PC-i7OPS-MPWW

Want a back-up Mondopad PC on site?

Part #: PC-i7OPS-MPWW

InFocus

A back-up PC is a great way to switch between two different configurations, or just to prepare in the rare case something goes wrong with the original PC. This Core i7-6500U Mondopad PC is identical to the one that shipped with your Mondopad.

Works with the [INF5522AG](INF5522AG).

Americas & APAC
