

Samsung 46" Outdoor Display

Part Number: P-E2052

Description: Samsung 46" Outdoor Display

Site Map: Tommy Store > Parts > Entrance Module Parts

Price: \$5,333.33

Detailed Description

Samsung's OH-F Series are completely integrated, self-contained outdoor displays that are certified to withstand the elements and provide excellent visibility around the clock, in any light. They are fully equipped for outdoor placements and feature an innovative cooling system so there's no need for a supplemental heating or air conditioning unit. All in an ultra-slim design with an embedded power box and durable Magic Glass.
