About Us

Since 2005, ProLink Supply has been a growing and successful fencing supplier in British Columbia. Our company's commitment to working with our customers, as well as our ability to deliver products with a low turn around has defined the company over the years. This has been a leading formula for success.

Whether you're a chain link installer, a farm supply store, or even a landscaper, ProLink Supply has something for everyone. With great customer service and competitive pricing, it's no wonder we have been one of the fastest growing supply companies in B.C.

From signage to merchandisers, our company takes the lead in sales by working with our customers to ensure success with our products. We realize that your success is one of the most important facets of our business.

No one cares more about their customers success than we do.

General Information

Location

- 23416 River Road, Maple Ridge British Columbia
- We have a large yard which can accommodate any size truck in order to assist with all your shipping and delivery needs.

Hours of Operation

- Monday to Friday, with the exception of statutory holidays
- **OFFICE HOURS:** 7:00am to 4:00pm.
- **SHIPPING HOURS:** 7:00am to 3:00pm

Shipping Policies

- Unless otherwise arranged, all orders are to be picked up at our Maple Ridge location
- Where delivery has been arranged, a shipping charge will be added to the invoice.
- **ALL** Orders must be paid for in full before being loaded unless there is a credit account in good standing.
- **ALL** Pick Ups need to be scheduled in advance with our Shipping Department.

Credit Accounts

- ProLink Supply may offer credit terms of **NET 30 DAYS**, based on approval, to any customer in good standing
- We also reserve the right to suspend any accounts that do not comply with these terms.
- Our Credit Department will make every effort to collect all outstanding balances before any new orders will be released.
- A 2% interest charge (24% per annum) will be applied to overdue accounts.
- Any account which becomes inactive after a period of one year will be deleted from our system and will require a new credit application be submitted for approval.

General Information

Delivery Policies

- **All** items are considered the property of the Consignee as soon as the items are loaded.
- ProLink Supply is not responsible for any damage caused by a carrier.
- **All** shipments should be inspected upon arrival, and it is the responsibility of the customer to report any errors or damage within **5 BUSINESS DAYS**. (See Returned Goods Procedure)

Returned Goods Procedure

- **ANY MATERIALS** returned to our warehouse require prior approval from Sales Staff.
- Please call for a **RGA** (Return Goods Authorization), prior to returning the materials.
- ProLink Supply is not responsible for any returns that do not have a pre-approved RGA.
- **ALL** returned goods are subject to a 20% restocking fee.
- **ALL** returned goods must be returned at customer's expense.
- **SPECIAL ORDER OR NON-STOCKING ITEMS** are **NON REFUNDABLE** and are considered final sale at the time of purchase.
- **NO** Product will be accepted for return if:
 - The Material is a custom order or custom size.
 - The Material is not in resellable condition or packaging has been opened/installed.
 - The Material was purchased over 30 days prior to date of return.

Agricultural

How to Read Agricultural Fencing Specs

Use the following example to decode the specifications for all our Farm Fence, Game Fence, and Horse Fence.

Agricultural Fence Knots

Hinge Joint Knot

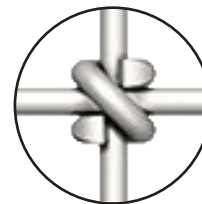

The Hinge Joint Knot is a flexible knot that conforms to the terrain and minimizes damage caused by livestock and weather.

Fixed Knot

The Fixed Knot is designed to hold the vertical stay wires in place and is durable and resistant to animal damage.

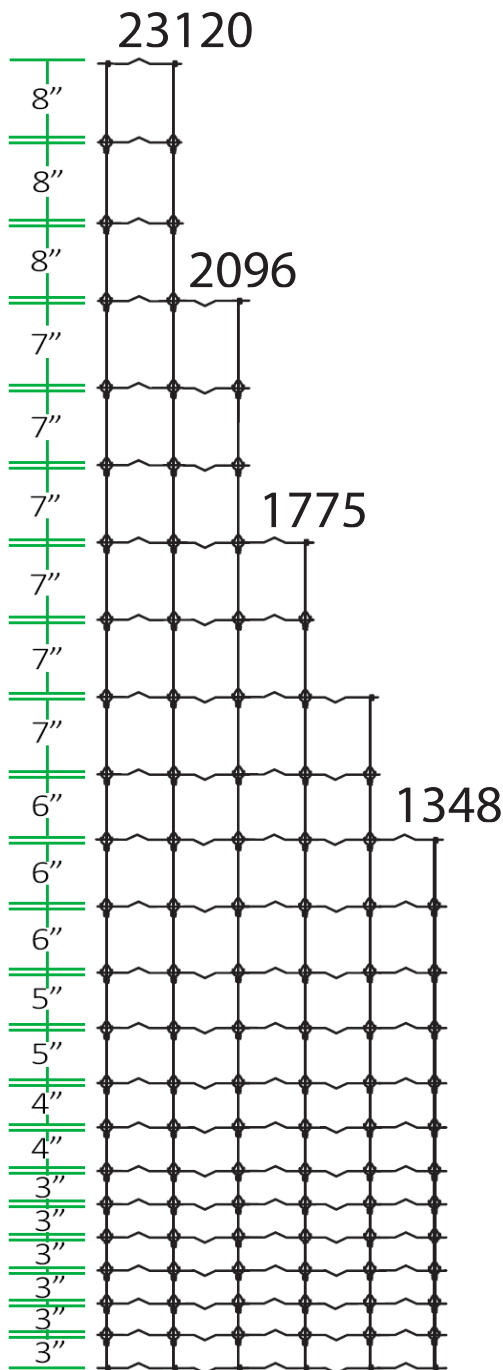

Square Knot

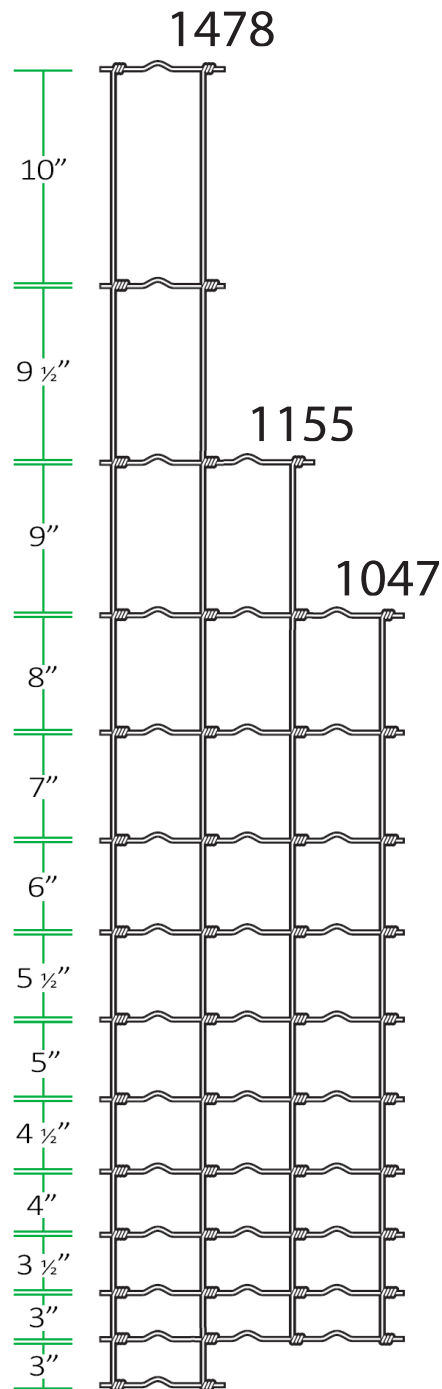

The Square Knot is ideal for the protection of livestock's skin and coats due to its smooth construction.

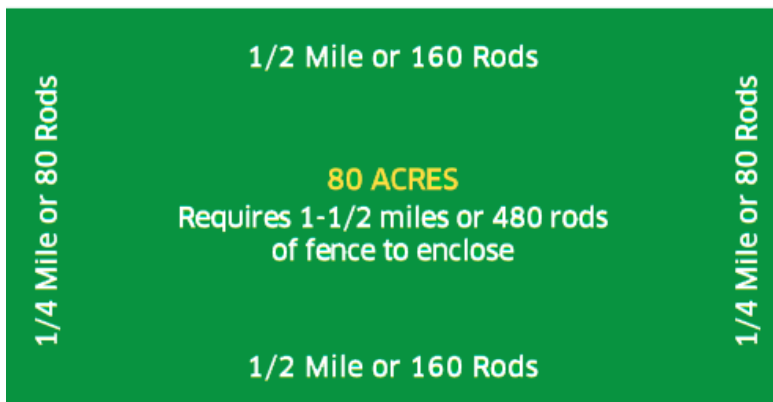

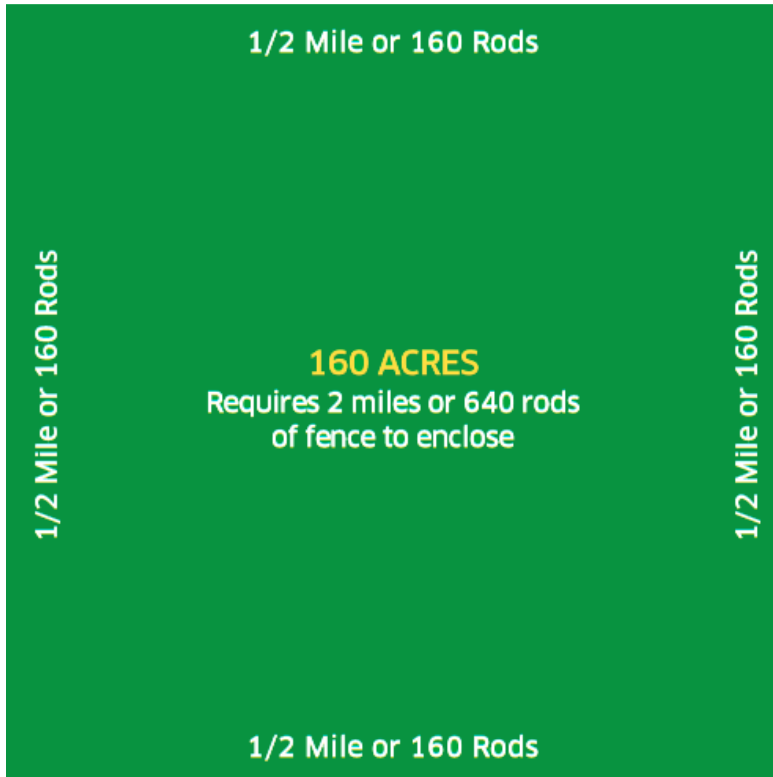

Graduated Agricultural Specifications

Game Fence - Fixed Knot

Field Fence - Hinge Joint Knot

1/4 Mile = 1,320 ft or 80 Rods
 1/2 Mile = 2,640 ft or 160 Rods
 1 Mile = 5,280 ft or 320 Rods

1 Rod = 16 1/2 Ft
 10 Rods = 165 Ft
 20 Rods = 330 Ft

PRO LINK **SUPPLY**

Mesh

Re: Mesh Service Charges

Prolink Supply has made every effort to reduce operating costs; however despite our best efforts raw materials and manufacturing costs have continued to increase as a result Prolink Supply will be implementing service charges pertaining to our specialty mesh.

All non-stock specialty mesh will require \$150 set up fee with runs under 450'.

For further information and details please speak to your inside sales representatives.

Prolink Supply will continue its efforts to control costs and to provide the most competitive prices to you our valued customers. We thank you for your continued support and we look forward to serving you all in the future.

Kind Regards,

Your friends at Prolink Supply!

PRO LINK **SUPPLY**

Flat Iron Ornamental

Prolink Supply warrants its Prolink Brand Ornamental Iron Fence and Flat Iron Products and accessories to be free from manufacturing related structural defects in material and workmanship to the original consumer/purchaser for a period of 1 year from the date of purchase. In addition to manufacturing related structural defects, this Limited Warranty covers cracking, peeling, blistering, fading of the finish, and extensive corrosion of the Prolink Brand Ornamental Iron Fence and Flat Iron Products and accessories protected by Prolink Supply for 1 year. Corrosion is termed extensive when multiple rust-through perforation instances occur on the same fence section or component.

This Limited Warranty does not cover damage caused by abnormal or improper use, improper product application, accident, alteration, welding, neglect, abuse, lawn care equipment damage, abrasion, exposure to harsh chemicals such as chlorine, lawn or garden fertilizers, chemical, salt or mineral laden irrigation water sources, chemicals used for ice removal, surface corrosion from nicks and scratches, air pollutants, improper service or installation or lack of service, or damage caused by flood, fire or acts of God.

In order for this Limited Warranty to apply to any failure related to modification of the length of the panel, panels which have been cut to custom length must be properly cleaned, re-coated and touched up with Prolink Supply's field powder coating process and Prolink Supply's black touch up paint as per Manufacturer's instructions.

This Limited Warranty does not cover Prolink Brand Ornamental Iron Fence and Flat Iron Products that are in direct or incidental contact with salt water including water from saltwater swimming pools or other saltwater bodies of water. For installations located 1 mile or less from the ocean or other saltwater bodies of water this Limited Warranty is applicable for a period of 6 month from date of purchase. The original consumer/purchaser must contact Prolink Supply directly via phone at (888) 673-8839 or 604-466-8839 or via e-mail at info@prolinksupply.com to submit a claim. The original Consumer/Purchaser will be notified by Prolink Supply as to whether the warranty claim is approved or denied.

Conditions and Exclusions of this Warranty

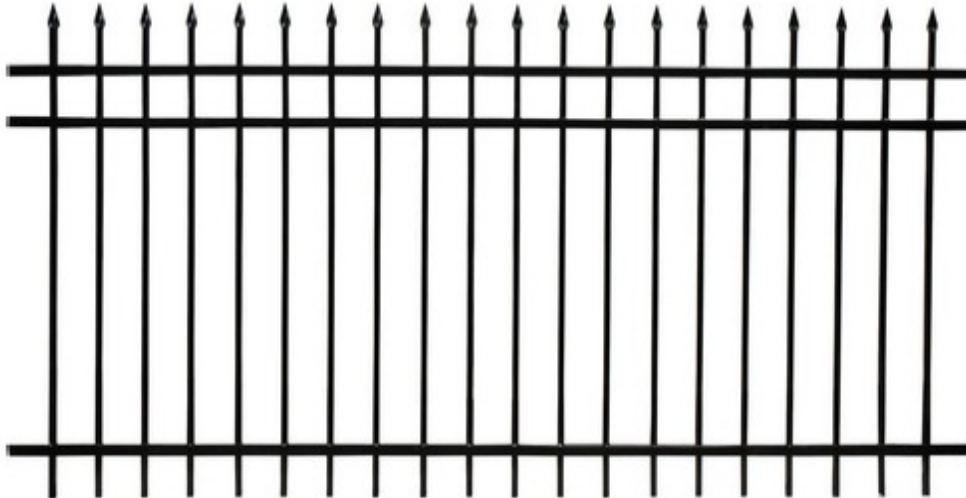

THIS WARRANTY IS NOT TRANSFERABLE. THE AMOUNT OF YOUR RESTITUTION WILL NOT INCLUDE LABOR TO REMOVE EXISTING COMPONENTS OR INSTALL THE REPLACEMENT COMPONENTS, SHIPPING CHARGES, SALES TAX OR ANY OTHER CHARGES, NOR IS PROLINK SUPPLY REQUIRED TO PROVIDE SUCH LABOR OR SERVICE. THIS LIMITED WARRANTY IS IN LIEU OF ALL OTHER EXPRESS WARRANTIES. PROLINK SUPPLY MAKES NO OTHER EXPRESS WARRANTIES AND DOES NOT AUTHORIZE ANY OTHER PERSON OR AGENT TO MAKE ANY OTHER EXPRESS WARRANTIES. PROLINK SUPPLY NEITHER ASSUMES NOR AUTHORIZES ANY OTHER LIABILITY OR OBLIGATION IN WARRANTY, INCLUDING WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THIS PRODUCT, IS LIMITED IN DURATION TO THE ONE YEAR TERM OF THIS LIMITED WARRANTY. IN NO EVENT SHALL PROLINK SUPPLY BE LIABLE FOR ANY CONSEQUENTIAL, SPECIAL, OR INCIDENTAL DAMAGES ARISING OUT OF OR CONNECTED WITH THE PURCHASE OR USE OF THIS PRODUCT OR FOR ANY BREACH OF WARRANTY.

This Agreement shall be governed by and construed in accordance with the laws of the province of BC. Any legal action arising out of this agreement shall be litigated and enforced under the laws of the Province of BC.

This warranty is only applicable to Prolink Brand Ornamental Iron Fence and Flat Iron Products installed within Canada.

Versai Rackable Ornamental

Version III

Versai™ Products Protected by FortressShield 20 Year Limited Warranty

Fortress Fence Products warrants its FortressShield protected Versai™ fence products and accessories to be free from manufacturing related structural defects in material and workmanship to the original consumer purchaser for a period of 20 years from the date of purchase. In addition to manufacturing related structural defects, this Limited Warranty covers cracking, peeling, blistering, excessive fading of the finish, and extensive corrosion of the Versai™ fence products and accessories protected by FortressShield for a period of 20 years. Corrosion is termed extensive when multiple rust-through perforation instances occur on the same fence section or component.

This warranty does not cover damage caused by abnormal or improper use, improper product application, accident, alteration, welding, neglect, abuse, lawn care equipment damage, abrasion, exposure to harsh chemicals such as chlorine, lawn or garden fertilizers, chemical or mineral laden irrigation water sources, chemicals used for ice removal, air pollutants, improper service or installation or lack of service, or damage caused by flood, fire or acts of God. In order for this warranty to apply to any failure related to modification of the length of the panel, panels which have been cut to custom length must be properly cleaned, recoated and touched up with Fortress Fence Products' field powder coating process and Fortress Fence Products' black touch up paint as per Manufacturer's instructions. See website for required treatment and method for recoating of cut ends.

Surface corrosion from scratches, nicks and dents are not covered. For installations located 1 mile or less from the ocean or other saltwater bodies of water, this Limited Warranty is applicable for a period of 3 years from the date of purchase. This limited warranty does not cover FortressShield protected Versai fence products that are in direct or incidental contact with salt water including water from saltwater swimming pools or other saltwater bodies of water.

The original consumer purchaser must contact Fortress Fence Products customer service directly via phone at (866) 323-4766 or via e-mail at warranties@fortressfence.com to obtain necessary warranty claim forms and official claim process. The original consumer purchaser will be notified by Fortress Fence Products as to whether the warranty claim is approved or denied. **THE MANUFACTURER'S IDENTIFICATION TAG or STAMPED MANUFACTURING IDENTIFICATION CODE INCLUDED WITH ALL VERSAI™ FORTRESSSHIELD PRODUCTS AND ORIGINAL PROOF OF PURCHASE MUST ACCOMPANY ALL WARRANTY CLAIMS.**

Conditions and Exclusions of this warranty

THIS WARRANTY IS NOT TRANSFERABLE. THE AMOUNT OF YOUR RESTITUTION WILL NOT INCLUDE LABOR TO REMOVE EXISTING COMPONENTS OR INSTALL THE REPLACEMENT COMPONENTS, SHIPPING CHARGES, SALES TAX OR ANY OTHER CHARGES, NOR IS FORTRESS FENCE PRODUCTS REQUIRED TO PROVIDE SUCH LABOR OR SERVICE.

THIS LIMITED WARRANTY IS IN LIEU OF ALL OTHER EXPRESS WARRANTIES. FORTRESS FENCE PRODUCTS NEITHER ASSUMES NOR AUTHORIZES ANY OTHER LIABILITY OR OBLIGATION IN WARRANTY, INCLUDING WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THIS PRODUCT, IS LIMITED IN DURATION TO THE TWENTY (20) YEAR TERM OF THIS LIMITED WARRANTY. IN NO EVENT SHALL FORTRESS FENCE PRODUCTS BE LIABLE FOR ANY CONSEQUENTIAL, SPECIAL, OR INCIDENTAL DAMAGES ARISING OUT OF OR CONNECTED WITH THE PURCHASE OR USE OF THIS PRODUCT OR FOR ANY BREACH OF WARRANTY.

This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to its conflict of laws. Any legal action arising out of this Agreement shall be litigated and enforced under the laws of the State of Texas. In addition, you agree to submit to the jurisdiction of the courts of the State of Texas, and that any legal action pursued by you shall be within the exclusive jurisdiction of the courts in the State of Texas, U.S.A.

SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS OR EXCLUSION MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS THAT VARY FROM STATE TO STATE. THIS WARRANTY IS APPLICABLE ONLY TO SYSTEMS INSTALLED WITHIN THE CONTINENTAL UNITED STATES AND CANADA.

Installation Instructions for Cutting Fortress Fence Products

It is the responsibility of the installer to meet all code and safety requirements as well as obtain all required building permits. The installer should determine and implement appropriate installation techniques for each installation situation. The Fortress Company and its distributors shall not be held liable for improper or unsafe installations.

Read Instructions Completely Before Starting Installation

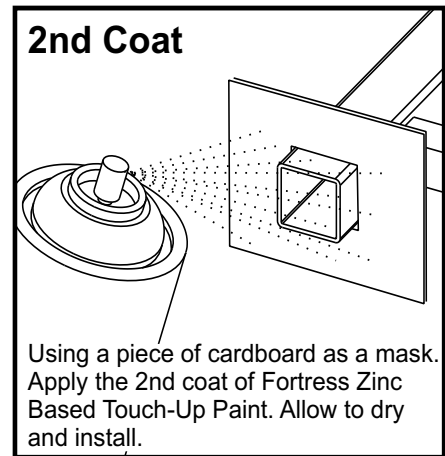

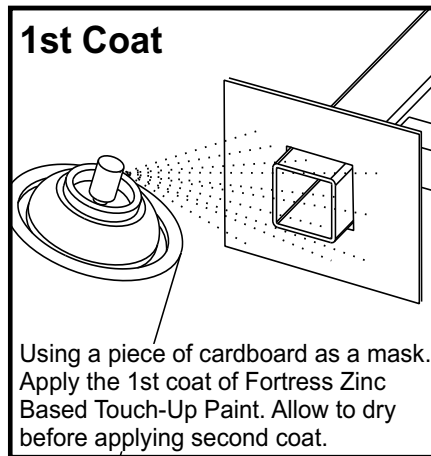

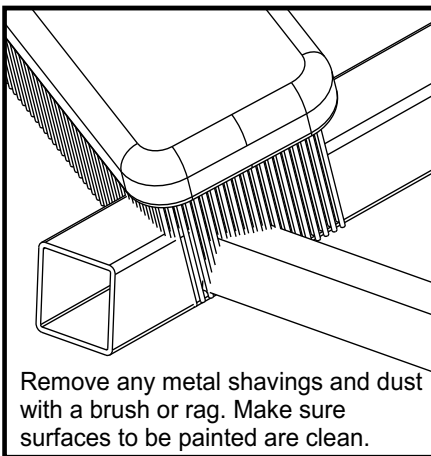

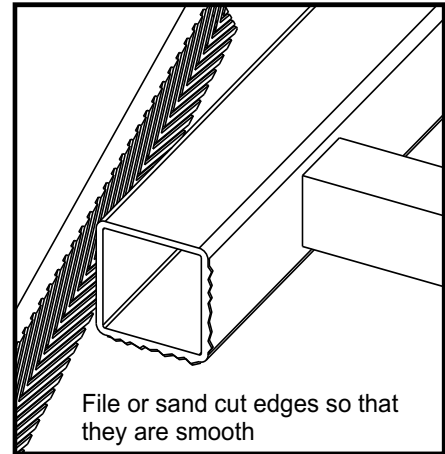

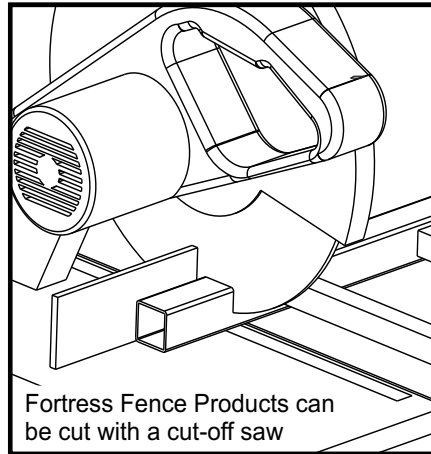

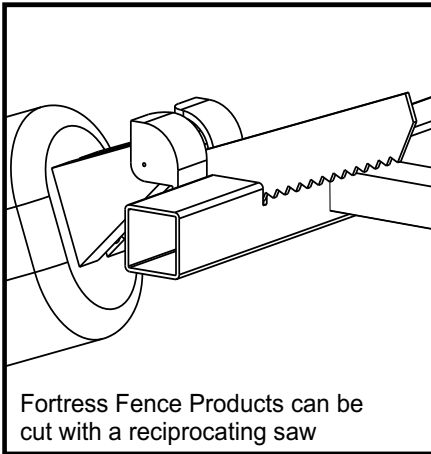

Note

Not following the below steps could result in oxidation at cut points and will void the warranty. When cutting Fortress Fence Products, complete the following at cut points:

- Cut material to length and remove all metal shavings from the cut area
- File any sharp edges left by cutting. Thoroughly wipe and remove any filings, grime or dirt from the panel.
- Apply two coats of Fortress zinc based touch-up paint to the cut area. If touch up is at rail ends, allow paint to dry before connecting bracket to post.
- Be sure to remove any metal shavings from the work surface to prevent oxidation on the surface.

Required Materials

Metal Cutting Saw, File, Brush or Rags, Cardboard, Fortress Zinc Based Touch-Up Paint.

Before you set your posts, confirm rail length, bracket type, and on center spacing

Version III

Versai™ Products Protected by FortressShield 20 Year Limited Warranty

Fortress Fence Products warrants its FortressShield protected Versai™ fence products and accessories to be free from manufacturing related structural defects in material and workmanship to the original consumer purchaser for a period of 20 years from the date of purchase. In addition to manufacturing related structural defects, this Limited Warranty covers cracking, peeling, blistering, excessive fading of the finish, and extensive corrosion of the Versai™ fence products and accessories protected by FortressShield for a period of 20 years. Corrosion is termed extensive when multiple rust-through perforation instances occur on the same fence section or component.

This warranty does not cover damage caused by abnormal or improper use, improper product application, accident, alteration, welding, neglect, abuse, lawn care equipment damage, abrasion, exposure to harsh chemicals such as chlorine, lawn or garden fertilizers, chemical or mineral laden irrigation water sources, chemicals used for ice removal, air pollutants, improper service or installation or lack of service, or damage caused by flood, fire or acts of God. In order for this warranty to apply to any failure related to modification of the length of the panel, panels which have been cut to custom length must be properly cleaned, recoated and touched up with Fortress Fence Products' field powder coating process and Fortress Fence Products' black touch up paint as per Manufacturer's instructions. See website for required treatment and method for recoating of cut ends.

Surface corrosion from scratches, nicks and dents are not covered. For installations located 1 mile or less from the ocean or other saltwater bodies of water, this Limited Warranty is applicable for a period of 3 years from the date of purchase. This limited warranty does not cover FortressShield protected Versai fence products that are in direct or incidental contact with salt water including water from saltwater swimming pools or other saltwater bodies of water.

The original consumer purchaser must contact Fortress Fence Products customer service directly via phone at (866) 323-4766 or via e-mail at warranties@fortressfence.com to obtain necessary warranty claim forms and official claim process. The original consumer purchaser will be notified by Fortress Fence Products as to whether the warranty claim is approved or denied. **THE MANUFACTURER'S IDENTIFICATION TAG or STAMPED MANUFACTURING IDENTIFICATION CODE INCLUDED WITH ALL VERSAI™ FORTRESSSHIELD PRODUCTS AND ORIGINAL PROOF OF PURCHASE MUST ACCOMPANY ALL WARRANTY CLAIMS.**

Conditions and Exclusions of this warranty

THIS WARRANTY IS NOT TRANSFERABLE. THE AMOUNT OF YOUR RESTITUTION WILL NOT INCLUDE LABOR TO REMOVE EXISTING COMPONENTS OR INSTALL THE REPLACEMENT COMPONENTS, SHIPPING CHARGES, SALES TAX OR ANY OTHER CHARGES, NOR IS FORTRESS FENCE PRODUCTS REQUIRED TO PROVIDE SUCH LABOR OR SERVICE.

THIS LIMITED WARRANTY IS IN LIEU OF ALL OTHER EXPRESS WARRANTIES. FORTRESS FENCE PRODUCTS MAKES NO OTHER EXPRESS WARRANTIES AND DOES NOT AUTHORIZE ANY OTHER PERSON OR AGENT TO MAKE ANY OTHER EXPRESS WARRANTIES. FORTRESS FENCE PRODUCTS NEITHER ASSUMES NOR AUTHORIZES ANY OTHER LIABILITY OR OBLIGATION IN WARRANTY, INCLUDING WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THIS PRODUCT, IS LIMITED IN DURATION TO THE TWENTY (20) YEAR TERM OF THIS LIMITED WARRANTY. IN NO EVENT SHALL FORTRESS FENCE PRODUCTS BE LIABLE FOR ANY CONSEQUENTIAL, SPECIAL, OR INCIDENTAL DAMAGES ARISING OUT OF OR CONNECTED WITH THE PURCHASE OR USE OF THIS PRODUCT OR FOR ANY BREACH OF WARRANTY.

This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to its conflict of laws. Any legal action arising out of this Agreement shall be litigated and enforced under the laws of the State of Texas. In addition, you agree to submit to the jurisdiction of the courts of the State of Texas, and that any legal action pursued by you shall be within the exclusive jurisdiction of the courts in the State of Texas, U.S.A.

SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS OR EXCLUSION MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS THAT VARY FROM STATE TO STATE. THIS WARRANTY IS APPLICABLE ONLY TO SYSTEMS INSTALLED WITHIN THE CONTINENTAL UNITED STATES AND CANADA.

V2 Commercial Rackable Welded Ornamental Fence Section 32 31 19

PART 1 GENERAL

1.01 SECTION INCLUDES:

Ornamental rackable welded steel fence system.

1.02 Related Sections:

Section 03 30 00 Cast-in-Place Concrete

Section 31 30 00 Earthwork

1.03 REFERENCES:

ASTM A123 Hot Dip Electroplating

ASTM A500 Seamless Grade A Metal Tubing

ASTM B117-97 Salt Spray Corrosion Test

ASTM F1908 Residential Outdoor Swimming Pools

ASTM F2049 Standard Safety Performance for Fence

ASTM F2408 Standard Specification for Ornamental Fences

1.04 WARRANTY

Fortress Fence Products V2 materials include a 20-year limited warranty, from the date of purchase, for defects in material and workmanship, including protection against cracking, peeling, blistering and corrosion (rusting). Refer to 20 Year Warranty Sheet.

PART 2 PRODUCTS

2.01 MANUFACTURER:

Fortress Fence Products

1720 North First Street

Garland, TX 75040

Phone: (844) 909-1999 Fax: (972) 644-3720

Website: www.FortressFence.com

Email: Specifications@FortressFence.com

2.02 MATERIALS:

Rails and Pickets are Grade A cold rolled 45,000 psi steel. Rails are formed U-Channel and Pickets are rolled formed and welded tubing. Both conforming to ASTM A500 with G-60 zinc coating (0.60 oz/ft²) total inside and outside surfaces in accordance with the ASTM A123 hot dipped electroplating process.

2.03 COMPONENTS:

A. Rails: 1 ⁹/₁₆" x 1 ³/₁₆" (Leg x Web), 14 gauge formed U-Channel ASTM 500 galvanized steel.

B. Pickets: ³/₄" square 16 gauge ASTM A500 galvanized welded and formed steel tubing for 4' 5' & 6' tall panels, 14 gauge ASTM A500 galvanized welded and formed steel tubing for 7' & 8' tall panels.

C. Posts: 2 ¹/₂" square 16 gauge, 14 gauge, or 3" square 14 gauge ASTM A500 galvanized formed and welded steel tubing with powder coated factory finish.

D. Available Colors: Black Sand, Gloss Black, Bronze, Green Sand, Green.

E. Other colors available upon request.

2.04 STYLE:

A. Fortress Fence Product's V2 COMMERCIAL Fence is made in: Flat Top (FT), Flat Top Flat Bottom (FT/FB) Pool (PL), Extended Picket (EXT), Extended Picket Flat Bottom (EXT/FB), Pressed Spear (SP), Pressed Spear Flat Bottom (SPFB), Curved Top (CT), and Curved Top Flat Bottom (CT/FB).

B. 3 ¹⁵/₁₆" air space between pickets.

C. VERSAI ASSURANCE (V2) COMMERCIAL panel, 3" air space between pickets.

2.05 FABRICATION:

A. Fence panels are fully assembled and fabricated with rail length of 90 ¹/₂" and picket heights of 34", 40", 46", 54", 58", 70", 82", and 94". All panels comply with requirements indicated for materials, thickness, design and details of construction.

B. Pickets are welded to the rails with a patented pin hinge system which allows the panel to rake without metal fatigue or damage to the finish.

C. All welded connections comply with AWS standards for recommended practice in shop welding.

D. All components are accurately cut and drilled to receive hardware, fasteners and accessories.

E. Panels shall be capable of supporting a 300 lb. load (applied at mid-span) without permanent deformation. Panels shall be rackable to a 30" change in grade.

2.06 FINISH:

A. Materials are coated with the Fortress Shield process including galvanization, nano ceramic coating, electrodeposition (E-coat), and architectural grade powder coat.

B. Metal parts are assembled and finished individually prior to shipment.

C. Galvanized steel fence components are cleaned with a non-petroleum solvent followed by the application of a sealing nano ceramic coating.

D. Immediately after sealing, a two-step finishing process consisting of:

1. An electrostatic dipping process in a lead free high corrosion resistant epoxy resin leaving a coating of approximately 20 microns.
2. A thermosetting carboxyl polyester resin top coat with a minimum dry film thickness of 60 to 70 microns. The second coating will be applied by the electrostatic spray process.

PART 3 EXECUTION

3.01 PREPARATION

Stake layout showing locations of all gates and posts. Contact "CALL BEFORE YOU DIG" prior to beginning any excavation work.

3.02 INSTALLATION

- A. Install fences in accordance with written instructions and in accordance with authorities having jurisdiction.
- B. Concrete Set Posts: Drill hole in firm soil. Posts holes will be a minimum of 36" deep (environmental conditions or local codes may require a greater depth). Fence post shall be spaced 95" ± 1/4" on-center to accommodate installation of brackets on 2 1/2" square post. For non-level installations, the on-center post spacing must be measured along the grade.
- C. Installation is to conform to the specifications referenced in Section 1.02 of this specification.
- D. Install Fortress brackets onto fence section and posts as indicated in printed instructions for specific fence style. Attach fence sections to brackets with approved fasteners and techniques to ensure that fence sections are parallel to grade within 1/4" in 12 feet.
- E. Gate Installation: Install in accordance with printed instructions. Do not mount gate from wall of a structure. Provide gate post on both sides of a gate. For double drive gate installation, provide concrete center drop to foundation depth and drop rod retainers at center. Lubricate to insure smooth operation and verify proper latch operation.

3.03 CLEANING

- A. Remove all cutting and drilling chips that are attached to the fencing, post, brackets or additions to prevent corrosion.
- B. Repair scratches and other installation-incurred damage. Using a spray paint of the appropriate color that includes a zinc additive, repaint and seal any scratches or holes drilled in the fencing, post, brackets, or additions to prevent rust from forming. Clean up debris and unused material and remove from site.

PRO LINK **SUPPLY**

Vinyl

Technology & Quality

National Vinyl Products (NVP) has been manufacturing vinyl fence systems in the USA since 2004.

We take great pride in producing high quality, long-lasting and durable fence materials and back them with a lifetime warranty.

Product Manufacturing

NVP utilizes the latest technology to manufacture our vinyl fencing materials.

One of the processes we utilize is called 'co-extrusion', which creates two distinct layers in our fence materials. The outer layer is formulated to prevent weathering and hold up to the elements while the inner layer has additional strength properties.

White Privacy Fence

Weathered Aspen with Dark Walnut Accent

Raw Materials

- All ingredients are sourced in the USA
- NVP proprietary PVC formula that includes 8 micro-ingredients is blended on-site at NVP's facility
- 100% virgin materials on all exposed surfaces
- Recycled vinyl fence and window material is utilized in some profiles and passes same rigorous testing as virgin materials
- Privacy T&G slats are produced with 100% virgin materials, inside and out.

Quality Control

- Meets ASTM F-964 standards
- 3rd Party weatherability testing
- 3rd Party wind tunnel testing
