## **Case List - Methamphetamine Results Reported from Screen and/or Confirm Testing**

This table lists cases with methamphetamine results included on the Toxicology Test Report from screening and/or confirmation testing performed **3/1/2018 to 10/28/2021**, submitted from agencies statewide. The table below includes the case identifier, submitting agency and agency case number for informational purposes only. Please refer to the Toxicology Test Report for case specific information or contact the laboratory at 206-262-6100 or [toxlab@wsp.wa.gov](mailto:toxlab@wsp.wa.gov).

## **Case List - Methamphetamine Results Reported from Screen and/or Confirm Testing**

This table lists cases with methamphetamine results included on the Toxicology Test Report from screening and/or confirmation testing performed **3/1/2018 to 10/28/2021**, submitted from agencies statewide. The table below includes the case identifier, submitting agency and agency case number for informational purposes only. Please refer to the Toxicology Test Report for case specific information or contact the laboratory at 206-262-6100 or [toxlab@wsp.wa.gov](mailto:toxlab@wsp.wa.gov).
