

Essential Solutions for Healthcare

Get the most out of your
mobile devices within the
healthcare environment.

Get the most out of your mobile devices within the healthcare environment. Whether in your facilities, telemedicine, or in the field, our accessories keep you charged, fully connected and ready to serve your staff and patient needs.

Maximizing notebook usability/connectivity

Thunderbolt™ 3 Dock Pro

F4U097tt

- Thunderbolt 3 means fast 40 Gbps transfer rates, 4K @60Hz high definition and 85W power through a single cable
- Ideal for multi-device environments; Windows and Mac compatible, as well as Thunderbolt 3 and USB-C compatible
- Dual 4k 60Hz monitor support via dedicated DisplayPort and the Thunderbolt 3 port. Also supports 5K 60Hz for a single monitor
- 170W power supply unit supports 85 W upstream charging to keep laptop charged while connected to all peripherals.

Thunderbolt™ 3 Dock Plus

F4U109tt

- Offers the benefits of Thunderbolt 3 technology through a single cable, including fast data transfer at 40Gbps, and 60W charging for a connected laptop
- Supports USB-C and Thunderbolt 3 for compatibility with Windows and Mac laptops
- Supports Dual 4K 60Hz monitors for high-definition visuals or a single monitor at 8K 30Hz
- 125W power supply unit supports 60W upstream charging for connected laptop without a separate AC cable

Storage and Charging

Store and Charge

B2B074
w/ AC Surge – any phone/tablet
B2B162
w/ USB charger – best for iPad/iPhone

- Store and charge up to 10 devices
- Compatible with devices in cases up to 118" thick
- Built-in cable management minimizes tangles and clutter
- Open setup facilitates easy access
- 10x 2.4A max USB-A ports (part B2B162)
- Intelligent charging delivers correct wattage with surge protection (part B2B162)

Secure and Charge

B2B117
w/ AC Surge – any phone/tablet
B2B163
w/ USB charger – best for iPad/iPhone

- Lockable security enclosure deters tampering and theft
- Construction materials allow for wireless syncing
- Storage and charging for up to 10 iPads or other tablets at easy-to-reach angles
- Built-in cable management minimizes tangles and clutter
- Surface-mounting allows unit to be securely attached to tables or carts and are stackable to save space
- 10x 2.4A max USB-A ports (part B2B162)
- Intelligent charging delivers correct wattage with surge protection (part B2B162)

Wireless Charging

UV Phone Sanitizer with Wireless Charging

WIZ011t+WH

- Eliminates 99.99% of bacteria with UV lights
- Wireless charging to charge your phone at maximum 10W
- Easy to use: open lid, place phone, close lid, push button to sanitize
- 360° simultaneous sanitization

10W Wireless Charging Stand

WIB001t+BK (black)
WIB001t+WH (white)

- Safe, fast wireless charging up to 10W for Qi-enabled devices.
- Works for Apple and Samsung devices
- Charge in portrait or landscape mode
- Keep using your phone while charging

Power and Protection

SCREENFORCE™ TruePrivacy Screen Protection for iPad

iPad 7th Gen	OVA008zz
iPad Air 3	OVA009zz
