TENNESSEE COLLEGE OF APPLIED TECHNOLOGY
— KNOXVILLE —

Practical Nursing

The Practical Nursing Program is approved by the Tennessee Board of Nursing. Graduates will obtain a diploma in Practical Nursing and may then be eligible to take the National Council Licensing Exam for Practical Nursing (NCLEX-PN) used to obtain nursing licensure in Tennessee. Practical Nursing is entry level nursing. Graduates are prepared with the background and skills to give knowledgeable, basic nursing care to patients with varying degrees of physical needs. Licensed Practical Nurses (LPNs) work under the supervision of registered nurses and doctors. Positions are available in hospitals, long term care facilities, physician's offices, home health agencies, and in industry. The program is one year in length and classes begin each January, May, and September. The program requires a full-time commitment, Monday through Friday. Students attend class for the first three months from 8:00 a.m. - 2:30 p.m. consisting of lecture style classes and laboratory instruction. Students will begin clinical experience in the fourth month of the program. Clinical hours and days are determined by the clinical facility and will vary. Every effort will be made to give students adequate notice of their clinical schedule. A criminal background check is required. Clinical facilities require this background check and may determine that a student is ineligible to attend clinical at their facility. Practical Nursing students are accepted based on a points system. The 50 students who accumulate and provide documentation for the most number of points will be selected every trimester. Simply passing the HESI test does not guarantee entry into the program. If you are accepted into the program you will be required to submit a negative ten panel drug screen. Proof of CPR BLS for providers certification in Adult, Infant, and Child CPR/AED/Choking is required with application. Online CPR certification is not acceptable unless the certification included a face-to-face instructor verification certificate. Failure to submit this by the deadline will forfeit your entry into the PN program.

How to Apply

To complete admissions for Practical Nursing program applicants must submit all general admissions requirements, Practical Nursing program specific requirements, and documents for points by the published deadline to be considered. Acceptance is competitive based on a point system. To ensure accuracy, please submit all information at one time.

General Admission Requirements submitted to:

Student Services at 1100 Liberty Street, Knoxville TN 37919

1. Complete the **Free Application For Federal Student Aid (FAFSA)** online – the website is www.fafsa.ed.gov and our school code is 004025.

2. Complete **TCAT Knoxville Application for Enrollment** online at www.tcatknoxville.edu and select APPLY NOW.

3. Take and pass the **HESI Exam**. Exam is over Math and Reading Comprehension the cost is $34.00. Passing scores are 50 in math and reading score of 70. Applicants are responsible for submitting a copy of their HESI scores with their application because scores are not automatically linked with other application documents on the date of their exam.

4. Provide an <u>official sealed copy</u> of one of the following **Transcripts**: High School Equivalency (HSE) diploma transcript with scores or your high school transcript verifying your regular High School Diploma (a special education diploma will not qualify.)
   *IMPORTANT: If you have foreign transcripts you will need to submit an **English translated version** of your transcript and an **education evaluation** both must obtained through the **National Association of Credential Evaluation Services**. Please visit their website at www.naces.org for more information.*
