

# COVID-19 OPENING RESOURCES

As the largest facilities management company exclusively focusing on education, SSC has an industry leading team of industry experts, and we are here to answer any questions or provide any assistance you need to navigate COVID-19. Client or not, (we are all in this together) we are happy to extend our expertise to help everyone meet this critical mission and keep our customers healthy and safe.

## WHAT YOU CAN EXPECT FROM SSC

### 1. High Touch Frequency + Visible Action – Our Daily Disinfection Program

- Allocation of cleaning resources
- A Disinfection program that aligns with CDC guidelines
- Cleaning frequencies that align with Healthy Building standards
- Transparent communication and awareness of disinfection services

### 2. Technology - Specialized Products + Equipment

- Incorporate anti-microbial technologies into disinfection program
- Inventory of electrostatic sprayers
- Adjustable disinfection program to meet changing internal and external site conditions

### 3. Testing - Verification swab test on high touch surfaces

- Collect, analyze and report quality data from multiple test surfaces
- Provide scope compliance and effectiveness of cleaning
- Reduces liability risk to the client

### 4. QA Reporting - Recording and reporting on critical activity completion

- Visibility of "real time" compliance data
- Proactively added deficiencies should they occur
- Compare data across sector for quality control
- Transparency reporting shared with client

We are here and we are ready to support, please feel free to contact myself or John Lane directly.
