INTER-DEPARTMENTAL MEMO

TO: Mike Martindale

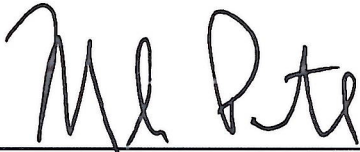

DATE: May 30, 2017

SUBJECT: Access Points for District Wide Wi-Fi Network Upgrades and Expansion

As part of the 2015 bond program, the Technology Department has identified a need to upgrade and expand the Wi-Fi Network throughout the district's campuses to accommodate the growing reliance upon wireless devices within the classroom. Based upon areas identified as needing upgrades or expansion, Layer 3 Communications has provided Quote #CSISD-AP315-01 for AP-315 Access Points.

This quote is per State of Texas Department of Information Resources (DIR) contract DIR-TSO-2679. The DIR is an agency of the State of Texas that has established contracts with vendors for technology related products and services. DIR contracts have been competitively bid and meet the competitive bid requirements stipulated in Texas Government Code, Section 791.025.

It is the recommendation of Mark Pantel, Director of Purchasing and David Hutchison, Director of Technology that we purchase the Aruba Wireless Access Points from Layer 3 Communications for a total of \$166,320.00 per DIR Contract # DIR-TSO-2679 from 2015 Bond Program funds.
