Technical specifications

	HP Color LaserJet Managed E75245dn Printer	HP PageWide Managed P75250dn Printer	HP PageWide Managed E75160dn Printer	HP Color LaserJet Managed E85055dn Printer
Product description	Print virtually all color business documents—from internal administrative pages to customer-facing materials ranging from postcards to presentations to posters—using an easy-to-use workhorse with superior paper capacity. HP Managed printers are optimized for managed environments. Offering increased monthly page volumes and fewer interventions, and helping to reduce printing and copying costs.	Business moves fast, and slowing down means falling behind. It's why HP built the next generation of HP PageWide—to power productivity with an efficient design that delivers low-cost color, maximum uptime, and the industry's strongest security. ³	Modern business demand forward-thinking technology—it's why HP engineered the next generation of HP PageWide to deliver a competitive edge from every angle: breakthrough low color cost, maximum uptime, and the industry's strongest security. ³	Print phenomenal color while maximizing uptime—now with original HP JetIntelligence toner technology. Expect consistently fast output, brilliant prints, and the world's strongest security. ³

Product description	This HP LaserJet Managed MFP is designed to handle business solutions securely and efficiently, and help conserve energy with HP JetIntelligence toner. Keep up with the demands of growing business with a printer you can rely on.	This HP LaserJet Managed MFP with JetIntelligence combines exceptional performance and energy efficiency with professional-quality documents right when you need them—all while protecting your network from attacks with the industry's deepest security. ³	This HP LaserJet Managed MFP with JetIntelligence combines exceptional performance and energy efficiency with professional-quality documents right when you need them—all while protecting your network from attacks with the industry's deepest security. ³

	HP LaserJet Managed MFP E82540 series	HP LaserJet Managed MFP E82550 series	HP LaserJet Managed MFP E82560 series	HP LaserJet Managed flow MFP M830zm
Product description	Businesses that stay ahead don't slow down. It's why HP built the next generation of HP LaserJet MFPs—to power productivity with a streamlined design that delivers premium quality, maximum uptime, and the strongest security. ³	Businesses that stay ahead don't slow down. It's why HP built the next generation of HP LaserJet MFPs—to power productivity with a streamlined design that delivers premium quality, maximum uptime, and the strongest security. ³	Businesses that stay ahead don't slow down. It's why HP built the next generation of HP LaserJet MFPs—to power productivity with a streamlined design that delivers premium quality, maximum uptime, and the strongest security. ³	HP Managed MFPs are optimized for managed environments. Offering increased monthly page volumes and fewer interventions, this portfolio of products can help reduce printing and copying costs.

HP Line-up Map Managed Printers (LaserJet and PageWide)

November 2019 Edition

Multifunction A4 Printers (Color)

Technical specifications

	HP Color LaserJet Managed MFP E57540 series	HP PageWide Managed MFP P57750dw	HP PageWide Managed Color MFP E58650 series	HP Color LaserJet Managed MFP E67650dh	HP Color LaserJet Managed Flow MFP E67660z
Product description	Conserve energy, increase productivity, work fast. Built-in, multi-level device security helps guard your printing fleet. ³ This color MFP with Original HP Toner cartridges with JetIntelligence produces vibrant, professional-quality pages.	HP PageWide Technology delivers low total cost of ownership and fast speeds. Get professional-quality color documents, fast two-sided scanning, strong security features and energy efficiency.	HP PageWide Technology delivers fast speeds, deep security, and low total cost of ownership. Power productivity with seamless workflow features, and count on unparalleled multi-level security. ³	This HP Color LaserJet Managed MFP with JetIntelligence combines exceptional performance and energy efficiency with professional-quality documents right when you need them—all while protecting your network with the industry's deepest security. ³	This HP Color LaserJet Managed Flow MFP with JetIntelligence combines exceptional performance and energy efficiency with professional-quality documents right when you need them—all while protecting your network with the industry's deepest security. ³

¹ Measured using ISO/IEC 24734, excludes first set of test documents. For more information see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity. ² Measured using ISO/IEC 17629. For more information, see hp.com/go/printerclaims. Exact speed varies depending on the input volume, system configuration, software application, driver, and document complexity. ³ Based on HP review of 2018 published security features of competitive in-class printers. Only HP offers a combination of security features that can monitor to detect and automatically stop an attack then self-validate software integrity in a reboot. For a list of printers, visit hp.com/go/PrintersThatProtect. For more information: hp.com/go/printersecurityclaims. ⁴ Measured using ISO/IEC 24734 in non-default general office print mode. Default professional print mode speed, measured using ISO/IEC 24734, is 20 ppm less than general office print mode. ⁵ To achieve maximum memory, purchase a DIMM accessory (TAA compliant only with TAA compliant DIMM). A firmware update may be required for configuration page to accurately reflect the accessory DIMM is installed. ⁶ The 350-sheet inner finisher is available on the HP PageWide Managed Color MFP P77940dns, P77950dns, P77960dns, MFP E77650dns, Flow MFP E77650z, MFP E77660dns, Flow E77660z models only. Those models have a maximum output capacity of 850 sheets. The 3,250-sheet external finisher is a required accessory for the Flow MFP E77650z+ and Flow MFP E77660z+ models. These models have a maximum output capacity of 3,250 sheets. Models without the inner or external finisher have a maximum output capacity of 500 sheets.
