Issue No 38

JUNE2001/JULY2001

From the Honorary Booking Officer:

As we come to the end of another session at Saltford Hall many groups are holding their Annual General Meetings. Could I please be advised of any relevant changes to office holders, titles, addresses etc. in time for the start of the new "year" in September. Also, confirmation of the resumption date and any other deviation to regular patterns should be notified at the same time if I have not already been informed. Many thanks to all users and correspondents for helping the past year to run so smoothly. Please keep the dialogue going.

Saltford Hall - A Note from Richard Davies

An article appeared recently in The Bath Chronicle by me concerning the enormous amount of time and effort that went into the building of Saltford Hall. I mentioned the years of fund raising, the trials & tribulations of those early volunteers who built it and the wonderful sense of community achievement when it was completed. I then went on to compare the same exercise if it were done today. How we could knock Saltford Hall down and rebuild it in six months on National Lottery funding. So to clear up any misunderstanding we are NOT KNOCKING DOWN SALTFORD HALL - NOR PLANNING TO. Richard Davies, Joint Editor SCAN 01225 872699

ON THE A4

Motor bikes and police cars in a hurry,
Cars by the thousand, causing us worry.
Cyclists, trucks, lorries sometimes a horse.
Caravans, ambulances, fire engines of course.
Car transporters and juggernauts too,
With roadworks causing many a queue.
The A4 is there - and will long remain,
Will we ever find peace there, once again?

Sincerely, Roger Howells

SALTFORD SHORT MAT BOWLS CLUB

Another good bowling break at the Victoria Hotel, Torquay, was enjoyed by 31 members and friends of SSMBC. Different names were winners this year, and trophies were awarded for Singles, Pairs, Triples and Fours. The matches were hard fought, as players adapted to the new faster bowling mats. Ex-Saltford members, Pat and Norman Graham, brought their new team mates from Bishop Kerswell to play against us. Sadly, they won!

The weather was unkind, but with a full programme of bowls, the new large swimming pool, and many other facilities, all agreed it was a most enjoyable 6 days. - A Cryer

At the end of our third season in the 2nd Division of the Bristol & District League Short Mat Bowls Association, we are delighted to have won the Division trophy and will be promoted to the 1st Division next season. Our team will of course experience even harder competition in a league where most teams include County players. This however can only be good

for the club as the tougher competition will improve our standard of play.

At present the club has full membership for Monday and Wednesday afternoons. training sessions have commenced for Saltford youth in the 12+ age group.

SUMMER DECORATING AT SALTFORD HALL

This year it is planned to redecorate the inside of the Wansdyke Room during the period from Monday 13th August to Friday 24th August. If are able to give us some help with this work and reserve a date in your diary please ring Anthony Tonkin 01225 872479 or Ray Moore 01225 872080. Further details in next SCAN

WARTIME IN SALTFORD

Were you in Saltford during the war - 1939 - 1945?

Did you attend the village school at that time, or were you involved in fire watching duties or the ARP (Air Raid Precautions)?

Can you remember the blackout, (did you ever hear the shout "Put that light out!?) sticky paper on windows to prevent glass shattering in the event of bomb blasts, food rationing and the carrying of gasmasks wherever you went? Do you remember evacuee children who joined us in school?

Do you remember Miss Mitchell's little shop in the High Street being hit by an incendiary bomb? Do you remember seeing the sky lit up with fires of the Bath blitz?

Saltford has expanded so much since

those days, but some of us are still around and it is important that we record our memories of those days. Salford Community Association is inviting anyone interested to come along to an informal reunion on Tuesday, September 11th at 2.30 pm in the Wansdyke Room at Salford Hall to talk about their experiences or to listen to the experiences of others.

If you are interested but unable to attend for any reason, please call 01225 873231 and we can arrange to see you. Everyone's memories are worth hearing.

The Cares and Concerns of Older People - Dee Foot of Age Concern Insurance Services says:

No-one likes paying for insurance after all you are paying to protect yourself from something that you hope will never happen. But what if disaster or an accident does happen?

When you are older your home and its contents mean so much to you, your comfort and your security should be protected. You put good locks on your doors so that you feel safe and you need good insurance at a sensible price, for your peace of mind.

Age Concern contents insurance starts from as little as £18 p.a. for £7,000 cover.

Come to see me at 3, Abbey Green or phone on 01225 443279, if you need advice and information on safeguarding your home and your personal possessions. Don't delay and live to regret it.

Obituary - DAVID SAYER

It is with deep regret that SCAN reports the death of David Sayer aged 53, who was one of the villages most dedicated, prolific marathon runners. He collapsed and died suddenly in March from a dilated artery.

A service of thanksgiving was held at St Mary's Church on Friday 6th April conducted by Chris Hare, now rector of Timsbury & Priston, who returned to Salford especially to pay respects to a longstanding friend. Participant in countless local marathons & mini marathons, David was in training for his sixth appearance in the London Marathon this year. He leaves a wife Chris, who recalls him, "as a wonderful husband & father", and children, Jane 20, Simon 18 and David 16.

A modest & self-effacing man, he will be missed by early starting Salfordians for his cheerful "good morning" as he pounded out the training miles in preparation for his next race.

Project 0102

First our thanks to those of you who read the flyer enclosed with the last issue of SCAN - if you didn't receive one then ring 874081 and we can rectify the omission. And our thanks to the distribution teams for handling the extra paperwork - what a smooth operation that is every two months.

It cannot be said that, as a result of the extra publicity, people were queuing up to offer to become SCA Chairman - we still have a vacancy, and others. However, one enquiry was made about offering assistance with the monthly invoices; Celia Lapin, a former Honorary Booking Officer, has agreed to hold the diary to cover a week's holiday in June; and Peter Dando has offered his particular expertise in the Health and Safety field when we come to carrying out an audit of the entire premises, but there is still a great need to involve some fresh thinking into the running of the Association as well as the Hall itself.

In the past two months we have visited many of the regular meetings which take place at the Hall. The members of these groups have responded by suggesting ideas for making the site more user-friendly which will be collated into a "wish list" and will be discussed at the Management & Finance Committees in the coming months.

The main thrust of this month's article is to consider the Hall fabric and maintenance programme. Of the "guestimated" 40,000 people who come to the site in the course of the year how many give a thought to the maintenance and presentation of the building (other than when something goes wrong!)

At the AGM of the association in March, ordinary SCA members, those who have paid their 50p subscription (and who also bothered to turn up), elected three groups to run the Association. One of these is the Building Committee and from its members a chairman is elected. For many years there has been little change in this group and the honour (?) of being it's chairman has fallen to Anthony Tonkin. The Association has been, and is, served by Anthony and his team who between them spend many hours at the Hall in the course of a year. Just think how high our hire charges would have to be if we had to employ professional and trade personnel to carry out all the jobs that need to be done. Even a broken window, probably two or three times a month, involves a visit to the Hall by Anthony to assess the damage prior to calling a glazing firm, while minor repairs such as toilet cistern overflows are repaired by one of the team.

At the same time we are required by our operating licence to meet many parameters on public safety and keeping an eye on such things as emergency lighting, exit signs and doors all fall to the Building Committee. Gas, electrical and fire safety must also be observed and all the official requirements imposed upon us by local authorities have to be responded to.

If we consider the work we have to put into our own houses to keep the maintenance up to standard, we should be amazed at the size of the task when comparing the relative dimensions of the Hall. We have a large complex, and one that is set to grow (more of which in another article). We are approaching the season of slack Hall usage and an assessment has already been made of the rooms that need decorating attention this

Summer. Help is always acceptable and the programme is master-minded by Anthony Tonkin and Ray Moore, other members of the Building Committee acting as foremen on decorating days. Please consider helping. You could ring 872479 or 872080 to find out more about when and where.

It's easy to complain when something is found to be out of place, untidy or dirty, but in such heavily used premises the practical solution must be to get involved and help solve some of the problems. As they used to say in the Electricity Supply Industry "many hands make light work!"

STOP PRESS! The Saltford Centre Steering Group, comprising four members each from the SCA and Saltford Sports Club, continue their series of meetings to consider development and extension of the

site. They are working towards a date in September when plans can be presented to the general membership for approval, following which formal planning applications can be made and financial grant sources explored. This is an exciting idea for the site and for Saltford generally so be prepared to find out more and have your say.

News for Young People

Following the example of the Parish Council who are endeavouring to provide facilities for those youngsters who seem at a loose end by gathering around our Hall premises, new initiatives are being explored to find ways of keeping them occupied. In a really practical step the Short Mat Bowls Club have started a class for young people and were encouraged by the response at the first session. SALTFORD PARISH COUNCIL NEWS

Clerk - P. Godfrey, 489, Bath Road, Saltford, Bristol BS31 3BA Tel: 400058

RE-APPOINTMENT OF CHAIRMAN AND VICE CHAIRMAN

Cllr Maurice Short and Cllr Mrs Julia Scott have been re-elected Chairman and Vice Chairman respectively of Saltford Parish Council at our meeting held in St Mary's Church Hall on 1st May 2001

WEDMORE ROAD GARAGES

The garages were discussed with a representative from Somer Housing on 1st May. They are in a very poor condition not having been attended to for years yet rentals have vastly increased. There is also a discrepancy over rates for private and Council rental charges, the former having VAT added. It was reported that out of 800 garages owned by Somer Housing in the B&NES area, only 300 were in actual use.

CAR PARK OUTSIDE SHOPS

Concern has been raised that this area is still being used by cars being parked 'long term' causing annoyance to those who just wish to use the car park to pop into the shops/surgery/restaurant for a few minutes and it is being considered whether this ought to be monitored for a period.

NEW PARISH CLERK APPOINTMENT

Following the resignation of Madeleine Sobey who has served as Clerk for the last five years, Peter Godfrey (ex subpostmaster of Saltford Post Office) has taken over from the 1st May. Please treat him kindly for the first few months and then you can get your own back! The Parish Council thanks Madeleine for all her hard work over the last five years and wishes her well for the future.

COUNCILLORS SURGERIES

These are continuing - the next one being from 10am to 12 noon on Saturday 28th July in the Parish Council office at the rear of Davies and Way. Please feel free to pop in and express your concerns/delights for the benefit of all in Saltford.

POOP-SCOOPS have been purchased by the Council and are available from the office between the hours of 9am to 3pm on a Tuesday, Wednesday and Thursday on a first come first served basis. Will dogs please bring their owners with them when collecting these throw-away-in-the-bin freebies.

COST OF VANDALISM

This is regrettably an item that has to be regularly taken into account these days and this Parish Council is no exception. Recently it has been necessary to bring in heavy lifting gear to replace and repair the new sundial in the Memorial Gardens. Did anyone see it being moved or damaged? This is all un-necessary expense when the money being used to repair it could have been put to a more worthwhile purpose for the benefit of the village. If you do see or hear of other damage in and around our village please inform the clerk on 01225 400058

OVERHANGING TREES AND HEDGES

These can be so annoying to pedestrians so please take a serious look at your properties and snip back that overgrowth thus allowing people to pass by admiring your property rather than cussing it. All property owners have a legal responsibility for their own vegetation. - Peter Godfrey, Saltford Parish Clerk 400058

PARISH COUNCIL RECYCLING NEWS

In the local newspaper Bath Star recently there appeared an advertisement recommending Natural Nappy Week to raise awareness about the environment impact of nappies and ensure parents have a fair choice. It highlighted the fact that disposables contained chemicals and materials that might have an effect on the environment and the concerns about possible health risks from some of them.

Over 8 million disposables are used in Britain every day, most are discarded in the household waste, 94% end up in land fill sites and some parts take up to 500 years to decompose. They recommend that you consider using linen nappies estimated to save £400 - £1000 for your first child; join a local real nappy network, or Real Nappy Association.

Salford Evening W.I.

The April meeting heard a fascinating talk on Lace and its history by Mrs Flux and everyone enjoyed seeing her precious samples and examples of various types of the craft. A most interesting visit to the Police H.Q. at Portishead was arranged during April by one of our own members. We saw many facets of police work and behind the scenes details.

In May the meeting started with a discussion on the resolutions to be put forward at the National General meeting. These resolutions are always interesting and after discussion our delegate was instructed how to vote. Later Alice Frere was congratulated on her success at Bath Flower Show - gaining 1st prize in the class for lace and 3rd prize for a picture using gold thread. The Denman bursary worth £100 has been awarded to Joan Butler. A walk at Stourhead was planned for 24th May and a lively Beetle Drive ended an interesting evening.

Next Meeting: 12th June at Salford Hall at 7.30pm. The speaker will be Denise James on "Waste Management". The Sales table will be Garden produce.

TOC H SAYS THANK YOU to all Salford residents who supported the recent Clothing Collection with gifts of really good second-hand clothing. The items have all been sorted and 58 sacks have been distributed to a wide variety of different outlets in this country and abroad. We have received messages of thanks from many of the recipients which we are pleased to pass on to readers of SCAN.

SALTFORD MORNING TOWNSWOMEN'S GUILD

April saw the beginning of a new year for the Guild. The incoming Chairman, Mrs Judith Lynn, ably conducted the meeting with Mrs Sheila Biggs presenting the financial report and plans for the coming year. Changes will be made to the sales table with a theme for each month to encourage interest and a good financial return both to the sellers and the Guild. The Chairman announced that there would be an alteration to the time of the start of the meeting to 10.00am. After the conclusion of the business the audience settled down to listen to Mr Dando, the town Crier of Midsomer Norton. With a wealth of information regarding Town Criers and a wonderful sense of humour the members had an informative and lively morning. May is the month in which resolutions for the NCM are discussed by members and it was an interesting and lively morning with

KEYNSHAM ORCHESTRA

Visit of the Libourne Choral (April 14th - 20th) in association with

K.A.N.E.S.R.A. (Keynsham and E.E. Somerset Twinning Association)

The French choir party were hosted mainly by orchestra members and enjoyed a programme of visits to Oxford & Stonehenge, Wells & Cheddar, Bristol & Bath. They gave a lunch time concert in Bath Abbey and were also thrilled to sing impromptu, from memory in Wells Cathedral. The visit culminated in a combined concert and farewell party in Saltford Hall. Our thanks to everyone involved in a very successful week.

SATURDAY NIGHT IS MUSIC

NIGHT with Keynsham Orchestra on July 7th at 7.30 pm. at Saltford Hall

Come along and enjoy a programme of light classics with our own instrumental and vocal soloists. The programme includes music by Bernstein, Bizet, Gershwin, Offenbach, Richard Rogers and Arthur Sullivan. Tickets will be available from Shelaghs Drapery, orchestra members or at the door.
