SMARTMOUNT®

Flat Wall Mount With Vertical Lift

FOR 90.2 – 154LB & 145.2 – 209LB INTERACTIVE DISPLAYS

The SF684VL2 and SF684VL3 SmartMount® Flat Wall Mounts were designed to safely mount and move an interactive display. Innovative lift technology allows you to raise or lower a display up to 15.75" (400mm) with a lift of a finger. This allows the display height to be set to your preference instantly. Security hardware ensures a safe, tamper resistant installation. The stainless steel accents and black powder coat finish provide nice aesthetics to complement this highly functional solution ideal for any touchscreen application.

The Peerless-AV® Interactive Mount is a flexible solution that provides seamless interaction between technology and the user.

Additional Features

- ✓ Display height can be adjusted up to 15.75" (400mm) with the touch of a finger
- ✓ Integrated cable management protects, contains and conceals cables for a clean, professional installation
- ✓ Textured black powder coat finish helps to hide finger prints and dust, while stainless steel accents provide an attractive appearance
- ✓ Open frame adaptor helps prevent display input interference
- ✓ Universal display adaptor fits mounting patterns from 200 x 200mm to 600 x 400mm
- ✓ Maintenance-free solution
- ✓ SF684VL2 accommodates displays weighing from 90.2 – 154lb (41 – 70kg)
- ✓ SF684VL3 accommodates displays weighing from 145.2 – 209lb (66 – 95kg)

■ VERTICAL LIFT

Raise or lower the display to your preferred height with a light touch

■ UL® LISTED

Provides the highest level of safety

Side View

Innovative lift technology allows you to safely raise or lower a display up to 15.75" with just a finger
