# Military grade iPad protection

## dux plus

for all iPad Pro models

The **dux plus** provides best-in-class protection for your iPad Pro. Along with integrated Apple Pencil Storage the dux plus features a patented magnetic closure, reinforced corners and transparent back panel to protect your iPad from inadvertent drops.

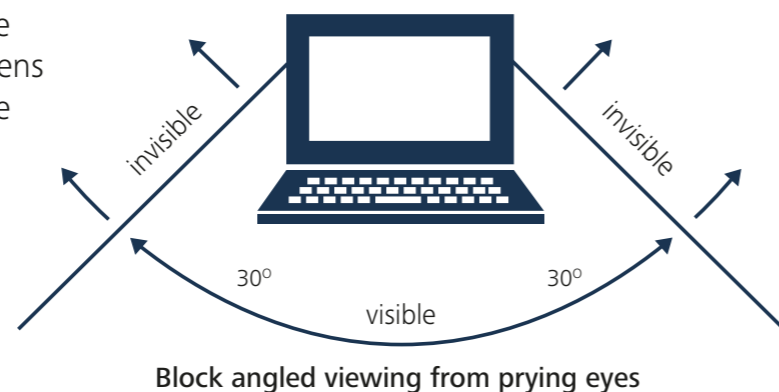

Also available for all iPad models in Black, Blue & Red, including new 2018 iPad.

# Screen Care

With screen-replacement costs soaring, there's never been a better time for these

## Protect your on-screen data

On average individuals are 50% less productive when their visual privacy is at risk. Privacy Screens narrow the viewing angle so data is only visible from directly in front of the screen. Onlookers to either side only see a dark, unclear screen meaning you can work comfortably and productively with confidential information wherever you are. It also acts as a screen protector.

Available for: MacBook, iPad, Surface, Tablets and Phones

## UNLIMITED BUSINESS

£43.99

# Revolution 32 Charging Cabinet

Charge, store and secure up to 32 of almost any laptop, Chromebook or tablet device.

## LocknCharge makes life easier.

**Compatible & Efficient.** Larger devices never have to feel left out. The Revolution 32 can accommodate devices up to 17", with or without cases.

**Future-Proof.** Never worry about being stuck with an outdated Charging Cabinet. Removable racks can adapt to future needs as devices change or new technology is added.

**Safe Power Management.** Never blow a fuse again. ECO Safe Charge™ handles power requirements of almost any device by staging the availability of power.

**Secure.** Protect your device investment without worry. Lock away devices in the storage area with a combination padlock.

**Numbered Slots.** For better device management, label each slot with a numbered sticker which is included with the Charging Station.

**Tough as Nails.** The Revolution 32 is made with high-quality steel that will withstand the test of time, and it's backed by a lifetime warranty.

# CYGNETT

## Introducing Cygnett's NEW Lightning to USB-C Armoured Cables

Powerful and robust - designed to meet the requirements of USB-C technology

During a time where we demand our devices run faster and for longer, Cygnett releases its most robust and durable Lightning to USB-C cable range - **Armoured**.

With the inclusion of **DuPont™ Kevlar® aramid fibre** and protected by a metallic alloy finish, Armoured supports 18W fast charging for iPhone, so you can power-up to 50% charge in just 30 minutes. That's 3x times faster compared to the Apple cable (5W) that comes with your iPhone..

### FEATURES

- Tested to **20,000 Bend Cycles**
- **Kevlar Core Cable** for Super Strength
- Sleek **Stainless Steel** Housing
