

CASE STUDY FORMAT POSTERS

Arthroscopy

Immediate Weightbearing Following Arthroscopic Repair of Medial and Lateral Ankle Ligaments Repair: A Case Series. (CS-833)

Joshua Alex Stewart DPM, AACFAS

Gregory Alan Foote DPM, AACFAS

Andrew M. Belis DPM, FACFAS

Financial Disclosures: Of the poster authors listed, Dr. Andrew M. Belis has indicated he is a consultant/advisor/speaker for Arthrex, Metric, Paragon, Redpoint Medical, Bioventus and serves with FPMA, Florida Fellowship Society. The other authors have indicated no financial relationships to disclose.

An Arthroscopic Guided Trans-Tibial Technique to Treat Challenging Osteochondral Lesions of the Talus with a Threaded Titanium Implant: A Cadaveric Study and Review. (CS-932)

Nishit S. Vora, DPM, MPH, AACFAS

Warren W. Windram, DPM, FACFAS

Financial Disclosures: Of the poster authors listed, Dr. Warren W. Windram has indicated he is a consultant/advisor/speaker with HNM Medical. The other author has indicated no financial relationships to disclose.

Novel Chevron Medial Malleolar Osteotomy Takedown for Treatment of Osteochondral Defects (CS-939)

Dhaval Patel, AACFAS

Rachel Gerber DPM, AACFAS

Kenny Luong DPM, AACFAS

Michael Subik DPM, FACFAS

Financial Disclosures: Of the authors listed, Dr. Michael Subik has listed he is a consultant/advisor/speaker with Stryker, Orthofix BD, Treace. The other authors have indicated no financial relationships to disclose.

Ankle Arthroscopy Prompts Hemophilia Diagnosis in Previously Undiagnosed Active Adult Male, Allowing for Successful Surgical Deformity Correction. (CS-995)

Stacey, Schwartz, DPM

Sarah, E, Messina, DPM PGY-2

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Arthroscopic Ankle Arthrodesis for Post-Traumatic Arthritis in High-Risk Diabetic Patient on Anticoagulation. (CS-1082)

Rebecca Mina, DPM

Benjamin Marder, DPM, AACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Biomechanics and Anatomy

First Ray Pathologies Associated with Second Metatarsophalangeal Joint Plantar Plate Tears. (CS-869)

Katherine Dux, DPM, FACFAS

John J. Kim, DPM

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Surgical Management of a Unique Variation of the Peroneal Tendons. (CS-1088)

Stephanie Wu, DPM

Ian VanderGulik, DPM

Yumna Siddiqui, DPM

Nabih Masri, DPM

Emily J Durrance, DPM, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Chronic Syndesmotic Instability Associated with a Complex Lesion of the PITFL: A Case Report and Novel Surgical Technique. (CS-1127)

Virginie Perez

Nermine Habib

Angela Seidel

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Diabetic Foot

Peroneus Longus Tenotomy and Tenodesis to Peroneus Brevis in Treatment of Chronic Plantar 1st Metatarsal Head Diabetic Ulcers in Patients with Pes Cavus Foot Type. A Case Series. (CS-794)

Alexxis D. Cary, DPM

Ryan T. Johnson, DPM

David Millward, DPM FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Residual Limb Survivorship in Ambulatory Midfoot Amputees with Calcaneal Osteomyelitis Following Subsequent Partial Calcaneotomy: A Case Series Describing Bidirectional Limb Salvage. (CS-873)

Craig, J, Verdin, DPM

Nicole, K, Cates, DPM, AACFAS

Romina, Deldar, MD

Jayson, N, Atves, DPM, FACFAS

John S. Steinberg, DPM, FACFAS

Karen, K, Evans, MD

Christopher, E, Attinger, MD

Financial Disclosures: Dr. Steinberg's disclosures are available under the speaker disclosure details. Dr. Christopher E. Attinger has disclosed he is a consultant/advisor/speaker for KSI, Integra. The other authors have indicated no financial relationships to disclose.

Percutaneous Deep Venous Arterialization as a Revascularization Option for Limb Salvage: A Case Report. (CS-901)

Tori L. Breitenbach, DPM

Caitlin S. Zarick, DPM, FACFAS

Nelson Bernardo, MD

Financial Disclosures: Dr. Nelson Bernardo has indicated he is a consultant/advisor/speaker for Cook Incorporated. The other authors have indicated no financial relationships to disclose.

Percutaneous Medial Band Plantar Fasciotomy for treatment of Chronic Plantar Hallux Ulcers. (CS-903)

Christopher Zimmer, DPM

Haywan Chiu, DPM, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

First MTPJ Truss Implant in a High-Risk Diabetic Male with 12 Month Follow Up. (CS-1096)

Rohan Thamby, DPM

Daliya Heng

James Warne, DPM

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Bicortical Bone Trephining in Chronic Non-Healing Diabetic Foot Wounds. (CS-1148)

Mohammad A. Sharif, DPM, FACFAS

Gisele Youth, DPM, MS

Christopher Bergen, DPM

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Modified Masquelet Technique for Management of First Metatarsal Head Osteomyelitis. (CS-1160)

Mina, K, Abadeer, DPM AACFAS

Nikul, M, Panchal, DPM AACFAS

Financial Disclosures: Of the authors listed, Dr. Nikul M. Panchal has indicated being a consultant/advisor/speaker/speaker for Kercis. The other author has indicated no financial relationships to disclose.

The Modified Boyd Fusion: An Uncommon Limb Salvage Procedure. (CS-1246)

Zachary J Washburn, DPM

Nathan D Rossi, DPM

Stephen J Frania, DPM, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Tibialis Anterior Tendon Excision Augmented with Placental Allograft for Wound Closure in Diabetic Ulcerations. (CS-1249)

Janie Staravecka, DPM

Zachary Merkel, DPM

Michael E. Calderone DPM, DABPM, AACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Epidemiology/Population Study

Fibular Stress Fractures: Six Year Review. (CS-764)

A. Douglas Spitalny

Financial Disclosures: The poster author has indicated they have no financial relationships to disclose.

1st MPJ Conditions: Six-Year Review. (CS-769)

A. Douglas Spitalny

Financial Disclosures: The poster author has indicated they have no financial relationships to disclose.

Negative Impact of Ehlers-Danlos Syndrome on Bone Healing: A Case Series. (CS-1203)

Natasha K. Bhagat, DPM

Natalie A. Spicer, DPM

Ann M. Profeta, DPM

Mark A. Hardy, DPM, FACFAS

Dustin C. Huntsman, DPM, AACFAS

Financial Disclosures: Dr. Mark A. Hardy has disclosed he is a consultant/advisor/speaker for Stryker, DonJoy, Surgical Design Innovations, ActivOrtho. The other authors have indicated no financial relationships to disclose.

Forefoot Reconstruction

Lesser Metatarsophalangeal Joint Implant Arthroplasty: A Case Series Highlighting Treatment of Degenerative Joint Disease in the Lesser Metatarsophalangeal Joints. (CS-723)

Kyle A. Abben, DPM, FACFAS

Kristen M. Brett, DPM

Garrett D. Nelson, DPM

Financial Disclosures: Dr. Kyle A. Abben has indicated he is a consultant/advisor/speaker for Stryker. The other authors have indicated no financial relationships to disclose.

The Digital External Fixator: A Novel and Inexpensive Technique for Rapid Stabilization in the Setting of Comminuted, Open, Digital Fractures. (CS-799)

Timothy P Cheung, DPM, PhD, CPT

Sruti M Karwa, DPM

Michael I. Gazes, DPM, MPH, FACFAS

Steven D Vyce, DPM, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

When First Metatarsophalangeal Joint Implants Fail: Role of Bone Dowel Allograft in Revisional Surgery. (CS-811)

Melinda R. Martrano, DPM, MS

Phong Le, DPM, FACAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

First Metatarsophalangeal Joint Fusion Revision Using Custom Formed Femoral Head Bone Graft and Non-Metallic Fixation: A Novel Surgical Technique. (CS-825)

Danielle Mustico, DPM

Josephine Lyons, DPM

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Pinch Graft Application in the setting of Digital Neoplasm Resection. (CS-876)

Sruti M. Karwa, DPM

Timothy P. Cheung, DPM, PhD, CPT

Michael I. Gazes, DPM, MPH, FACFAS

Steven D. Vyce, DPM, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Using Minimally Invasive Technique for a Forefoot Reconstruction on a Rheumatoid Arthritis Patient. (CS-925)

Divyesh Mehta, PGY-2

Daniel Stewart, DPM

Abir Zafar, PGY-3

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Minimally Invasive Surgical Correction of a Hallux Valgus Deformity in a Pediatric Patient with Cerebral Palsy: A Novel Indication. (CS-931)

Kelly A McKeon, DPM

Smitha Mathew, MD, MBBS

Sean Tabaie, MS MD, FAAOS, MBA candidate GWU

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Case Study: Symptomatic Os Vesalianum in College Track Athlete Treated with Excision and Advancement of Peroneus Brevis Tendon (CS-955)

Kevin, K, Ragothaman, DPM

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Use of 2cm Cadaveric Bone Spacer for Treatment of Septic Nonunion at the MPJ with Concomitant Arthrodesis in a Debilitated Patient. (CS-992)

Muhammed, Shamim, DPM

Stacey, Schwartz, DPM

Sarah, E, Messina, DPM PGY-2

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Latrogenic Brachydactyly due to Osteomyelitis and a Novel Staged Salvage Procedure: A Rare Case Report. (CS-1021)

Krishna N. Trambadia, DPM

Raymond Lee, DPM, FACFAS, DABPM

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Minimally Invasive Hallucal Interphalangeal Joint Arthrodesis: A Case Study. (CS-1031)

Sydney Shakespeare, PGY-2

Kevin Hammer, PGY-3

Kendra Boldt, PGY-1

Nicholas Campitelli, DPM

Lance Shakespeare, MS-3

Financial Disclosures: Dr. Nicholas Campitelli has indicated being a consultant/advisor/speaker for Arthrex. The other authors have indicated no financial relationships to disclose.

Minimally Invasive Proximal Interphalangeal Joint Arthrodesis: A Case Study. (CS-1032)

Sydney N Shakespeare, PGY-2

Nicholas A Campitelli, DPM

Lance R Shakespeare, MS-3

Financial Disclosures: Dr. Nicholas Campitelli has indicated being a consultant/advisor/speaker for Arthrex. The other authors have indicated no financial relationships to disclose.

A Rare Presentation of Bilateral Pediatric Hallux Abducto Valgus Deformity Secondary to Longitudinal Epiphyseal Bracket: A Case Study. (CS-1092)

Heather, V, Tran, DPM

Hannah, C, Abigail, DPM

Mai, TH, Pham, DPM

Vidhi, Patel, DPM

Usman, M, Sultan, DPM, AACFAS

Asia, E, Lo, DPM, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Modifications to the Stainsby Procedure for the Treatment of Chronic Lesser MTPJ Dislocation. (CS-1105)

Sukhbir Kaur Sandhar, DPM R2

Jason Aguas, DPM R1

Kirk Alexander, DPM FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

First Tarsometatarsal Joint Arthrodesis Revision: A Novel “Donut Graft Technique”. (CS-1119)

Matthew Greenblatt

Jared, C, Melman, DPM

Rebecca Varney, DPM

Richard Derner, DPM, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

A Novel Surgical Approach in Treating Moderate to Severe Hallux Rigidus with Combined Cheilectomy, Lapidus Arthrodesis, and Intra-articular Dehydrated Human Umbilical Cord Allograft. (CS-1135)

Adam Bryniczka, DPM, FACFAS

Jacob Michaelson

William Tettelbach, MD, FACP, FIDSA, FUHM, MAPWCA, CWSP

Financial Disclosures: Dr. Jacob Michaelson and Dr. William Tettelbach have both indicated they are a consultant/advisor/speaker for MIMEDX Group. Dr. Tettelbach has also indicated he is Adjunct Professor at Western University of Health Sciences, College of Podiatric Medicine, Member Board of Directors AAWC, Member Board of Directors APWCA. The other author has indicated no financial relationships to disclose.

Third Tarsometatarsal Coalition: A Unique Case Presentation. (CS-1138)

Joslin, Lashay, Seidel, DPM

Mark E Solomon, DPM, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Correlation of Distance of Intermetatarsal Screw from TMTJ2 in Lapidus Procedures and Complication Rates. (CS-1189)

Lawrence A. DiDomenico, DPM, FACFAS

Zaheer Ahammad, DPM

Neathie Patel

Kirtan Chokshi, DPM

Anna Doan

Danielle Butto

Henry Spingolla

Financial Disclosures: Dr. Lawrence A. DiDomenico has disclosed he is a consultant/advisor/speaker for In2Bones, MTF Biologics, Integra. The other authors have indicated no financial relationships to disclose.

Oblique Proximal Phalanx Osteotomy: Superior Stability and Long-Term Results Compared to an Akin. (CS-1211)

Nicole Baxter, DPM

Hannah Schneiders, DPM

Justin Carney, DPM

Peter Talisse, DPM

Spencer Keane, DPM

Adam Port, DPM

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Dual Plate Fixation: Highly Stable Construct Allows Early Weight Bearing in First Metatarsophalangeal Arthrodesis. (CS-1219)

P. Genise Kennedy, DPM

Seth R. Ashraf, DPM

David Brower, DPM

Nhi Le, DPM

Guido LaPorta, MS, DPM, FACFAS

Financial Disclosures: Dr. Guido La Porta has disclosed being associated with Podiatric Medical Education, Lourdes Director. The other authors have indicated no financial relationships to disclose.

Minimally Invasive Approach for Correction of a Recurrent Bunion: A Retrospective Case Series. (CS-1229)

David T. Wong, DPM, FACFAS

Eric Baskin, DPM, FACFAS

Neal M. Blitz, DPM, FACFAS

Kenny Luong

Larry A. DiDomenico, DPM, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Novel Technique and Fixation for First Tarsometatarsal Joint Arthrodesis Without Planar Wedge Resection. (CS-1238)

Abinav Leva

Rafay Qureshi, DPM

Jaskern Dhama, DPM

Patrick Briggs, DPM

Markus Giacomuzzi, DPM

Elizabeth Litoff, DPM

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Neurological/Peripheral Nerve Disorders

Digital Contractures Following Blunt Force Injury Treated with Tarsal Tunnel Decompression - A case Report. (CS-790)

Victoria Trovillion DPM, MS

Michael Miller DPM FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Nerve Decompression of the Common Peroneal Nerve and Superficial Peroneal Nerve After Ankle Injury: A Case Study. (CS-822)

Alexis N. Martinez, DPM

Beth B. Reittinger, DPM

Nathan R. Mauren, DPM

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Ultrasound Guided Perineural Cobalamin Injection for Common Peroneal Nerve Palsy Induced Foot Drop: A Case Series. (CS-848)

Jonathan Furmanek, DPM, AACFAS

Constantine Barbounis, DPM, FACFAS

Eugene Batelli, DPM, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

External and Internal Neurolysis with Sural Nerve Graft Transfer for Drop Foot Secondary to Traumatic Benign Cystic Common Peroneal Nerve Tumor. (CS-856)

Christopher R. Bibbo, DPM, DO, FACS, FACFAS

Sara Mateen, DPM, AACFAS

Rahim Lakani, DPM

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

The Fatal Ankle Sprain. How a Common Lower Extremity Injury Led to Diagnosis of ALS. (CS-948)

Bronson D Stanley

Shane P. Jones, DPM

Sydney H. Miggantz, DPM

Lauren L. Kishman, DPM, AACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Surgical Intervention for Equinovarus Deformity due to Compartment Syndrome Following Revascularization for Acute Limb Ischemia. (CS-980)

Brian Loring, DPM

Ellianne M. Nasser, DPM, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Case Report: Proximal Tibial Neuropathy Secondary to Traumatic Rupture of the Flexor Digitorum Longus. (CS-1118)

Caroline V Whitaker, DPM

Anthony N. Babigian, DPM, ACFAS

Charles, H, Whitaker, MD, ABPN

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Use of a Temporary Indwelling Nerve Catheter for Delivery of Local Anesthesia in the Treatment of Peripheral Nerve Pain: A Retrospective Case Series. (CS-1125)

Lauren M. Christie, DPM

Turenne M. Metayer, DPM

Hamidat Momoh, DPM

Avery Thomson, MS, DPM

D. Scot Malay, DPM, MSCE, FACFAS

Financial Disclosures: Dr. D. Scot Malay has indicated he receives research funding from the National Institutes of Health, The American College of Foot & Ankle Surgeons, and Marlinz Pharma, Houston, Texas. The other authors have indicated no financial relationships to disclose.

Orthotics/Prosthetics/Pedorthics

Use of a Novel Custom Ankle Foot Orthosis in Place of External Fixation for Offloading of Diabetic Foot Ulcerations. (CS-1242)

Alexander Lakner DPM

Ronald Sherman DPM, MBA

Lourdes (Princess) Filippi, OTR/L, CHT

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Rearfoot and Ankle Reconstruction

Total Ankle Replacement for Treatment of Complex Congenital Fibular Hemimelia. (CS-692)

Cody J. Togher, DPM, AACFAS

Trevor Page, MS

John M. Thompson, DPM, AACFAS

Gregory C. Berlet, MD, FRS(C), FAOA

Financial Disclosures: Dr. Gregory C. Berlet has disclosed being a consultant/advisor/speaker for Stryker Orthopedics/Wright Medical, has financial interests in Stryker/Wright Medical and hold Intellectual Property Rights with Inbone Total Ankle Implant.

A Novel Technique for Limb Salvage of AVN to the Ankle and Rearfoot Complex: A Case Report. (CS-785)

Nehal Modha, DPM

Miranda Gorasson, DPM

Dhavel Chauhan, DPM

Michael Cohen, DPM, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

“Four-Corner-Fusion” Triple Arthrodesis Joint Preparation Technique for the Management of Rigid Rearfoot Deformities. (CS-805)

Robert C. Clements, DPM MS

Gia-Cat P. Pham, DPM

Elizabeth C. Connolly, DPM

Joshua A. Sebag, DPM FACFAS

James T. Clancy, DPM FACFAS

Financial Disclosures: Dr. Joshua A. Sebag has disclosed being a consultant/advisor/speaker for Medartis. Dr. James T. Clancy has disclosed being a consultant/advisor/speaker for Paragon 28 and Flower Orthopedics. The other poster authors have indicated they have no financial relationships to disclose.

Outcomes of Tibiotalocalcaneal Fusion Following Partial Talectomy in the Charcot Foot. (CS-834)

Dominick J. Casciato, AACFAS

Shehryar Raja, DPM

Korey Dubois, DPM, AACFAS

Jacob Wynes, DPM, MS, FACFAS

Financial Disclosures: Dr. Jacob Wynes has disclosed being a consultant/advisor/speaker for Paragon 28. The other poster authors have indicated they have no financial relationships to disclose.

Orthoplastic Bone & Soft Tissue Reconstruction of The Extruded Talus with Distally Based Chimeric Peroneus Brevis Myo-Osseous & EBD Flaps. (CS-843)

Christopher R. Bibbo, DO, DPM, FACS, FACFAS

Sara Mateen, DPM, AACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Transfibular Trabecular Metal Total Ankle Arthroplasty Survivorship: short- to midterm clinical and radiological outcomes. (CS-846)

Remi Minh Khang, Le, DPM, AACFAS

John A. Martucci, DPM, AACFAS

Lawrence A. DiDomenico, DPM, FACFAS

Financial Disclosures: Dr. Lawrence A. DiDomenico has indicated being a consultant/advisor/speaker for Simmer Biomet. The other poster authors have indicated no financial relationships to disclose.

Periarticular Open Wedge Midcalcaneal Osteotomy for Severe Valgus Deformity and Associated Tarsal Coalitions. (CS-854)

Chloe F. Sakow, DPM, MPH

Ben Tonsager, DPM

Troy J. Boffeli, DPM, FACFAS

Financial Disclosures: Dr. Troy Boffeli has indicated holding Intellectual Property Rights with Surgical Design Innovations (SDI). The other poster authors have indicated they have no financial relationships to disclose.

Fibuloplasty: Distal Fibular Reconstruction Performed in Conjunction with Ankle Fusion Conversion to Implant Arthroplasty. (CS-864)

Cody J. Togher, DPM, AACFAS

Grant Chudnik, BS, OMS-III

Vincent G. Vacketta, DPM, AACFAS

Christopher F. Hyer, DPM, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Total Ankle Arthroplasty with Total Talus Replacement: A Case Report of Clinical and Radiographic Outcomes. (CS-883)

Stephanie L. Golding, DPM

John W. Jaeger, DPM

Christopher L. Reeves, MS, DPM, FACFAS

Financial Disclosures: Dr. Christopher Reeves has indicated being a consultant/advisor/speaker for Stryker, Treace Medical, Trilliant, Wright Medical. The other poster authors have indicated they have no financial relationships to disclose.

Evaluation of an Intraoperative Technique for Surgical Correction of Metatarsus Adductus. (CS-908)

John T, Marcoux, DPM

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

The Anterior Ankle Angiosome Approach. (CS-909)

Tim Ford, DPM

Taylor Hale, DPM

Brandon Kitchens, DPM, MBA

David Seligson, MD

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Complicated Varus Deformity Limb Salvage using Computer-Assisted Circular External Fixator in Elderly Patient with Multiple Comorbidities. (CS-915)

Amanda C Khoury, DPM

Nathan LeSueur, DPM PGY-2

Jaime Lee, DPM FACFAS

Scott Clark, DPM FACFAS

Financial Disclosures: Dr. Scott Clark has indicated being a consultant/speaker/advisor for Orthofix. The other poster authors have indicated they have no financial relationships to disclose.

Medial Column Soft Tissue Imbrication with Internal Brace Augmentation following Lateral Column Lengthening in the Pediatric Population: A Novel Indication. (CS-927)

Kelly McKeon, DPM

Smitha Mathew, MD, MBBS

Sean Tabaie, MS MD FAAOS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

A Novel Technique for Treating Osteochondral Lesions of the Talus with a Threaded Titanium Implant: A Case Study. (CS-930)

Nishit S. Vora, DPM, MPH, AACFAS

Ashley V. Mosseri, DPM, MS

Nehal K. Modha, DPM

Warren W. Windram, DPM, FACFAS

Financial Disclosures: Dr. Warren W. Windram has disclosed being a consultant/advisor/speaker for HNM Medical. The other poster authors have indicated they have no financial relationships to disclose.

Case Report: 3D Printed Total Talar Implant for Avascular Necrosis of the Talus. (CS-937)

Noah T Newsome, DPM, PGY-3

Andrew Puckett, DPM, FACFAS, Faculty

Joseph M Anain Jr., DPM, FACFAS, Residency Director

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Gradual Correction of Bilateral Equinus Contracture of the Ankle Using a Computer Assisted Multiplanar Circular External Fixator After Acute Achilles Lengthening and Posterior Capsulotomy in a Pediatric Patient. (CS-940)

Rahim Rafiq Lakhani

Justin Muser, DPM

Guido LaPorta, DPM, MS, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Management of Failed Osteochondral Lesions of the Talus Using Patient-Specific Instrumentation Guided Total Ankle Replacement: A Report of 2 Cases. (CS-945)

Garrett Biela, DPM

Isaac Wilmot, DPM

Jason A. Piraino, DPM, MS

Thomas S. Roukis, DPM, PhD

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Revisional Tibiotalocalcaneal Arthrodesis with Intramedullary Fibular Inlay Strut Graft for Hardware Failure: A Case Report. (CS-946)

Emily R. Merriman, DPM

Ilham H. Syed, DPM

Tresa L. Wize, DPM FACFAS

Kimberlee B. Hobizal, DPM FACFAS

Financial Disclosures: Dr. Kimberlee Hobizal has disclosed being a consultant/advisor/speaker for Stryker, Arthrex, Suture Guard and Kerecis.

Charcot Neuroarthropathy Reconstruction as an Alternative to Limb Amputation: A Retrospective Review of 45 Patients. (CS-947)

Karl W. Dunn, DPM FACFAS

Marwa Hmady, DPM

Kayna P. Patel, DPM

Financial Disclosures: Dr. Karl W. Dunn has indicated being a consultant/advisor/speaker for Paragon 28, Stryker, Johnson and Johnson. The other poster authors have indicated they have no financial relationships to disclose.

3D-Printed Total-Ankle Total-Talus Replacement Combined with Subtalar Fusion for Severe Hindfoot Osteoarthritis. (CS-950)

Qanita, S, Ali, DPM

Lawrence Fallat, DPM

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Taylor Spatial Frame for Solo Treatment in Bilateral Equinus Deformities. (CS-953)

Kimberly A Lockridge, DPM, AACFAS

Zachary K Janes, DPM, AACFAS

Romesh G Dhaduk, DPM, FACFAS

Sandra R Raynor, DPM, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Cobalt Allergy in Total Ankle Implant: Treatment Options. (CS-956)

Muhammed S. Shamim, DPM

Peter Lovato, DPM, FACFAS

Patrick McEneaney, DPM, FACFAS

Rimvydas Statkus, DPM, FACFAS

Financial Disclosures: Dr. Peter Lovato has disclosed being a consultant/advisor/speaker for Kerecis. Dr. Patrick McEneaney has disclosed being a consultant/advisor/speaker for Kerecis, Medela, Fusion Orthopedics, Biocomposites. Dr. Rimvydas Statkus has disclosed being a consultant/advisor/speaker for Kerecis and Medela. The other poster authors have indicated they have no financial relationships to disclose.

Use of Femoral Head Allograft in Tibio-Talo-Calcaneal Arthrodesis for Ankle Charcot Neuroarthropathy: A Case Report with 10 Year Follow-up. (CS-957)

Ravnik Singh, DPM

Lawrence Fallat, DPM FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Realignment of the Rearfoot Using an Interpositional Wedge During STJ fusion. (CS-965)

Kaina A. Louis-Charles, DPM

Julio C. Ortiz, DPM, FACFAS

Hector M. Santiago, DPM

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Surgical Management of Muller Weiss Syndrome: A Case Series. (CS-967)

Scott D. Schleunes, DPM

Vincent G. Vacketta, DPM

Jacob M. Jones, DPM

Alan R. Catanzariti, DPM, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

The Cole Osteotomy: Maximizing Sagittal Plane Cavus Correction. (CS-974)

Brent J. Blanck-Singer, DPM, AACFAS

Craig A. Camasta, DPM, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Acellular Fish Skin Graft as an Adjunct Treatment to Tendon Reconstruction in Foot and Ankle Surgery. (CS-981)

Rimvydas P. Statkus, DPM, FACFAS

Patrick A. McEneaney, DPM, FACFAS

Peter F. Lovato, DPM, FACFAS

Financial Disclosures: Dr. Rimvydas Statkus has disclosed being a consultant/advisor/speaker for Kerecis and Medela. Dr. Patrick McEneaney has disclosed being a consultant/advisor/speaker for Kerecis, Medela, Fusion Orthopedics, Biocomposites. Dr. Peter Lovato has disclosed being a consultant/advisor/speaker for Kerecis.

A Retrospective Comparison Review of Subtalar Joint Arthrodesis Constructs. (CS-985)

Brandon Schlakman DPM PGY3

Michael Baker Brown DPM PGY3

Alex Lakner DPM

Frank Oware DPM

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Use of Ultrasonically Interdigitated Bioresorbable Suture Anchors in Double-Row Configuration in Haglund's Deformity Correction. (CS-987)

Christopher Berkelbach, DPM

Brandt Davis, DPM

Cathrine Stark, DPM

Michael Troiano, DPM, FACFAS

Financial Disclosures: Dr. Michael Troiano has disclosed being a consultant/advisor/speaker with Stryker. The other poster authors have indicated they have no financial relationships to disclose.

One-Stage Salvage Procedure After an Early Failed Total Ankle Replacement: Use of a Metal Implant, Intramedullary Nail, and Multiplanar External Fixator. (CS-993)

Judy Tan, DPM

Sarah Ayvazov, DPM

Michael Baker Brown, DPM

Ryan Andrews, DPM

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Surgical Management of Progressive Post-Infectious Lyme Arthritis in the Lower Extremity: A Case Report. (CS-1000)

Michael A. Savisky, DPM

Scott D. Schluenes, DPM

Adam M. Budny, DPM, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Proposed Algorithm for Tibiotalocalcaneal Arthrodesis in The Presence of Infection: A Case Series. (CS-1006)

Samuel D Caine, DPM

Stephen E Rockhill, DPM

Ravneet K Sandhu, DPM

Alissa M Mayer, DPM, AACFAS

Byron L Hutchinson, DPM, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Use of a Metal Implant, Intramedullary Nail, and Multiplanar External Fixator in Ankle and Subtalar Arthrodesis: A Case Report of Advance Arthritis and Charcot Arthropathy of the Ankle Joint. (CS-1016)

Judy Tan, DPM

Sarah Ayvazov, DPM

Ryan Andrews, DPM

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Not Your Typical Ex-Fix: A Novel Approach to Cavus Foot Reconstruction Utilizing a Unique Midfoot Osteotomy and External Fixation with Gradual Distraction and Multiplanar Correction. (CS-1019)

Judy Tan, DPM

Jacques Tran, DPM

Ryan Andrews, DPM

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Reconstructive Midfoot Beaming for Charcot Neuroarthropathy Resulting in Avascular Necrosis of the Talus. (CS-1027)

Oliver, A, Knauer, DPM

Jennifer, McGorty, DPM

Sam Caine, DPM

Alissa Mayer, DPM

Byron Hutchinson, DPM, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Short to Mid-Term Outcomes After a Percutaneous Repair of Tibialis Anterior Tendon Rupture. (CS-1047)

Brett, A, Albert, DPM, MHA

Scott, F, Jorgensen, DPM, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Gary Briskin, DPM, FACFAS

Financial Disclosures: Dr. Bob Baravarian has indicated being a consultant/advisor/speaker for and hold financial interests in OSSIO (though OSSIO was not used in this paper). Dr. Gary Briskin also holds financial interests in OSSIO (though OSSIO was not used in this paper). The other poster authors have indicated no financial relationships to disclose.

Outcomes of Achilles Detachment and Reconstruction with Simultaneous Gastrocnemius Recession. (S-1239)

Zachery A Weyandt DPM, AACFAS

Neha Atyam DPM

Michael Younes, DPM, FACFAS

Michael Sweeney DPM

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Trauma

Association Between Pronation External Rotation IV Fracture Pattern and Regional Bone Density. (S-698)

Dominick J Casciato DPM AACFAS

Zachary Hill DPM

Daniel T DeGenova DO

Jia Bao Lin DO

Tucker Peabody DO

Nolan Schmitz DO

Benjamin Taylor MD

Financial Disclosures: Dr. Benjamin Taylor has disclosed being a consultant/advisor/speaker for Zimmer, Biomet, Atricure, Innomed and is on the editorial board for Orthobullets.com. The other poster authors have indicated no financial relationships to disclose.

Ideal Time for Ankle Fracture Surgery. (S-793)

Brandon K Kim, AACFAS

Aarron Flowers, AACFAS

Brandon Lindberg, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Rate of Bony Union After Jones Fracture Fixation in the General Population. (S-884)

Amber M. Kavanagh, DPM

Brian J. Burgess, DPM, FACFAS

Financial Disclosures: Dr. Brian Burgess has disclosed being a consultant/advisor/speaker for Arthrex. The other poster authors have indicated no financial relationships to disclose.

The Postoperative Outcomes of Open Reduction and Internal Fixation of Lisfranc Joint by Comparing Screws versus Suture Button technique. (S-898)

Ashley V. Mosseri, DPM, MS

Emma R. Kayal, DPM

Jared C. Melman, DPM

Joey K. Ead, DPM, MS

Steven M. Spinner, DPM, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Intramedullary Fibular Nail in Complex Ankle Fractures: Nail or Fail? (S-900)

Lindsay M. Wynn, DPM

Jason A. Piraino, DPM, MS

Kyle Mauk, DPM

Teddy Musselman, DPM

John S. Anderson, DPM

Thomas S. Roukis, DPM, PhD

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Minimal Invasive Mini-Rail External Fixation for Surgical Treatment of Calcaneal Fractures. (S-907)

Edgar Sy, DPM, AACFAS

Mario Cala, DPM

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Arthrodesis of High and Low Energy Lisfranc Fractures Without Use of Home-Run Screw: A Case Series. (S-975)

Noah Kirshner, DPM

Justin Garvin, DPM

Aleksandr Emerel, DPM, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Incidence of Concomitant Injuries Occurring with Talus Fractures: An ACS-NSQIP Database Study. (S-1079)

Abad Majeed, DPM

Rachel H. Albright, DPM, MPH, AACFAS

Jeffrey R. Baker, DPM, FACFAS

Waleed Mirza, DPM

Zanib Cheema, MS-4

Adam E. Fleischer, DPM, MPH, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Outpatient Surgical Fixation of Complicated Calcaneal Fractures Pose No Excess Risk for 30-Day Complications. (S-1085)

Abad Majeed, DPM

Rachel H. Albright, DPM, MPH, AACFAS

Jeffrey R. Baker, DPM, FACFAS

Waleed Mirza, DPM

Zanib Cheema, MS-4

Adam E. Fleischer, DPM, MPH, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Retrospective Analysis of Distal Fibula Salter Harris I Fractures. (S-1124)

Nikita Grama, DPM

Christopher Girgis, DPM, AACFAS

Edwin J. Harris Jr., DPM, FACFAS

Teresa Cappello, MD

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

A Retrospective Clinical and Radiographic Evaluation of the Dual Distractor Method for Calcaneal Fracture Open Reduction Internal Fixation. (S-1157)

Sarah E. Tammaro, DPM

Bryon J. McKenna, DPM, FACFAS

Eric M. Swenson, DPM, AACFAS

Financial Disclosures: Dr. Byron J. McKenna has disclosed being a consultant/advisor/speaker for Stryker, Extremity Medical, Acera Medical, Crossroads Medical. The other poster authors have indicated no financial relationships to disclose.

Role Morphology of the 5th Metatarsal Plays in 5th Metatarsal Base Fracture Patterns. (S-1244)

Austin W. Vonasek, DPM, AACFAS

Paulina Piekarska, DPM, AACFAS

Mark H. Hofbauer, DPM, FACFAS

Financial Disclosures: The poster authors have indicated they have no financial relationships to disclose.

Fibula Morphology and the Role it Plays in Comminuted vs Non-Comminuted Fibular Fractures. (S-1245)

Austin W. Vonasek, DPM, AACFAS
