*Please select "Dial-in to the Audio Conference via Phone" when logging into Adobe Connect.

A212 680 12 93 Wood Kits

As of Monday, September 22nd, we will begin cancelling 2013 stock order lines for A 212 680 12 93 Wood Kits. This will enable us to obtain better forecasting and back order information. We will continue to fulfill the Special Procurement VOR cases first, followed by non-SP VORs and then 2014 stock order lines. Please continue to order A 212 680 12 93 Wood Kits as VOR orders.

Push Parts Process – C-Class

MBUSA will initiate a push process of three additional parts for the above model on **Wednesday, September 24th**. We will create stock orders on your behalf to your facing PDC, expected to arrive at your facility by the end of the week. Please refer to the Revised/Updated C-Class (205) Push Parts Process (Phase 2) NCA dated September 19th for additional information.

MY2014 CLA-Class Alternate Transportation for Backordered Windshields

As a follow-up to the July 25th NCA, please be advised that this offering has been extended through October 31, 2014. No claims will be accepted after that date. No exceptions will be made for other models or parts.

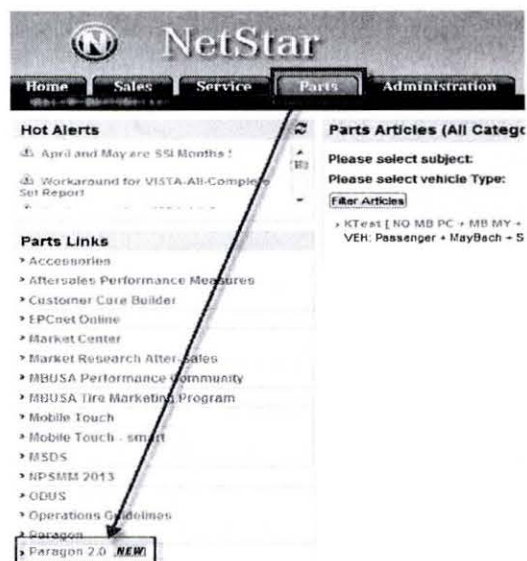

Please refer to the Update: MY2014 CLA-Class Alternate Transportation for Backordered Windshields NCA dated September 19th for additional information.

TIP of the WEEK: Paragon 2.0 Access

After logging into Netstar, click the Parts tab. The Paragon 2.0 link will appear in your Parts Links table on the left of the page.

- The Paragon User Guides are posted on the PAC website (Paragon 2.0 tab)
- In NetStar, the System Administrator (SA) will need to assign the Paragon 2.0 link to each User ID
- There are two options for User authorization:
 - 1) Read - "read sales orders"
 - 2) Update - "create sales orders"
- After User IDs have been assigned appropriate access, the User will need to shut down their system and restart their web browser before accessing Paragon 2.0.
