THE MISSION

To be a Golf Club that members are proud of and enjoy belonging to.

THE VISION

1. **Leadership** - Maintain a leadership Structure and system that is appropriate to the financial scale and complexity of the Club and has the capacity to understand and achieve the aspirations of the organisation and its membership.
2. **Financial Sustainability** - Ensure decision making takes due regard of financial sustainability.
3. **Resource Management** - Prioritise investment in resource capacity to take account of current needs and opportunities.
4. **Commercial Opportunities** - Investigate new and optimise existing commercial revenue opportunities that are consistent with members' expectations.
5. **Market Share & Membership Growth** - Capture a share of an increasing recreational leisure market and manage club membership in accord with our Mission Statement.
6. **Environmental Responsibility** - Demonstrate environmental sustainability and stewardship of Club resources and practices and be a responsible member of the wider community.
7. **Preparedness** - Identify environmental hazards and operational threats to the Club and prepare plans for appropriate responses/actions.
8. **Location** - Safeguard the current location of the course and facilities for use by members of the club and other community users.
9. **Quality of Facilities** - Ensure the course and facilities are appropriate to the needs and

Pioneers in the field.

At Norwood, we're proud to have been pioneers in the field of farming and contracting equipment for more than 70 years, delivering expert advice, quality machinery, and innovative solutions since 1948.

And we're just as proud of the achievements of our customers – the pioneers of New Zealand's fields and pastures who have turned this little country into a genuine powerhouse in the world of agriculture.

And so rather than look behind us, our focus is firmly set on a brighter and more prosperous future, and the many success stories to come. We're just getting started.

NEW MEMBERS & JUNIOR MEMBERS

Members are responsible for ensuring that all new members and Junior members are welcomed and assisted in every way possible to ensure a smooth introduction to the Club, Club competitions and the game of golf. Active encouragement helps to ensure enjoyable golfing experiences and enduring participation.

SPONSORS

The Club actively seeks and encourages support and sponsorship from local businesses, and in return members are urged to actively support the Club's business sponsors.

A current list of business sponsors is displayed in the Clubhouse and on the website.

GENERAL INFORMATION AND POLICIES

Websites www.manawatugolfclub.com

Logging on to the website

All members have a 7digit Club number, which is displayed on your membership card (237xxxx). This number is used to access the members section of the website.

First you must register at www.golf.co.nz with your 7 digit number. Follow the prompts and choose your password. This will now be your password for logging into member access area of the Manawatu Golf Club website. In this section you can read Club news, access information and book tee times. If you have any problems registering a password or using the website, please contact the Club office.

Personal contact information

Members are encouraged to update personal contact information via the members section of the Club website.

Notices

Members are encouraged to regularly check the Club website for notices relating to Club activities and access to/closure of the course.

Tee Bookings and Starting Sheets

These are accessed via the Club website, or at the computer kiosk in the Cardroom or Café. Please note that if you cannot make a tee time you have

booked for any reason you must delete your booking so that another member can use this start time. To achieve best utilisation of the course for our members and guests, the Committee reserves the right to set tee time parameters either on a temporary or a permanent basis. This may include, but is not limited to, setting a handicap limit criteria for tee bookings and playing access during certain periods of the day or week. This will be monitored.

Parking

The car park is available for members and visitors. Cars are parked in the car park at the owners' risk. The area in front of the Pro Shop and Clubhouse is for approved and service vehicles as a loading area, or to drop off/pick up only. No one has permission to park in this area.

Dress Requirements – IMPORTANT

Course

A neat and tidy standard of dress is required on the course at all times. Collared shirts must be worn. Brief shorts, beach shorts, tights, tank tops, tracksuits/pants or street shoes on the course are not acceptable.

Clubhouse

A neat and tidy standard of dress is required at all times. Hats and golf shoes must be removed before entering the café and bar area.

Club Storage

A limited amount of trundler and club storage is available in the Clubhouse basement for an annual

fee of \$165. Members using this facility are advised that we have an “all care, no responsibility” policy on storage. Members must cover property under their own insurance. Members wishing to enquire about golf cart storage should contact the General Manager.

Golf Cart Rules and Etiquette

These rules and etiquette expectations are designed for your safety and the safety of others, and to protect our golf course and property. If a member wishes to use their own golf cart (or other golf transportation vehicle) on the course, they require the permission of the Match Committee which may include an inspection of the cart/vehicle.

Only licensed drivers are permitted to use a golf cart on our course. Limit the use of your cart to two riders, with two golf bags. If you drive your cart in the car park area be especially careful.

Keep your cart away from tee boxes and 10 metres away from the greens. Do not drive close to grassy mounds or bunkers as they can be damaged by carts. Always drive on paths where they are available and be careful of slippery slopes as they can result in loss of control of the cart. To adhere to all notices on the course with respect to cart travel.

Making sharp turns, speeding and/or racing along in a cart and coming to a sudden stop can damage the course. Please apply cart brakes carefully. Please avoid driving through wet or muddy areas, or grass with standing water.

For your safety and for the safety of your passenger, do not drive your cart in front of other players in your group. As a courtesy, do not drive forward or reverse when a player is addressing the ball. Most golf carts have a very distinguishable alarm in reverse.

As a courtesy to the group behind you, it is good etiquette to park your cart at the back or side of the green before putting. This helps the speed of play.

Health & Safety and Emergencies

The Club has comprehensive health and safety procedures. All staff, Club members and visitors are urged to comply with appropriate requirements and apply common sense rules to protect their own safety and the safety of others. Further guidance on safety while playing golf is set out in the Rules of Golf, Section 1, Etiquette; behaviour on the course. All members are encouraged to report accidents or near misses to the Club office.

All members should acquaint themselves with the Clubhouse emergency evacuation procedures. In an emergency (e.g. fire, earthquake) it is vital that members vacate the Clubhouse in a prompt and orderly manner. After such an event evacuees are asked to remain in the designated assembly area until an all-clear is given.

+A **defibrillator** is available in the Clubhouse for use to assist any person who suffers a sudden cardiac

related collapse. Administration, Café and Pro Shop staff have been trained to use this equipment. **The number to call in an emergency is 06 357 8793 extn 1.**

Smoking is not permitted in any part of the Clubhouse. Smokers are to use the area outside the rear entrance.

Members and visitors enter the golf course at their own risk.

Security, Strangers, Trespassers and Dogs

Cars, golfing equipment and Clubhouse property are occasionally targets for break in and theft. All members should ensure that cars are locked; attractive items kept out of sight and a watch kept for strangers acting suspiciously on any part of the Club's property. All strangers having no right to be on the course should be asked to leave.

Dogs are not permitted on the course.

Closure of the Course

The course may be closed from time to time due to ground conditions, course maintenance requirements or for other reasons. In such cases this is indicated on the MGC Course Status Sign near the entrance and a notice placed on the Club website.

No play is allowed when the course is closed.

Relationships with Staff

Mutual respect and understanding is the key to good relationships between members and staff.

The kitchen, administration areas, course workshop areas, equipment and Pro Shop office and workshop areas are off-limits to members - except at the specific invitation of those responsible.

Green keeping staff have priority on the course for maintenance purposes, in which case players must wait until greens staff are out of range or wave players through.

Under no circumstances are any members to reprimand any staff members or persons contracted to the Club. Any complaints must be made in writing to the General Manager.

Club Policies

From time to time the Club may implement specific policies on various issues relating to the Club's operation. Some of these issues are mentioned in this booklet, and others are posted on the Notice Board in the Cardroom and on the Club website.

Complaints

All complaints need to be made in writing to the General Manager. Members' complaints must not be taken up directly with staff members.

RULES OF GOLF, ETIQUETTE & CARE OF THE COURSE

Rules of Golf

The Rules of Golf are available to members in booklet form and online at <http://www.randa.org>
All players must acquaint themselves with and observe the Rules of Golf.

Local Rules (of Golf)

Local Rules are printed on official scorecards of the Club, and/or posted on the noticeboard outside the Cardroom.

All players must acquaint themselves with and observe these Rules.

Golf Etiquette

Section 1 of the “Rules of Golf” provides guidelines on the way the game should be played.

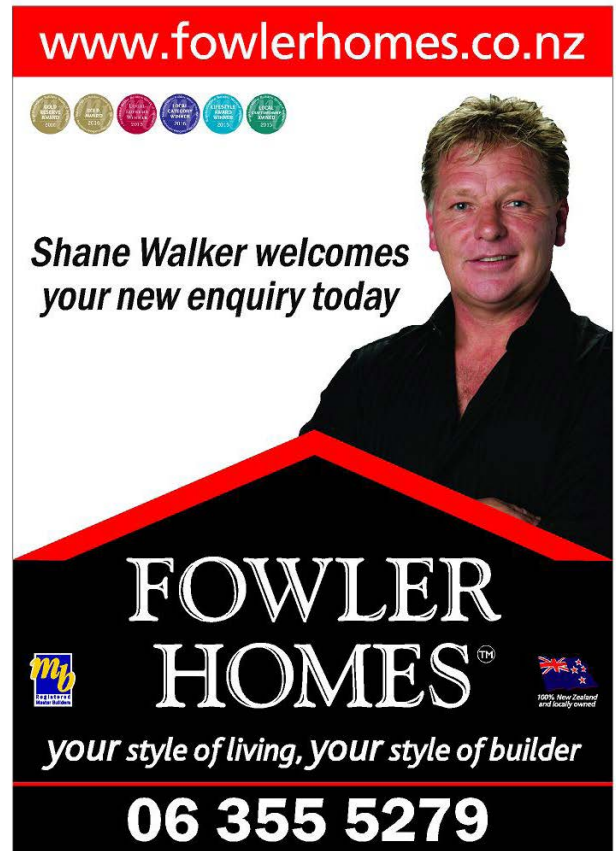

The main headings under the Golf Etiquette section (1) of the Rules of Golf are as follows:

- Introduction
- The Spirit of the Game
- Safety (during play)
- Consideration for other Players
- On the Putting Green
- Scoring
- Pace of Play
- Priority on the Course
- Care of the Course
- Conclusion; Penalties for Breach

All players should familiarise themselves with these guidelines.

Care of the Course

It is essential that players make every endeavour to ensure the course is kept in top order by co-operating as follows:

- Keep to paths where they are provided.
- Do not walk through areas closed off by greens staff.
- Carefully replace divots on fairways and rough.
- Carefully rake bunkers after playing bunker shots. Rakes to be placed outside bunkers.
- Don't take trundlers between greens and greenside bunkers.
- Carefully repair pitch marks on greens using a pitch mark repairing tool.
- Avoid standing close to the hole while attending, removing or replacing the flagstick.
- Don't remove balls from the hole using the blade of a club.
- Observe current policies and notices regarding the use of golf carts.
- Ensure all rubbish is put in the containers provided at each tee.
- Ensure cigarette butts are not left on or around the course, and are disposed of properly.

ARRANGEMENTS AND REGULATIONS FOR PLAY Programme for the Year

This programme booklet is printed for members each year and a live version is available via the Club website. The online version is the most up to date.

Making or Cancelling Tee Bookings

All tee bookings are made on the start sheets accessed via the Club website or using the GolfNZ App, the kiosk in the Cardroom or Café. Any bookings or cancellations on the day of play must be made by the player through the above channels as early as possible by contacting the Club Professional (phone 06 357 8793 ext 1).

Starting Tees

Starting tees are as allocated on the tee sheet.

Tees in Use

On any day the tees in use will be specified by the Starter. As we have a multi tee system, the starter may specify that players can choose which tee to play from on a certain day.

We now have available the following courses:

Purple (shortest), Green, Orange, White, Red, The PTS Logistics Blue Course, The BMW Championship Black Course (longest).

These are designed for players of all levels to be able to choose the appropriate course for their ability.

President's and Club Captain's Privilege

The President and Club Captain have the right to enter the field whenever they desire.

Arrival at the Course

Players should aim to arrive at the golf course at least 20 minutes before their appointed tee off time and be fully prepared to tee off as soon as the players in front are out of range.

On the day of play, if players are unable to meet their appointed tee off time, they must advise the Pro Shop or Starter with as much advanced warning as possible. Failure to do this is unacceptable since it may deprive another player of a game.

Sharing of Golf Clubs

The sharing of golf clubs is not permitted.

Practising

Practice areas are available for use by all players. Players practising on the course proper must not use more than two balls, and greens and tees must not be used for practice.

Handicaps and Records of Previous Rounds

Handicaps and handicap indices are automatically printed on scorecards.

Details of previous rounds and handicap indices for all members are accessible via the Dot Golf website www.golf.co.nz. Information regarding the World Handicapping System (WHS) is also available on this site.

The handicapping system is based on the assumption that every player will endeavour to make the best score at each hole in every round that is played and that every round will be reported regardless of where it is played.

A handicap may be arbitrarily reduced if the player does not return all scores or otherwise does not observe the spirit of the handicapping system. The Committee is empowered to determine the amount of the adjustment and in an extreme case of a player's non-co-operation may result in withdrawal of the handicap.

Scorecards

Scorecards are obtained via the Dot Golf computer in the Pro Shop. Members can enter their 4 digit membership number, visitors must enter the full 7 digit membership number.

The correct method of keeping the score is that players keep each other's cards or scores using the

GolfNZ App by entering the score after each hole.

After completion of all rounds, fully marked and signed scorecards or if you are using the Golf NZ App must show complete entries for all holes. **Immediately after your round your score must be entered on the Golf NZ App or via one of the touch screen monitors located in the Cardroom or Café. Golf Club policy is for the MARKER to enter the player's score into the Golf NZ touchscreen.** Only after this process should the scorecard be placed into the return box. If your scorecard is not entered, it will not be uploaded for handicapping.

Always remember that it is the players' responsibility to sign a correct scorecard. Instructions on how to correctly fill out the scorecards are provided in the Cardroom and the Club website. If you are still unsure, please ask.

Speed of Play

All players must ensure that their game is played at a reasonable speed. In general, players should keep up with the players in front. If you are not keeping up with the group in front, please make every effort to catch up, or let the group playing behind you through if you are holding them up.

Complaints of slow play will be recognised only when made and signed by all members of a four playing behind. The Match Committee at their discretion and after interviewing all concerned may impose an appropriate penalty on the slow players. For example, on a subsequent playing day or days the slow players may be relegated to the end of the field or draw.

Hole in One Shouts

Manawatu Golf Club members who achieve a hole in one during a full round of golf at the Manawatu

Golf Club are entitled to a contribution from the Club toward the customary shout for a hole in one. Players will be provided with up to 2 bottles of spirits; or 5 bottles of House wine; or an equivalent bar tab, which the member is responsible for sharing amongst other golfers in the Clubhouse after the completion of their round. Players are responsible for payment of any shout that is beyond this allocation, and must pay on the day, or by arrangement with the Bar Manager.

Members from other clubs do not receive any contribution towards a shout.

To qualify for a trophy and inclusion on the Club Hole in One honours board the following conditions must be met:

- The hole in one was achieved by a member on this course during a complete round or during an official competition of lesser duration, and;
- The rules of golf governed play at the time, and;
- The customary honours were observed and personally attended by the player on the day of the hole in one

Members scoring a hole in one on other courses will be compensated up to \$50 toward a shout at that club upon receipt of expenses.

Priority for Matches Continuing to 19th Hole

Any match going to the 19th hole commences from the 1st tee regardless of what tee the match commenced from. Players must be given right of way.

INTERCLUB & REPRESENTATIVE COMPETITION

A number of factors determine a golf club's standing within the golfing fraternity and within the community. One of these factors is the performance of its representatives in interclub, inter-district and national events. Our Club has established a proud record of individual and team performances in its 125+ year history.

Selection of teams

Club representatives will be selected on a principle similar to that used for the Manawatu Wanganui Golf Association teams, players who, in the opinion of the selectors, will deliver the best performances for the Club will be selected for representative teams.

Every Club member is eligible for selection in a Club team. The competitions range from the Pennant series for the most skilled golfers, the President's Trophy for golfers with handicap index's in the 5 to 22.4 handicap range, to the social interclub events.

To assist the selectors in forming their opinion, players seeking to represent our Club in interclub competitions, in particular non-handicap competition, may be required to:

- play in nominated trials during Jan/Feb,
- compete in the Tankard events which are ongoing trials,
- participate regularly in Club competitions,
- play in a proportion of nominated tournaments in the Manawatu Wanganui, and
- practice on a regular basis

Members who wish to be considered for the Club's representative teams should contact the General Manager who will provide further details.

CLUB COMPETITION AND TOURNAMENTS

Entering Club Competitions and Tournaments

All members are encouraged to enter Club competitions and tournaments run by the Club. Players need to enter the respective competitions by the due dates shown. Members must be fully financial for the duration of the competition. Qualifying rounds are played on a designated day or days. Competition draws are displayed in the Cardroom and/or on the Club website.

18 hole competitions and tournaments are open to all 18 hole members, 9 hole members are not permitted to play in 18 hole competitions or tournaments with the exception being, the Club's Opening and Closing Day.

Entering the 'Club Haggie'

Members are encouraged to enter the Club Haggie competitions which are run on most Club days. Entries are made in the Pro Shop.

Arranging Matches

It is the responsibility of all players to arrange the playing and completion of matches on or before the date set down by the Match Committee. **Please arrange and play your matches early.**

Should players or teams be unable to arrange with their opponents a mutually suitable time for playing a match they may, **10 days before the due completion date for the round**, apply to the Club Captain to have the Match Committee determine a time and date for play.

When a match has not been completed by the date specified the Match Committee will default both sides. **If any member is aware in advance that they will be unable to play any round of a competition by the dates set down in the programme book they should NOT enter the competition.**

All matches shall be played on the Manawatu Golf Club Course, except when the course is closed, whereby members have the option of playing a match on another course if both parties agree.

All matches in Club competitions shall be played over 18 holes except the finals for Senior, Intermediate and Junior Championships which shall be played over 36 holes on the day specified in the programme book.

Time extensions

It is expected all matches will be played by the due date. Any request for an extension must be in writing to the Match Committee for consideration. This includes all mixed, club competitions irrespective of what day the match is to be played.

Recording competition results

The winner is to record and enter the match result. Failure to do so will attract the same penalty as for an un-played match.

Results showing on the results sheets on the date of match completion shall stand. No later alteration is permitted.

Ties

Matches all square after completion of the stipulated round shall continue from No 1 tee irrespective of where the match was started, until one hole is won (strokes to be taken as applicable). Where players' scores are equal and where a playoff is not practical, in accordance with NZ Golf Association the winner will be decided by lot.

Protests

When it is intended to lodge a protest, the player shall, as well as complying with the rules of golf, notify a member of the Match Committee or General Manager that he or she intends to protest. Unless this is done immediately after the completion of the game the protest will not be considered. In the absence of a member of the Match Committee or the General Manager the card should be marked "Protest".

Concurrent Stroke and Match Competitions

When stroke and match play competitions are played concurrently players must not vary or waive any conditions of the match play event to facilitate the play of the stroke event. Penalties (as provided for stroke events) incurred through the match play event must be counted in the stroke event.

Handicaps

In all par and Stableford competitions, and in match play, the full difference in handicaps is used.

Foursomes Rules

Mixed: Men hit off No. 1 tee and all odd numbered tees, ladies off even tees. 50% combined handicap index.

Canadian: Both players hit off tee, and the best drive is selected and played as in ordinary foursomes. 50% combined handicap index.

MEN'S COMPETITIONS AND CUP DATES

Isaac's Cup: Summer Fourball Competition played during December, January and February. Dates to be advised.

Mina Siefert Course Record Cup: Lowest gross card returned during the season in Club competition.

John "Chopper" Christie Memorial Trophy: Awarded to the Man who has the highest Stableford points on a designated Saturday in March.

Harden Cup: Men's shootout. Saturday scores throughout the season count, the top 19 qualifiers at the end of the season compete in the 'one day shootout'. 18 holes played, the player with the worst nett drops off each hole. Entry fee applies, payable in February.

3 Putt Cup: Awarded to the player who has the most '3 putts' on Saturdays during the season.

Robertson Prestige Wade Cup: Every Wednesday afternoon during March to October. Winner to be the player obtaining the best total Stableford from 5 out of 8 months (best round each month to count).

MIXED COMPETITIONS AND CUP DATES

Imlay Saunders Plate: Mixed match play on Combined net hole by hole. Players that are defeated in their first match will be drawn for the Imlay Saunders consolation.

Format: Each side adds their handicap together. The difference is found and the side with the lower handicap gives the appropriate number of shots to the other side and these shots are taken on the shot holes of the men's card.

e.g. Bob is on 15 and Barb on 10. Their combined handicap is 25. They are playing Craig on 6 and Caroline on 30 giving a combined handicap of 36. 36 minus 25 is 11. Bob and Barb give Craig and Caroline 11 shots taken on shot holes 1-11

on the men's card. On hole one, Bob has 5 and Barb 5 giving them a total of 10. Craig has a 4 and Caroline a 6 giving them 10 but a net 5 as they receive one shot because hole one is the number 4 shot hole on the men's card. Craig and Caroline win the first hole.

Something to cheer about

As we approach the business end of this most unconventional year, Bayleys is pleased to see our team of five-million faring better than most. We extend our gratitude to clients, customers, friends and family for continued support, as well as endless thanks to everyone who has played a part in keeping COVID-19 constrained.

With warmer summer sun providing the seasonal advantage and mood-booster many of us need, a buzzing pre-holiday market place continues to offer a wealth of opportunities, and our Bayleys team looks forward to providing something extra to cheer about this holiday season.

A photograph of an older man and woman smiling broadly while in the ocean. The man is on the left, wearing a dark wetsuit, and the woman is on the right, wearing a pink wetsuit. They are both looking towards the camera. The background shows the ocean and a clear sky.
