REIMAGINE

LEARNING IN A DIGITAL-FIRST WORLD

The shift to digital-first learning is here to stay.

of global learners said **online learning** will be a **permanent part** of primary, secondary and higher education moving forward.

It also showed that learners see COVID-19 as **a turning point** for modern learning, with **online schooling** and the need for more digital skills leaving a lasting mark.

63% in the UK say...

More primary and secondary students will attend school virtually (online) than attending a traditional school within the next 10 years — up from 56% in 2019.

Pearson Global Learner Survey, August 2020
