

AN ORDINANCE **2016-03-10-0201**

**AUTHORIZING A MASTER JOINT USE AGREEMENT BETWEEN THE CITY OF SAN ANTONIO AND VIA METROPOLITAN TRANSIT FOR FUTURE CITYWIDE PLACEMENT OF PASSENGER AMENITIES ON CITY OWNED OR CITY CONTROLLED PROPERTY AND WAIVING ASSOCIATED FEES.**

\* \* \* \* \*

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:**

**SECTION 1.** The City Manager and her designee, severally, are authorized and directed to execute and deliver on behalf of the City a Master Joint Use Agreement substantially in the form attached as **Attachment I**, which is incorporated into this ordinance by reference for all purposes as if it were fully set forth, for the placement of passenger amenities and shelters on various sites throughout the City of San Antonio. The City Manager and her designee, severally, should take all other actions reasonably necessary or convenient to effectuate the transaction described in Attachment I, including agreeing to nonmaterial changes to its terms and executing and delivering ancillary documents and instruments conducive to effectuating the transaction.

**SECTION 2.** There is no fiscal language associated with this ordinance. All fees associated with this Master Joint Use Agreement and its approval are waived.

**SECTION 3.** This ordinance becomes effective 10 days after passage, unless it receives the eight votes requisite to immediate effectiveness under San Antonio Municipal Code § 1-15, in which case it becomes effective immediately.

**PASSED AND APPROVED** this 10th day of March, 2016.

M A Y O R  
Ivy R. Taylor

**1. Pertinent Information.**

**Authorizing Ordinance:**

**SP No:**

**City:** City of San Antonio

**City's Address:** City Hall, P.O. Box 839966, San Antonio, Texas 3966  
(Attention: Director, Transportation and Capital  
Improvements Department)

**Joint User:** VIA Metropolitan Transit

**Joint User's Address:** 1720 N. Flores, San Antonio, TX 78212

**Term:** For so long as VIA Metropolitan Transit continues to  
provide services at the Premises and subject to the rights of  
termination set out in this agreement.

**Premises:** Segments of various properties owned or leased by the City  
of San Antonio and as more particularly described in  
**Exhibit A.**

**Scope of Permission:**

Installation, construction, reconstruction, realignment, inspection, patrolling, operation, maintenance, repair, removal, replacement and use of bus shelters and related infrastructure, including the rights of (a) ingress and egress over the Premises (b) conducting transit operations including but not limited to waiting, loading and unloading of transit patrons and to otherwise accomplish the acts authorized by this agreement; (c) to remove vegetation and other obstructions from the Premises that may endanger or interfere with the efficiency of the bus shelters.

**Consideration:**

The reciprocal benefits, rights and interest City and Joint User grant each other under and through this agreement.

**2. Permission.**

2.01. Joint User, by installing bus shelters and related infrastructure on the Premises, shall be transporting residents quickly, efficiently, and safely throughout the City of San Antonio to multiple City of San Antonio facilities that provide services to the public. City acknowledge that Joint User's activities, if within the Scope of Permission and conforming to the terms and conditions of this Agreement, do not, as of the date of the City's execution of this Permission set forth below, unreasonably interfere with use of the Premises by the City. The Permission is non-exclusive. This instrument does not create an easement, but only a license defined by the terms of this instrument. City will coordinate with Joint User any access or use that could affect Joint User's infrastructure within the Premises.

2.02. City will not construct improvements over the Premises that would unreasonably interfere with Joint User's use within the Scope of Permission.

2.03. This Permission does not exempt Joint User from rules of general applicability governing activities within the Scope of Permission or from getting applicable permits required generally for activities within the Scope of Permission. Additionally, for Premises not owned in fee by City, Joint User agrees that it will acquire permission from the fee owner for any and all activities prior to initiating any work or activity under this Joint Use Agreement.

**3. Construction, Maintenance, and Operations.**

3.01. **Costs.** Joint User is solely responsible for all costs of construction, installation, repairs, maintenance, operation, and the like of any property placed by Joint User in the Premises.

3.02. **Installation and Maintenance.** All bus shelters and related infrastructure must be installed according to any applicable standards imposed by local, state, or federal law. Joint User must maintain all improvements constructed or installed by Joint User. In so doing, Joint User must adhere to all applicable safety standards and must adhere to all applicable federal, state, or local laws. Without limiting the foregoing, Joint User must assure that nothing it does causes the Premises to fail to comply with any aspect of Chapter 35 of the City Code.

3.03. **No Power to Bind.** Joint User cannot bind or permit another to bind City for payment of money or for any other obligation.

3.04. **Contractors and Subcontractors.** Joint User must promptly pay anyone who could legally file a mechanics' or materialmen's lien on the Premises, unless there is a good faith dispute about the right to payment. If any such lien is filed, Joint User shall pay or bond around such claim within 30 days after Joint User's notice of the lien, failing which, City may treat it as an event of default and terminate this Permission as provided in Section 6 below entitled "Termination." Joint User remains obligated to clear the lien without cost to City even after termination.

3.05 **Restoration.** If Joint User buries any part of the bus shelter or related infrastructure, promptly upon covering it, Joint User must restore the original contours and vegetation disturbed by the burial to a condition substantially equivalent to their pre-existing condition unless necessary for operation of the bus shelter, substantial equivalence to be determined by industry standards. If an area has a natural appearance, Joint User must restore that natural appearance unless City otherwise agrees in writing. City's determination of natural appearance controls provided said determination is reasonable.

**3.06 Conditions.**

With regard to the Premises:

- a) Joint User must obtain the written permission of the director of the department responsible for oversight and management of the Premises prior to any installation occurring. A director may deny installation for any reason.
- b) Joint User must obtain the written permission of the department overseeing Traffic Engineering for the City of San Antonio prior to any installation occurring on any Premises. Joint User shall provide any surveys or other information necessary for the department to analyze and make a decision regarding installation on the Premises. As part of the review Traffic Engineering shall review to ensure the location of new improvements are on the far side of any intersection (after the intersection), and relocation of existing improvements are from the near side to the far side of intersections, when possible.
- c) Joint User must obtain the written permission of the Fire Chief or his/her designee prior to any installation occurring. On fire station properties, shelters must not encroach in an area defined by a line from the corner of the door of a fire station at a 45 degree angle to the street.
- d) In accordance with the applicable procedures of Chapter 35 of the City Code, Joint User shall be required to obtain a Certificate of Appropriateness after review by the Historic and Design Review Commission ("HDRC") and Office of Historic Preservation

("approval"). Specifically, the Joint User shall be required to obtain approval of any shelter design for use throughout the city being placed on city property. In addition, the Joint User shall be required to obtain approval of the specific locations designated herein for installation of a bus shelter under this agreement. This agreement does not relieve Joint User from obtaining approval for any property not under this agreement as required under local, state or federal law.

- e) Bus stops will not have to file for a building permit through the Development Services Department if the size and scope fall under the exemption section of chapter 10. All work not exempted will need to comply with applicable regulations and codes. Without limiting the foregoing, Joint User must assure that even with or without a building permit from the Development Services Department nothing the joint user does causes the premises to fail to comply with any aspect of Chapters 10, 35, or others of the City Code.
- f) Premises are limited to a total of 1,000 square feet of a city property approved under this agreement.
- c) The director of the Transportation and Capital Improvements Department must notify the council district office in which the property is located at least 30 days prior to an application, or associated permits/approvals if there is no application, being approved hereunder. The 30 day period may be shortened by the director provided that the council office indicates support of the application to the director.

#### **4. Insurance.**

Joint User and City are both self-insured.

#### **5. Indemnity.**

Joint User and City are political subdivisions of the State of Texas. As such they are subject to, and comply with the applicable provisions of, the Texas Tort Claims Act, as set out in the Civil Practice and Remedies Code, Section 101.001, et. seq., and the remedies authorized therein regarding claims or causes of action that may be asserted by third parties for accident, injury or death.

#### **6. Termination.**

6.01. City may terminate this Permission at any time by giving Joint User 60-days' written notice of said termination. Termination under this provision must be by formal action of City Council in the form of a resolution finding that Joint User's use of the Premises has, or in the future may reasonably be expected to, substantially interfere with an intended City use of the Premises. City shall notify Joint User at least 10 business days in advance of any such council meeting at which such resolution will be considered by City Council. City will provide at least 90 days for Joint User to remove and relocate its infrastructure.

6.02. Upon expiration or termination, all rights and privileges cease, and Joint User must promptly cease use of the Premises and remove all its property installed on the Premises at its own expense.

6.03. Improvements or appurtenances not removed within 90 days after termination of the Permission, whether by expiration or otherwise, become the property of City. City may, without liability to Joint User, dispose of such property at a public or private sale, or in any other manner, without notice to Joint User.

6.04. Joint User may terminate this License at any time by providing the City with notice and documentation of the termination of its use of the Premises and delivering such notice to City at least 60 days prior to termination. Such requirement may be waived or altered if approved by the City in writing.

#### **7. Assignment.**

7.01. This Permission cannot be assigned by Joint User without written permission of City.

7.02. Subject to the rights of termination set out in Section 6.01 above, should City convey fee simple title of any Premises upon which a license has been granted to Joint User under this Agreement, at the time of said conveyance City will reserve an easement for Joint User for the permitted uses provided herein, without additional cost to Joint User.

#### **8. Condemnation.**

If the Premises are taken, in whole or in part, by eminent domain not for the benefit of City, then this Permission, at the option of City, ceases on the date title to the land so taken or transferred vests in the condemning authority. Joint User waives all rights to any condemnation proceeds awarded to the City in the condemnation proceeding, as undivided fee title; however, Joint User may counter claim against the condemnor only for its own award for loss or damages to its fixtures, if any, "leasehold advantage" damages, if any, and relocation expenses, if any.

#### **9. Taxes.**

City and Joint User are governmental entities and do not expect to pay taxes. The foregoing notwithstanding, Joint User is responsible for taxes attributable to its use of the Premises, if any. In no case will City ever be responsible for taxes, local, state, or federal, if any, that may be assessed against Joint User for the permission granted hereunder.

#### **10. Appropriations.**

All obligations of the City of San Antonio under this instrument are funded through the City of San Antonio General Fund and are subject to the discretion of City Council whether to appropriate funding for any given year of a term. If the City Council fails to appropriate money for an obligation arising under this agreement, the City cannot be required to fulfill the obligation. Joint User's funding hereunder is from current funds available to Joint User for the purposes herein stated.

## 11 Dispute Resolution.

11.01. As a condition precedent to bringing any action arising out of or relating to this agreement or any aspect thereof, including an action for declaratory relief but not an action specifically excepted below, the City and Joint User must first submit in good faith to mediation. The parties may not assert limitations, laches, waiver, and estoppel based upon attempts to mediate.

11.02. Filing suit on a claim that should be mediated hereunder waives the filer's right to demand mediation. But one party's waiver does not affect another party's right. The defendant in the case does not waive mediation so long as, within a reasonable time after appearing, the defendant gives written notice to the filer or its counsel of intent to require compliance with this paragraph.

11.03. Mediation must be conducted in San Antonio, Bexar County, Texas.

11.04. The party desiring relief has the burden to initiate mediation. Waiting for another party to initiate mediation does not waive the right to it.

11.05. If the parties can otherwise agree on a mediator, they may do so. Alternatively, either party may petition any court of competent jurisdiction to appoint a mediator. The only predicate issues the court need consider before appointing a mediator are whether (i) the copy of the contract before the court is authentic and (ii) the contract was duly signed and delivered by all parties to be bound to mediate. If neither of those issues is denied under oath, the court may appoint a mediator upon motion, without trial.

11.06. Mediator fees must be borne equally.

11.07. The parties need not mediate before going to court to seek emergency injunctive relief.

## 12. Miscellaneous Provisions.

12.01. **Relationship Limited.** This instrument creates only the relationship of Licensor and Licensee. The parties are not principal and agent, partners, joint venturers, or participants in any common enterprise.

12.02. **Nondiscrimination.** Joint User must not discriminate against any individual or group on account of race, color, gender, age, religion, national origin, or handicap, in employment practices or in the use of the Premises.

12.03. **Release from Liability/Notice of Sale.** If City transfers ownership of the Premises, City shall comply with the requirements of this Agreement but will have no liability or obligation relating to the period after transfer.

12.04. **Consent/Approval of City.** As to any matter hereunder in which City's consent is required, the consent may be granted by the Director of the Transportation and Capital Improvements Department, City of San Antonio, as designee(s) of the City Manager, without council action, unless the City Charter requires City Council action.

12.05. **Severability.** If any portion hereof is determined to be invalid or unenforceable, the determination does not affect the remainder hereof.

12.06. **Successors.** This Permission inures to the benefit of and binds the heirs, representatives, successors, and permitted assigns of each party. This clause does not authorize any assignment not otherwise authorized.

12.07. **Integration. This Written Permission Represents The Final Agreement Between The Parties And May Not Be Contradicted By Evidence Of Prior, Contemporaneous, Or Subsequent Oral Agreements Of The Parties. There Are No Oral Agreements Between The Parties.**

12.08. **Modification.** This Permission may not be changed orally but only by a written agreement, signed by the party against whom enforcement of any modification is sought.

12.09. **Third Party Beneficiaries.** This Permission is intended for the benefit of the parties hereto and their successors and permitted assigns only. There are no third party beneficiaries hereof.

12.10. **Notices.** Any notice provided for or permitted hereunder must be in writing and by certified mail, return receipt requested, addressed to the parties at their respective addresses set forth at the beginning. The giving of notice is complete three days after its deposit, properly addressed and postage prepaid, with the United States Postal Service. Failure to use certified mail does not defeat the effectiveness of notice actually received, but such notice is effective only on actual receipt. Address for notice may be changed by giving notice hereunder.

12.11. **Captions.** Paragraph captions in this Permission are for ease of reference only and do not affect the interpretation hereof.

12.12. **Counterparts.** This Permission may be executed in multiple counterparts, each of which is an original, whether or not all parties sign the same document. Regardless of the number of counterparts, they constitute only one agreement. In making proof of this Permission, one need not produce or account for more counterparts than necessary to show execution by or on behalf of all parties.

12.13. **Further Assurances.** The parties must execute and deliver such additional documents and instruments as may be required to fully give effect to the provisions hereof. But no such additional document(s) may alter the rights or obligations of the parties as contained in this Permission.

### **13. Public Information.**

Joint User acknowledges that this instrument is public information within the meaning of Chapter 552 of the Texas Government Code and accordingly may be disclosed to the public.
