GUIDE TO COURSE INFORMATION

Course Numbering System

The system of numbering courses prescribes that all courses use three digits to indicate the course level and/or type of course, and a three-letter subject designator to indicate the department or college.

- The first, or left, digit of the course catalog number indicates level.
- The second, or middle, digit may or may not indicate the study area, depending upon the curriculum structure of the particular department.

The following course catalog numbering guideline indicates the level and type of course:

Remedial and noncredit courses	000-099
Freshman-level courses	100-199
Sophomore-level courses	200-299
Junior- and senior-level courses	300-499
Joint undergraduate- and graduate-level courses	500-599
First-year graduate-level courses	600-699
Second- and third-year graduate-level courses	700-899
Readings, research, and individual study courses at the doctoral level only	900-996
Master's thesis	997
Individualized study program	998
Doctoral dissertation	999

Crosslisted Course: Two or more different subject designators, same or different course numbers, but with the same title and catalog description, e.g., ANT/NAT 447. Crosslisting may occur within a school or college, or between or among schools/colleges.

Double Numbered Course: Same subject designator, two different course numbers at the same or different levels, usually undergraduate and graduate, e.g., ANT 447/647.

Experience Credit, Independent Study, Honors Thesis, Readings and Research Courses

All-University courses allow students considerable flexibility in developing individual academic programs. Students enrolled in any school or college within the University may enroll in these courses.

Students are advised to check carefully with their faculty advisors and the dean of their school or college before registering for an all-University course to be sure that the course will be accepted toward the completion of their degree requirements.

All students registering for Independent Study, Experience Credit, or Honors Thesis classes must make arrangements with a faculty sponsor prior to registration. **Students cannot register for Independent Study classes via MySlice registration.** Proposal for Independent Study Course forms, available in deans' offices and online, must be completed and submitted to the Registrar's Office, 106 Steele Hall. The form must have the signatures of the faculty sponsor, the chairperson of the department in which the student is taking the class, and for undergraduates the dean of the student's home college. Some classes may have an associated class fee.

Selected Topics Course (title may vary)

(Subject) (Catalog Number, usually ending in 00) Selected Topics 1-3 credits

Exploration of a topic (to be determined) not covered by the standard curriculum but of interest to faculty and students in a particular semester.

Experience Credit Course

(Subject) (Catalog Number, usually ending in 70) Experience Credit 1-6 credits

Participation in a discipline- or subject-related experience. Students must be evaluated by written or oral reports or an examination. Limited to those in good academic standing. The student must get permission, in advance, from assigned instructor, department chair, or dean.

International Course

(Subject) (Catalog Number, usually ending in 80) (Title and Name of Institution) 1-12 credits

Offered through Syracuse University Abroad (SU Abroad) by an educational institution outside the United States. Student registers for the course at the foreign institution and is graded according to that institution's practice. SU Abroad works with SU's academic department to assign the appropriate course level, title, and grade for the student's transcript.

Independent Study Course

(Subject) (Catalog Number, usually ending in 90) Independent Study 1-6 credits

In-depth exploration of a problem or problems. Individual independent study upon a plan submitted by the student. The student must get permission, in advance, from assigned instructor or department chair. May be repeated for credit.

Honors Thesis Course

(Subject) (Catalog Number 499) Honors Thesis 3-6 credits
The "499" number is used as needed by all departments in the University.

Mode of Instruction

Online Asynchronous Non-Residency Class (O1)

A class offering taught asynchronously, with students and instructors physically separated, and delivered/accessed online, primarily without scheduled class sessions or real-time interaction.

Online Asynchronous Residency Class (O2)

A class offering with limited duration in-person, on-campus class meetings, followed and/or preceded by online asynchronous class delivery/access, primarily without scheduled class sessions or real-time interaction.

Online Synchronous Non-Residency Class (O3)

A class offering taught synchronously, with students and instructors physically separated but interacting and exchanging class content online in real-time during scheduled class sessions, having no face-to-face interactions (except as mediated by technology).

Online Synchronous Residency Class (O4)

A class offering with limited duration in-person class meetings, followed and/or preceded by synchronous class delivery/access with students and instructors interacting and exchanging class content in real-time online during scheduled class sessions (that may include face-to-face interactions mediated by technology).

MAT - Mathematics

STUDENTS: The Mathematics Department does not handle registration by telephone or email. If you are trying to register for a class and are having problems doing so, you must come to the mathematics main office with your current printed SU schedule for assistance. That office is in 215 Carnegie.

Your attendance is required at recitation for all courses which have a recitation.

If the course you are registering for requires or recommends the use of a calculator, you should bring your calculator with you to the first class meeting.

Music

AMC - Applied Music Classes

Applied Music instruction (lessons) for 1,2, or 4 credits is offered to undergraduates in bassoon, cello, clarinet, composition, double bass, euphonium, flute, French horn, guitar, harpsichord, oboe, organ, percussion, piano, saxophone, trombone, trumpet, tuba, violin, viola and voice.

Applied music may not be audited.

To register for Applied Music lessons, students must obtain a permission number from the School of Music, Room 215 Crouse College, or by email, music@syr.edu. Students are then responsible for registration. No student will be permitted to register without permission of the School of Music. Students placed on a waiting list should register for another course and go through schedule adjustment if permission to study is granted. Students are responsible for contacting the instructor to arrange a lesson time.

Applied Music must be dropped through the School of Music, Room 215 Crouse College or via email, music@syr.edu, and NOT BY USING AN ADD/DROP FORM. Students who drop Applied Music must do so BEFORE THE FINANCIAL DROP DEADLINE to avoid paying the Applied Music Fee.

Students for whom minimum requirements for a degree DO NOT include Applied Music or Composition, but who elect to take applied music or composition courses offered by the School of Music, will be charged one of the following fees:

Private

1 credit (14 half-hour lessons) \$650.00
 2 credits (14 hour lessons) \$1300.00

VPA students who elect to take additional applied music lessons beyond their program requirements will be charged \$650.00 per half-hour lesson.

Students who are not VPA majors or VPA minors will be charged \$50 per credit hour for courses taken in VPA. These will be applied to their bursar account after the financial drop deadline. VPA majors who are UC/part-time students will also be charged \$50 per credit.
