label to the outside of the package. Use a piece of clear shipping tape over the top of the label. It is important to use our shipping label, as it will be used to expedite tracking, identification and increase the speed of your return.
