ECO-responsible range designed from recycled materials

Combine an **ECO-responsible approach** with an **elegant design** made in Paris

Designed
in
Paris

PORT Designs precursor of IT ECO manufacturers: First eco range launched in 2009. PORT corporate philosophy aims to reduce our carbon footprint & implement a sustainable approach of social and environmental responsibility. With over 30 million bags sold, it is our duty to act for the planet and contribute to reduce our clients' footprint with an eco range.

YOSEMITE ECO -Trendy !

PORT
DESIGNS

Eco-conception

PET / r-PET recycling process

The **YOSEMITE ECO RANGE** is mainly made of recycled materials (PET & r-PET). The use of these materials contributes to reduce our carbon footprint and act positively for the environment.
