EDITORIAL BOARD

Lyubov Altunina Doctor of Science (Technical Sciences), Professor; Director of the Institute of Petroleum Chemistry Siberian Branch of the Russian Academy of Sciences

Alexander Gusman Doctor of Science (Technical Sciences), Professor; Head of Scientific and Advisory Division at OJSC NPO "Burovaya Tekhnika" - VNIIBT

Igor Yeltsov Doctor of Science (Technical Sciences), Associate Professor; Deputy Director for Science at Trofimchuk Institute of Petroleum-Gas Geology and Geophysics of the Siberian Branch of the Russian Academy of Sciences

Vladimir Kapustin Doctor of Science (Technical Sciences), Professor; General Director of OJSC VNIPINeft; Head of the Faculty of Petroleum Technology at Gubkin Russian State Oil and Gas University

Valery Salygin Doctor of Science (Technical Sciences), Professor; Director of the MGIMO University's International Energy Policy and Diplomacy Institute

Leonid Grigoriev Russian economist, Honorary Professor ; Head of World Economy Department of National Research University Higher School of Economics

PennWell®  NEDRA

Oil & Gas Journal Russia — The Russian language version of Oil&Gas Journal, the world's oldest magazine about the oil and gas sector; established in USA in 1902; since 1910 it has been published by PennWell corporation. For more than a hundred years, OGJ has been the most authoritative oil and gas magazine in the world. Oil&Gas Journal Russia is a full-colour, monthly b2b journal for Russian-speaking professional and scientific communities, representatives of oil and gas business, and industry regulatory bodies.

It publishes translated material from the English-language Oil&Gas Journal on an exclusive basis, and original articles by Russian and foreign authors in Russian with English-language summaries, scientific, technical and analytical data, market reviews, commentaries and Fuel & Energy Complex statistics. It has a print run of approximately 8,000 copies.

SUBJECT MATTER:

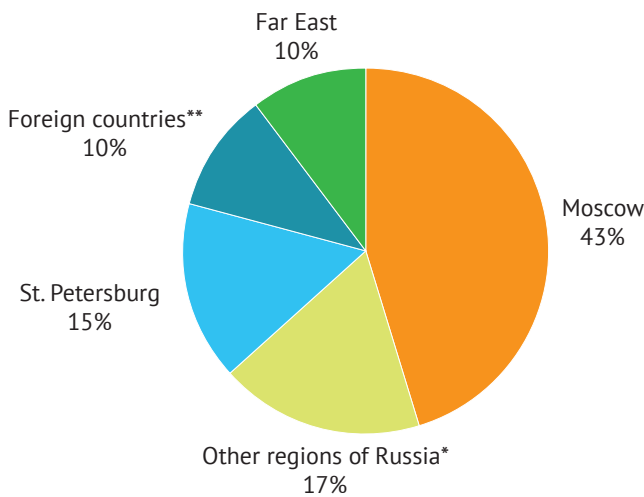

- petroleum services
 - geology
 - pipelines
 - processing
 - geophysics
 - safety
 - HTR reserves
 - ecology
 - business management
 - drilling
 - field development
 - hard-to-recover reserves
 - equipment
 - petrochemicals
 - labor market

AIMED AT

- **Government and federal authorities**
- Top managers and stockholders of companies in the sector
- **Engineering and technical specialists**
- Service providers and contractors
- **Members of professional communities and associations**
- Component industries staff
- **Project consultants**
- Analysts and experts
- **Universities and colleges**
- **Financial and Investment Banking professionals**

GEOGRAPHICAL DISTRIBUTION

* Bashkortostan, Volgograd Region, Irkutsk Region, Krasnodar Territory, Crimea, Murmansk Region, Nizhny Novgorod Region, Novosibirsk Region, Sakhalin Region, Sverdlovsk Region, Tatarstan, Tver Region, Tomsk Region, Tyumen Region, Chelyabinsk Region, etc.

** Australia, Azerbaijan, Great Britain, Germany, Georgia, Kazakhstan, Ukraine, Switzerland, etc.

Send your press releases and messages to: ogjruussia@ogjruussia.com

NEDRA PUBLISHERS OFFERS

TRANSLATION AGENCY

Nedra Publishers provides its clients with professional translation services.

To ensure the highest level of translation we employ native speakers and the best Russian translators with vast working experience and specialized training. We work with dozens of language pairs and a wide variety of subjects.

Before being submitted to the client each document is formatted and thoroughly checked by a proof-reader and an editor.

Nedra Translation Agency also provides highly qualified interpreters for simultaneous and consecutive translation anywhere in the world. We can assist with event management and can supply the required equipment.

We can translate everything!
translations@nedrainform.ru

PROMOTIONAL GIFTS

Nedra Publishers can organise image-building projects of any complexity and scale. We can also create design templates and exclusive promotional gifts: mini-discs, memory sticks, stickers, business cards, postcards, envelopes, business card holders, book marks, jubilee corporate folios, albums, pens and other promotional items made from various materials.

All promotional items can be distributed together with Oil&Gas Journal Russia and Offshore [Russia], or individually.

Nedra Publishers is an inexhaustible source of creative energy, comprehensive knowledge and production capabilities.

Just for you!
