# Pricing, Terms & Conditions

Version: 1.0

Published: 01/01/1987

These Pricing, Terms & Conditions are provided to you by VIA, Inc. (hereafter referred to as "Via Seating", "we", "us", "our").

## Pricing Terms

Prices listed in the Price List & all external specification software (CET extension, 2020 catalog, Project Matrix catalog, My Resource Library catalog, etc) unless where otherwise stated, are PUBLIC LIST prices including standard freight. Merchandise is sold FOB ORIGIN, with ownership transferring to the purchaser at the time of shipment, within the 48 contiguous United States.

Prices are subject to change without notice, prior to order confirmation.

List prices are subject to trade discount for qualified purchasers.

Every effort is made to ensure that the Price List and all support documentation are up to date at the time of printing.

## Credit Terms

Credit should be established in advance of placing an order with Via Seating to allow time for credit verification.

A credit limit will be determined upon acceptance of satisfactory references.

If an open account has not been established by the time of shipping, first time orders with approved credit must be accompanied by a 50% deposit with balance due 30 days upon shipment.

New customers must contact Via Seating, or a Via Seating representative for a credit application.

Direct URL: [www.viaseating.com/legal/pricing-terms-conditions](http://www.viaseating.com/legal/pricing-terms-conditions)

## General Terms

Existing customers with approved credit; Terms are Net 30 Days.

Early payment discount of 1.5% when received Net 10 days, with check or ACH. No discount when paid with a credit card.

Credit card payments accepted with 2.5% surcharge (for non-GSA orders). Surcharge waived if paid Net 10.

Past due accounts are subject to a monthly service charge of 1.5% (18% APR).

All orders placed without approved credit must be pre-paid in full prior to production.

First time orders with approved credit must be accompanied by a 50% deposit with balance due 30 days upon shipment.

## Shipping & Freight Terms

The best method of shipping is determined by Via Seating. All packaging is included.

General Shipping Methods:

- STANDARD SHIPPING: Most Via Seating chairs ship 95% assembled (NO TOOLS REQUIRED).
- FULLY ASSEMBLED: 100% assembled in a box. This method is standard on some products and is an option on most other products. See individual series pricing pages for details and pricing (task, conference & executive chairs only).
- KNOCKED DOWN/ASSEMBLY REQUIRED: This method is offered on the Rise series & a few outdoor products. See individual pricing pages.
- BLANKET WRAPPED: minimum order of 150, call 1-800-433-6614 for more information.

Freight is included anywhere within the contiguous US, with the following exceptions:

- Additional Freight costs will apply to multi-use seating orders when less than box quantities are ordered for multi-pack boxes.
- See freight costs for outdoor furniture where freight is not included.
- Zone restrictions apply to: Alaska, Hawaii, Puerto Rico, Guam, Canada and Mexico.

Direct URL: [www.viaseating.com/legal/pricing-terms-conditions](http://www.viaseating.com/legal/pricing-terms-conditions)

- Charges are non-negotiable for any shipping costs outside of Via Seating typical shipping.
- Additional charges apply to orders requiring: liftgate, inside delivery, address changes, storage or holding costs and any conditions outside of those for standard shipping.
- Short shipments must be noted on the bill of lading and a copy of this must be sent to Via Seating within 5 days of delivery.
- Residential deliveries include a separate delivery fee.

## Freight Terms

The dealer is responsible for any/all storage or holding costs, re-delivery charges, detention fees and change of address after shipment.

Detention fees will be billed direct to consignee by carrier. If consignee or dealer requires change in billing, they can contact carrier directly.

Expedited freight (overnight, 2 day or 3 day), Lift Gate and inside deliveries are available at an additional charge.

Limited Access Charges apply to all limited access facilities including Schools, Military, Construction, Churches etc.

Call your Via Seating Client Accounts Specialist for a quote. Please allow 24 hours for all quotes.

## Changes & Cancellations Policy

Change requests may result in a change fee.

Changed or canceled non-stock fabric or leather orders will result in restocking charges.

Cancelled orders already in production will result in restocking charges.

## Resellers & Product Display Policy

Prior permissions from Via Seating in writing & signed are required to display or sell Via Seating product through any form of print or digital media including websites, in person and through any method of sale.

Direct URL: [www.viaseating.com/legal/pricing-terms-conditions](http://www.viaseating.com/legal/pricing-terms-conditions)

## Freight Claims Policy

All Via Seating products are carefully inspected and securely packed prior to leaving our facility.

It is the consignees or customers responsibility to verify the product is received free of visible damage in noting any/all damage on freight carrier's delivery receipt (BOL) at time of delivery.

Consignee accepts full responsibility for all visible damage if it is not noted on BOL.

All damage claims (visible or concealed) must be photographed and submitted to Via Seating within five (5) days of receiving merchandise. Claims submitted outside of this window are subject to rejection.

Claims must include a Returns Material Authorization (RMA) form.

Returns are not accepted without prior consent from Via Seating and must have a Returns Material Authorization number assigned by Via Seating.

Authorized returns are subject to a minimum 25% restocking charge depending on circumstances.

Shipping costs for returned merchandise are the responsibility of the customer.

Explore our warranty at <https://www.viaseating.com/warranty>

## Expedited Orders Terms

Every effort will be made to meet our customers install/delivery dates.

If there is a necessity to expedite production, an additional charge will be applied. Via Seating will notify the customers with details on additional charges.

Via Seating is not responsible for costs associated with missed delivery.

Guaranteed delivery purchases must be made to carrier.

## Changes to This Policy

Direct URL: [www.viaseating.com/legal/pricing-terms-conditions](http://www.viaseating.com/legal/pricing-terms-conditions)

We may revise and update this policy from time to time at our sole discretion. All changes are effective immediately when we post them. If changes are material to this policy, we will make every effort to notify you before these amendments enter into force. Your continued use of the Via Seating Services means you accept and agree to any modifications to this policy.

# Sustainability

At Via Seating we believe great things happen in a chair. We understand that to make this happen, it takes a lot more than creating a great chair. Discover how we're committed to developing a greater, more inclusive workplace, a greater, more sustainable environment, and greater, more enriched communities.

## Studio V

Studio V creates modern, sophisticated and original seating solutions that are ergonomic, beautiful and sustainable. This team of engineers and designers is based in Reno, Nevada, where they develop products using a prototyping lab, the latest in 3D modeling software and a materials testing center. All Via Seating are tested through an unaffiliated third-party testing lab to ANSI/BIFMA standards. They are each tested again through our internal testing lab.

## BIFMA LEVEL® 2

BIFMA's sustainability certification program for furniture.

All Via Seating products are **BIFMA LEVEL® 2** certified.

## CLEAN AIR GOLD

ANSI/BIFMA e3-2014e, Sections 7.6.1, 7.6.2, 7.6.3

All Via Seating products are **CLEAN AIR GOLD** certified.

## mindful MATERIALS

All Via Seating products are listed on the mindful MATERIALS Library, powered by Origin. The mM Library is a freely searchable platform where users can access product data such as BIFMA LEVEL® certifications, Clean Air certifications, LEED data and more.

## Healthcare Without Harm & Practice Greenhealth

Via Seating products meet the Safer Chemicals, Healthy Interiors Goal for Seating (chairs, stools, sofas, benches, recliners, loungers, etc.).

## LEED Credits

Via Seating products earn points toward LEED certification. These LEED credits include those for environmentally preferable furniture, low emitting furniture, recycled content, post consumer material and for our local U.S. manufacturing location in Sparks, NV.

# 12 Year Warranty

All Via Seating products are manufactured with meticulous attention to detail to be high quality, durable, long-lasting and in accordance with ANSI/BIFMA standards.

Via Seating warrants to the initial purchaser, our products will be free from defects in material and craftsmanship for the extent of the applicable warranty period beginning from the date of the original sale.

Products covered by this warranty that were determined to be a result of a defect in material or craftsmanship will at Via Seating's discretion be repaired or replaced with a comparable product free of charge. Via will cover the labor costs of said repair with pre-approval. Repair or replacement of any defective part is the customer's exclusive remedy for any and all product defects. The user shall be responsible for all maintenance service, which includes but not limited to: lubricating and cleaning of the product, assembly, adjustment, checking all screws every six months to ensure tightness and performing operation checks. This warranty applies to all Via Seating products manufactured after January 1, 2021 and shipped to the Contiguous US, Alaska, and Hawaii. There are no other warranties, expressed or implied, other than those specifically described here.

# COM/COL Program

CUSTOMER'S OWN MATERIAL (COM) | CUSTOMER'S OWN LEATHER (COL)

## COM/COL ORDER PROCESS

Please send a 6" x 6" or larger textile swatch to Via Seating to test for approval. A larger sample will let us do a more thorough test of the textile. Allow 4 business days to process this test upon receipt of the material.

Once the order has been placed, fill out a "custom upholstery form" for each COM/COL textile and e-mail to [orders@viaseating.com](mailto:orders@viaseating.com). This must include your PO#. This form will help ensure correct application of your COM/COL.

All COM/COL must be shipped to:

**ATTN: FABRIC CHECK-IN,  
205 Vista Blvd, Sparks, NV 89434**

Your COM/COL received by Via Seating must be clearly marked, containing customer's name, purchase order number (PO# ) and, when applicable, Via Seating order #.

## COM/COL APPROVAL PROCESS

Via Seating assumes no responsibility for the durability or tailoring quality of any COM or COL. Directional covers, in particular, may not meet your satisfaction due to the design of certain products. Please be advised that products upholstered in COM/COL are not subject to return to Via Seating. Via Seating reserves the right to reject COM fabrics that, in Via Seating's opinion, are unsuitable for its products. Via Seating can determine this within 48 hours of receipt of the COM/COL sample.

## RECEIPT OF COM/COL TO Via Seating

Under no circumstances will Via Seating be responsible for shortages or flaws in the material or other such problems. Via Seating will not be responsible for any costs associated (e.g. return freight and/or restocking charges) with rejected COM or COL materials. In order to meet delivery deadlines, we assume that our customers are aware of any undue delays in the shipment of their ordered fabrics. Once the COM has been accepted, Via Seating assumes no responsibility for its overall appearance, flammability, normal durability, colorfastness, material defects, color inaccuracies, dye lot variations, or any other flaws related to the fabric quality after upholstered on a Via Seating product. If you have doubts of the ultimate appearance of a certain covering, please order a sample chair upholstered in the specific COM or COL.

## COM/COL WARRANTY STATEMENT

All COM & COL textiles applied to Via Seating product orders will not be covered under Via Seating's warranty. Any warranty claims need to be made directly to the original vendor of the textile. Via Seating recommends that the purchaser thoroughly test any COM & COL with all cleaning agents that will be used on it prior to using.

## COM/COL EXCESS YARDAGE

Excess COM/COL will be recycled at the discretion of Via Seating, unless direction for the additional fabric/leather is given by the customer at the time the order is placed. If the additional COM/COL needs to be returned to the customer, they must contact Via Seating's client accounts team at **1-800-433-6614 (press 1)**. Any returned COM/COL will be paid for by the customer.

# COM Calculation

BREAKING DOWN HOW TO CALCULATE TOTAL CUSTOMER'S OWN MATERIAL (COM) NEEDED PER ORDER

## COM YARDAGE LISTED IN PRICE BOOK

COM yardage requirements shown in the Via Seating price book are based on non-directional textiles with a width of 54". Fabrics less than 54" wide or those requiring matching stripes, prints, or matching large pattern designs will require additional material.

## COM WIDTH & REPEAT TABLE

FABRIC WIDTH	NON-DIRECTIONAL FABRIC	PATTERNS CONTAINING STRIPES, PLAIDS OR PATTERNS WITH REPEATS			
		2" - 14" REPEAT: ADD FABRIC	15" - 24" REPEAT: ADD FABRIC	25" - 27" REPEAT: ADD FABRIC	28" - 36" REPEAT: ADD FABRIC
54"	0%	10%	15%	20%	25%
50"	10%	20%	25%	30%	35%
48"	15%	25%	30%	35%	45%
45"	40%	50%	55%	60%	65%
36"	50%	60%	65%	70%	75%

We will be happy to supply yardage requirement quotes for large quantities of material where economies may be realized. Please contact Via Seating client accounts for a requirement quote. Call **1-800-433-6614 (press 1 for client accounts)** or by e-mailing your client accounts specialist.

## STEPS FOR CALCULATING YOUR COM

### STEP 1: TOTAL NUMBER OF YOUR MODELS

Set how many of an model you will order.

### STEP 2: COM FOR YOUR MODEL

Find the COM yardage requirement for your model. This information is listed in the BASE MODEL table in each series. Also see COM/COL information by different seat size options, upholstered arms and seat/back multi-use additions on the series' pricing page.

### STEP 3: DETERMINE WIDTH & REPEAT

Make adjustments to the yardage based on your textile's width & repeat. The width is the distance from one selvage edge to the other. The repeat is the length between the first and additional appearance of the same element within a design. Select your multiplier based on width and repeat using the "COM WIDTH & REPEAT TABLE". This amount needs to be added to the total yardage sent.

### STEP 4: ROUND TOTAL YARDAGE

Round to the nearest half yard. This is the total amount of COM yardage that needs to be sent to Via Seating.

example of total yardage for an order
50 run II mesh mid back chairs (model #971)
971 only has a seat COM of 1.0 yd per seat.  50 chairs x 1.0 yd = 50.0 yd
width is 54" repeat is 15" multiplier is 15%  $50 \text{ yd} + (50 \text{ yd} \times 15\%) = 57.5 \text{ yd}$
<b>57.5 yd</b> total will need to be shipped to cover the seats on 50 run II mesh mid back chairs (#971)

# Cleaning & Care

## OVERALL CARE GUIDELINES

- We recommend that you always read the manufacturer's directions printed on all cleaning agents thoroughly before using and follow those guidelines as they are stated.
- Before using any new cleaning product test it out in an inconspicuous spot on the chair.
- If you notice a stain on your chair, try to remove it immediately. Letting it sit may cause the stain to sink into the material, making it more difficult to remove.

## PLASTICS ("POLY")

- For general cleaning, gently wipe the plastic with a dry, clean, lint-free cloth lightly wet in a soap-and-water mixture.
- For any stains, wet a dry, lint-free cloth lightly in white distilled vinegar and wipe the area until the stain is gone.
- For a deeper stain, use a soft-bristle brush wet in a soap and water mixture to wipe gently at the stain. Avoid scrubbing too hard as this can create scratch marks.

## MESH

- For general cleaning, gently wipe the mesh with a dry, clean, lint-free cloth.
- Vacuum up the entire back of the chair to remove any dust/dirt/crumbs that may be hidden in the mesh. Take your lint-free cloth, dampen it in any water-based cleaning agent and gently dab the area where the stain is. Do not scrub across the mesh as this may cause the mesh to fray. Continue to dab at the stained area until the stain is soaked up.

## FABRIC

- For best care and maintenance, we recommend first checking the fabric manufacturer's website for the best cleaning and care guidelines.
- For general cleaning, gently wipe the fabric with a dry, clean lint-free cloth.
- Vacuum up the entire back of the chair

to remove any dust/dirt/crumbs that may be hidden in the upholstery. Take your lint-free cloth, damp it in any water-based cleaning agent and gently rub the area where the stain is. Dry the upholstery with a clean lint-free cloth once you're finished.

## VINYL

- For best care and maintenance, we recommend first checking the vinyl manufacturer's website for the best cleaning and care guidelines.
- For general cleaning, gently wipe the vinyl with a dry, clean lint-free cloth.
- Wet your soft-bristled brush in the warm water and mild soap mixture. Do not use detergents as this can change the look & feel of the vinyl. Moderately scrub the stain with the wet bristle brush. Wipe the loosened stain off with a lint-free cloth.

## LEATHER

- For best care and maintenance, we recommend first checking the leather manufacturer's website for the best cleaning and care guidelines.
- For general cleaning, gently wipe the leather with a dry, clean lint-free cloth.
- For any stains, wet a dry, lint-free cloth lightly in a non-detergent, soap-and-water mixture. Gently dab at the impacted area. Do not scrub. Allow the area to dry naturally.

## PAINTED/POLISHED METAL

- For general cleaning, gently wipe the painted or polished metal with a dry, clean lint-free cloth.
- For stains, apply a small amount of a nonabrasive cleaner to a dry, clean, lint-free cloth. Rub the stains with the wet cloth. When finished, wipe the areas with a new, dry, clean, lint-free cloth.

## LAMINATED SURFACES

- For general cleaning, gently wipe the

leather with a dry, clean lint-free cloth wet in a vinegar-and-water mixture.

- For stains, completely dry the pooled liquid on the laminate surface. Leaving the stain to dry could cause warping or a deepened stain. Do not use bleach-based cleaners, waxes, oils or furniture polish as this may compromise the integrity of the laminate.
- For deep stains, wet a clean, lint-free cloth in a soap-and-water mixture, gently using this to wipe the laminate. Rub the stained area in the direction of the grain or in a circular motion when no grain is present. After stain is removed, wet a clean, lint-free cloth in a vinegar-and-water mixture, gently using this to wipe the laminate.

## WOOD

- For general cleaning, gently wipe the wood with a dry, clean lint-free cloth wet lightly in warm waters. Wipe dry with a new, dry, clean, lint-free cloth.

## CASTERS & GLIDES

- For general cleaning, gently clean the casters or glides with a dry, clean, lint-free cloth wet in a mild soap-and-water mixture. Always keep the floors beneath casters and glides clean as they will pick up dust, dirt and lint from the floor. Dust, dirt and lint will degrade the performance of casters and glides over time.

DESCRIPTION	Soft seating chair.	Soft seat chair with parallel stitch.
QUICK SHIP <sup>1</sup>	2/48: 2 chairs made in 48 hours.	CALL: 4-6 WEEK LEAD TIME.

### NOTE 1: 48-HOUR MANUFACTURING TIME (I.E. QUICK SHIP)

All models using in-stock "quick ship" fabrics & in-stock "quick ship" options are produced in a 48-hour manufacturing time on business days during business hours. The number of completed models listed are produced in that 48-hour period. Note, we require 1 business day within business hours to process orders received and 1 day to process your outbound shipment. Quick ship does not include delays from mills in supplying fabric, COM/COL/custom textiles, custom configurations or shipment time once the product ships out. As we understand not all products are needed on quick ship, please confirm your need by date on your quote or with your AM/CAS person.

For project lead times, especially on products including this symbol 📦 call us at 1-800-433-6614 or email your CAS support person at [csnorth@viaseating.com](mailto:csnorth@viaseating.com), [cssouth@viaseating.com](mailto:cssouth@viaseating.com), [cswest@viaseating.com](mailto:cswest@viaseating.com) or [cscanada@viaseating.com](mailto:cscanada@viaseating.com).

### NOTE 1: 48-HOUR MANUFACTURING TIME (I.E. QUICK SHIP)

All models using in-stock "quick ship" fabrics & in-stock "quick ship" options are produced in a 48-hour manufacturing time on business days during business hours. The number of completed models listed are produced in that 48-hour period. Note, we require 1 business day within business hours to process orders received and 1 day to process your outbound shipment. Quick ship does not include delays from mills in supplying fabric, COM/COL/custom textiles, custom configurations or shipment time once the product ships out. As we understand not all products are needed on quick ship, please confirm your need by date on your quote or with your AM/CAS person.

### NOTE 1: 48-HOUR MANUFACTURING TIME (I.E. QUICK SHIP)

All models using in-stock "quick ship" fabrics & in-stock "quick ship" options are produced in a 48-hour manufacturing time on business days during business hours. The number of completed models listed are produced in that 48-hour period. Note, we require 1 business day within business hours to process orders received and 1 day to process your outbound shipment. Quick ship does not include delays from mills in supplying fabric, COM/COL/custom textiles, custom configurations or shipment time once the product ships out. As we understand not all products are needed on quick ship, please confirm your need by date on your quote or with your AM/CAS person.

## design by Basaglia & Rota Nodari

Alberto Basaglia and Natalia Rota Nodari met while studying at the Politecnico of Milan where they both graduated in architecture. Shortly after, they founded their studio, BASAGLIA ROTA NODARI. These Italian designers aim to transcend the typical image of the Italian designer. The pair achieve this by capturing beauty in equal measure with the technical aspects of their creations. Their visions manifest into award-winning, lovely furniture that captivates and stands the test of time.
