CMP Celebrates Opening of the 2022 National Matches With Double First Shot Ceremony

CAMP PERRY, Ohio – On the beautiful, sun-filled morning of July 12, the Civilian Marksmanship Program (CMP) hosted the opening event of the 2022 National Rifle and Pistol Matches – the First Shot Ceremony.

The First Shot serves as a welcoming for guests, participants, volunteers and staff eager to start the annual National Matches – held at the Camp Perry National Guard Training Facility. The Matches have assembled marksmen and women at Camp Perry since 1907 and has grown to feature several highpower, smallbore and long range rifle, as well as pistol and air gun events, to thousands each year.

As visitors lined up along the Lawrence Road Shooters' Plaza by Camp Perry's Rodriguez Range, an authentic B-25 bomber, Georgie's Gal, blazed through the perfectly blue skies above. The aircraft was provided by Port Clinton's Liberty Aviation Museum and made multiple passes overhead, displaying its timeless features. Pyrotechnics by cannon master Bob Gillmor and the Ohio National Guard's Chief Kyle Gettys exploded on the range below to simulate World War II bombs as the plane passed by – thrilling guests on the ground.

When the visuals were over, the Color Guard raised the stars and stripes on the Plaza as Ohio National Guard Chaplain Nicholas Chou gave the invocation. Music was provided thanks to the 122nd Army Band, while Adjutant General of the State of Ohio, Major General John C. Harris, greeted those in attendance at the podium.

Distinguished emcee of the ceremony, CMP chairman and CEO, Judy Legerski, led the festivities – introducing guest speakers and emitting her own reflections on the Camp Perry.

“Camp Perry is much more than a location for hosting training activities and competitive events,” she said. “For us, it's a place where friends and competitors reconnect – sometimes after a year – and sometimes after many years.”

Legerski also spoke to the scale of the National Matches, ensuring a place for everyone on Camp Perry's ranges, regardless of background.

It's highly rewarding to see a large number of veteran competitors who set their egos aside and share their methods with up-and-coming juniors and adults who are struggling to improve,” she said. “Good shooters give back to make everyone better.”

“If you are new to the CMP, you are in good company with many like-minded participants who enjoy competition and the camaraderie that comes with this sport,” she said proudly.

Legerski also familiarized the crowd with her colleagues and honored guests, the First Shot speakers: CMP's Board Treasurer, Jon Bengston, and CMP's Board Secretary, Harry Sieben. Both men are retiring in 2022 after long and unforgettable careers as members of the CMP Board.

CMP's Board Treasurer Jon Bengston (left) and CMP's Board Secretary Harry Sieben (right) officially started the 2022 National Matches.

Pyrotechnics were provided by cannon master Bob Gillmor and the Ohio National Guard's Chief Kyle Gettys.

For the first time in the ceremony's history, two First Shots were taken. Bengston used a 1903 Springfield rifle as Sieben fired a M1 Garand rifle. Before their ceremonial shots downrange, each made remarks to the crowd.

Sieben spoke of the evolution of the CMP through its 100-year legacy – briefly describing its origins through President Teddy Roosevelt into what marksmanship has flourished into today.

“There have been many careful decisions that have made the effort successful, including modern improvements you see here on the range at Camp Perry,” Sieben said. “The introduction of electronic targets in many CMP competitions . . . raising the sport of air rifle and air pistol to unheard-of levels. These things did not just happen – they were carefully thought out and planned by leaders.”

National Trophy Rifle Matches

A Message from the DCM:

The CMP is pleased to provide this special printed edition of the *Final Results of the 2022 National Trophy Rifle Matches*. We hope this publication, with its featured information and photos, will serve as an enjoyable memento of your summer with us. The 2022 National Trophy Rifle Matches was truly a remarkable event that not only included a full schedule of traditional marksmanship activities for youth and adults on the historic grounds of Camp Perry, but also saw new pages of history being written on its ranges.

The noteworthy season began in July with CMP's Smallbore series of three-position and prone events before moving on to National Trophy and CMP Games rifle events like the EIC, 4-Man Team, President's Rifle and National John C. Garand matches. The month-long event concluded with the CMP's Long Range series in early August.

Alongside competition, the National Matches included educational training opportunities such as the Marine Corps Junior Clinic, Advanced Clinic and Small Arms Firing Schools (SAFS) – led by members of the U.S. Army Marksmanship Unit (USAMU) and other military units. This year, the CMP hosted SAFS courses for Rifle, Rimfire Sporter and Smallbore.

As noted, the 2022 National Matches showcased several incredible shooting performances by talented marksmen and women, including:

- **SSG Amanda Elsenboss, ARNG**, who was the first female to ever win the President's Rifle Match since its beginnings in 1894.
- **SSG Jarrod McGaffic, USAMU**, who was the winner of the National Trophy Individual (NTI) Match after firing a perfect score of 500-24X for a new national record.
- **SFC Erin O'Neill, USAMU**, who marked a new national record score for the Women's Rifle Trophy with 497-22X.
- **Justin Utley of Mineola, Texas**, who etched two new national records in the NTI for law enforcement and civilian honors.
- **USAMU Greenwood**, whose members claimed the National Trophy Team (NTT) and National Trophy Infantry Team (NTIT) events.
- **Junior team Wisconsin Cheddar**, which not only collected the junior portion of the NTT but also the overall win in the National Trophy Junior Team Match through members Thomas McGowan and Anna Behnke.
- **SSG Ben Cleland, USAMU**, who earned the Mountain Man Trophy as the high competitor of the NTI and NTT matches.
- **Justin Patton-Rynders of Evanston, Illinois**, who was the overall Service Rifle 2400 Aggregate competitor with a score of 2380-113X.
- **Griffin Lake of Emmaus, Pennsylvania**, who was the Overall Three-Position Aggregate winner in Smallbore.
- **Ryan and Tyler Wee of Wake Forest, North Carolina**, who won the Freedom's Fire Smallbore Match for the second consecutive year.
- **John Whidden of Nashville, Georgia**, who earned the Smallbore Prone 6400 Aggregate Champion title.
- **Kerri Lewis (Middletown, Rhode Island), Meghann Beaver (Indianapolis, Indiana), Maisey Loucks (Mechanicville, New York) and Madelynn Schnelle (Crawfordsville, Indiana)**, who each set new High Woman national records during the National Games Matches.
- **Brian Williams of Granby, Massachusetts**, who won the Three- and Four-Gun Aggregates in the National Games events while marking overall wins in the National Carbine and Rimfire Sporter O-Class matches.
- **Samuel Payne of Kingston, Georgia**, who led the Rimfire Sporter T-Class and David Zwingman of Saginaw, Michigan, who won the TU Class.
- **SP4 Adam Fitzpatrick of Columbus, Georgia**, who led the National Long Range Rifle Aggregate with multiple individual victories.
- **PFC Dustin Carr (San Diego, California) and Thomas McGowan (Hortonville, Wisconsin)**, who earned respective wins in the National Long Range Service Rifle and National Palma Rifle championships.

The CMP would like to extend many sincere thanks to everyone who made significant contributions to the 2022 National Matches, including all the organizations, school and clinic leaders, award donors and countless others – each essential to the success of the event. National Matches photo galleries may be viewed on our photo website at cmp1.zenfolio.com. We encourage you to download your photos for free and share them with friends and family.

We'll be looking forward to seeing you back in Ohio for the National Trophy Rifle Matches in 2023. Until then, have a safe, fun year, and good shooting to you all.

National Trophy Rifle and Pistol Matches

The National Trophy Rifle and Pistol Matches are the annual U. S. national championship in service pistol and service rifle shooting. The National Trophy Matches were established by federal law in 1903, are still conducted under the statutory authority of the U. S. Code (Title 36 USC § 40725-40727) and are now governed by the Civilian Marksmanship Program. Shooters from all over the U. S., civilian and military, test their skills and compete to determine the nation's best service pistol and rifle shooters. To fulfill the CMP's statutory responsibility to "instruct citizens in marksmanship," the National Trophy Rifle and Pistol Matches are open to all shooters regardless of skill level. Beginners compete and learn while shooting side by side with champions. The tradition of the matches and their competitions for prestigious national trophies celebrate marksmanship excellence and provide incentives to develop individual marksmanship skills, equipment and a national competition infrastructure. The CMP National Trophy Rifle and Pistol Matches are held in conjunction with the NRA National Rifle and Pistol Championships through a partnership between the two organizations. The Ohio National Guard and U. S. Army Reserves also provide vital support for the matches. The CMP National Trophy Rifle and Pistol Matches and the NRA National Rifle and Pistol Championships are collectively known as the **NATIONAL MATCHES**.

First Shot Continued

“There have been many careful decisions that have made the effort successful, including modern improvements you see here on the range at Camp Perry,” Sieben said. “The introduction of electronic targets in many CMP competitions . . . raising the sport of air rifle and air pistol to unheard-of levels. These things did not just happen – they were carefully thought out and planned by leaders.”

He went on to recognize those leaders, such as President Roosevelt and more modern Congressional advocates like Ohio’s Bob Latta, who has served as a Republican representative for over a decade and is a regular competitor during the National Matches, as well as Democratic representative Marcy Kaptur, who is the longest serving woman in the history of the House of Representatives (since 1983) and an often attending supporter of the National Matches.

Sieben also mentioned CMP’s own Director of Civilian Marksmanship (DCM) Emeritus, Gary Anderson, who is an Olympic gold-medalist, author and active instructor at many CMP events, along with CMP staff, Board members and current DCM, Mark Johnson, who are all helping to guide CMP programs into the future.

When his remarks were finished, Sieben jokingly introduced “the second best shooter at this First Shot Ceremony,” Bengston, who gave his own comments.

He kept his statements short – speaking on the importance of the relationship between the CMP and the Ohio National Guard in upholding the National Matches.

“These competitions are founded on marksmanship – real marksmanship – not just shooting. It is the foundation of these Matches.” he said. “Everyone comes to Camp Perry to learn, practice, compete, teach and support marksmanship . . . a skill that can only be acquired through practice. No one is a born marksman.”

He also spoke to the traits that make the National Matches exceptional – welcoming competitors of all skill levels to join together on the celebrated ranges that have accommodated some of the best shots in American history.

“This is the time and place where participation by all enter into a special community with shared values, a shared heritage and unique personal bonds,” he said. “It is truly a special experience.”

Along with Bengston and Sieben, another Board member retiring in 2022 includes Judy Legerski herself. The group will be taking 85 years of combined experience with the CMP as they go, with a fresh group of Board members hard at work expanding CMP’s already notable footprint in the marksmanship world. Mr. Denny Lord, Special Projects, was also in attendance for the ceremony and will retire in 2022.

“It’s been a real ride,” Bengston said of his retirement. “I will miss it, but it’s absolutely time, and I’m absolutely blown away with the quality of the Board we’ve brought in to go on. They’re absolutely outstanding.”

As for what Sieben is looking forward to in his retirement, “Well, I have seven grandchildren...” he said with a laugh.

With the first shots taken, Legerski concluded the First Shot Ceremony by speaking the words everyone was waiting for: “The National Matches are officially underway!”

Patton-Rynders, Hendricks Take Overall Honors

CAMP PERRY, Ohio – Through the week of July 25-28, the Civilian Marksmanship Program (CMP) hosted another series of service and match rifle events – the CMP National Rifle Championship. The competition phase is fired on CMP’s own line of outdoor electronic targets and serves as a precursor to the two-week set of National Trophy Rifle Matches, which takes place in August.

The CMP National Rifle Championship features a 4-Man Team event and three days of 800 Aggregate service and match rifle events. Awards are presented to the leading civilian and military competitors for each individual day, along with additional recognitions for the top scores in standing slow fire, sitting rapid, prone rapid and prone slow fire stages. Culminating 2400 Aggregate honors are also presented to leading competitors over all three days.

Justin Patton-Rynders, 35, of Evanston, Illinois, was the overall Service Rifle 2400 Aggregate competitor with a score of 2380-113X. He was also the High Civilian competitor on Day 3 of the 800 Aggregate as well as High Civilian of the Prone Slow Fire Aggregate.

Finding second behind Patton-Rynders was SSG Verne Conant, 26, of the U.S. Army Marksmanship Unit (USAMU), with a score of 2377-125X – leading third place finisher Nick Till, 48, of Howell, Michigan, by only x-count.

Thomas McGowan, 17, of Hortonville, Wisconsin, was the High Service Rifle Junior and finished eighth overall with a score of 2370-72X. SFC Erin O’Neill, 34, of the USAMU, ended just above McGowan in seventh overall and earned the High Woman honor.

In the Senior and Grand Senior Service Rifle categories, Larry Stonecipher, 69, of Ada, Oklahoma, and David Shellhammer, 73, of Slatington, Pennsylvania, brought home the respective titles.

In the 2400 Aggregate Match Rifle event, Joe Hendricks, 26, of Wadsworth, Ohio, claimed the top spot by one point over Ronald Zerr, 60, of Tucson, Arizona, who earned second and the

High Senior title. Hendricks posted a score of 2375-110X, while Zerr reached 2374-123X.

Leading the Service Rifle 4-Man Team event was USAMU Greenwood. Members SSG Verne Conant, SFC Erin O’Neill, SSG Jarrod Mcgaffic and SSG Jacob Blackburn earned an aggregate score of 1971-77X in the win. Likewise, Match Rifle team ORPA (Ohio Rifle and Pistol Association) Red compiled a score of 1960-77X for the overall spot. Team members were Joe Hendricks, Roy Mitchell, Gabrielle Hendricks and Joseph Hendricks.

Also earning notable accolades during the championship was Amber Kingshill, 19, of Vallejo, California, who not only nabbed the High Civilian title on Day 2 but also collected High Junior and High Woman honors along the way.

SSG Amanda Elsenboss Becomes First Woman Ever to Win the National President's Rifle Match

Elsenboss was handed her President's award by Gary Anderson, who has won the match more than any other competitor, and Pennsylvania National Guard Deputy Adjutant General BG Laura McHugh, who came to Camp Perry just present it personally to Elsenboss.

SSG Amanda Elsenboss Becomes First Woman Ever to Win the National President's Rifle Match

CAMP PERRY, Ohio – SSG Amanda Elsenboss, 33, of the Army National Guard, has made history – marking the first overall win by a female in the President's Rifle Match, an event that's been in existence since 1894.

Fired on Aug. 1 as part of the Civilian Marksmanship Program's (CMP) 2022 National Rifle Matches at Camp Perry, the President's Rifle Match is one of the most popular and esteemed events of the year in the United States. The top 100 scoring competitors are dubbed the praiseworthy President's Hundred, with the overall title regarded as an enormously honorable feat.

"This has been a longtime coming – everybody thinks of the President's Hundred Match," Elsenboss said, looking back on her own career.

She's been a recognizable force on the firing line for years and, incidentally, a champion for female athletes. Having started in marksmanship at 13, Elsenboss had already made history in her career, as a junior, when she and Connecticut Palmer teammate Julie Cogshall became the first all-female winners of the Whistler Boy Junior Highpower Rifle Trophy at the 2006 National Matches.

She went on to join the Army in 2009 where she was assigned to the U.S. Army Marksmanship Unit (USAMU). There, she collected several remarkable titles, including national wins in service and long range rifle. At the 2021 National Matches, she set a new national record score and was the overall individual competitor of the National Trophy Team (NTT) event – netting a near unbeatable score of 500-34X.

Last year's National Matches was also her first as a member of the National Guard All Guard Marksmanship Team, which she joined in 2019. While on the team, she has experienced many tests on the firing line, and the 2022 President's Rifle Match was no exception.

"I had a rough go with some shooting, so I was like, 'Alright, get your act together and go and win President's,'" she said. "That was the thought when I woke up in the morning, that was the thought when I drove to the range – that was the thought all day."

This year's President's Match was full of challenges. Heavy winds arrived and swayed throughout the day, provoking each competitor's ability to adapt to the changing conditions. Somehow, Elsenboss managed to reach a preliminary score of 297-9X – dropping only one point each in standing and prone positions.

"I shocked myself by shooting 99's everywhere, and I owe it to my teammates and the other competitors on the line who let me ask them what wind they were using," she said. "The camaraderie between all of the competitors is so large that no one's going to try to hurt you. Everyone's looking out for you. And that makes a difference."

Next, she would head into the President's Match 20-person shootoff – fired after the qualifying round from the day's course of fire. Elsenboss had participated in the shootoff multiple times before, in 20th place and higher, but this year was her first starting in the lead position on the line. Remarkably, she wasn't nervous for the shootoff, despite the match rarely seeing the competitor in first position ending in the same place.

She was ready to go.

"Coming into the shootoff with a three-point lead felt like enough of a buffer," Elsenboss said.

Just as the competitors in the shootoff thought they had a handle on the conditions from firing earlier in the day, the environment took a sudden shift – thrusting its quickest gusts yet.

Still, Elsenboss was confident with her rifle specs. She put her rifle on three minutes, right where she thought it needed to be for her first record shot, and fired – a 7, to the right.

"That's not going to work," she thought. Her next shots brought a 9 on the left and a 9 on the right.

President’s Rifle Match Continued

“I said to myself, ‘You’ve got it bracketed. Stop, and just put it right in the middle.’”

She carried on, tallying consistent shots, until she pulled the trigger on the last – hoping it would be a 10 – and it was. Her aggregate score was 391-12X.

Her shootoff work was done. Now, all that was left was to see how her score measured up alongside the other competitors on the line.

“I felt I’d given it away,” she admitted, thinking back to her first few skewed shots.

Unbeknownst to her, others on the line were having the same issues, and she was able to hold her strong lead.

It wasn’t until SFC Brandon Green, her former USAMU teammate who won the President’s Rifle Match in 2018, came up to the firing line and told her, “Congrats, Champ!”

She was confused, then said, with that unmistakable Elsenboss smile, “Are you serious? You’re pulling my leg.”

Of course, he was serious.

“I’ve known Brandon for almost as long as I’ve been shooting, and it means something that he would do that,” Elsenboss said, recalling the moment.

Elsenboss finished the shootoff just above her teammate SGT Jonathan Wood and added the third consecutive President’s Rifle Match win for the Army National Guard team (SSG John Coggsall and MAJ Samuel Freeman claimed the overall titles in 2019 and 2021). The team also presented the most members on the line during the shootoff of any service team, with Elsenboss, Wood and Freeman all firing.

“I wouldn’t be where I am without the help of my team,” Elsenboss said. “This is a talented group, and we’re all very supportive of each other.”

After her win, a cluster of peers and spectators alike approached to give their own congratulations. Among her fans were young female competitors – wanting a picture next to the history-making athlete. Parents also came up to her, shaking her hand and thanking her for being an encouraging example for the next generation.

“I try my best to be an ambassador, being a female in a sport that’s a male dominant sport – knowing that juniors or other females in general maybe be intimidated and want to figure out shooting,” Elsenboss said.

“I’m glad that I hopefully put forth a good front in that,” she went on. “And it’s real – this is me, I’m a friendly, happy person who enjoys everybody.”

Elsenboss remembers looking up to female inspirations of her own, like Julia Watson (now Carlson) – a legend in her own right who has won national and international

Young female athletes asked for pictures next to Elsenboss following her shootoff win.

titles and was even a participant of the 2022 President’s shootoff. Carlson was also the first female to win the National Matches National Trophy Individual (NTI) event back in 1998.

“I was a junior, and that meant something to me,” Elsenboss said of Carlson and other influential women in the sport. “I thought, ‘If they can do that, I can do that.’”

With one career goal down, Elsenboss is looking forward – remembering to stay humble and to remain persistent in her evolution as a competitor and a positive representative of the sport.

“It’s always, what’s the next match – what’s the next thing that I can go to – how can I do better,” she said.

Yet, from now on, no matter what she does or where she goes – Elsenboss will always be a fixture in the legacy of marksmanship and will undoubtedly carry on inspiring others.

“Let’s continue this and see what we can do,” she said.

Elsenboss was given a traditional President’s Rifle “bath,” often bestowed upon the winner.

USAMU's Mcgaffic, O'Neill Set Record Scores at NT Matches

CAMP PERRY, Ohio – The U.S. Army Marksmanship Unit (USAMU) proved again why they are one of today's premier service units in the competitive shooting world. At the 2022 National Trophy Rifle Matches, held at Camp Perry and supported jointly by the Civilian Marksmanship Program (CMP) and the Ohio National Guard, two members of the USAMU logged new national record scores, while others captured overall individual and team wins along the way.

Leading the National Trophy Individual (NTI) Match and firing a new national record score was SSG Jarrod Mcgaffic, 32, of the USAMU. Mcgaffic fired a perfect score of 500-24X – cleaning each stage of the four-stage event and besting the previous record by one point, set by the teammate SFC Brandon Green in 2017. He also earned the record score for the United States Army Trophy – awarded to the high Army competitor.

"I came looking to not only win, but to perform at my best," Mcgaffic said. "It's something I try to engrave in myself – being able to execute those perfect shots every single time, so that was really my focus going into the week, as a whole."

Growing up, Mcgaffic was a backwoods hunter, which was his only experience in marksmanship. He enlisted in the Army in 2009 and, incidentally, worked security detail for the National Matches – his first taste of the annual event.

"I didn't think much of it, at the time," he said.

A native of West Milton, Ohio, he joined the state's National Guard from 2010 to 2016 before aiding the USAMU as a gunsmith. Two years later, in 2018, he was given the opportunity to shoot and became a member of the service rifle team.

A talented competitor, he earned a Distinguished Marksmanship Badge and his President's Hundred tab (as one of the top 100 competitors in the National Matches President's Rifle Match) in his first year. He has also been successful in Palma and Long Range competition as part of both individual and team wins in the disciplines.

"It was a dream I never thought I wanted, is the best way to put it," he said, humbly, of his career with the USAMU. "I fell into it and took to it. And, obviously, I have a great group of people I'm shooting along with. They're able to push me beyond limits I didn't know were possible."

Another USAMU teammate, SFC Erin O'Neill, 34, etched a national record score of her own in the NTI event – firing 497-22X for fourth overall and the high all-time score for the accompanying Women's Rifle Trophy as the top female competitor.

Also earning not one, but two national records in the NTI was Justin Utley, 37, of Mineola, Texas, who collected the Police Rifle Trophy and the Nathan Hale Trophy as the highest scoring law enforcement and civilian, respectively, with a score of 499-26X. With his outstanding score, Utley finished second overall in the match.

Amber Kingshill, 19, of Vallejo, California, was the high junior of the match, with a score of 488-21X – 34th place out of 789 competitors.

SSG Amanda Elsenboss, 33, from the Pennsylvania National

SSG Jarrod Mcgaffic was the overall winner of the National Trophy Individual Match and secured a perfect, national record score. Presenter: Mr. Mark Johnson

Guard, made impressive marks as well at the 2022 National Matches by becoming the first female ever to win the President's Rifle Match (which began in 1894). She was presented the President's Rifle Trophy by Gary Anderson, who has won the event more times than anyone else in history, as well as Pennsylvania National Guard Deputy Adjutant General BG Laura McHugh, who traveled all the way to Camp Perry just to personally present the honor to Elsenboss.

Naturally, SSG Elsenboss also garnered the high woman title of the match, as Benjamin Holliger, 15, of Carlock, Illinois, earned high junior.

Elsenboss went on to pair up with USAMU's SGT Kade Jackovich for

second behind SFC Green and SSG Ben Cleland in the Hearst Doubles Match. Green and Cleland tallied a score of 589-22X in the win, as Cleland was the high individual with his score of 297-11X.

The USAMU continued their streak as they fired in the National Trophy Team (NTT) Match and secured an overall score of 2960-128X. Firing members of USMAU Greenwood were SSG Ben Cleland, SSG David Bahten, SFC Erin O'Neill, SFC Brandon Green, SSG Jarrod Mcgaffic and SGT Shane Butler.

Cleland collected several other awards throughout the National Matches, including the Rattlesnake Trophy as the high Army member and the Pershing Trophy as the highest overall scoring individual of the NTT with 498-32X. He also claimed aggregate honors – including the Mountain Man Trophy as high competitor of the President's NTI and NTT aggregate with a score of 1288-71X.

Justin Utley returned to stockpile his own aggregate awards, such as the high civilian Pietroforte Trophy for the NTI and NTT, with a score of 992-46X, and the Alice Bull Trophy for highest aggregate in President's and NTI, with 798-35X.

High civilian team of the NTT and finishing fourth overall was Illinois State Gold (Konrad Powers, Liam McKenna, Justin Patton-Rynders, James Vaughn, Mark Aussieker and Tim Klauer). The team fired an aggregate score of 2931-98X in the match.

High junior team of the NTT was Wisconsin Cheddar. Members Thomas McGowan, Anna Behnke, James Lee, Thomas Kirsten, Andrew Behnke and Kacie McGowan accrued a score of 2921-92X – reaching seventh overall.

Wisconsin Cheddar athletes Thomas McGowan and Anna Behnke also nabbed a win in the National Trophy Junior Team Match with a score of 975-41X. Additionally, Behnke was the highest scoring individual of the match, with 490-20X.

In the National Trophy Infantry Team (NTIT) Match, otherwise known as the "Rattle Battle" for its distinct sound as it fires, USAMU Greenwood stowed another win with a score of 1344. Bahten, Butler, Cleland and Green added SSG Verne Conant and SFC Daniel Crody to the crew to overtake the top spot in the event.

Texas State Rifle Association earned the high civilian title (with a second place finish), as the California Grizzlies Team Taylor claimed the high junior honor (taking fourth overall).

CMP Awards First Distinguished Marksman Badge Points – A Program for Disabled Athletes

As part of its role in the marksmanship community, the Civilian Marksmanship Program (CMP) is appointed the honor of distributing Distinguished Badges, the highest individual awards authorized by the U. S. Government for excellence in marksmanship competition. Individuals earn a badge after firing in Excellence-In-Competition (EIC) events and earning at least 30 EIC points and other requirements.

Though the program is offered to competitors in a wide assortment of firearm disciplines, the physical constraints to earn a badge on the firing line left a population of marksmen and women unable to earn a badge of their own – those bearing debilitating conditions.

Thankfully, in 2019, the CMP introduced the Distinguished Marksman Badge, which allows competitors with a permanent disability or impairment that requires the use of adaptive firing positions, equipment or techniques to become eligible to earn the necessary credit points towards a badge in EIC events.

After a long wait, on July 10, 2022, the very first Distinguished Marksman EIC points were awarded.

“I love shooting and wanted to go Distinguished,” said Mark Walsh, 52, of Stoneham, Massachusetts, who was the recipient of the points. “I think it would be a great achievement for a disabled veteran to accomplish and maybe inspire others with disabilities to get into our great sport.”

Walsh began in marksmanship when he joined the Navy Reserve as a Seabee in 2000. There, he made a connection with a superior who taught Walsh how to use a firearm for more than just occupational use.

“We had to qualify every year with a M16,” Walsh explained. “My chief, Franco Scarpino, was a highpower shooter. He taught me how to shoot and got me into shooting.”

In 2003, Walsh went into the Army Reserve as a combat engineer. The position carried him

Mark Walsh was the first recipient of the Distinguished Marksman Badge. Walsh uses adaptive positioning during competitions – unable to go from standing to sitting, as required.

to Iraq from 2004 to 2005, and it was during his stay that he gained the injuries that would take him away from marksmanship competition.

Walsh developed a degenerative disc disease in his lower back and neck, which causes neuropathy in his hands and legs. He also has arthritis in both knees as well as his back, neck and hands. Additionally, he’s had to have reconstruction surgery on his left knee to remove scar tissue and both menisci (the meniscus cartilage that acts as a shock absorber for the joint).

His ailments left him unable to carry out the required, legal positioning in competition that would keep him eligible for regular EIC points and made competing difficult, so, he retired from the sport. In 2020, he realized how much he missed the range, and, with a new chance at a Distinguished Badge, decided to again take

to the firing line.

“I really like all the focus, attention to detail and discipline that is needed to break a good shot,” he said of his love of marksmanship, “Also, the camaraderie with other shooters, especially fellow veterans.”

On the range, Walsh competes in a variety of disciplines such as highpower, mid-range and smallbore rifle. Now set out to finish what he has started with his badge journey, Walsh is hopeful for the possibilities – especially given the encouragement around him.

“I am very honored to be able to be the first one to earn points,” Walsh said. “I have some great people who support me and coach me. People in this sport are great and very willing to help anyone out.”

He credits members of the nearby Reading Rifle & Revolver Club (where he often competes) like Maureen Trickett, Charlie Trickett

Distinguished Marksmanship Badge Continued

and Bob Ward for assisting in his training.

“I will continue to work with these great people and my scores will continue to rise,” he said with confidence.

For anyone else whose bodies feel unconditioned for the firing line but wish to accomplish something new in the marksmanship world, Walsh has simple yet profound advice.

“Just get out there,” he said. “Most importantly, practice as much as you can. This is a great sport that you can do well into your golden years. I didn’t start back shooting until I was 50. If I can do it, anyone can.”

He went on, “Self-care is number one. Physical therapy and occupational therapy have really helped me be more mobile. Use the resources that are available. There are organizations out there to help with getting equipment, guns and transportation.”

Of course, the CMP – as an ambassador of marksmanship for all citizens – is a constant resource for those wishing to get involved in the

sport. Staff members are available to help in any way possible, always ready to answer questions as well as to provide outlets for anyone interested in firearm safety and competition.

As for Walsh, with his first points tallied, he’s now on his way to making what he thought was impossible, possible – earning that Distinguished Badge.

“I really want to thank the Reading Rifle and Revolver, Nashua Fish and Game and Pelham Fish and Game Clubs and their members for their help and encouragement,” he said. “I can never thank enough or ever repay them for everything they have done for me. And a big thank you to CMC Franco Scarpino for being my first coach and introducing me to our great sport.”

“Hold still, squeeze the trigger,” Walsh added. “It sounds easier than it is.”

Jeff Hansen Earns Distinguished Rifleman Badge, Continuing Grandfather's Hidden Legacy

Jeff Hansen, 52, of Genola, Utah, is the holder of Distinguished Rifleman Badge #2561. His journey began with a box filled with his grandfather's old medals, which led him to the historic grounds of the Camp Perry National Matches in Ohio – an annual event since 1907.

Though he had no intention of shooting competitively, only arriving to see the ghosts of his grandfather and uncles, he was so moved by the ambiance of Perry that he took on his own rifling career – eventually leading him to a prestigious Distinguished Badge.

At the 2022 National Matches, Jeff fired his best scores yet. In the National Trophy Individual (NTI) Match, he reached an overall score of 487-9X for 52nd overall out of nearly 790 competitors – marking 199-5X at the 600 yard line out of a possible 200 points.

“He was on the range with me shooting that 199,” Jeff said of his grandpa. “I felt like he was right there when I finished up.”

Below, Jeff uses his own words to describe how his career based in family history has endured its hardships while also generating many new memories and friendships along the way.

“I just hope other people see this and see what I've tried to do – if I can do this, they can do this,” he said. “Chase that dream.”

By Jeff Hansen, Distinguished Badge #2561

As early as I can remember, my grandfather, Lou, was a huge influence in my life.

He was a great marksman. My dad, Ed Hansen, would tell me about the hunting trips they would

go on and how Grandpa would make incredibly long shots to get an amazing bull elk or mule deer, only taking one shot to do so. He was always taking me hunting and fishing and shooting – lots of sleepovers where I didn't actually sleep much, if any, because I would be so excited for the adventures that were going to happen with him the next day.

Whether it was hunting ducks, pheasants, chukars or just shooting, it didn't matter. It was always an awesome experience with him. Life was great.

Then, we got some tough news – my grandfather had leukemia. He fought a courageous battle with it for a couple of years, then in 1978, when I was 8, he passed away.

Jeff competed at the 2022 National Matches at Camp Perry and marked some of his best scores yet.

Needless to say, I was devastated.

Not too long after he passed away, my dad brought home a box from Grandpa's. It was full of medals. He carefully removed them and told me they were from when my grandfather competed in rifle matches with his brothers (Alvin Hansen, a U.S. Army veteran of World War I in France, Ray

Hansen and Oscar Hansen) at Camp Perry, Ohio, in the late 1920s to 1937.

My dad had many of the medals arranged in a frame and hung them on the wall with pictures of my grandpa and his brothers at the National Matches.

My grandpa was really humble – never said much about his trips to Camp Perry or his accomplishments there. Seeing the contents of the box, my grandfather became an even bigger hero to me. The medals he earned that impressed me the most were the three President’s Hundred brassards from 1935, 1936 and 1937 – along with many others.

I grew up looking at those medals thinking I wish I could do that maybe, someday...

My life moved forward. My dad, a U.S Air Force veteran, and I both loved hunting, fishing and shooting and still went as often as we could. Later, I got married and now have three daughters and one son. As my family grew up, we also enjoyed hunting, fishing and shooting together.

Then, life threw some blows. My dad passed away suddenly in November 2014, and my mom fought a fierce battle with cancer for a few years before passing away in March 2018.

Not long after she passed away, I found myself hanging those medals of my grandpa’s on the wall in my own home. Seeing them there got me thinking about how awesome it would be to go to Ohio and watch the President’s Match – not shoot, just watch.

I know – its nuts, right?

In July 2018, I went. I’ve got to admit – there were a few tears in my eyes driving between the two iconic lighthouses at the entrance to Camp Perry. I loved it.

The year I came happened to be the year

SFC Brandon Green of the U.S. Army Marksmanship Unit cleaned the President’s Match – a record that still holds today. I got to talking to one of the Army Reserve team guys, asking him questions about competing, and he couldn’t believe I was there just to watch. I showed him some pictures of my grandfather’s medals, score-book and of Camp Perry in the 1930s. He had some of the other guys, Matt Goad and Jon Arcularius of the Army Reserve team, come over to look at them.

They said, “Hey, you can’t come all the way out here with a family history like that and not shoot here!”

They offered to sign me up for the NTI match the following day and even said they would get a rifle, ammo and anything else I would need to do it. That was so awesome, but I couldn’t make it work – I was flying back home the next day. Although I didn’t shoot, they did get me all the information I needed to get started.

I loved every minute of my first Camp Perry trip. It was because of the people there, showing me such kindness and taking me under their wings, that I thought, “I’ve shot all my life and hunted, and I’ve always liked marksmanship.

Jeff has his grandpa’s Camp Perry medals, which inspired his own marksmanship career, displayed on the wall of his home.

This is something I can do.”

When I got home, I ordered a White Oak upper and started changing parts on my AR-15 to make it ready for matches. I was ready in the spring of 2019 and started shooting mostly small matches.

At first, all I wanted to do with my rifling career was get a President’s medal – following in

Jeff’s family: Alvin, Ray and Lou Hansen at Camp Perry

my grandpa's footsteps. I didn't know what "going Distinguished" was all about. I got a silver achievement medal in the first match I went to, then started to go to more matches, with in-state and out-of-state travel. Through that, I caught wind that winning President's is one thing, but you'll get to President's if you excel your skills and go Distinguished. So, that became the new goal.

By summer, I was traveling to EIC matches and earned my first points at Nampa, Idaho, on July 21, 2019. After that, it was time to head back to Perry for the President's and the NTL.

I didn't do as well as I wanted, but it was an amazing experience to be competing where my grandfather had. I struggled the rest of the year and didn't earn any more points until 2020. It was tough trying to find matches during COVID, but I ended up earning 12 more points by the end of the year. I missed a hard leg at Twentynine Palms, California, by x-count, and things got tough after that.

I figured I needed to step up the way I was practicing, so I got a shot marker, electronic target system and some wind flags so I could practice full distance. I'm very lucky that I can practice 30 minutes from home any time I want on the public land in the surrounding area.

My 2021 started out in Phoenix at the Arizona State Rifle and Pistol EIC Match – six points, no hard leg – followed by the Pacific Fleet and All Navy week at Camp Pendleton, where I missed the hard leg by three points but still earned six.

Though I'd reached my 30 points, I still hadn't gained that hard leg. Next, I went to the Colorado State Highpower Championships – no points. Then the 2021 National Matches at Perry – no points. Phoenix again? No points. Another trip to Twentynine Palms? No points.

Starting in the first part of December, I had some extremely hard things going on in my personal life, and I didn't feel like practicing. I didn't even pick up my rifle for two months. I missed the first EIC in Phoenix in January, and before I knew it, February was half gone. Then, one of my friends talked me into going to the Western CMP Games in Phoenix in March – only two weeks before it was set to take place.

Practice was tough, and sometimes I wondered why I was even trying. Tons of things were going wrong, and I was about DONE. I wanted to quit, many times.

Western Games was fun, and I did well – but, you guessed it, no points.

Navy Matches were coming around at the end of April, so I practiced as much as I could and made the trip. With several friends going, it would be great getting together after the matches and have a good time. I shot well the first day as well as on that Saturday. I even shot my personal best National Match Course score. Then Sunday, May 1, was the real test – the EIC match...

I struggled in standing and dropped a few more points than usual. Sitting was the same – rapid prone was good. Slow prone went well. The wind

A leap into marksmanship competition began for Jeff after a visit to the National Matches in 2018.

had some fairly big changes, but I worked through it and ended up with 477-11X. I figured there's no way I'm making the cut for a hard leg this time and headed to the pits to finish out the match. We finished and waited for the results...

When the results were posted, I couldn't believe it – I FINALLY GOT THAT HARD LEG!

I did it. There were enough competitors for three hard legs, and I ended up number two Non-Distinguished. On top of earning my goal at last, it's awesome to have my friend Jeff Lovat (#2383) be the one to present me with my Distinguished pin.

Though I certainly enjoy earning my Distinguished Badge, the greatest thing I have gained from accomplishing this is without a doubt all the friends and people I have gotten to know along the way.

To all my shooting friends (you know who you are!!!), thanks for not letting me quit – part of this accomplishment is yours too.

To all of you that are working toward that goal, don't ever quit. Keep practicing, and your day will come. Never quit until you reach your goals.

That President's Hundred medal is still out there – maybe next year!

No matter what, I do know one thing. When I walk that stage at Perry at the 2022 National Matches and get my Distinguished Badge officially presented to me – my dad, my grandfather and his brothers will be walking it with me.

Now in possession of his own marksmanship mementoes, Jeff plans to create his own display of awards by encasing his EIC achievement medals and, of course, his Distinguished Badge –surrounded it with photos of those who helped him

along the way. He also collected the brass used in the match where he finally legged out and plans to exhibit those as well.

If anyone else has any past knowledge on Jeff's grandpa or uncles (Lou, Alvin, Ray or Oscar Hansen), please contact the CMP with anything you can provide!

About the Distinguished Badge Program:

To earn a Distinguished Badge, a competitor must earn 30 Excellence-In-Competition (EIC) points or more in a qualifying competition. Individuals earn the 6, 8 or 10 "leg" points based on score and a percentage of match participation, with at least one "hard" leg, worth 8 or 10 points. Currently, the CMP administers Distinguished Badges for:

- Service Rifle
- Service Pistol
- .22 Rimfire Pistol
- Junior Air Rifle
- International Shooter
- Smallbore Rifle
- Distinguished Marksman Badge
- Distinguished Air Rifle and Air Pistol
- Distinguished Service Revolver Badge

For others interested in learning more about the Distinguished Badge Program or how to earn one (or several!), find all the info on the CMP website at <https://thecmp.org/competitions/distinguished-badges/>

Ladies Set Multiple National Records

CAMP PERRY, Ohio – The 2022 National Games Matches, part of the annual Civilian Marksmanship Program (CMP) National Rifle Matches at Camp Perry, belonged to the women as they collected national record scores in four of seven main events offered within the schedule.

Kerri Lewis, 46, of Middletown, Rhode Island, shattered the previous High Woman record in the Vintage Military Match with 271-4X – clearing the score by a whopping 13 points.

Not to be outdone, Meghann Beaver, 23, of Indianapolis, Indiana, etched her own national record in the High Woman category of the Springfield Match as she bested the prior record score (held by Lewis) by five points – reaching 287-9X in the event.

Likewise, Maisey Loucks, 27, of Mechanicville, New York, earned High Woman in the Carbine match along with a new national record score – surpassing the old record by three points – while Madelynn Schnelle, 15, of Crawfordsville, Indiana, set a score of 283-5X (one point over the previous record) in the John C. Garand Match to claim the High Woman honor.

The National Games Matches are the CMP’s own lineup of recreational-style vintage and modern rifle competitions. The events provide unique challenges to competitors while also celebrating the legacy of each remarkable firearm on the historic grounds of Camp Perry – home to the National Matches for over a century.

Among many fun and challenging events, the Games series includes four main rifle groupings (Garand, Springfield, Vintage and Modern Military), as well as aggregate awards for those who fire multiple rifle types. Recognitions are also awarded to the High Junior, High Senior, High Garand Senior and High Woman of each match.

Brian Williams, 48, of Granby, Massachusetts, is no stranger to the National Games events. He’s the current national record holder in the Vintage Military Match and is a past winner of the Three-Gun Aggregate while also claiming the Four-Gun Aggregate four out of the last five years.

“I have a few goals for these matches

Kerri Lewis earned multiple High Woman titles and a new national record during the National Games Matches. Presenter: Mr. Gary Anderson

every year, and this year I was able to stay consistent enough to achieve all three,” Williams said.

His conquests for 2022 were the M1 Carbine Match and return wins in both the Three-Gun and Four-Aggregates – all in which he went on to earn.

Williams led the Carbine Match by more than 10 points, achieving a score of 375-10X. Merton Emery, 66, of Auburn Hills, Michigan, landed in second with 364-7X and claimed the High Senior title. Other notable performers during the Carbine event included Cole Aussieker, 16, of Weldon, Illinois, who was High Junior, and Dean Wilkening, 71, of Decatur, Indiana, who marked High Grand Senior status.

Nick Till, 48, of Howell, Michigan, nearly reached a national record of his own but came up short with a score of 291-6X for the overall win in the Garand Match as Williams took second. High Senior, Doug Armstrong, 62, of Lexington, North Carolina, earned third.

Allison Schultze, 20, of Elmore, Ohio, notched a score of 280-5X for the High Junior title, as Robert Stekete, 72, of Haslett, Michigan, earned 277-2X for the High Grand Senior spot.

In the Springfield Match, James Schonke, 48, of Pepin, Wisconsin, led overall

with a score of 292-9X. Schnelle returned to earn the High Junior title, while James Martin (66, of Pittsburgh, Pennsylvania) and Frank Gill (71, of Oil City, Pennsylvania) respectively earned High Senior and High Grand Senior honors.

Matthew Slocum, 41, of Springfield, Pennsylvania, not only led the Vintage Military event but was also the top competitor firing a 1917 Enfield – achieving an overall score of 288-8X. Also earning overall categorical titles was High Junior Alex Becker (17, of Monticello, Indiana), High Senior Thomas Morley (62, of Washington, Pennsylvania) and High Grand Senior Robert McKenzie (73, of Vineland, New Jersey).

Clearing the top spot in the Modern Military Match was SGT Jonathan Wood, 37, of Kennar, Louisiana, with a score of 293-12X. High Senior was Steven Dekich, 65, of Auburn, Alabama, as Michael Larkin, 70, of Sugar Land, Texas, earned Grand Senior. Kyle Schloemer, 20, of Cleveland, Ohio, was named High Junior.

A Springfield M1A Match, hosted by Springfield Armory, was also held during the National Games Matches. Out of over 200 competitors in the event, Brian Appel, 33, of Holyoke, Massachusetts, landed in front with a score of 377-5X.

Also earning recognitions was High Service Member Maj Richard Martinez of the U.S. Marine Corps, High Junior Thomas McGowan of Hortonville, Wisconsin, High Senior Robert Stekete of Haslett, Michigan, High Grand Senior John Kurek of Jacksonville, North Carolina, and High Civilian Dwayne Lewis of Greenville, South Carolina. Kerri Lewis earned High Woman.

In the Vintage Sniper Match, Rudd's Rough Riders (Michael Korff and Paul Jackson) overtook the Manual category with a score of 391-12X, while Team Tater (Liam McEvoy and Robert Boxler) gathered a score of 369-4X to claim the Semi-Auto win.

Payne Earns Third T-Class Win During 2022 National Rimfire Sporter Match

CAMP PERRY, Ohio – Blustery winds, not uncommon to the outdoor ranges of Camp Perry, once again spilled over the target line and challenged competitors firing within the National Rimfire Sporter Match – held as part of the annual National Matches for the last 20 years.

The 2022 National Rimfire Sporter Match was fired Sunday, July 24, on Camp Perry’s Viale Range. During the event, competitors fired from 50 and 25 yards in prone, sitting or kneeling and standing positions. Over 250 competitors took to the firing line during the match in Open Sight (O), Telescope Sight (T) and Tactical Unlimited (TU) classes.

Current national record holder and two-time champion of the T-Class, Samuel Payne, 23, of Kingston, Georgia, returned to Camp Perry to again claim the overall win in the match with a score of 592-22X. Payne tallied perfect scores at prone slow and rapid, while adding scores of 99 at sitting rapid and standing slow. A talented marksman in the National Rimfire Sporter match, Payne is also a past winner of the O-Class.

Jeff Collings, 42, of Frankenmuth, Michigan, reached second behind Payne with 587-18X, while Andy Miller, 47, of Coshoc-ton, Ohio, followed in third.

Connor Stout, 20, of Waterford, Michigan, earned the High Junior honor in the T-Class, as Major Jeffrey Knop, 62, of Brighton, Michigan was named High Senior. Brianna Toikkanen, 24, of Conneaut, Ohio, marked fifth overall in the match and the High Woman title, with her score of 583-27X.

In the TU Class, David Zwingman, 52, of Saginaw, Michigan, fired an aggregate score of 590-48X to overtake the match – like Payne, earning perfect scores of 100 in the slow fire and rapid fire prone stages. He also marked scores of 99 in both standing slow and rapid fire portions.

Falling just two points below Zwingman for second was Rachel Jones, 36, of Cocoa, Florida, as Matt Kellgreen, 35, Leetonia, Ohio, trailed Jones by one point for third. Jones was also the High Woman of the match.

Calvin Johnson, 61, of Ashtabula, Ohio, finished in fifth with the High Senior rank-

ing, while Brendan Dunn, 15, of Taylorsville, Georgia, earned the High Junior spot.

Leading the O-Class Championship was Brian Williams, 48, of Granby, Massachusetts, with a score of 577-21X. Following in second was Bryan Wiles, 25, of Shepherd, Michigan, with 571-9X, as James Stewart, 57, of Eaton Rapids, Michigan, took third.

High Junior of the O-Class was Lucy Evans, 14, of Rydal, Georgia, and LTC Amy Tombley, 57, of Canton, Michigan, claimed the High Woman title. Thomas Dean, 68, of Perry, Michigan, earned the High Senior title with a score of 559-11X – landing in fifth overall in the class.

Also firing during the National Rimfire Sporter schedule was the Rimfire Dewar Match – introduced at last year’s National Matches. Participants in the event fired 20 shots from both 50 and 100 yards in 20-minute stages. Winning the 2022 match for the second year was Eric Mantooth, 53, Ft. Oglethorpe, Georgia, with a score of 391-13X.

CMP Marks High Attendance at Inaugural Camp Perry National Air Gun Matches

CAMP PERRY, Ohio – Over the weekend of July 16-18, the Civilian Marksmanship Program (CMP) presented a brand new series of indoor events for juniors and adults, the National Air Gun Matches. Fired within the world-class range of the Gary Anderson CMP Competition Center, the fresh lineup will now be a fixture during the annual Camp Perry National Matches, held each summer in Ohio.

“With almost 200 competitors, we were very happy with the turnout we had for the first year of the National Air Gun Matches, and we’re looking forward to building this match in the future,” said Katie Harrington, CMP program coordinator and match director for the National Air Gun events. “We are so appreciative of the support we had, and it was so great to see the camaraderie and sportsmanship between competitors – it’s what the National Matches are all about.”

The inaugural National Air Gun Match series was comprised of a Team Elimination Match followed by two days of 60 Shot air rifle and air pistol competitions. A team championship was also fired concurrently with the 60 Shot Match, combining the 60 shot scores of four grouped athletes.

The Team Elimination Match brought a unique type of competition to the National Matches schedule, combining the talents of paired athletes in air rifle and air pistol for three separate rounds. Round 1 saw teams firing 20 record shots each in 20 minutes, with the top 18 teams in each discipline moving on to the same format in Round 2.

Teams that qualified for Round 3 (the top four teams from Round 2) entered a new course of fire that featured single shots fired by each teammate in a time limit of 50 seconds – the first and second teams competing against one another, along with the third and fourth. The single shots from each teammate were combined, with the team achieving the highest score receiving two points. The first duo to reach 16 points or more were declared the winners.

Winning overall in the 2-member Elimination Match for air rifle was Ope and Y’all, Kristen Hemphill and Katie Zaun. The pair beat out Horned Nanook (Rylan Kissell and Abigail Gordon) 16 to 8.

In air pistol, Nova Sharp Shooters, William Regala and Suman Sanghera, took home the overall title after a tight contest

against Arizona State Rifle & Pistol Association (John Zurek and Eugene Berman) – attaining a score of 16 to 14.

Each winning 2-person team member received \$100 from the CMP.

During the National Air Gun Championship 60 Shot event, competitors fired two days of 60 record shots, followed by a final for the top eight Open and Junior athletes at the conclusion of the two days.

Earning the Junior Championship title in air rifle was Elizabeth Probst, 16, of Brady, Texas, with a score of 249.4. Following in second was Gavin Barnick, 19, of Appleton, Wisconsin, with 248.1, as Probst’s teammate Camryn Camp, 16, of Hillsboro, Texas, landed in third. Katie Zaun, 19, of Buffalo, North Dakota, led the Open competition with a score of 248.4 over 2-person teammate Kristen Hemphill and SGT Brandon Muske of the U.S. Army Marksmanship Unit (USAMU). Both Probst and Zaun earned \$200 for their wins.

Suman Sanghera, 16, of Great Falls, Virginia, earned the same prize and the Junior Champion title in the air pistol match, with a score of 233.5. She also claimed second in the Open competition behind Anthony Lutz, 34, of Orient, Ohio, who fired a score of 238.2 for the overall win. The air pistol event also included recognitions for age group and

classification leaders.

In the 4-Man Team competition, the US-AMU claimed the top spot in the air rifle event. Members SGT Timothy Sherry, SGT Brandon Muske, SGT Patrick Sunderman and SPC Levi Clark fired a combined score of 4985.4 to overtake the match. High Junior Team was Dads of America – Elijah Spencer, Bremen Butler, Emme Walrath and Alivia Perkins. The team also received third place in the Overall competition with a score of 4969.7

Team Lapua (David Lange, Edward Reineke, Andrew Esposito and Richard Kang) fired the overall winning score of 4390-84X to claim the 4-Man win in air pistol.

National Match Air Gun Events

CAMP PERRY, Ohio – The 2022 National Air Gun events, held as part of the Civilian Marksmanship Program’s (CMP) National Matches, welcomed over 580 air rifle and air pistol entries throughout July and August. The events are held within the Gary Anderson CMP Competition Center, located on the grounds of the historic Camp Perry National Guard Training Facility, and utilize the technology of indoor electronic targets – capable of simulating multiple yard lines from a fixed firing point.

The lineup includes a variety of opportunities suited for both seasoned competitors and those new to the sport. New to the schedule in 2022 was the 100 Shot Challenge, which consisted of a whopping 100 record shots. Winning the Air Pistol competition was Daniel Miller, 40, of Mineola, Texas, with a score of 912-7X, as Claudia Muzik, 16, of Green Springs, Ohio, overtook Air Rifle with a score of 994-75X.

Finding the win in the 40 Shot Vintage Air Rifle Pneumatic Sniper Match, fired at a simulated 300 and 600 yards to mirror the outdoor Vintage Sniper Match, was Larry Bush, 74, of Perrysburg, Ohio, with a score of 396-19X – besting last year’s winner, Thomas Wonderly, 76, of Portage, Ohio, by two points.

An AiR-15 Challenge Match was also on the schedule, featuring air guns that resemble AR-15 rifles and a simulated 100-yard target. Leading the event for the second consecutive year was SFC Brandon Green, 37, of Box Springs, Georgia, with a score of 396-19X. David Baalman, 48, of Richland, Washington, topped the 20 Shot AiR15 Standing Match with 192-3X.

The CMP’s Bench League allows participants of any age to compete in a national-level event, even if he or she has never competed before. During the League, competitors fire air sporter, precision or AiR-15 rifles off a set support for added stability – providing a fun and challenging experience for all.

Claiming the overall win in the 60 Shot Bench Air Rifle Match was Philip Edwards, 74, of Marblehead, Ohio, with a score of 632.3. Edwards finished just one point above Riley Dunn, 16, of Washington, Pennsylvania, who landed in second.

Edwards also led the Bench League 30 Shot Precision Match by only seven-tenths of a point. Larry Kiraly, 69, of Perrysburg, Ohio, led the 30 Shot Sporter Match by a narrow margin, as Bush returned to claim the win in the AiR-15 competition.

A Center Shot contest, where participants who fire closest to target center have the chance to

win money, based on participation, also challenged competitors in the air gun range in both rifle and pistol categories. Leading the Rifle Center Shot contest was Scott Braun, 52, of Belvidere, Illinois, who fired the only 10.9 shot. Also firing a 10.9 was Amy Trombley, 57, of Canton, Michigan, who led the Pistol Center Shot and earned over \$90.

For a complete list of results of the 2022 National Matches Air Gun Events, visit the CMP’s Competition Tracker page at <https://ct.thecmp.org/22nmageresults>. The National Match Air Gun Events will return next Summer for the 2023 CMP National Matches at Camp Perry.

About the Gary Anderson CMP Competition Center:

The Gary Anderson CMP Competition Center is open to the public, year-round, Monday through Thursday and features an 80-point range filled with CMP’s own electronic targets. The facility also features authentic Olympic and other memorabilia from the career of celebrated American marksman, Gary Anderson, as well as a retail center for equipment and memorabilia needs. Learn more by visiting the CMP website at <https://thecmp.org/ranges/cmp-competition-centers/>.

The AiR-15 Challenge is a standing event that features air guns resembling AR-15 rifles.

Claudia Muzik led the rifle 100 Shot Challenge with a score of 994-75X.

The undemanding environment of the air gun range, held in a safe and controlled area, makes it perfect for marksmanship enthusiasts of all ages and skills.

The Bench League events allow competitors to fire from a fixed position.

Lake, Whidden Claim Overall Wins, F-Class Makes Debut

The 2022 National Smallbore Matches, held at Camp Perry and facilitated by the Civilian Marksmanship Program (CMP), commemorated its fourth year as part of the annual National Matches calendar by delivering fresh champions on the podium and introducing new opportunities for competitors on the firing line.

The series began on July 19 and ran to July 27, highlighting a number of talented adult and junior athletes along the way in Three-Position and Prone competitions. A Small Arms Firing School, led by members of the U.S. Army Marksmanship Unit, was also held during the nine-day schedule.

For the first time in the program's history, the National Smallbore series showcased an F-Class. Obtaining all the first F-Class titles over the course of the Smallbore series was PO3 Randy Herrmann, 65, of Kingsport, Tennessee. Having competed in both service rifle, smallbore and long range rifle competitions over his career, 2022 marked his 15th trip to Camp Perry.

"It was a real pleasure to be doing the competition – winning's just part of it," Herrmann said. "I enjoyed every minute of it . . . I thought it was a good experience."

Awards were presented to overall winning individuals and teams, as well as to top athletes in age (Under 21, Under 18, Under 15, Over 60 and Over 70) and marksmanship classification categories.

Three-Position (3P) Smallbore Championships:

The Three-Position National Championship was comprised of two days of competi-

tion in Iron and Any Sight matches – with 20 record shots at kneeling, prone and standing positions.

Griffin Lake, 17, of Emmaus, Pennsylvania, captured numerous awards at the event, including the Overall Three-Position Aggregate with a score of 1117-27X. He was also the high Intermediate Junior (under 18).

He's been involved with marksmanship practically his entire life – firing his first rifle at five and beginning competition at 11. Though he also competes in precision air rifle (and even recently earned a place on the USA Shooting National Futures Team in the discipline), he admits that smallbore is his true focus.

"I just did what I usually do – which is

shoot," he said, simply, of competing at Camp Perry. "I just like to shoot."

Earning the second place position behind Lake in the Overall Aggregate was Ashlyn Blake, 15, of Sparta, New Jersey, with a score of 1116-35X. Though she finished behind Lake in the Overall, Blake managed to surpass him in the Any Sight Competition by x-count – reaching a score of 565-26X for the win.

Ryan Wee, 17, of Wake Forest, North Carolina, fell just short in the Overall Aggregate behind Lake and Blake, securing a score of 1116-27X for third.

Taking the top spot in the Iron Sight Championship was Megan Jaros, 16, of Rosville, Minnesota, with a score of 567-14X. Tyler DeKruger, 17, of Lancaster, New York, took second behind Jaros – leading third place finisher Addy Burrow, 21, of William-son, Georgia, by one point.

In team competition, Ryan Wee returned to pair up with his brother, Tyler, 15, to reach a score of 1126-39X and the win in the Freedom's Fire Match for the second year in a row. The Wee brothers also joined Ashlyn Blake and Alexa Bodrogi to earn the high score in the four-person Team Championship with 2237-47X.

Prone Smallbore Championships:

Like 3P, the National Prone Championships featured two days of both Iron Sight and Any Sight events (four days overall) for adults and juniors. Each day included four stages of fire at 50 yards, 50 meters and 100 yards.

Mark Del Cotto led the Metallic Sight Prone event.

Randy Herrmann was the first winner in the National Matches F-Class events.

CMP Smallbore Matches Continued

John Whidden, 46, of Nashville, Georgia, was named the Prone 6400 Aggregate Champion after firing a score of 6379-449X. During his route to the Aggregate win, Whidden also earned third overall in the Iron (Metallic) Sight Championship and second in the Any Sight match.

Top juniors of the 6400 Aggregate were Jordyn Ewine, 17, of Buffalo, North Dakota, Ashlee Peters, 18, of Pelham, New Hampshire, and Benjamin D'Angelo, 20, of Jamestown, New York.

Finding second in the Aggregate event was Antonio Gross, 22, of Ontario, New York – eight points below Whidden. Larry Parker, 71, of Swanzey, New Hampshire, took third.

Leading the Iron (Metallic) Sight Championship was Mark Del Cotto, 62, of Lexington, Kentucky, with a score of 3192-220X. Del Cotto was also the high senior competitor of the match.

Following in second was Antonio Gross with 3188-199X, as John Whidden landed in third with 3186-212X.

High juniors using Iron Sights were Brady Fowkes, 18, of Mayport, Pennsylvania (who earned fourth overall), Ashlee Peters and Jordyn Ewine. All three juniors were within the top eight competitors of the over 60 entered in the event.

In the Any Sight competition, Eric Gestl, 56, of Bethlehem, Pennsylvania, acquired a score of 3194-232X for secure first overall. Whidden returned to claim second by just one point under Gestl, as Abigail Benson, 24, of Brockport, New York, fell one point short of Whidden for third.

Jordyn Ewine was the overall junior of the Any Sight Match after besting Joseph Hahn, 19, of Middle Grove, New York, by x-count. Benjamin D'Angelo followed in third in the junior match.

Brothers Ryan and Tyler Wee claimed the Freedom's Fire Match win for the second year.

New to Come in 2023:

The National Smallbore Matches will return in 2023 with a contemporary look that should excite competitors of all ages. Instead of the traditional paper targets, each competition of the National Smallbore Matches will be fired on electronic targets – hoping to create an even more inviting atmosphere for athletes of all ages to enjoy! Follow updates of the National Smallbore Matches throughout the year at <https://thecmp.org/cmp-national-matches/smallbore-national-matches/>.

Ashlyn Blake was the leading competitor in the Three-Position Any Sight event.

Megan Jaros led the Iron Sight Championship.

Jordyn Ewine earned the Overall Junior title of the Any Sight match.

Eric Gestl was the top competitor of the Any Sight Prone match.

Fitzpatrick Earns Multiple Wins

SP4 Adam Fitzpatrick, 26, of Columbus, Georgia, had an impressive showing at the 2022 National Matches – leading overall in the National Long Range Rifle competition with an aggregate score of 1643-94X. On the way to his win, Fitzpatrick also compiled victories in the Kerr Memorial Match, McMaken & Speaks Memorial Match and the Baesel Memorial Match.

The National Long Range events at Camp Perry saw a collection of 600 entries throughout the five-day series, which ran from Aug. 9-13. Along with Long Range Rifle competition, the series featured Service Rifle, Palma Rifle, Match Rifle, AR Tactical and F-Class categories through both individual and team events.

Coming off her history-making rifle performance during the 2022 National Matches, becoming the first female to ever win the prestigious President’s Rifle Match, SSG Amanda Elsenboss, 33, of Lebanon, Pennsylvania, earned High Woman of the overall Long Range aggregate with a score of 1630-77X. She also finished fifth overall.

PFC Dustin Carr, 21, of San Diego, California, was the high overall competitor in the National Long Range Service Rifle event – assembling a score of 1598-62X – as Thomas McGowan, 17, of Hortonville, Wisconsin, claimed the National Palma Rifle win with a score of 1629-66X.

High Junior of the Palma Rifle aggregate was Trey Friguglietti, 20, of Lincolnton, North Carolina, with 1612-61X and a sixth place finish. Hanne Brantner, 52, of Greencastle, Pennsylvania, earned the High Woman title in Palma, while Allen Castle, 62, of Columbia Cross Roads, Pennsylvania, took the High Senior honor.

In team action, the U.S. Army Marksmanship Unit led the Match Rifle and Service Rifle portions of each team competition, while USNRT Sr – Red (Thomas McGowan, PFC Zevin Linse, Kevin George and Justin George) overtook the Palma category. The USNRT was coached by Trey Friguglietti.

Family Brings Three Generations To CMP'S

Three generations of the Williams family were represented on the ranges of Camp Perry this summer. The group, hailing from Greensburg, Pennsylvania, arrived at the historic site to participate in the 2022 National Games Matches – following in the footsteps of countless others who have made the event series a yearly pastime.

“It’s a tradition that was ‘restarted’ in 2002,” said David Williams, 52, of the National Games Matches. “My father wanted to get back into shooting, and with the Garand Match, he found that opportunity.

For David, a 3-gun competitor, getting into the vintage Games events seemed like a great way to improve his basic marksmanship skills – and firing them at Camp Perry brought back experiences from his childhood that have lasted a lifetime.

“Camp Perry was the place I spent my birthday until I turned 13,” David said. “Every year over Memorial Day, my birthday, we were there.

The patriarch of the Williams group, Gerald, 84, is a veteran. His extensive marksmanship career includes time as a member of the first Army rifle team and the 99th Army Reserve Command. His era with the teams brought him to Camp Perry for matches, when he would bring David along for the trip.

David remembers those days clearly – thinking back to when he would ride his bike all over base while Gerald shot at the 600 yard line on Camp Perry’s Rodri-

Family members Gerald, Cole and David Williams attended the 2022 National Matches together at Camp Perry.

The Williams family participated in the National Games events, featuring modern and vintage rifles.

guez Range. David's first shots of his own at Perry were between the 300 and 600 yard line on Rodriguez in the evening after matches completed, with the compound bow he got for his birthday. Following Memorial Day, the family would return to Camp Perry for the National Matches to create even more enduring memories and fun.

This year, Gerald competed in the Modern Military Unlimited with his grandson/David's son, Cole, 17, and shot the Vintage Sniper Match team match with David. It was Cole's first year participating in the National Rifle Games events, though he's been shooting in the National Rimfire Sporter Match (also fired at Camp Perry each summer) since he was 12.

Along with the Springfield and Modern Military Games competitions, David fired in prestigious National Trophy Matches like the President's Rifle Match, National Trophy Individual Match and the Hearst Doubles team event (where he paired with his cousin).

"We keep coming back every year because we get to spend a week together doing what we enjoy with family and friends," David said. "Plus, we all agree punching an X at 600 in 25-miles-per-hour wind is better than anything at Cedar Point."

It's never too early to start planning your own trip to the Camp Perry National Matches!

The National Matches, hosted by the Civilian Marksmanship Program (CMP), has been a staple at the Camp Perry National Guard Training Facility since 1907. With its many fascinating offerings and patriotic roots, the event has attracted thousands of repeat visitors over the years, often sparking a tradition for family members.

Situated along the western shoreline of Lake Erie, Camp Perry is tucked within Ohio's Vacationland – a region filled with breathtaking views, beaches, lighthouses, flourishing local businesses and even one of the world's largest amusement parks, Cedar Point. Those in the area keep busy during the summer months, especially when July and August roll around and the four-week lineup of pistol, rifle and air gun events that comprise the annual National Matches draws guests from around the country to the Lake Erie coast.

There are several worthwhile competitive and educational opportunities presented during the National Matches, but the National Games Matches are the CMP's own unique lineup of recreational-style vintage and modern rifle competitions that are perfect for those just beginning in the sport as well as more seasoned competitors. The event list holds such recognizable names as the Springfield, Vintage Military and the popular John C. Garand matches – providing rare challenges to competitors while also observing the legacy of each remarkable firearm. Learn more about each phase of the event and view the complete match schedule for 2023 and beyond on the CMP website at <https://thecmp.org/cmp-national-matches/>.

Thousands travel to Camp Perry to take part in the pistol, rifle and air gun events offered throughout the summer.

A Special Thank You to CMP Support Team Members
