#### **MEWBORN FIELD**

Shirley Clements Mewborn Field is one of the premier softball facilities in the nation. The \$4.9 million on-campus home of the Yellow Jackets was officially dedicated on March 10, 2009. It is named after Shirley Clements Mewborn, one of the first two women to receive a degree from Georgia Tech.

In its first two years at Mewborn Field, Georgia Tech hosted an NCAA Regional and was featured on ESPN. In 2009, Mewborn Field and the Jackets played host to the Atlanta Super Regional against eventual national champion Washington, which was televised on ESPN and in 2010 the entire Atlanta Regional was broadcast in HD on ESPN and ESPN2.

Mewborn Field is a state-of-the-art facility nestled at the corner of Fowler and Eighth Streets on the Georgia Tech Campus. Some of the features include:

- Backstop netting that was extended in 2017 above the dugouts to increase fan safety.
- A capacity of 1,500, including nearly 600 chair backs. Whether it's in the main grandstand or in a standing room area, each spot at Mewborn Field gives you a feeling like you are on top of the action, as well as a spectacular view of the Atlanta skyline, especially at night.
- New backstop and outfield padding that was installed for the 2016 season.
- Press box with separate TV and radio broadcast booths.
- Raised grassy hills on each baseline giving fans a unique perspective.
- Bullpen for each team with ample space for two pitchers to warm-up.
- Indoor facility down the left field line with three batting cages. Retractable batting cage nets were added for the 2017 season. The surface is the same as the infield, allowing pitchers and infielders to work out during inclement weather.
- Completed in time for the 2011 season is the team building. Located just behind the indoor facility, this building features a locker room, coaches' locker room and offices, umpire room, meeting rooms, video room and a training room.
- For the 2018 season the Yellow Jackets played under a videoboard for the first time. The Daktronics display measures 22-by-16.5 feet.

HEAD COACH
GEORGIA TECH, 2009
FIFTH SEASON AT GEORGIA TECH
©COACH\_A\_MO

Alleen Morales, one of the most decorated student-athletes in Georgia Tech softball history and a former highly successful assistant coach at her alma mater, returned to The Flats as the program's sixth head coach on June 7, 2017.

In her first year at the helm of the Georgia Tech softball program, Morales led the Jackets to their first postseason appearance since 2014. Tech recorded five ACC series wins for the first time since 2011, finishing sixth in the ACC. With 28 wins on the season, Tech surpassed the 25-win mark for the first time since 2013 and finished above .500 for the first time since 2012.

Morales saw continued success in her second season, coaching the team to its first ACC tournament win since 2012 with a decisive 8-5 five-inning run-rule win over Virginia in the opening round. She brought Tech over the 30 win mark for the first time since 2012, finishing with a 31-27 record, including the program's 1,000th win.

Year three for Morales was cut short due to Covid-19 as the Jackets remained above .500 at 12-11. Tech returned to action in full capacity for Morales' fourth season on the Flats as the White and Gold finished 20-26 in the quarterfinal round of the ACC tournament. Morales achieved her 200th career win as a head coach during the season.

In her nine seasons as a student-athlete (2005-08) and assistant coach (2009-13) at Georgia Tech, she helped lead the Yellow Jackets to four Atlantic Coast Conference regular-season championships (2005, 2009-11), four ACC Tournament titles (2005, 2009-10, 2012), eight NCAA regionals (2005-12) and an NCAA Super Regional (2009). The Jackets averaged 43 wins per season during her nine years with the program.

After leaving her alma mater following the 2013 campaign, she added four seasons as a successful head coach to her resume, first at Young Harris College in Young Harris, Ga. (2014-15) and most recently at Radford University in Radford, Va. (2016-17).

After inheriting a program that won just 12 games in 2015, Morales engineered the biggest turnaround in NCAA Division I softball when she led Radford to a 35-26 record in her first season at the helm in '16. The Highlanders also climbed 96 spots in the Ratings Percentage Index (RPI) in her first season at the school, advanced to the Big South Tournament semifinals with their first postseason wins in four years and boasted two all-conference honorees.

Prior to her two-year stint at Radford, Morales compiled 51 wins in two seasons at the helm at Young Harris.

Morales began her full-time coaching career as an assistant coach at Georgia Tech from 2010-13. During that four-year stint, she helped lead the Yellow Jackets to two ACC regular-season championships, two ACC Tournament titles and three NCAA regional appearances while coaching 19 all-conference selections, four ACC Players of the Year and three all-Americans.

She got her start in coaching as a student assistant coach for Tech in 2009, helping the Yellow Jackets to the most successful overall season in school history, a 46-15 campaign that included ACC regular-season and tournament championships and the program's lone NCAA Super Regional appearance.

Morales arrived at Georgia Tech in January 2005 after graduating a semester early from Hardaway H.S. in Columbus, Ga. Despite beginning her collegiate career during what was scheduled to be her final high-school season, she hit .296 with five doubles, a triple, two home runs, 32 RBI and an ACC-best 44 stolen bases in 49 attempts as a freshman, en route to being named ACC co-Freshman of the Year and earning second-team all-conference recognition.

She went on to be a three-time all-ACC honoree as a middle infielder, earning first-team

accolades as a junior and senior in 2007 and '08, and was also a three-time all-region selection. She earned third-team all-America honors.

She remains Georgia Tech's all-time leader in games played (265), starts (265), at-bats (850) and stolen bases (154) and ranks among the program's top 10 in runs (second -216), hits (third -261), doubles (t-fifth -43) and triples (t-fifth -10). She also holds three of the top five single-season stolen base totals in school history, including a school-record 46 as a senior in 2008.

Over the course of Morales' four-year playing career, Georgia Tech won 185 games, claimed the 2005 ACC regular-season and tournament championships and advanced to the NCAA postseason four times. She was inducted into the Georgia Tech Athletics Hall of Fame in 2020.

Following the end of her collegiate playing career, she was selected by the Chicago Bandits in the second round of the 2008 National Pro Fastpitch Draft. She played two seasons with the Bandits and helped lead the squad to the NPF championship as a rookie in 2008.

She also boasts international experience as a player and coach with the Puerto Rican national team. She competed internationally for Puerto Rico from 2007-10 and served as an assistant coach for the 2012 squad that finished eighth at the International Softball Federation World Championship, PR's best finish in more than a decade.

A three-time second-team academic all-district selection as a student-athlete at Georgia Tech, Morales graduated with a bachelor's degree in business management in 2009. The Columbus, Ga. native earned a master's in sport management from Georgia Southern in 2013.

B.E., VANDERBILT, 2002 PH.D., PURDUE, 2008

Baratunde A. Cola knows just what it takes to be a student and an athlete at the highest collegiate level.

A professor of heat transfer, combustion and energy systems in the George W. Woodruff School of Mechanical Engineering, Cola was named faculty athletics representative (FAR) to the Georgia Tech Athletic Association with his three-year term beginning in July 2020. The FAR serves as the liaison between the Institute and the Athletic Association on issues regarding rules compliance, developments at the National Collegiate Athletic Association (NCAA), and activities related to Atlantic Coast Conference (ACC) membership.

Cola began his education at Vanderbilt University where he was a football student athlete and the starting fullback in 2002. He graduated with a bachelor's of education degree after winning the football program's dedication award, before going on to earn his master's degree from Vanderbilt in 2004.

After six years at Vanderbilt, he began researching thermal applications of carbon nanotubes at Purdue University, interning as a test research and development engineer at Intel Corporation in 2007, as he worked toward earning his Ph.D. from the university in 2008.

From there Cola had a brief stay as a visiting scholar at the University of Texas at Dallas before joining the faculty at Georgia Tech in April 2009 as an assistant professor.

Cola's research is currently focused on understanding and designing thermal transport and energy conversion in nanostructures and devices. His group develops tools to characterize thermal transport across several orders of scale for this purpose. They seek to solve problems with high importance to applications in clean energy (e.g. direct conversion) and the efficient utilization of energy (e.g. more efficient thermal management), and in major industrial segments such as consumer electronics, enterprise services (e.g. the cloud supporting infrastructure), transportation, and lighting.

Cola was promoted to professor at Georgia Tech in 2019.

#### **DIRECTOR OF ATHLETICS**

GEORGIA TECH. 1984

Georgia Institute of Technology introduced former Tech football player Todd Stansbury as the Institute's ninth director of athletics on Sept. 22, 2016.

Stansbury served as Oregon State's athletic director from June 2015 until his arrival on The Flats following a nine-year stint as the university's executive associate athletic director from 2003-2012. During his time at Oregon State, Stansbury was part of a senior management team that raised \$150 million for a football stadium expansion, in addition to fundraising for the construction of a sports performing center. He also was part of a team that established several career development initiatives for student-athletes.

Stansbury's resume also includes roles as athletic director at the University of Central Florida (2012-2015) and East Tennessee State University (2000-2003). He was Georgia Tech's assistant athletic director for academics from 1988-1995 under Homer Rice. Now he returns to campus to guide a department that features 15 teams in 17 NCAA Division I varsity sports.

Stansbury grew up in Canada. When he was 10 years old and on vacation with his family in Florida, he befriended several Georgia Tech football players staying at the same hotel. During the drive back home to Ontario, his family stopped on campus to see a practice. That's when Stansbury knew he wanted to play football on The Flats. He earned varsity letters while at Georgia Tech from 1980-1984 as a middle linebacker and on special teams for head coach Bill Curry. He was a third-round draft pick of the Canadian Football League's Saskatchewan Roughriders in 1984.

As the ninth director of athletics in Georgia Tech history, he follows in the footsteps of storied names such as Rice, John Heisman and Bobby Dodd. He was hired following a national search that began in August 2016 when Mike Bobinski accepted the athletics director position at Purdue University. A nine-member search committee led by Georgia Tech Foundation President Al Trujillo identified candidates. The search process was assisted by Turnkey Search.

Georgia Tech has achieved a school-record Graduation Success Rate (84 percent according to the most recent NCAA figures from November 2015) in each of the past three years. The Institute also recorded outstanding scores in the Academic Progress Rate (APR), which provides a real-time NCAA metric to measure the success of institutions in moving student-athletes toward graduation. The latest APR statistics, released in April, reported that 13 of Georgia Tech's 15 teams scored 980 or better out of a possible 1,000 points.

### **JOELEEN AKIN**

#### **SPORT ADMINISTRATOR**

KANSAS STATE, 1991

Joeleen Akin, a former Georgia Tech athletics staff member with more than 20 years of experience in college athletics, returned to Georgia Tech as associate athletics director for student-athlete development and senior woman administrator in July 2016.

Akin rejoins the Georgia Tech athletics administration after 13 years at nearby Agnes Scott College. She served as Agnes Scott's athletics director and physical education chair for 12 years (2003-15) before being promoted to associate dean for athletics and student activities in February 2015.

Prior to her 13-year tenure at Agnes Scott, she spent seven years at Georgia Tech as director of women's basketball operations (1996-98), marketing/operations manager (1998-99) and director of marketing (1999-2003).

During her 12 years as athletics director at Agnes Scott, an NCAA Division III institution in Decatur, Ga., Akin oversaw a program that produced eight NCAA Tournament teams and a coaching staff that earned 12 different coach-of-the-year recognitions. Under her direction, Agnes Scott student-athletes maintained a 3.0 cumulative grade point average and participated extensively in on- and off-campus service projects.

Akin's tenure at Agnes Scott was marked by innovation and vision. She created and implemented numerous student-athlete development and engagement initiatives at ASC, including a new student-athlete orientation program, Safe Zone training for student-athletes, coaches and staff and coordination of campus-wide academic resources for student-athletes.

Administratively, she developed a unique revenue-generation model that resulted in a 200-percent increase in the school's athletics budget and partnered with a national franchise Snap Fitness to bring a state-of-the-art fitness facility to campus at no cost to the college. She also coordinated with the school's communications department to create the now-trademarked tagline "Smart Women Sweat" to promote the Scotties' athletics programs.

In addition to her duties as athletics director and physical education chair, Akin was Agnes Scott's women's basketball coach from 2003-07 and was named the Great South Athletic Conference Coach of the Year in 2006. She also served as commissioner of the Great South Athletic Conference from 2011-16 and was a member of the NCAA Division III women's basketball committee and NCAA volleyball regional advisory committee from 2014-16.

"I am thrilled to return to Georgia Tech," Akin said. "I want to thank Mike Bobinski and the coaches and staff members that were part of the search process. I am excited about working closely with the student-athletes and coaches. While opportunities and life changes took me elsewhere 13 years ago, my passion for Georgia Tech never wavered. It feels good to be home."

Prior to her arrival at Georgia Tech in 1996, Akin also served as a sports marketing assistant at Auburn and NC State and as a member of the women's basketball staffs at UNC Wilmington and Kansas State.

A Kansas native, Akin earned bachelor's (1991) and master's (1993) degrees from Kansas State.

She and her husband, Charles, have two children: Bobbie and Ryan.
