Schedule of Classes Usage Notes: registrar.syr.edu/tsc/tsc notes.html

Syracuse University requires students to provide current addresses, phone numbers, and other contact information to facilitate timely communication on matters of interest to students and prompt communication in emergency situations.

Once each Fall and Spring semester, students are required to verify and/or update their contact information prior to being able to register for classes. Students may also update this information in MySlice (<a href="myslice.syr.edu">myslice.syr.edu</a>) at any time. The Student Services section in MySlice will contain a message to update contact information. Once the update process is completed, the Enroll in a Class, View My Appointment, View My Schedule, etc. links will be available for use.

### Student Rights under the Family Educational Rights and Privacy Act (FERPA)

Syracuse University fully complies with the Federal Family Educational Rights and Privacy Act (FERPA) and with procedures recommended by the American Association of Collegiate Registrars and Admissions Officers. This legislation gives students the following rights with respect to their education records:

## I. The right to inspect and review the student's education records within 45 days of the day the University receives a request for access.

Students should submit to the University Registrar (106 Steele Hall, Syracuse University, Syracuse, NY 13244-1120) written requests that identify the record(s) they wish to inspect. The University Registrar will make arrangements for access and will notify the student of the time and place where the records may be inspected.

## II. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading.

Students may ask the University to amend a record that they believe is inaccurate or misleading, although this does not include challenges to the accuracy/fairness of grades in courses or any other assessment of academic performance. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision of his or her right to a hearing regarding the request for amendment, and of the hearing procedures. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

# III. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. Specific exceptions include:

A. School officials with legitimate educational interest. "School official" means:

- 1. a person employed by the University;
- a person, company, or agency with whom the University has contracted for a service; or
- a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

"Legitimate educational interest" means an educationally related purpose which has a directly identifiable relationship to the student involved and is consistent with the purposes for which the information is maintained. A school official has a legitimate educational interest if, in the judgment of the data custodian responsible for requested information, the official needs to review an education record in order to fulfill his or her professional responsibility. The information sought and provided must be pertinent to and used within the context of official University business and not for a purpose extraneous to the official's area of responsibility. Release of a student's education record to a school official having legitimate education interest does not constitute institutional authorization to transmit, share, or disclose any or all of the information to a third party, within or outside the University.

- B. Officials of another school in which a student seeks or intends to enroll, upon the request of such officials.
- C. Parents of a dependent student as defined by the Internal Revenue Service. A "parent" is a parent, guardian, or someone acting as a parent who meets the IRS standard. Undergraduates at Syracuse University are assumed to be dependents of the parent(s) they list on application materials unless they prove otherwise. Divorced or separated parents will be provided equal access unless the University is provided with evidence of a court order, state law, or legally binding document that specifically revokes those rights. Graduate students will be presumed to be independent of their parent(s) unless the parent(s) provide their most recent IRS tax return with evidence to the contrary.
- D. Appropriate parties in connection with an emergency if knowledge of the information is necessary to protect the health or safety of the student or other individuals.

(Note: Students should refer to their individual school/college(s)' policies concerning parental notification in cases of academic misconduct and academic performance issues.)

## IV. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Syracuse University to comply with the requirements of FERPA.

The office that administers FERPA is:

The Family Policy Compliance Office U.S. Department of Education 400 Maryland Avenue, SW Washington, DC 20202-5920 Phone: 1-800-872-5327

## V. The right to prevent disclosure of personally identifiable information that Syracuse University has designated as "Directory Information."

At its discretion, Syracuse University may provide "directory information" in accordance with the provisions of FERPA. Directory information is defined as that information which would not generally be considered harmful or an invasion of privacy if disclosed. Designated directory information at Syracuse University includes the following:

Name\*
Current address and phone number
Permanent address and phone number
SU email address\*
Dates of attendance
Full/part-time status
Class/level\*
SU school/college(s)\*
Majors(s)/degree program(s)
Degree(s) earned and date(s)
Academic awards and honors
Prior postsecondary institutions attended
Athletic participation.

\*Asterisked items are displayed in the University's online directory.

Students may block the public disclosure of directory information (all or in part) by filing a Request to Prevent Disclosure of Directory Information form with the Office of the Registrar, 106 Steele Hall. Although the initial request may be filed at any time, requests to prevent disclosure will be honored by the University until removed, in writing, by the student.

For students who select an option to prevent disclosure of some, but not all, directory information, additional action must be taken to prevent release of information regarding athletic participation and for announcements of academic achievements to their hometown newspaper(s) and/or printing in the annual *Register of Graduates*. Filing of a Request to Prevent Disclosure <u>will also prevent</u> information from loading to Blackboard, an online course management system used in many SU classes, and may make a student ineligible for SUMail, SU's student email system. For students who are required to use Blackboard for a class or multiple classes, additional action must be taken. The Registrar's Office will provide information about these additional steps. Instead of SUMail, those who file a Request to Prevent Disclosure that includes their SU email address will be provided an official SU email account in the University's administrative email system.

Students should very carefully consider the consequences of a decision to prevent disclosure of Directory Information. Regardless of the effect upon students, the University assumes no liability as a result of honoring instructions that such information be withheld. Syracuse University assumes that a student's failure to specifically request blocking access to any element of directory information constitutes approval for disclosure. Questions about FERPA, students' privacy rights, and Syracuse University's compliance procedures may be directed to the Office of the Registrar, 106 Steele Hall, Syracuse University, Syracuse, NY 13244-1120, 315 443-2422.

## **ADVISING**

#### **Undergraduate Students**

- 1. Schools and colleges require advising for some or all undergraduates before they are allowed to register. Advising policies vary among colleges, and for dually enrolled students the *home college's* rules apply. Each college's policy is managed by a college-specific "advising hold." You may access the information either through the Holds section or the View Holds link in the Student Services section in MySlice. Home college advising policies are accessible on the Registrar's homepage, *registrar.syr.edu*. The advising hold will block a student's ability to successfully register for classes until it is removed.
- 2. It is essential that students make appointments to see their advisors *before* registration begins. It can take one or more business days *after* the appointment before the advising hold will be removed. Registration cannot occur until the hold is removed.
- 3. Prior to the advising conference, students should sketch out a set of first choice and alternate courses on the Course Worksheet. A complete selection of alternate courses/sections should be entered on the worksheet in case any first choices are unavailable at the time of registration.
- 4. Depending on the home college's protocol for removing advising holds, students and advisors may be required to complete and sign the Advising Form as a record of the agreed-upon courses. Students may then be asked to take the signed Dean's Office copy to their dean's/departmental office to have the hold removed. Or the advisor may communicate directly with that office to authorize removal of the hold
- 5. For classes that have restrictions or require special permission, students must contact the department of class origin to obtain permission to register.

#### **University College**

Part-time students in the Higher Education Opportunity Program (HEOP) or those who hold one-term trial, UC special student, or probation status will be placed on advising hold. Students will receive a letter from the UC Student Administrative Services office two weeks before registration begins. Such students must meet with an academic advisor before registering. The letter will include directions for scheduling an advising appointment, or students can call UC at 315-443-3261. Registration cannot occur until the hold is removed.

### **Graduate Students**

Students should plan their schedules in consultation with an academic advisor as necessary or as recommended by the student's department. All holds must be removed before registration.

## REGISTRATION HOLDS

If any of the following holds have been applied, it will be indicated on the student's View Holds section in MySlice and as a link in the Student Services section. Detailed information about the hold and procedures for removing the hold is available on the Registrar's Office homepage, registrar.syr.edu/students/registration/ and by contacting the home college. The student will be prevented from registering for classes. In order to register, students must obtain clearance from the holding office(s) indicated below.

#### **Advising Hold**

Schools and colleges require advising for some or all of their undergraduate students before they are allowed to register (see the previous section on "Advising"). Advising policies vary among colleges. For dually enrolled students, the home college's rules apply. If an advising hold has been applied, detailed information about the hold and procedures for resolving it are available via MySlice. You may access the information either through the Holds section or the View Holds link in the Student Services section.

#### **Financial Hold**

Students with outstanding financial obligations are placed on financial hold by the Bursar. Separate financial holds may be applied by the Bookstore, Student Debt Management, Library, and Parking. Other holding offices can accept payment but **cannot** enable registration. Contact the Bursar's Office to resolve holds. If a financial hold has been applied, detailed information about the hold and procedures for resolving

it are available via MySlice. You may access the information either through the Holds section or the View Holds link in the Student Services section

#### **Health Center Hold**

Proof of measles, mumps, and rubella immunity is required for all full-and part-time undergraduate, graduate, and law students born after January 1, 1957. Proof of re-immunization is also required for all students who were inoculated for measles and rubella before the age of one year or who were inoculated before 1968. All students must provide a completed response form relating to vaccination for meningococcal disease (Meningitis). Students who have a Health Center hold will not be allowed to register until they submit proof of immunization to Health Services, 111 Waverly Avenue.

#### **Prevent Registration Hold – Judicial Affairs**

The Office of Judicial Affairs can place a hold preventing a student from attempting to register until any outstanding judicial actions are settled. Students with this type of hold should contact the Office of Judicial Affairs, 304 Steele Hall.

### Non-declared Plan (Major) Hold

While some colleges require earlier declaration, all matriculated undergraduates must apply for admission to and be accepted into a major program of study by the beginning of their junior year. Dually enrolled students must declare a major in both colleges. Students will be placed on hold if they are registering as a second semester junior but have not officially declared their major. Dually enrolled students must declare majors in both colleges for the hold to be removed. Students with this hold should contact their college(s) to officially declare a major.

#### OIS Hold - Slutzker Center for International Services

International students may be required to contact the Slutzker Center for International Services and present appropriate paperwork. Students should contact the Center at 310 Walnut Place to obtain clearance.

## SPECIAL REGISTRATION PROCEDURES FOR SU STUDENTS

## SPECIAL PROGRAM/COURSE REGISTRATIONS

#### Syracuse University Abroad (SUAb)

Students attending Syracuse University Abroad (SUAb) should meet with their academic advisor prior to going abroad. Registration for their next main campus term will take place while they are abroad and students will use MySlice to enroll in classes via the internet. The home colleges will advise their students on the proper procedure just prior to the start of registration. Students are responsible for clearing all holds prior to registration. SUAb students who do not register during the registration period may not register until the first day of classes. Such students must follow late registration procedures and will be charged the late registration fee.

Students accepted to a SUAb program should not register for main campus classes for the semester in which they will study abroad. Once SUAb notifies the Registrar's Office that a student has been accepted for study abroad, if the student has already registered for the future semester, the registration will be canceled. Schedules will not be reinstated for students who subsequently decide not to participate in the SUAb program, and they must follow late registration procedures.

#### **Extended Campus**

The School of Education offers classes in its program areas through extended campus. Graduate students who meet class requirements are eligible to register for these classes. See the *Extended Campus Graduate Course Catalog:* 

soe.syr.edu/centers\_institutes/

continuous\_education\_global\_outreach\_cego/extended\_campus/

or Registration Procedures, Eligibility in this document to determine appropriate registration procedures. Extended campus classes are listed separately in this publication, following the School of Education main campus listing, and are identified by section numbers beginning with "X."

## Independent Study, Experience Credit, Honors Thesis, Readings and Research

All students registering for individualized instruction must make arrangements with a faculty sponsor prior to registration. Students cannot register for Independent Study classes via MySlice registration. Proposal for Independent Study Course forms, available in deans' offices and online, must be completed and submitted to the Registrar's Office, 106 Steele Hall. The form must have the signatures of the faculty sponsor, the chairperson of the department in which the student is taking the class, and for undergraduates the dean of the student's home college. Some classes may have an associated class fee.

#### **SUNY Environmental Science & Forestry Classes**

Syracuse University students may register for SUNY/ESF classes provided they meet all course/class restrictions. Registration is subject to the availability of classes. Syracuse University students may register for these classes via MySlice, just as they would for a Syracuse University class.

#### **SUNY Health Science Center Classes**

Registration for courses at SUNY Health Science Center is restricted to graduate students. Students should secure the permission of their Syracuse University advisor and the College of Graduate Studies, SUNY Health Science Center, 766 Irving Avenue, before registration. See also Financial Information, Tuition Policy for SUNY Health Science Center, in this document.

### **University College Classes**

Main campus students may register for University College (UC) classes. UC classes are listed after the *Main Campus* section of a class in this document's class listing. UC classes are identified by section numbers beginning with "U."

#### Registration for more than 19 credits

Honors Program students are eligible to register for more than 19 credits without special approval. Other undergraduates who wish to register for more than 19 credits must petition their home college to do so. (See *Tuition and Fees Bulletin* online at <u>bursar.syr.edu</u> for information about related tuition charges.)

## Registration for a class outside your (Graduate or Undergraduate) academic career

Students may register for classes that are outside of their career with the approval of the department offering the class and their academic program, school, or college.

Procedure: To register for a 600-or-above-numbered class undergraduates need to submit a petition with approval of the department offering the class and their home school or college. Graduate students can register for 500-level and PED classes without additional approval. To register for other classes below 500-level graduate students need to submit a petition with approval from the department of the class and the student's academic program. Approved petitions must be submitted to the Registrar's Office, 106 Steele Hall, by the Add deadline. (Note that the Petition to the Faculty form will override the career (graduate or undergraduate) restriction only; additional clearance may be needed from the department offering the class.)

## **GRADING OPTION SELECTION**

#### Audit

Students may audit classes with the approval of the appropriate department and the instructor. Although students auditing a class are not responsible for fulfilling all academic requirements of the class, instructors may set requirements or restrictions. The audit option is not available for studio classes offered by the College of Visual and Performing Arts and for classes that require a Proposal for Independent Study Course form. Academic credit is not earned for audited classes, which appear on the transcript with the grading symbol of AU. Audited classes do not fulfill requirements in any degree program, do not calculate toward the GPA, and do not count as carried credits for

determination of enrollment status. See *Financial Information, Auditing* in this document for related tuition charges.

<u>Procedure:</u> Register for the class. [\* Note: Undergraduates for whom this registration brings the total number of credits to more than 19 will not be able to register directly for the class (unless they are enrolled in the Honors Program). Such students, prior to submitting the Grading Option Application, must petition their home college to register over the maximum unit limit of 19 credit hours.] Once registered, complete the Grading Option Application, obtain the signature of the class instructor, and submit the form to the Registrar's Office, 106 Steele Hall. This form must be submitted by the Audit deadline, **Monday, September 12**.

#### Pass/Fail or Letter Grade

Some courses are automatically graded pass/fail. In other courses, students may elect a pass/fail grading option. For students who elect the pass/fail option, grades of A through D are converted to Pass (P). In certain pass/fail graded courses, listed on the Grading Option Application, a letter grade option may be requested.

These grading options may not be selected or rescinded after the Grading Option deadline; however, the class(es) may be dropped in accordance with the drop procedure (see *Schedule Adjustment after Classes Begin*). For additional restrictions that apply to undergraduate students, see *Academic Rules and Regulations* in the course catalog at coursecatalog.syr.edu/.

<u>Procedure:</u> Register for the class. Complete the Grading Option Application, obtain the signatures required, and submit the form to the Registrar's Office, 106 Steele Hall. This form must be submitted by the Pass/Fail deadline, **Monday, September 12**.

#### **Incomplete Grade**

Students who are unable to complete a class within normal time limits because of exceptional circumstances may be eligible to request an Incomplete grade. (Students requesting a Leave of Absence from the University may not receive Incomplete grades.) To receive an Incomplete, the student and instructor must complete the Request for Incomplete Grade form, specifying the reasons, conditions, and time limit for removing the Incomplete. Incomplete grades may not be awarded unless the student has completed sufficient work upon which to base a grade. An Incomplete is calculated as an F in the GPA. Completion of the request form does not guarantee the student will be able to complete class requirements. If the student does not complete the specified work with the original instructor or within the time specified, the student may be unable to make arrangements to remove the Incomplete. A student who does not complete the specified requirements and who is awarded the letter grade specified on the request form does not have the option of later petitioning for a change back to an Incomplete or to a different letter grade. Such students who receive a letter grade and repeat the class at a later time may petition to flag the original grade to remove it from GPA calculation.

#### **Removal of Incomplete Grade**

Incomplete grades are not removed by registering for the class again. Although an instructor may require a student to repeat certain elements of a class to remove an Incomplete grade, the student should not register for the class a second time.

## SYRACUSE UNIVERSITY POLICIES

The complete Syracuse University academic policies are published annually in Academic Rules and Regulations coursecatalog.syr.edu/

## INSTITUTIONAL ACCREDITATION

Syracuse University is chartered by the New York State Board of Regents and accredited by the Middle States Association of Colleges and Secondary Schools. Professional accreditation for each of the professional colleges and schools accords with the regulations of the appropriate professional association. For further information, contact the dean's office of each school or college.

## SYRACUSE UNIVERSITY GRADUATION RATE

In compliance with the federal Student-Right-to-Know and Campus Security Act, and regulations of the US Department of Education, Syracuse University provides the following information to current and prospective students. Of the cohort of full-time degree-seeking undergraduate students who first enrolled in Syracuse University in fall 2003, 83.4% had earned their baccalaureate degrees as of August

2009. These beginning and end dates comprise 150% of the normal length of full-time study (4 years) needed to complete a typical undergraduate degree program. While this calculation meets the Act's requirements for determining a graduation rate, Syracuse University recognizes that many students for diverse reasons are unable or choose not to complete their degrees in a continuous sequence of full-time enrollment. Therefore, the rate may not accurately reflect the commitment and achievement of its students. Moreover, the Act's stipulation that the graduation rate be that of the cohort of entering FULL-TIME students leaves out the significant population of PART-TIME students who constitute an important part of the Syracuse University community.

## STUDENT ACADEMIC WORK

In compliance with the federal Family Educational Rights and Privacy Act, works in all media produced by students as part of their participation at Syracuse University may be used for educational purposes, provided that the class syllabus makes clear that such use may occur. It is understood that registration for and continued enrollment in a class where such use of student works is announced constitute permission by the student. After such a class has been completed, any further use of student works will meet one of the following conditions: (1) the work will be rendered anonymous through the removal of all personal identification of the work's creator/originator(s); or (2) the creator/originator(s') written permission will be secured. As a generally accepted practice, honors theses, graduate theses, graduate research projects, dissertations, or other exit projects submitted in partial fulfillment of degree requirements are placed in the library, University Archives, or department for public reference.

### REGISTRATION

Official Registration Required for Attending Classes. University policy prohibits students from attending, being evaluated, auditing, or otherwise participating in regular semester classes without being officially enrolled. The only exception is for students making up Incomplete grades with faculty approval. Faculty may not allow students to attend classes and/or submit work unless students (1) appear on the official class list or (2) present a current copy of their class schedule showing the class to have been added. Adding of classes or entire schedules after the Late Registration and Add deadline may be done by petition only. Students must register for classes in the semester in which they begin work for the class. Attending a class without officially registering and then registering for the class in a subsequent term for reasons of resource, billing, or scheduling convenience is strictly prohibited for both graduate and undergraduate students. Advisors and faculty should not advise students to take such actions, and students are held to the policy regardless of such advice or permission. If such action occurs and grades are later reported for recording on the transcript, students will be dropped from the later class registration and

retroactively registered in the term during which they actually took the course. The Bursar's Office will charge the appropriate tuition and fees.

## ATTENDANCE IN CLASS

Attendance in class is expected in all classes at Syracuse University. Class attendance requirements and policies concerning non-attendance are established by the instructors of each class and are detailed in the syllabus.

### ADMINISTRATIVE DROP

Instructors have the option to drop students who do not attend the first week of class (up to and including the Add deadline). If an emergency prevents a student from attending the first week, he/she must contact the instructor before the Add deadline to affirm his/her intention to continue in the class. Administrative drops must be completed by the Financial Drop deadline (Monday, September 19), three weeks from the first day of classes.

## RELIGIOUS OBSERVANCE

It is the policy of Syracuse University that no student should be refused admission or be expelled because he/she is unable to participate in any examination, study, or work requirement because of his/her religious holy day requirements. An opportunity will be provided to make up any examination, study, or work requirements that may have been missed because of an absence due to a religious observance providing that the instructor has been notified in writing one week before the absence. No fees will be charged to the student for the costs incurred by the University for such makeup work. In effecting this policy, the University agrees that no adverse or prejudicial effect should result to any student who avails him/herself of its provisions.

## ACCOMMODATION FOR STUDENTS WITH DISABILITIES

Syracuse University welcomes people with disabilities and, in compliance with Section 504 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act, does not discriminate on the basis of disability. Upon acceptance to Syracuse University, students with disabilities are strongly urged to discuss academic and nonacademic accommodations with the Office of Disability Services (disabilityservices.syr.edu), 804 University Ave., Room 309; 315-443-4498 (VOICE), and 315-443-1371 (TTY).

## READING DAY POLICY

Reading days are designed to allow students the maximum opportunity to prepare for final examinations. Therefore, final examinations and required meetings or classes are not to be held on any reading day. Requests for exceptions to this rule must be approved by the dean of the college and the Associate Provost for Academic Programs, 304 Steele Hall, and must be recorded in the Office of the Registrar.

## **UPDATING YOUR RECORD**

## ADDRESS AND BIOGRAPHIC INFORMATION

### **Addresses and Phone Numbers**

Students are required to provide current addresses, phone numbers, and other contact information to the University. This facilitates timely communication on matters of interest to students, such as registration, and prompt communication in emergency situations. Twice each year students, excluding SUNY ESF students, will be prompted to review their contact information before access to Student Services on MySlice will be granted.

Contact information may be reviewed and updated by logging in to MySlice and selecting any of the links in Student Services. You will automatically be forwarded to the items which must be reviewed. You may also select the relevant item(s) under "Personal Information". Students who wish to prevent the release of address and telephone information should refer to the "Student Rights under the Family Educational Rights and Privacy Act" (in this document) or at registrar.syr.edu/students/ferpa.html. Students must file a Request to

Prevent Disclosure of Directory Information form with the Office of the Registrar, 106 Steele Hall. Such requests may be filed at any time and will remain in effect permanently (including after departure from the University) unless a change is requested.

## **Social Security Number**

Students who want to change their SSN must present their social security card and SU ID card to the Office of the Registrar, 106 Steele Hall.

#### Name Change

Students must present one of the following proofs of name change to the Office of the Registrar: new social security card together with valid driver's license (both showing the new name); Certificate of Marriage; Court Order.

## ACADEMIC AND CURRICULAR CHANGES

All students are responsible for knowing the requirements of their degree program(s). Information regarding curriculum requirements can be obtained from the college deans' office. Students must petition to obtain a variance in curricular requirements. Petition forms are available in the college deans' office. Students may not petition for a variance after the first semester of their senior year.

**Program of Study (Major)** Undergraduate students who wish to declare or to change their program of study must complete a Declaration of Major form, available in the college deans' office. All matriculated undergraduate students must apply for admission to and be accepted into a major program of study by the beginning of their junior year. Some colleges require an earlier declaration.

**Minor** Students must receive approval for admission to a minor from their faculty advisor, the minor coordinator, and their home college. If admission is granted, a Declaration of Minor form must be submitted to the student's home college.

Intra-University Transfer Undergraduates who wish to transfer to a different Syracuse University school or college, including University College, should obtain an Intra-University Transfer form from either their current dean's office or the dean's office in the college to which they

want to transfer. Deadlines for transfer vary from college to college. Check with the "new" college for the application deadline date. Undergraduate students who wish to enroll in a second college or withdraw from a second college should follow the procedure for Intra-University Transfer.

**Academic Advisor** Students who wish to change academic advisors should consult with their home college dean's office.

**Honors Program** Applications for the Renée Crown Honors Program are available in 306 Bowne Hall. Information about the program is in the undergraduate course catalog.

## READMISSION TO OR LEAVE OF ABSENCE FROM THE UNIVERSITY

**Readmission** Applications for readmission may be obtained from Student Affairs, Dean of Students, 306 Steele Hall. Graduate students petition for readmission through their departments.

**Leave of Absence** A request to take a leave of absence from Syracuse University is initiated in the student's home college dean's office or, for graduate students, in the department office. See related financial information in this document.

## **MODE OF INSTRUCTION**

#### Online Asynchronous Non-Residency Class (O1)

A class offering taught asynchronously, with students and instructors physically separated, and delivered/accessed online, primarily without scheduled class sessions or real-time interaction.

#### Online Asynchronous Residency Class (O2)

A class offering with limited duration in-person, on-campus class meetings, followed and/or preceded by online asynchronous class delivery/access, primarily without scheduled class sessions or real-time interaction.

#### Online Synchronous Non-Residency Class (O3)

A class offering taught synchronously, with students and instructors physically separated but interacting and exchanging class content online in real-time during scheduled class sessions, having no face-to-face interactions (except as mediated by technology).

### Online Synchronous Residency Class (O4)

## ENROLLMENT CERTIFICATION: STATEMENT OF FULL- AND PART-TIME STUDENT STATUS

The Office of the Registrar, 106 Steele Hall, provides statements of student enrollment status. Statements can be provided for current and past semester, but not for a future semester or summer session. Students may also obtain enrollment verification through MySlice, Student Services > Enrollment > View Enrollment Verification. The University's criteria for full- and part-time status are listed below. These criteria are used for the purpose of enrollment certification and athletic activity admission fee eligibility. Separate criteria apply for the calculation of tuition and fees (see Tuition, Fees, and Related Policies found online at <u>bursar.syr.edu</u>). Separate criteria also apply for certain types of financial aid, including TAP.

### **Undergraduate Students**

Registration for 12 or more credit hours confers full-time academic status on an undergraduate student during a given semester. Undergraduate students enrolled for fewer than 12 credit hours are considered part-time students.

## **Graduate Students**

<u>Full-time status</u>: Satisfaction of the following criteria will confer full-time status on a graduate student during a given semester:

- (1) Registration for 9 credits for spring or fall (or 6 credits during a given summer session) in a program approved by the student's advisor.
- (2) Appointment as a graduate assistant or by holding a Syracuse University Fellowship.
- (3) The student's academic unit (department, program, or college, as appropriate) certifies that the student is pursuing a full-time program of study by virtue of an appropriate combination of activities chosen from

among the following: study for preliminary, qualifying, or comprehensive examinations; study to satisfy language or tool requirements; work on a dissertation or thesis; undertaking an internship that equates with at least 9 credits of course work; other special circumstances, as specified and justified by the academic unit.

Under circumstance (2) or (3) above, if the student is not registered for any course work, including registration for master's thesis or doctoral dissertation credits, he/she must be registered for GRD 998 Degree in Progress.

Law students are required to be enrolled for 12 credits in the spring or fall semester to be in full-time status, as stated in College of Law requirements. In the case of students matriculated in dual degree programs, one of which is the J.D. degree, this requirement for full-time status takes precedence over the 9-credit criterion for full-time status as stated in (1) above.

<u>Part-time status:</u> For the purposes of determining eligibility for government sponsored financial aid programs, part-time graduate students must be matriculated, registered for at least 6 credits a semester, and making satisfactory academic progress.

### GRADUATING STUDENTS

Graduating students notify the University of their intention to graduate through the File Diploma Request process, accessed through MySlice. This process must be completed to ensure inclusion in the degree certification review process and receipt of commencement information and a diploma, once certified.

### **Undergraduate Students**

The File Diploma Request link in MySlice becomes available under Student Services for undergraduates upon entry into their degree program. Students must use this link to specify the term in which they intend to graduate and to provide information for their diploma. Students must also contact their home school or college to review all graduation requirements.

### **Graduate Students**

The File Diploma Request link in MySlice is available for graduate students upon entry into their degree programs. In order to prompt a review of their record for graduation, graduate students expecting to graduate must complete the File Diploma Request process in MySlice by established deadlines, published as

<u>www.syr.edu/gradschool/em/pdfs/GraduationDeadlines.pdf</u> by the Graduate School. Students may also consult with their departments or the Graduate Enrollment Management Center regarding deadlines for filing for graduation and information on completion of requirements.

Special prices for admission to University athletic contests and events are extended to full-time Syracuse University, SUNY College of Environmental Science and Forestry students, and their spouses/dependents. Refer to the *Tuition, Fees, and Related Policies* booklet for additional information.

<u>Full-time status</u>: Registration for 12 or more credits confers full-time academic status on an undergraduate student during a given semester.

<u>Part-time status</u>: Students registered for fewer than 12 credits are considered part-time. Part-time status may affect eligibility for University housing and financial aid. For purposes of financial aid, students registered for 6-11 credits are considered half-time students; students registered for 0-5 credits are considered less than half-time.

### **TRANSCRIPTS**

Transcripts of courses taken and degrees received at Syracuse University are maintained in the Office of the Registrar in accordance with the policies of the American Association of Collegiate Registrar's and Admissions Officers. Official transcripts requested from the Office of the Registrar will show the entire record of all course work, both undergraduate and graduate, matriculated and non-matriculated. The transcript separates semesters of study at the undergraduate level from those at the graduate level. Within that distinction, however, the transcript is not degree-specific; i.e., it does not designate courses that apply to multiple specific degree programs at the same level. Such information may only be obtained from the student's college for undergraduate degrees, or the Graduate School or College of Law for graduate degrees.

#### **Procedure**

Transcripts may be obtained in person from the Office of the Registrar, 106 Steele Hall, or by mail from the Office of the Registrar, 109 Steele Hall, Syracuse, NY 13244-1120. Requests must be made in writing, by mail, or by fax (315) 443-7994, and include the student's signature and the following information:

- -- name(s) used while attending Syracuse University
- -- social security number or SU ID
- -- date of birth
- -- dates of attendance
- -- college(s) of enrollment
- -- degree(s) received, if any, and date of graduation
- -- address of the person, office, or agency to which the transcript is to be sent and number of copies to be sent to each address

Access to student records is protected by University policy and federal law. Only students may request copies of their transcripts. No student may obtain a transcript for another student without that student's written authorization. Second parties requesting a transcript will be asked to provide identification. To safeguard students' privacy, no transcript will be sent when the request is made by telephone, cablegram, or email.

Syracuse University reserves the right to withhold the transcripts and diplomas of students who have unfulfilled financial obligations to the University or by request of the Office of Judicial Affairs.

## FINANCIAL INFORMATION FOR FALL 2011

### UNIVERSITY PAYMENT POLICY

All accounts must be paid in full on a date established by the University for each semester.

#### Undergraduate students

All charges must be paid in full on or before August 1 for the fall semester, and on or before December 15 for the spring semester or be up to date on a monthly payment plan.

#### Law students

All charges must be paid in full and on or before August 1 for the fall and on or before December 15 for the spring semester or up to date on a monthly payment plan.

#### **Graduate students**

All charges must be paid by the due date of the billing statement sent in September for fall and in February for spring.

All students must have satisfied all financial obligations to be eligible to register. It is the responsibility of the student who is receiving financial aid from any source to ensure that the financial aid is available prior to the payment deadline. In the event that the financial aid is not available, the student will be required to pay all charges in full and the financial aid will then be credited or refunded upon actual receipt by the University.

#### **Remitted Tuition Benefits**

The awarding of remitted tuition is administered by the Office of Human Resources.

Remitted tuition may be applied to tuition charges for undergraduate and graduate courses at Syracuse University, or University College. SU reserves the right to restrict the use of remitted tuition for certain workshops, non-credit courses and special courses. Remitted tuition may not be used for courses offered through SUNY ESF or SUNY UMU, Project Advance, or private instruction. Remitted tuition does not cover fees other than tuition.

For more information on remitted tuition benefits please view the Human Resources website

<u>humanresources.syr.edu/benefits/RemTuitionBenefit.html</u> or contact the Office of Human Resources at 315-443-4042.

#### **Advanced Credit Exams**

Students will be charged a fee for each course in which an advanced credit examination is given. Credits earned by undergraduates through advanced credit exams may not be included in the 12-19 credit hour range of tuition payment.

#### **Variable Credit Course Tuition Policy**

This policy applies to variable credit courses only, that is, courses with variable credit in the Credit Hours column in this document's class listing section.

## 1. Undergraduate students

- A. Full-time students will be billed for a minimum of 3 credit hours for every variable credit base class, even if they earn fewer than 3 credits. Students who register for more than 19 credits will be billed for the additional credit hours.
- B. Part-time students will be billed for a minimum of 3 credit hours for each variable credit base class. Students who register during the semester for modules that total more than 3 credits will be billed for the additional credit hours.
- 2. Graduate students must register for at least one module when they initially register for a variable credit course. Tuition charges will be assessed on a per credit hour basis. Students who register for additional modules during the semester will be billed for the additional credit hours.

#### **Tuition Policy for SUNY Health Science Center**

Registration for classes at SUNY Health Science Center is restricted to graduate students. Students who register for such classes will be billed by the Syracuse University Bursar at the Syracuse University graduate

per credit hour rate. Syracuse University students may not apply remitted **FALL 2011** tuition benefits or graduate tuition scholarships to Health Science Center classes unless they are graduate assistants and their department chairperson certifies that the classes are necessary to their degree programs.

**Tuition Policy for SUNY ESF Classes** Syracuse University students may not apply remitted tuition benefits or graduate tuition scholarships to ESF classes unless they are graduate assistants and their department chairperson certifies that the classes are necessary to their degree program.

#### Special Course Fees - 'Fee Required'

Certain courses require the payment of a special fee in addition to tuition. These courses are designated by the statement "Fee Required" under Comments, in the class listing section of this document. Definition of the fees is available in the offices of the respective deans or academic directors. You may view the fee amount on the individual class detail information when using the Class Search in MySlice.

### **REFUNDS**

## Financial Deadlines for Dropping Classes with a Full Refund

A refund for a dropped class will be determined according to the following schedule:

First week through third week, that is, by **Monday, September 19, 2011** ....100% refund

Fourth week and thereafter, that is, after **Monday, September 19, 2011** ....0% refund

## Add/Drop Refund Policies for Full-time Undergraduate and College of Law Students

There will be no charges or refunds for classes added or dropped within the 12 to 19 credit hour range. Credits added in excess of 19 will be charged on a per credit hour basis. Tuition for credits dropped outside the 12-19 credit hour range will be credited at 100% within the first three weeks of the semester.

#### After the Third Week of Classes

The Financial deadline is three weeks from the first day of classes. Charges for classes added or dropped after the Financial deadline will be based on the number of credits for which a student is registered on the day of the Financial deadline. Thus, <u>after</u> the Financial deadline for dropping classes:

- 1. No refunds will be given for credits dropped after the Financial deadline.
- 2. Tuition will be charged for all credits added above 19 credit hours regardless of the number of credits dropped.

#### Example 1

You are registered for 20 credits. After the Financial deadline you drop a three-credit class. Although you are now registered for 17 credits, you are not entitled to a refund for the one credit over 19 because you dropped the class after the Financial deadline.

#### Example 2

You are registered for 18 credits. After the Financial deadline, you drop a two-credit class and add a three-credit class. Although you are now registered for 19 credits, you will be charged for 21 credits because you are not entitled to a refund for the two credits dropped after the Financial deadline.

### Example 3

You are registered for 15 credits. After the Financial deadline you add a three-credit class. You are now registered for 18 credits; you will not be charged additional tuition because you remained within the 12-19 credit hour range.

# POLICY OF ENROLLMENT IN PART-TIME EXTENSION AND CONTINUING EDUCATION UNITS OF SYRACUSE UNIVERSITY

- A. Any student carrying 12 or more hours in any semester of the regular academic year, or any graduate assistant appointed to a regular half-time (20 clock hours per week) assistantship who is carrying at least 9 hours of credit, is defined as a full-time student and shall pay the full-time main campus tuition rate, except for University College ISDP students.
- B. Full-time students, as defined above, may with the approval of their dean enroll in classes in University College or extended campus through the main campus registration. Registration in one or more of these units for classes totaling 12 (9 or more for graduate students) or more hours, however, will result in the University billing the student for the full-time main campus rate.
- C. Matriculated students, except those matriculated at University College, may not register for summer classes through the University College registration process, but must register through the main campus summer sessions process and pay the summer sessions rate. They may take University College classes through the tuition transfer procedure upon approval of University College. Transfer of matriculation to University College may not be made for the sole purpose of summer study.

## LEAVE OF ABSENCE AND WITHDRAWAL FROM SYRACUSE UNIVERSITY

Students must initiate their leave of absence from the University at the dean's office of their college. The student then reports to Student Affairs, Dean of Students, 306 Steele Hall, to complete the required forms. The effective date used to determine refund eligibility is the date determined by the home school or college.

#### Refunds

- Any student who takes a leave of absence, withdraws, drops out, or is suspended or expelled from the University on or after his/her first day of class may be entitled to a refund of unearned tuition and fees. Please refer to the Tuition and Fees Bulletin online at bursar.syr.edu for specific details.
- 2. Students who take a leave of absence or withdraw for medical reasons must submit medical documentation to one of the following units: Health Services, the Counseling Center, or the Office of Prevention Services (Substance Abuse Prevention and Health Enhancement Program and the University Rape: Advocacy, Prevention, and Education Center), within 60 days of the last date of class attendance to qualify for the special refund consideration extended under these circumstances (whether student or University-initiated) for tuition only. Otherwise, standard University policies will apply. Medical refunds, excluding the administrative fee of \$100, will be based on the effective date of the leave and will be prorated using the total number of class days in the period of enrollment as the base number for the daily calculation.

 Students who have submitted documentation indicating they have been called to active duty by any of the United States Armed Forces may request a tuition refund and prorated refund of housing and board charges covering the semester for which they are enrolled.

Tuition refund policies at ESF do not follow the same schedule as mentioned above. Please see the SUNY ESF handbook, your original bill, or contact the ESF bursar's office for the SUNY refund policy.

#### Auditing

Tuition and fees for auditing classes are the same as those for classes taken for credit, with the following exceptions:

No charge is made for classes audited during a fall or spring semester in which the undergraduate or graduate student is registered as a full-time student (12 or more credit hours exclusive of audit hours for undergraduates and 9 or more credit hours exclusive of audit hours for graduate students). Graduate students who have appointments as graduate assistants, graduate associates, and graduate fellows are eligible to audit classes during the fall and spring semesters at no additional charge.

Undergraduate students registered for fewer than 12 credits (or 9 for graduate students) will be charged 60% of the undergraduate or graduate tuition rate for classes audited. The level of the student, not the level of the class, determines the tuition rate.

## STUDENT EMPLOYMENT

Students looking for temporary and part-time employment may obtain information from the Student Employment Office located in 210 Steele Hall. This office has information on academic related part-time positions.

### NYS TAP AID RECIPIENTS

If you *repeat a course* in which you previously earned a passing grade, it may not count toward the full-time course load required for TAP. Contact the Office of the Registrar if uncertain. You must *declare an official major* and it must be processed by the Office of the Registrar before the beginning of the semester following your achieving *junior class status* -- that is, having 54 total earned credits. The *non-declared major*, e.g., 0013 "Arts and Sciences," or an unofficial major (in colleges that have unofficial majors) will make you ineligible for TAP aid after this point. See the recorder in your college dean's office or your advisor if you have questions.

If you have received 4 semesters of TAP Aid, you must have a cumulative C (2.00) average to be eligible to receive your 5th payment of TAP. To continue to receive a NYS TAP award (and any other NYS scholarship or award) you must earn credits and obtain a minimum cumulative GPA as outlined in the Academic Rules and Regulations section of the undergraduate and graduate course catalogs.
