

# Microsoft Accessories for Education

Now more than ever, students and teachers deserve equitable access to technology that provide solutions that allows everyone to achieve their potential.

Accelerate learning. Inclusively designed.  
Support well-being. Trusted and secure.

## COMFORT AND ERGONOMICS

- Innovative accessories for comfort to do their best work.
- Ergonomic keyboards reduce strain by keeping hands, wrists, and arms at natural positions.
- Ambidextrous mice with precise tracking for comfort and productivity.

## PRODUCTIVITY AND COLLABORATION

- Help them engage and work from virtually anywhere.
- Share and communicate clearly with superior sound and video quality with HD webcams.
- Project classroom content, photos, and videos on the big screen with the Microsoft 4K Wireless Display Adapter.

## SECURITY AND COMPLIANCE

- Keep information private and adhere to regulatory requirements with security features.
- Secure Bluetooth and Advanced Encryption Standard (AES) keyboards encrypt keystrokes.
- Random data generation and unique identifiers for each transmission help prevent sophisticated attacks.

Our accessories easily integrate with Windows 11 devices and Microsoft 365 apps, as well as a variety of non-Microsoft devices.

## COMFORT AND ERGONOMICS

### Microsoft Bluetooth Ergonomic Mouse

222-00004 / RJG-00002

- Holds a charge for up to 15 months.
