## FIRE AT GOLD STAR SHOP IN ALIDA

One of Alida's landmarks went up in smoke on Saturday, January 8th. Lloyd East's, Gold Star Shop burned to the ground, after catching fire from an incident inside the shop. It took 4 hours to put the fire out and the fire departments were dealing with -40C windchills.

## THE BIGGER PICTURE

Submitted by Jocelyn Hainsworth

I don't think that there is a single Canadian who isn't focussed on what is going on in Ottawa this weekend. Whether we whole heartedly support the protesters or shake our heads in disbelief, we watch, holding our breath that something or someone doesn't tip the crowd into dangerous chaos.

It's tricky to write something on Sunday morning, knowing it won't be delivered to readers until Thursday afternoon; so much can and will happen in the intervening days. That said, no matter what the news stories will be on Thursday, these are still my Sunday Morning thoughts, and maybe this will help others sort out how they feel too.

For me it's all about perspective. Both mainstream news and the freedom convoy participants are showing drone video of the protest area and crowds. Such a wide angle lens helps to show the whole picture. This is true in the philosophical sense too. Back up and take in the entire view.

We all know that this began as a protest against mandates for cross border truckers. This is such an insignificant thing considering that the States have exactly the same ruling, what's going on? Well, visualize it this way: look at a stick of dynamite – there's the big red cylinder of explosives and the skinny little fuse at one end. The vaccine mandate is merely a fuse.

No one – neither the mainstream news nor the truckers – are claiming that the thousands of people who are waving flags and honking horns on Parliament Hill are only there about the original mandate protest. Before we knew it anyone who had a grievance against masks or vaccines or government or Liberals or Trudeau came out of the woodwork adding momentum to the protest. The power of the movement swelled and attracted other factions – some, like Indigenous peoples, because they are part of the Canadian fabric, and some more sinister people who look to use any unrest to stir up hate and violence.

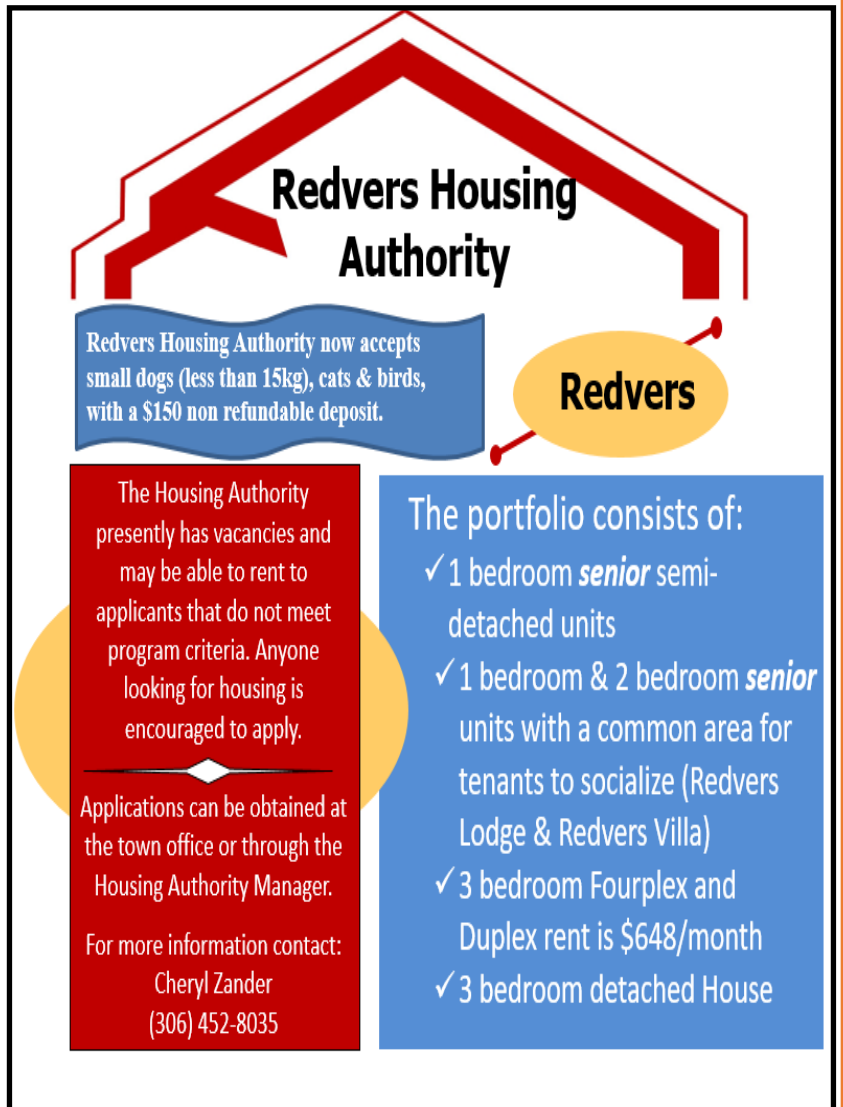

The crowd we see in the drone videos are a mixture of all of these, and it's not like a family reunion where each branch of the family wears a different coloured t shirt. There's no telling who is who. In a way I feel sorry for the original organizers because they will bear the brunt of anything that might go wrong. The whole thing grew so fast that for a while they lost control of the message. After all, how do you control such a diverse group of people and persuade them to work toward solving a common goal?

This kind of sounds like getting all Canadians to come together to defeat Covid-19, doesn't it?

I can tell you something that has begun to bother me is the indiscriminate use of the word "freedom". There have been several instances – both on the news and in Facebook memes – where parents of young children have said (in some cases shouted) that this is why they are joining this protest - so that their children can be free. They speak this word 'freedom' as if having to wear a mask in public places is somehow equivalent to the rights they have all taken for granted while driving unobstructed for four days to clog a capital city and conduct a legal protest. I can't help but think that The Unknown Soldier would happily trade places with these protesters if it gave him the opportunity to go home, marry his sweetheart and raise a family – even if they all had to wear masks for their entire lives. By calling their demands a cry for freedom they cheapen his sacrifice. It's not the same word at all.

There is a lot of Covid exhaustion out there. I get it. That, more than anything is what lit the fuse to this protest. I just hope by the time you are reading this on Thursday that the history books will be able to proclaim that the demonstration was peaceful and safe and the perfect example of what freedom truly means.

## ALIDA NEWS

Condolences are extended to the Fuller family on the passing of Phyllis Lake on December 28, 2021 at the age of 101 years at Swift Current, SK. Phyllis was predeceased by her parents, Mattie and Harry Fuller, in-laws Mary and Rob Lake, husband, Charlie and son-in-law David, as well as brothers Dudley, Jack, Reg and sisters Anna, Sylvia and Millie. She is survived by her five children Kathleen, Linda (Keith), Rick (Nancy), Dorothy (Grant), Gary (Anne), nine grandchildren, eleven great-grandchildren and numerous nieces and nephews.

Calvin and Marrayllyn Lamport welcomed their little granddaughter Adrianna Marie Czerwonka who arrived December 14, 2021. She is the daughter of Kayla and Connor Czerwonka of Candiac SK and great-granddaughter for Neil and Karol McIntyre. Congratulations to everyone.

Here's to a Happy and Prosperous 2022 - Happy New Year Everyone!

One of Alida's landmarks went up in smoke on Saturday, January 8, 2022. Lloyd East's Gold Star Shop burned to the ground, after catching on fire from an incident inside the shop.

There has been activity occurring at the Alida Rink these past days. The ice makers have been busy, so nice to see things are happening again. Yes, not only the skating ice has been installed and in that area of the rink it has been fairly busy with lots of skating taking place including some hockey practicing as well. Just a reminder folks - if you haven't paid your skating fee yet, please do so as this is a means for our rink to survive. Now the curling ice has also been installed and that does make me happy. The curling club is planning on hosting their annual February Bonspiel - the 20<sup>th</sup> year - Wow! However there's a bit of a twist to the event this year - It will be our First Annual Oilmen and Farmers Bonspiel (50% of team must be oilfield or farming related). They will host the Oilmen/Farmer's Bonspiel on February 4 and 5. They have also decided to host a Ladies Bonspiel at the end of February, watch for info. Once again please remember that the Covid rules are mandatory. Good Luck curlers.

The Alida community extends sincere sympathy to Ralph and Sheila White on the death of his sister Lyla North (Carnduff) on January 12, 2022. She was predeceased by her parents Arthur and Margaret White, husband Larry, grandson Nolan North, brother, Charlie White, sister, Grace Morden and sister-in-law Jane White. Lyla will be remembered by son Don (Melissa) North, daughters Sharlene (Cory) Scott, Shannon (Ed) Revet, grandchildren and great grandchildren, sister-in-law Jean White, brothers, Walter White, Ralph (Sheila), Bob (Donna) White as well as numerous in-laws, nephews, nieces and good friends. A public graveside service will be held at Carnduff Cemetery in the spring of 2022. Condolences are extended to all other family members as well.

Café 361 was closed on January 13 due to a positive Covid test and will remain closed for

the next five days. Hopefully it will be open again soon. It is once again opened as usual, thank goodness. One sure did miss the restaurant when it wasn't opened.

Sunday Breakfasts are back at Alida Rink and the Breakfast Challenge is on. January 2, had Kitchen Group 3 at the helm, they served up 21 breakfasts. January 9 had Group 4 in charge, they served up 38 breakfasts. Will Group 1 beat the Challenge next Sunday? Big bouquet to Brenda J and Margaret P for stepping up to be in charge of these Sunday breakfasts in making sure all supplies etc. are on hand and ready to go. It was Breakfast at the Rink again on Sunday, January 16 with Kitchen Group #1 at the helm. They served up 36 breakfasts - this just falls short of the Sunday record of 38 set by Group 4 - Way to go guys and gals. Gee it sure is great to see the guys from Redvers coming down for breakfast very week - appreciate your support guys. Next Sunday it will be Kitchen Group # 2 in charge - will they break the Breakfast Challenge record - that is the question?? Just keep in mind that Covid rules are mandatory.

The Alida community extends sincere sympathy to the Blackburn family on the passing of Ron Blackburn of Regina, who passed away suddenly January 13, 2022 at the age of 83 years. He was predeceased by his parents Percy and Rose, brothers Earl and Neil. Ron is survived by his wife Paulette, daughters Kim (Scott), Tanya (Jeff), Lindsay (Garry) and three grandchildren as well as his nephews and nieces. A private family celebration will be held at a later date. The Blackburn family lived in Alida, raised their family before they moved away in 1971.

Sincere sympathy is also extended to Karol McIntyre on the death of her husband Neil, who passed away January 18/2022 at the age of 75 years. He is survived by his wife, Karol, daughters Merilyn (Calvin) Lamport, Nancy (Ken) Plews, Melissa (Rob) Byers, and son, Bradley (Robin), 15 grandchildren, 1 great-grandchild, sister Karen Wheelens and numerous nieces and nephews. Neil was predeceased by his parents Clarence and Ella, sister, Marlene and Walter Baylass, Uncle/Aunt Graham and Marion McIntyre, cousin, Brian McIntyre as well as his in-laws, including Jim Wheelans. A service to celebrate Neil's life was held January 24 at Carnduff United Church followed by a private family interment at Carnduff Cemetery.

I do believe we are definitely having an old fashioned snow filled winter this year. The snowmobilers should be in their glory with all the snow that we have been receiving of late. Hopefully there will be lots of moisture accumulated in this snow as we are definitely in need of much moisture this spring. The snowblowers are also being kept busy these days, seems as if one gets the road blown open and then within the next couple of days the blower is needed once again. Don't mind the snow but hate the wind and also any rain that we received at this time of the year. The rain can

come in the spring.

Sunday, January 23 was the fourth breakfast at the rink with Kitchen Group # 2 in charge - they served up 21 breakfasts (just short of defeating the Breakfast Challenge which still remains at 38 set by KG # 4, but then the weatherman wasn't co-operating so naturally attendance was low). It was great to see that the guys from Redvers attend despite the weather. Next Sunday it will be back to KG # 3 being at the helm and let's hope the weather will be nicer too. Hope to keep seeing you at the rink and please remember Covid rules are still mandatory. Then on Sunday, January 30 another breakfast was held with Kitchen Group # 3 in charge - they served up 38 breakfasts (tied the Breakfast Challenge). It was great to see that the guys from Redvers attending once again as well as others from the Wauchope area. Next Sunday it will be back to KG # 4 being at the helm and let's hope the weather will be nice. Hope to keep seeing you at the rink people and please remember Covid rules are still mandatory.

In the afternoon on Saturday, January 29 there was a small group of approximately 25 participants (including children) together with 10 vehicles or so had gathered in Alida for a mini rally/parade, throughout the streets, in support of the Trucker's Rally which had toured to Ottawa. Following this parade they gathered in front of the MLA office on Centre Street to warm up by a bonfire and enjoyed some hotdogs and soup.

I received word that a relative of mine, Evelyn (Jensen) Svorkdal had passed away January 28/2022 in her Estevan home at the age of 88 years. She was predeceased by her parents, Soren and Paula (Polly) Jensen (Redvers), husband Johan Svorkdal (formally Stoughton), brother Carl Jensen (Redvers), sister, Thelma Anderson (Arcola), brother-in-law Art Weber (Weyburn), sister-in-law Judy Jensen (Calgary) sister, sister, Mae and her husband Ed Nielsen (Prince Albert). Evelyn leaves to cherish her memory - her sons, Brad (Neena) Kitchener ON and Nelson (Jennifer) Victoria BC, five grandchildren, siblings, Vivian Weber (Weyburn), Lyla (Don) Carlsen (Redvers), Lawrence (Myrna) Jensen (Calgary), Lloyd Jensen (Calgary), in-laws, Ken (Peggy) Anderson (Carlyle) and Eunice Jensen (Innisfail, AB) as well as numerous nephews, nieces and cousins. At this time a celebration of her life will be held at a later date. Condolences are extended to all family members and relatives - especially the Carlsen families at both Redvers and Wauchope.

Oh yes - the homemade pizzas that were made by the Alida Rec Board members have now been delivered, at least I do believe so. If you haven't received yours give a call to one of the members and I'm sure that you will soon find out where it is and be able to get it. Take it from me - those pizzas are delicious - m- m-m. The members do appreciate all the support that they received from their fundraisers.

Until next time - stay safe and stay warm.

# HAVEN HAPPENINGS

As rumored the mighty hunt did indeed take place with a number of hunters trying their luck at stationary and moving targets. Here Lucien is closing in on his big game while a lowly lion cub watches the action.

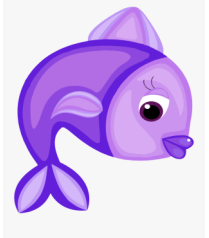

January being a popular month to be born in we had more than one occasion to sing Happy birthday. Here Georgie prepares to blow out her candle on her special day.

Space being at a premium we have decided to offer this gently used donated aquarium to our readers. Should anyone be interested in it please call 452 - 4003 and make an offer. Comes with working pump filters bottom people's etc.

February being heart month we want to wish all our very best for Valentine's Day and Family Day. Feb 22 being National Agriculture Day we extend congratulations and warm accolades to our families and friends in that regard as well.

Closing out January and brightening February there are 4 separate Amaryllis bulbs that have created quite a stir as they prepare to burst with bloom. One truly can see them progress on a daily basis - we are likely to enjoy blooms for all of February and March maybe??

When you can not beat them: join them. So the saying goes. January we celebrated all things snow: flakes, men, balls. Watching the snow pile high outside was a pastime of some!
